LATROBE, PENNSYLVANIA LATROBE HIGH SCHOOL

FORWARD

Inspired by the credo, "The Truth Shall Make You Free," which appears in bold letters above the stage aperture in the auditorium, students of Latrobe High School seriously dedicated themselves to the objectives and glorification of their Alma Mater during the 1950-51 school year.

Despite widespread international unrest precipitated by the military conflict raging in Korea throughout the school year between gallant United Nations forces and the destroying Communist hordes, their ardor for study and extra-curricular participation was never more intense.

Proving that our school provides a haven for youthful undertakings and success, they excelled in many fields of scholastic endeavor, on the sports scene and in other understakings to which they devoted unlimited time and energy.

energy. With enthusiasm and considerable pride, the staff of the Latrobean points to the following pages as an objective sketch of these many accomplishments.

Administration

We must not forget the efficient organization which is back of the development, operation, and functions of our school—the administration.

Seven citizens of our community as members of the Latrobe Board of Education serve to make possible the activities performed and establish the school standards. Mr. William McCullough presides over the board with Mr. H. M. Reed assisting him. Completing the board are Mr. S. G. Rummel, Mr. Francis Harvey, Mr. George F. Brown, Dr. G. N. Huber, and Dr. J. H. Hamill. These men represent the

HEAD MAN in Latrobe's educational system is Dr. John G. Hulton, superintendent. Dr. Hulton coordinates policies established by the Board of Education and keeps all the school wheels turning.

entire community in helping to develop the distinguishing features of Latrobe's education program.

Our chief administrator is Dr. John G. Hulton, superintendent of Latrobe Public Schools. Dr. Hulton earned his Bachelor's of Arts degree at Franklin College, his Masters at the University of Pittsburgh, and a Doctor of Literature degree at St. Vincent. A teacher and a principal at Latrobe High, Dr. Hulton became superintendent in 1929.

Our high school work is organized by Mr. Mark N. Funk. Before he became principal in

MEMBERS OF BOARD OF EDUCATION discuss plans for educational program. Seated are Mr. Samuel G. Rummell, Mr. Harry M. Reed, Mr. William McCullough, Dr. Gerard Huber and Dr. J. H. Hamill. Standing are Mr. George F. Brown and Mr. Francis J. Harvey.

1929, Mr. Funk was a social studies instructor. He received his Bachelors at Otterbein College, his Masters degree at the University of Chicago, and did graduate work at the University of Pittsburgh and Pennsylvania State College. Mr. Funk has been president of the WPIAL for the past eight years and was elected president of the PIAA this past year. A source of inspiration and information to students and teachers alike, he is a friend indeed.

To facilitate the work of Dr. Hulton are Miss Anne Belle Walter and Miss Ruth Himler, also secretary of the Board of Education. Mrs. Dorothy Stahl and Marilyn McGuire

Mrs. Dorothy Stahl and Marilyn McGuire aid Mr. Funk with the clerical work, with Miss Florence Breeton in charge of attendance.

Through this administration, with their guidance and instruction, the students will emerge to take their place in their own profession, as well as, in the world of citizenship. Then we will realize—OUR ADMINISTRATION.

Medical Guidance

DR. SCHIMPF and Nurse Mrs. Young examine Marcia Fenton for aches and pains.

Freshman and juniors will long remember those trips to the health room and room 113 for their annual physical and dental examinations.

Nine local physicians gave their services to protect the health and welfare of students. Dr. W. H. Schimpf was the school physician. He was aided by Doctors Clay Gibson, William Sipe, Paul A. Mankovich, and G. F. Nealon. Completing the list were W. F. Berberich, Joseph F. Lechman, Joseph C. Doherty and Thomas M. Sprock. Injuries incurred in athletics were cared for by Dr. Gibson.

Following the conclusion of the physical examinations, students were called to room 13 for their dental examinations. Dr. B. A. Wright, Sr. examined the teeth of all juniors and freshmen.

After physical and dental examinations were completed in Latrobe Public Schools, statements were issued to parents. If any defects were discovered in the body or teeth, the letter received in each home stated them. The students were to have the defects corrected and return the letter to the school with the corrections stated.

Mrs. Florence L. Young, school nurse, is a year 'round protector of the health in Latrobe High School. She tends to emergencies and accidents which might occur around the school's premises. With the aid of the health room attendants, Mrs. Young keeps the students in top physical shape.

A variety of subjects, which are included in the five prescribed courses, are offered to students entering Latrobe High School.

The college preparatory course is recommended for those who intend to further their education at college. Both CPA and CPC offer a curricula of science, mathematics, and languages, in addition to the social science studies.

Preparing students for the business world is the purpose of the commercial course. A full schedule of secretarial subject is included in this course. Shorthand, typing, bookkeeping, and salesmanship are a few of the classes which future secretaries attend.

Only the bare minimum of subjects are outlined for the general course. Leeway is provided for students to elect any of the subjects included in either the college preparatory or commercial courses.

The trade course is taken by boys who want to go into some phase of industrial work after graduation. The machine, electric, wood and drafting departments are the training fields for developing different types of manual skill.

The cottage is the center of homemaking activities. Girls taking this course learn about cooking, sewing, and other vital requirements for establishing an efficient, smooth-running home.

Work And Play

This year physics students have had the opportunity of a completely new physics laboratory moved from Room 210 to 115. All equipment is new with the exception of the demonstration apparatus and the static machine.

This is the first time the physics class room has had a demonstration desk adequately equipped. Another particular advantage is the storage space which makes it possible to store equipment and books in such a fashion that they are available for use at all times.

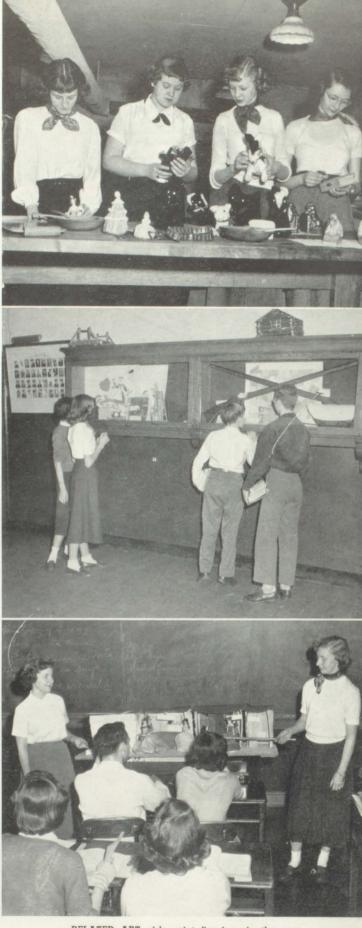

Lack of crowding is another outstanding feature of the new lab. It provides proper seating facilities for students both for laboratory and classroom work.

Along with the other attractions is that of convenience. The laboratory is so arranged that any equipment, demonstrations, or class room work is ready at the convenience of both student and teacher.

All in all, this new addition is a great improvement to the physics department. For the teacher, it facilitates her tasks and problems and for the student, it provides a step toward better experience and education in the science field, besides being a comfortable and attractive room.

Football games, band concerts and forensic contests are only three of the many happy memories, the senior class of 1951 will retain as they leave the portals of Latrobe High School to bravely embark on the world beyond.

The senior class has always emerged with top-ranking leadership. William Eversole, Francis Hurite, Benjamin Lowenstein and William Richwine have filled the position of president, while Dolores Beltz, Fred Wegley, Donald Domenic and Jerry Pevarnik, served as vicepresident. Sara Jane Myers, Mary Lynch, Anita Buerger and Joanne Mitchell recorded the minutes and Helen Jane Moersch, Nancy Parizek, Mary Ann Funk and Dorothea Zenk, collected class dues. The senior class chose William Callaghan, Janet Wells, Ronald McKenzie and Edward Gearing to serve as Student Council representatives.

Forensics played a major role for this class. Leonard Kostley captured first prize in the Extemporaneous Speaking Contest for the freshmen while Fred Wegley took it the two following years. Francis Hurite emerged first in the oratorical contest with Benjamin Lowenstein stepping into second place.

The class of '51 began showing great acting potentialities as freshmen when Anne Poerstel was selected to be the only freshman in the all-class play, "Love Your Neighbor." Later Bill Richwine, Dolores Beltz, and Sally Lewis established names for themselves in the junior class play, "Parlor Story."

The members of this class will never forget their outstanding sportsmen. Such football players as Francis "Corky" Glamp, Donald "Cam" Domenic and John Paior will go down in Latrobe High's history as some of the finest to graduate. In the basketball field William "Oscar" Adams, Tom Buchleitner, Ed Smith and Mickey Pagnanelli excelled.

Several seniors excelled in the music department. Mary Morrell participated in all-state orchestra her senior year. Mary Lynch and Benjamin Lowenstein also were outstanding in this field playing in both band and orchestra. FIVE DISTRICT Orchestras and C h o r u s musicians discuss plans for the annual musical concerts.

YOUR ALL-AMERICAN PUBLICATION ADVISER

To H. Donald Benford, just four months ago, student and faculty members said their good byes and gave him their best wishes for success in a new field of endeavor.

"Doc", as he was known throughout school, is a graduate of Latrobe High School and received his further education at Bucknell University. After long and tedious hours of work he got his Masters Degree from the University of Pittsburgh.

Mr. Benford began his teaching career at Latrobe High at the beginning of the 1934-35 term. For three years he taught only the whys and hows of English grammar. Helping students struggle through classics and compositions; persuading the eager pupils that book reports were to be read; and teaching scholars the proper way to speak their native tongue was his job.

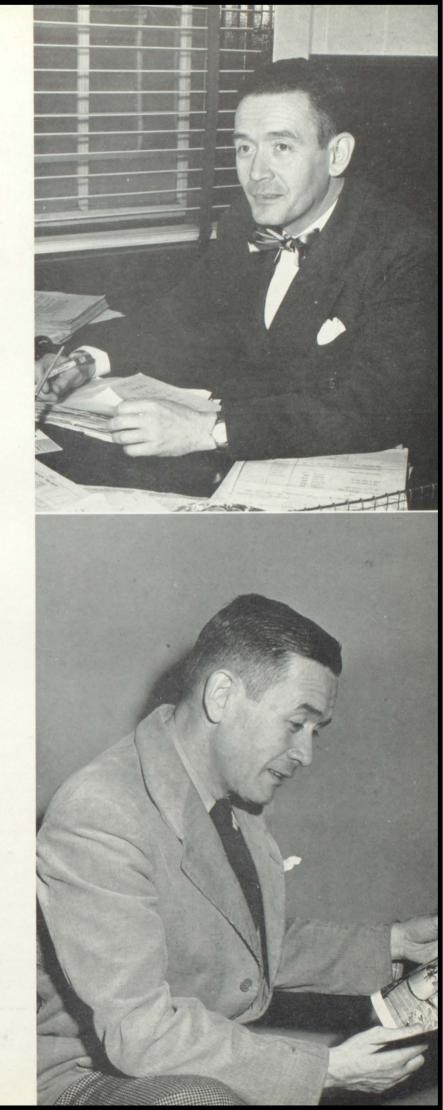

In 1937 the well-liked instructor added one more duty to his crowded schedule, for not only was he active about the school but he was also very energetic when it came to community or church affairs. "Ace" then began teaching the five w's of journalism. He took over the three high school publications. He was always ready to help a struggling young journalist and every deadline was met when he added his push.

The United States Navy interrupted his teaching career when he served as a lieutenant from July 1944 until December 1945. After his discharge he resumed his teaching.

Through his guidance Mr. Benford brought many of the highest journalistic awards to this high school. But his teaching ended in February when "Doc" started his present job at Vulcan Mold and Iron Co., as purchasing agent.

Maybe his appearance in 118 is all just a memory now but he is one man who will long be remembered by all who knew and respected him as "the best friend a student could have."

- THE NEW EXECUTIVE takes time out from paper work to tell students the trials and tribulations in the daily lives of big business men.
- H. D. BENFORD ponders over yearbook picture ideas in a session with journalism staff members before he took a job in industry.

SENIOR

Personalities

The outstanding student in each of ten fields was designated by popular vote of the senior class. Frances Hurite received the largest number of votes for Leadership. The outstanding Commercial student is Barbara Smith. Mary Ann Funk secured the Scholar title and Dramatics went to William Richwine.

Having received many honors in speaking, Fred Wegley was awarded the Forensics title. Susan Smith was voted as the Homemaker of '51, while Mary Elizabeth Morrell gained the laurels for Music. Having edited the High Post, Dede Zenk was voted outstanding in the field of Journalism. Dede is also a member of Quill and Scroll. John Paior, active in the Machine Shop, was voted the most outstanding in the Industrial course.

Francis Glamp was picked by the seniors for the Athletics title. "Corky" has an outstanding football record as well as a track record. All of these seniors proved themselves worthy of these titles in each specific field by participation in many events throughout the entire year.

President	Patrick Hughes
Vice President	Roger Beidler
Secretary	Betty Panichella
Treasurer	Marjorie Hulton
Student Council	William Paxton

"Jolly" juniors look with pleasure at their accomplishments of the past year before they leave their stations to become "stately" seniors.

The junior class was led by competent officers. Pat Hughes filled the seat of president while Roger Beidler was his right-hand man. Betty Panichella acted as secretary and Marjorie Hulton served as treasurer. The class chose Gilda Larry to represent them on Student Council.

Juniors proved outstanding in the dramatic field. Ronald Ferguson and Chris Slater copped leads in the all-class play "Male Animal" while Gilda Larry portrayed the title role in the Junior class play "Dulcy".

The class of '52 was not absent in excellent athletes. Andy Keefe, Marty Westfall, Jim Moran, Paul Halula and Vince Rizzo were outstanding on the gridiron while Jim Roof, Bob Mueseler, Andy Keefe, Roger Beidler and Vince Rizzo excelled on the hardwood. Several juniors led the tennis team. Jim Roof, Roger Beidler and John Demangone were outstanding in this sport.

Juniors also had their share of musicians.

Martha Lowe and Don Lazarchik played in both band and orchestra. Martin Helenic garnered a name by displaying his talent on the organ during assembly period. Musicians, in their own right ,were high steppers Patricia Robinsky, Gwyn Syster, Joan Leccia, Irene Lupchinsky and Betty Straka. Donald Lazarchik strutted ahead of these majorettes as drum major.

Future artists of America were exposed as class members attained honors in this field. Dick Barnhart, Al Lattanzio and Joan Lavin copped awards in various contests. Others outstanding in this field were Johanna Wittenmaier, Gwyn Syster and Charlotte Clister.

The main stay of station BCC were members of this class. Barbara Hinger served as script editor, Margaret Smith directed the news, while Harry Albert acted as sports editor. Roxanne Freeman helped keep the broadcasts running smoothly as production manager.

Of course, for the juniors, the prom is a never-to-be-forgotten affair. Under the general chairmanship of Selma Hanna and Marjorie Hulton, the juniors and seniors attended the most thrilling affair of the year. SOPHOMORE CLASS OFFICERS reading up on material

to lead their class in a proper way.

OFFICERS

President	. Fred Zenone
Vice President	James Beatty
Secretary Rose	Marie Franko
Treasurer	
Student Council	Charles Dziak

After two years of high school life, all of the sophomores eyes are focused on the time when they will become upperclassmen.

The sophomore students discovered, after a year of adjustment and observance, that good leaders were necessary for a progressive class. Election results showed Fred Zenone as president; James Beatty filling in the vice-presidency; secretary Rose Marie Franko keeping record of the meetings; class funds being taken care of by Donna Lloyd, and Charles Dziak representing the sophs at Student Council meetings.

In the field of sports, the gridiron and basketball courts were scenes of excitement. Thomas Weiers and Dick Domenic played varsity football, while other sophomores brought the junior varsity to victory. The Westfallmen also stood out on the hardwood courts. Such stars as Jerry Marco, Freddy Bell, and Jimmy Hauser provided the winning points.

The spotlight also centered on the cheerleaders and majorettes backing the team. Sandra Syster and Dorothy Rebtoy were the sophomore contributions to the high-stepping majorettes. In either rain or shine, Bill Smith did his part in leading cheers.

Outstanding sophomore students gained recognition when upperclassmen noticed their

sparkle. Charles Lemmon reigning as King Juno at the Buhl Planetarium; Jerome Mozina sport section on the weekly BCC broadcast; Rose Moranelli's portrayal of a colored maid in the all class play; Evelyn Metz's election as Student Council treasurer—these are but a few of the leaders of tomorrow.

Music and speech contest copped top positions among the favorite activities of the rising young sophomores. Ronald Ciccarelli sang in the octette during the opening exercises of each assembly period. James Beatty and Robert Steele went on to the extemporaneous contest finals. Karl Everett worked back stage to make all the productions a success.

School dances and plays found the sophomores working hard to make these events a success. Back stage committees and prompters for the all-class play, and the program and entertainment committees for the dances showed the sophs giving 100% co-operation.

Now the memory lingers of winning exciting football games; losing basketball tilts by two points; attending the Woman's Club Contest; dancing in the decorated school gym; and clapping for the best efforts of the amateur actors and actresses. Next year, the sophomores will have an opportunity to do all these things over again, when they reign as the jolly juniors.

Freshmen

LEARNING THE PROPER PROCEDURE of meetings seems to be of great interest to the leaders of the freshman class.

OFFICERS

President	Richard McKelvey
Vice President	Robert Netzlof
Secretary	Janet Smith
Treasurer	Wayne Albert
Student Council	Dorothy Reeping

The class of 1954 entered their first year of high school with high hopes of developing their leaders, training their future actors and actresses, and proving the athletic ability of their football and basketball candidates.

Election of class officers was the first hurdle the greenies had to overcome. Richard Mc-Kelvey, the popular choice of the class, took over the presidential duties with the aid of his cabinet. Vice-president Robert Netzlof assisted Richard; secretary Janet Smith wrote the minutes; bookkeeping records were kept by Wayne Albert; and Dorothy Reeping brought the freshman problems to Student Council.

The smell of greasepaint and sparkle of spotlights attracted the theater-minded frosh. Acting ability was displayed by Jerome Tovo, David McCullough, and John Kuba. Lyn Barnhart started out to prove what a great lady of the theater she was, but appendicitis spoiled her plans. With the experience the freshmen now have, future plays will rest safely in their hands.

Excitement ran high when the greenies took over the football field and hardwood courts. William Gross and William McGinnis starred as all-around players in their first year of major sport competition. The basketball season saw such stars as Chester Brighenti and Ronald Japalucci win acclaim.

Forensics season provided an opportunity for building young speakers. The frosh competed in the extemp finals with Sue Stull and David McCullough as their candidates. Poetry reading, declamations, and Shakespearean reading were part of the other contests the greenies took advantage of.

In other school activities the freshmen took their place. The songs echoing from the balcony during song periods in assembly; frosh playing musical instruments in orchestra and band concerts; Boys' Chorus I and Girls' Chorus I renditions of familiar favorites—all were part of the froshs' growing up period.

Even with their beginning worries, the greenies proved they had the ability and knowhow to do things. Lasting memories of plays, dances, and concerts in which the freshman class had a part will serve as an incentive for the future. The class of '54 has shown, that both in the classroom and on the athletic field, they can take their place as next year's sophomores. LATROBEAN HIGH POST ORANGE AND BLACK

Passive verbs, broken decks, headlines that don't count and stories that are too short, along with numerous other things make up the headaches and enjoyment of a student journalist whose three years of journalistic endeavor prove profitable.

As the first step, a student enters Journalism I class. Here he learns the fundamentals of school publications. He struggles to get the five "w's"—who, what, when, where, why—in his first lead. He also labors over the technicalities of headline writing. After a year, he feels prepared to take his place on the High Post Staff.

From then on, his eighth periods are constantly occupied. He watches Dede Zenk, news editor, and Jane Long, feature editor, preparing their layouts for the next issue. He then sees Cam Domenic, sports editor, struggling over headlines. He observes Emory Lesho, advertising manager, send out bills to advertisers and Joanne Mitchell, business manager, checking the staff's accounts.

The journalist then joins one of the various phases of writing. Gradually, he learns the intricate details of page make-up, headlines, leads and passive verbs. He learns how to use the dictionary because the publications cannot have misspelled words. After hours of writing and planning, he begins to appreciate the award certificates hanging on the wall.

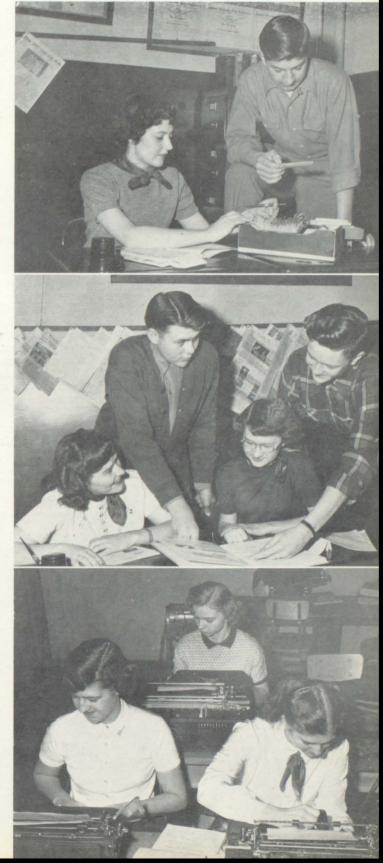

When Mr. Journalist has written 300 published inches of material and is in the third of his class scholastically, he gains admittance to the Quill and Scroll. This organization follows the principles of truth, loyalty, friendship, leadership, enlightenment, opportunity and initiative. Thus the journalist carries with him a memory of journalistic work which will never fade.

Another important phase that cannot be left out is the Latrobean. The journalist watches Jacqueline McAtee, editor, dashing around the room hunting the "dummy." On the days when informal pictures are taken, he may see "Jackie" anywhere in the building handing out room-to-room permits or pulling her hair because someone is late for his picture.

> Seven members of the junior class completed the upperclassmen in the play. The leads in the play were enacted by Christine Slater and Ronald Ferguson. Joseph Tarnazie, Nancy Swintek, Rita Cervi, Rose Marie Cirucci, and Martin Helenic were the other cast members of the junior class. Serving as the student director was Mary Lou Demangone, also a junior.

> Four students represented the freshman and sophomore classes. They were Rose Moranelli, sophomore, and John Kuba, Jerry Tovo, and David McCullough, freshmen.

Dramatics

The junior class presented "Dulcy," as their annual play. Barbara O'Konak served as student director.

Eleven junior thespians enacted roles in the play. Following Gilda Larry's leading role were Hugh Shields, Cameron Eiseman, Barbara Hinger, Ronald Buerger, Joan Lavin, and Harry Albert. Bill Paxton, Paul Halula, Arnold Graham, and Richard Campbell completed the list.

Seniors concluded the dramatic season with a mystery, "Night Must Fall." The senior class actresses were Anita Buerger, Elizabeth George, Patricia Morrison, Dolores Beltz, and Marilyn Wellen. The male members of the cast were Benjamin Lowenstein, William Hoffman, and Robert Bennet.

Assisting Miss Laura Johnston, faculty adviser, and her thespians were the ushers headed by Joanne Mitchell and Roseanne Bortz. Richard Atkinson served the different cast members by heading the stage managers. Committee members aided with the many odd jobs connected with dramatics.

Forensics

"To be or not to be",—this quotation from Shakespeare is familiar to all forensic-loving students of Latrobe High School.

The past year was jam-packed with speaking contests. To start the season off, the Rotary Club sponsored their annual oratorical contest. Francis Hurite won first prize discussing big business. Second award went to Benjamin Lowenstein who spoke on the value of freedom.

The Kiwanis Extemporaneous Speaking Contest was next in the spotlight. Discussing the success and failures of the United Nations, Frederick Wegley, senior, captured top honors. Class winners in this event were David McCullough, freshman; Robert Steele, sophomore, and Chris Slater, junior. The other participants in this contest were Sue Stull, freshman; James Beatty, sophomore; Pauline Fetsic, junior; and Ronald McKenzie, senior. The next event of the forensic season was the annual Woman's Club Contest, featuring poetry, declamation and Shakespearean reading. Emerging as winner in the poetry division, Gilda Larry, junior, selected as her poem, "How Do I Love Thee," by Elizabeth Barrett Browning. The required poem this year was "Reveille" by A. E. Housman. Senior Robert Bennett placed first in the declamations, giving "The Names of the Nation," by Thomas Wolfe. A selection from "Romeo and Juliet," won first prize for Barbara Hinger, junior.

Closing the forensic season with a boom was the annual Ruth Robb debate. Arguing the subject "Resolved: That the Welfare State Should Be Abolished," the affirmative team of Mary Lou Demangone and Rose Marie Cirucci, took first award. The negative team was composed of Chris Slater, junior, and Fred Wegley, senior.

THE MAJORETTES after a long, hot, and tiresome march relax and rest awhile.

Seeking the enjoyment and training which the Music Department has to offer, the band and orchestra, under the direction of Mr. Sam R. Green and Mr. Ross Prestia, spent many happy hours practicing for a variety of events.

Led by six majorettes, drum major and twirling major, the band boosted morales and added to the fun at the football games and pep meetings. Serving not only the school, but also the community, the band took part in parades and other local activities. Skits presented by the musicians at half time included such gems as an Indian pow-wow and the Armistice Day tribute. The orchestra, which plays for every as-

The orchestra, which plays for every assembly, is another of the important school organizations. Three seniors were chosen to play at District Band. They included: Mary Elizabeth Morrell, Mary Lynch and Ben Lowenstein. Mary Morrell was the school's only delegate to the State Orchestra. Virginia Phillipi, senior, accompanied the orchestra at the piano. The high spot of the year was the instrumental concert held early in the spring.

The orchestra also provided music for other events. It played background music for forensic programs and plays with classical and semiclassical arrangements.

Five seniors and one freshman participated in District Orchestra. Three senior cello players included: Helen Jane Moersch, Marilyn Emrick and Priscilla Beatty. Mary Elizabeth Morrell, senior, French horn player, and senior violinist Barbara Smith completed the senior list. Freshman Mildred Gilbert, who also played the violin, was the only underclassman included in the group. Every year an award is presented to the band rank which has successfully kept its lines straight and has met other required qualifications. This year a spaghetti dinner was held in honor of the winner, rank eight consisting of flutes. At this time a trophy was presented to them was a tin water cup with their names engraved on it. Early in the spring the annual band banquet was held. Entertainment for this affair was provided by several band members and the "Dixieland Band" which is under the direction of Mr. Robert Cook.

A great goal was met during the past year in that new band uniforms were purchased. This expenditure was provided for through donations presented by the community, the money raised by the concerts, and a talk and movies of his African hunt by Dr. Jack Hamill. The uniforms consist of black pants and orange coats with a high collar. Orange spats will be worn and the previous type of hat will be replaced by tall shakos topped by a six inch plume.

Music

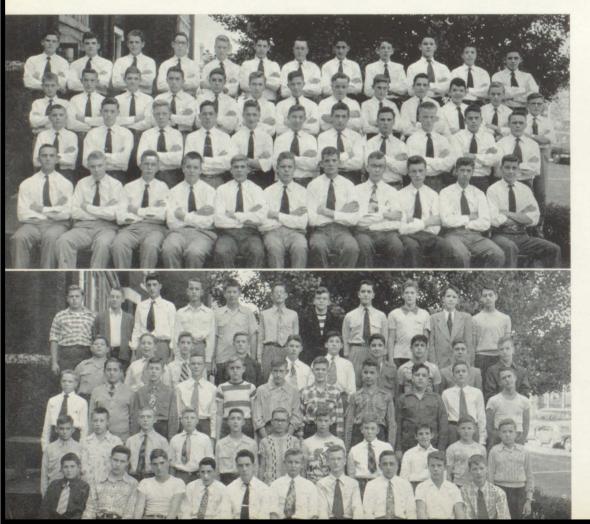

A roaming reporter saw no shortage of prima donnas or good vocalists in the world of tomorrow after listening to Latrobe High School's Girls' and Boys' choruses.

All girls interested in singing sign up for Girls' Chorus I in their freshman year. From this group Mr. Sam Green, musical director, chooses members from Chorus II and III according to their ability.

I'wo senior girls from Chorus III were se-

lected to sing in District Chorus. Marilyn Wellen sang alto, while Elizabeth George sang second soprano.

Besides the three Girls' choruses there are two Boys' choruses. Boys' Chorus I is composed of freshmen who are interested in singing. The next year Mr. Green chooses members for Boys' Chorus II on the basis of vocal ability. This year Andrew Sabota, senior, sang at District Chorus.

The most important event of the year was the concert held in March. Each group sang a number of songs with Girls' Chorus III and Boys' Chorus II blending together in a mixed chorus for several numbers.

Two duets sung by seniors were a feature of the concert. Mary Morrell and Howard Dira sang "My Hero," while Mary Lynch and Robert Evans did a comedy.

Song assemblies proved beyond a shadow

of a doubt that trained noises were mixed throughout the auditorium. Often the corridors fairly rang as "April Showers" or "On the Road to Mandalay" echoed from the auditorium. One of the annual special all-student musical events was the Christmas Carol singing which took place in home rooms and was led by a choral group singing over the amplification system.

Student Council

Although there is a considerable amount of work connected with the Student Council, Latrobe High School's service organization, enjoyment is created while doing things for others.

The initiative and seriousness of the group, under the supervision of Mr. J. R. Beatty, faculty adviser, can be well seen at a council meeting. President Ronald McKenzie presides over the group. When absent, Andrew Kissel, vice-president, is always prepared to take Ronald's place. Up-to-date minutes and balanced financial reports are heard each meeting from Evelyn Metz and Romayne Carota, respectively. Suggestions and opinions are voiced by the other members of the group.

The annual projects of the Council are numerous: concession stands at basketball and football games, run by the Council members; the three school dances, "Cakewalk Stag," "Smithy's Shop," and "The Jinx Stag"; special and regular assemblies; devotions for the assemblies; check room at plays to accommodate the patrons; the lost and found; the Christmas decorations for the auditorium; and the annual

> DANCE DECORATIONS being prepared for the "Smithy Shop", as were all other dance decorations, invitations, etc.

spelling bee. All are necessary parts of everyone's school day, and all are sponsored by the Student Council.

The planning of a program is just one task presented to the council members, but the hard work behind the scenes is also done by them. The sparkling art collection in the corridors is just one example of their work. These pictures are kept sparkling by the scrubbing ability of the council. The council room is another. It is dusted and swept daily. Ushering for Parent's Night, Eighth Grade Day, and Freshman Day help make our school activities a pleasure to attend. The ticket sales for all events are supervised by the council. The all-class play comes under their supervision also. Teas are also given by the members. Even though these are tremendous tasks when everyone bands together, they weld the council into a working group.

This year the council's gift to the school was a Califone record player. They also completed the payments on the last year's school gift, a movie projector. Their annual addition to the art collection was an event of the Spring.

BIBLE READERS Ann Reeping and James Bolton conduct the opening exercises of assembly.

SALES CAMPAIGN RESULTS for various school social events are recorded each evening on the percentage board. Barbara Reeping and John Kintz receive their instructions from Mary Lou Poole.

STUDENT COUNCIL OFFICERS Andy Kissel, Evelyn Metz, and Romayne Carota discuss with Ron Mc-Kenzie the plans for the next school dance.

PLAY TICKETS AND ADVERTISEMENTS are counted and prepared as Ronald Schirf, Shirley Heitchue, and Barbara Walters open a sales campaign.

BOOK COVERS, pennants, auto tags, wild cat heads, and scotch tape are only a few of the articles and novelties sold by the Student Council.

Broadcasting

Familiar BBC chimes sounded in all the home rooms every Monday and Thursday morning as the broadcasting class of Latrobe High School brought flash news to the students.

The broadcasters, under the direction of Miss Mary Louise McBride, were a very busy group. Besides the bi-weekly news broadcasts, they presented a Christmas play. This play, "The Mousequeen and the Nutcracker" was also presented over Greensburg station WHJB. Margaret Smith served as news editor of

the class. Marie Derek and Chris Slater as-

National Honor Society

One of the highest goals of a Latrobe High School student is to belong to the National Honor Society.

To be a member of this distinguished society, one must rank in the upper quarter of his class scholastically, be willing and ready to be of service to his school, have demonstrated qualities of good leadership, and be able to conform to certain character qualifications. Fifteen percent of the senior class and five percent of the junior class may be elected.

Francis Hurite was elected as the president this year and Ronald Vittone as vice president. Secretarial duties were managed by Elizabeth George and financial problems settled by Virginia Phillippi. Benjamin Lowenstein represented the Society at Student Council meetings, and Regis Kessler served as High Post reporter. Mr. James R. Beatty directed the Society.

The Latrobe High School received its charter of the National Honor Society in 1925. In its twenty-six years of existence, the Latrobe chapter of the Society has had 772 members. The Society, sponsored by the "National Association of Secondary School Principals," has become the foremost high school honorary organization in the country.

The highest virtues of life — scholarship, leadership, character, and service — rule the membership of the Society. The Society's members can display with pride, their membership in such a scholastic distinction. OFFICERS READ OVER and discuss the laws and requirements of the organization. They are Ronald Vittone, Libby George, Ben Lowenstein, Francis Hurite, Regis Kessler and Virginia Phillipi.

Activity

As students from all classes reminisce the happenings of the past year, certain activities will attain top recognition in their minds.

First of all, the students will never forget our football team. As this famous team crowded the field, loyal fans shouted and sang out the best words to describe them—"Latrobe High Victorious." Never to be forgotten is the fine ability displayed by such players as Francis "Corky" Glamp, Donald "Cam" Domenic and John Paior.

After thoughts of the gridiron slowly faded into the past, the dramatic department produced their first play of the year "The Male Animal." The entire student body was well represented in this production with two juniors, Ronald Ferguson and Chris Slater, portraying the leads.

Special assemblies, sponsored by the school's hard-working, ever-dependable Student Council, of course stood out in the minds of all pupils. Everyone will long remember the war talk given by Lt. Whittaker, the commercial artist and the glass-blower who amused students with the help of seniors Art Mekic, Steve Micklow and Tom Luttner.

SHOWER ROOM CANDIDATES look mighty happy as they clean up after a hard fought basketball game. Must have been a victory for Dick "Muscles" Domenic, Jim Smart, and Fred Bell.

Next on the agenda for the thoughtful minded students is the never-to-be-forgotten Junior Class Play. Pupils can never forget the crazy antics performed by Gilda Larry, who took the title role, "Dulcy".

The Junior Class Play was scarcely in the background when spring was just around the corner and forensic season was here. Orations took first spot in all speaking contests. Francis Hurite captured first prize while Benjamin Lowenstein placed second.

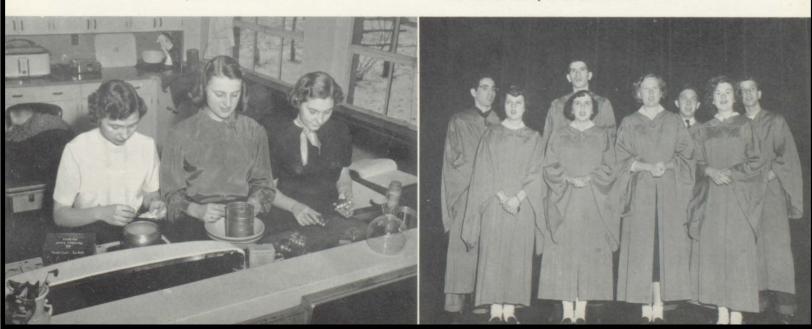

Kiwanis Extemps closely followed the orations with a senior, Fred Wegley taking grand prize for the school. Class winners in this contest were Chris Slater, Robert Steele and David McCullough. Five juniors and one senior participated in the finals for the annual Woman's Club contest. Robert Bennett captured the prize for his declamation "Names of the Nation," Gilda Larry emerged as winner for the poetry contest and the Shakespearean award went to Barbara Hinger.

The cracking of chewing gum and hushed whispers of the student body during the regular assembly period will not soon be forgotten. From the moment the famed octette began singing, until Mr. Prestia, the orchestra leader, raised his baton to signal the musicians to play the closing march, pupils recall the fun and laughter they enjoyed. Such assemblies an the "Dixielanders", the ballets, the television shows, and of course, the song periods stand out above the others.

The more theatrically minded students remember the fun-packed trips to the new Dixon. Some of the most enjoyable of these were "Oklahoma" and "Blossom Time." The ride home, on the chartered buses will long be remembered as students sung out such tunes as "Three Cheers For the Bus Driver" and "You Can't Go To Heaven."

As spring rang in, so did the musically inclined pupils of L. H. S. Mary Morrell, senior, distinguished herself when she was chosen to be the sole delegate to State Orchestra. Two music nights, representing every organization of music in Latrobe High, proved highly successful. These presentations not only pleased the public, but helped pay for the badly needed band uniforms.

FOOTBA Wildcat

FOOTBALL MENTORS, Barron, Wild, Rizzo and Westfall anxiously watch gridders go through their paces during rugged practice drill.

High class football and the 1950 Wildcat grid machine jived like "bread and butter" during the past grid season. The Orangemen rolled up nine victories while tasting their only defeat at the hands of a mediocre Donora Dragon outfit.

It was a senior studded eleven which faced possibly the toughest schedule in Latrobe High School history. The courage, drive and all around football savvy brought Latrobe the best record in pigskin warfare since 1934.

The Orange gridders lost no time in getting the winning ball rolling with a 14-7 triumph over the Derry Twp. Golden Eagles on the home turf. Wing-back "Corky" Glamp scampered 15 yards for the initial Cat tally of the season. Cam Domenic provided the winning margin with an 88 yard second half kick-off return. Glamp got the "educated toe" exercised by converting after each six-pointer.

Prestige covered the Orange & Black eleven after the 7-6 upset win over New Castle High. "Corky" Glamp's 40 yard punt return in the first canto set up his next-play marker. Then "Corky" split the uprights for the deciding point of the contest. After this early score, a courageous pack of Wildcats fought off a much heavier "Cane" team to edge them out of the WPIAL AA race.

Breaking a scoreless deadlock with only four minutes left, the Cats barely stayed in the title chase with a 7-0 victory over Penn High on the latter's field. After pouncing on an Indian fumble, Latrobe sent Glamp around left end for the late TD. "Corky" promptly tacked on the bonus marker. All-in-all, it was a disappointing performance after the Cats' workmanlike disposal of New Castle.

In a game which was replayed mentally countless times in Latrobe, a game in which everything went wrong, a game which put the only sour spot in an otherwise sweet Wildcat campaign, the Cats dropped a 13-0 tilt to the Donora Dragons at Donora. A poor pass defense and failure to cook up an aerial attack cost the Cats their lone setback of the season.

Although this defeat hurt plenty the Wildmen didn't break; they didn't even bend. They came back from the stunning loss to belt six tough AA opponents in a row. The way the season unfolded, the Donora setback proved more expensive than ever. It cost the Cats an undefeated slate and very possibly the WPIAL AA title. But, that's football.

The Jeannette Jayhawks were the first to feel the angered claws of the Wildcats after the Donora tilt. Latrobe trounced the Jays 26-6 in a home encounter. "Corky" Glamp had another big day with three touchdowns and two conversions. End Charlie Carpowich snagged a Cam Domenic aerial for the other Orange marker. One of Glamp's tallies came on a 61 yard pass-lateral play. "Corky's" other two tallies resulted from 40 and 12 yard jaunts.

coordination secret to success

Continuing their blistering pace, the Wildmen succeeded in ousting the Altoona Mountain Lions out of the WPIAL running with a decisive 21-7 pasting.

Paced by Francis Glamp who scored the first tally within two minutes of the opening kickoff, the Orangemen dominated the game with their hard blocking and vicious tackling. Midway in the second quarter the "Men of Wild" pushed across another six pointer when Francis Glamp bolted over from the six-yard stripe. In the final canto "Dixie" Bell, reserve fullback, plummeted into the end zone from the two-yard line. Glamp obligingly split the cross bars for the third straight time and sent the Wildcats home with their fifth victory.

On the home grounds the following week, the Cats completely out-classed the Sharon Tigers with a 35-0 walloping. "Nifty Joe" Pry tallied two six-pointers for the Wildcat cause in the first quarter. The Orangemen scored two more times before the half expired on efforts of Francis Glamp's 15-yard off tackle slice and a Domenic to Glamp pass play. The final score came when John Zacur, guard, scooped up a Tiger fumble and rambled 26 yards to "gold dust lane."

An underdog role against the Greensburg Golden Lions meant nothing to the hungry pack of Wildcats as they pulled a stunning 7-6 upset over their arch-rivals in the homecoming day celebration.

The encounter got off to a wild and woolly start when Latrobe's Corky Glamp fumbled the kickoff return on the 20 yard marker. Lady Luck then turned around and gave the Orange a 15 yard penalty, thus giving the County Seaters the oval on the five yard line. A determined pack of Wildcats then pushed the Lions back to the 16 yard line where they surrendered the ball. The Cats then started a sustained drive, where on the first play of the second quarter, Joe Pry pranced around the right flank and into "the promised land." Glamp then made the all-important extra point and the Wildmen walked off to a 7-0 halftime lead.

After battling on even terms in the third canto the Lions hit scoring territory in the fading minutes of the game on a Hoffman to Brinker pass combination. In what was probably

the most exciting moments of the season, George Medved who hadn't missed an extra point up to that game failed to come through, thus preventing a tie.

The next fray found the Wildcats clawing out a 25-0 victory over the Wilkinsburg gridders on rain-soaked Graham Field. It could have been much worse for the Holy City eleven if the game had not been called at the end of the first half.

In the first canto, Corky Glamp rattled the scoreboard with his dazzling 55 yard punt re-

turn. Corky again boosted Wildcat stock with his 15 yard sprint off tackle. Donnie Pennesi, reserve back, also got into the scoring act by skirting off-tackle for 35 yards and touchdown number three. The touchdown happy Cats capped their scoring efforts when Francis Glamp picked up Charlie Carpowich's fumble on the one and stepped over. Domenic bulled over center for the extra point.

BASKETBALL Forquermen Show Fight, Clean Play In Sec

Opening the 1950-51 campaign with two hard fought victories over Irwin 38-31, and Penn High 33-26, the Forquerites looked like sectional contenders, indeed contrary to what was predicted. Upon opening on the local hardwood they fell before the revengeful onslaught of the Irwinites 64-34. Unable to regain their winning form, the Orangemen dropped a close contest at Uniontown 47-45, and looked as though they might stage a comeback as they dumped Connellsville 51-41.

No sooner had the Cats had a taste of victory than the Brentwood Spartans spoiled their dream with a 48-38 shellacking. Turning the tables on the Wildcats in a thrilling 39-37 contest which went into an overtime period, the Pennsters continued the home court jinx of the Cats. Rounding out the pre-league schedule on their losing foot to a star-studded alumni aggregation 39-26, the records showed the Orangemen with a record of 3 victories and 5 defeats, and unable to garner a victory in the Cats' lair.

The undefeated feeling didn't stay long as the Orangemen went down before the fast breaking Greensburg Mountain Lions 46-35, who were destined to win sectional honors. Although defeated, the Cats didn't stay down long as they bounced back to trim the undefeated Derry Twp. five 66-37, in a runaway contest.

The Cats were unable to stay perched on top of the sectional heap as they were humbled by the mediocre Scottdale Millers 51-38 in a contest on the Scotties hardwood. The real thriller of the initial half was the 43-42 setback handed the Wildcats by the North Huntingdon

Bulldogs in a game which saw the Orangemen draw the game into a knot after overcoming a sizable early game deficit. Providing the Hurst Hurricanes with their first league triumph, the Cats succumbed to the Red and White 49-35, marking the first time a Hurst aggregation had overcome a Latrobe squad in five years.

With heads hanging after sporting a poor half time mark of 2 wins and 4 defeats, the Cats traveled to Jeannette where a revengeful Jayhawk squad came from behind to drop the Forquerites 51-44. Unable to cope with the superior force of the County-Seaters, the Cats collapsed before the Lion onslaught 57-30. After dropping their sixth straight loss in a hard fought tilt at Derry Twp. 49-48, the Cats caught fire in time to down the Blue and White of Scottdale 67-59.

Still unable to garner a victory on a foreign court the Cats fell before the Bulldogs of North Huntingdon 47-35 and again to Hurst 46-43. Drawing Jeannette as a first round competitor in the County Tourney the Cats dropped their final contest of the season 69-43.

Receiving awards for their hardwood services during the 1950-51 campaign were ten Wildcats. These included: seniors, William Adams, Thomas Buchleitner, Edward Smith and Michael Pagnanelli. Spring Sports Popular With Students

Under the watchful eye of head track mentor, R. H. Braun, the thinclads of Latrobe High School improved greatly with every meet, but lacked the necessary depth to come home victorious on several occasions. Particularly bogging down the Wildcat scoring attack was the weakened strength in all the field events. In the winning performances, the Braunmen sparkled with their blistering 100 and 220 yard dashes. Also adding to the list of great Latrobe milers was this year's distance team, headed by George Lazur and James Hauser.

Particularly shining throughout the track season were seniors William Adams, and Fred Wegley. Both gained the necessary points for the track letter in their initial meet. Adams starred in the high hurdles, low hurdles, and high jump, while Wegley showed his prowess in the 220 and 100 yard dashes. Also shining in their events were Bill Richwine and Joe Caruso.

Although not regarded as a serious threat to stronger district teams, this year's squad put in a determined bid to up-end the dopebucket despite their lack of experience and the number of returning lettermen.

Although old man weather threatened to delay the minor sports program it was not long before it began to highlight the spring activities at Latrobe High School. Hosts of candidates answered the call of the coach in their favorite springtime sport as the final curtain of the basketball campaign was rung down.

It wasn't long with the coming of spring, that the fairways and greens at the Latrobe Country Club were jammed with Wildcat divotdiggers. Considering the fact that only two lettermen, Emory Lesho, senior, and Bill Walker, junior, were back to bolster the Cookmen's attack. It was a remarkable season for the future "Sam Sneads."

Under the keen eye and with the helpful advice of Coach George D. Rise, the racqueteers ripped through another successful season on the clay-court. Jim Roof and John Demangone provided the punch for the high flying Risemen.

Lead by "Kitty" Moran, Junior Home Room, 118 edged out Room 214 in the semi-finals of the girls' tourney and then downed 212, the freshmen contender, for the school championship.

In the boys' devision, a power laden, senior home room, 113 outclassed 118 in a hard fought tilt to place the intra-mural flag in their possession. Boys comprising 113's roster were: Roger Caldwell, Charles Carpowich, Ronald Carnahan, Tom Buchleitner, Ronald Bell, Donald Barkley, Bill Adams, Jay Badstibner, Richard Atkinson and Bill Berkmyre.
