Completing the list of school doctors are Dr. Paul Mankovich, Dr. Walter Hazlett, Dr. R. G. Witherspoon, Dr. Joseph Doherty and Dr. G. E. Hubert. Aiding the physicians are two dentists, Dr. B. A. Wright, Sr. and Dr. M. Showalter.

All junior and freshmen students receive the check-up conducted by the doctors. The physical examinations were previously administered in the health rooms but are now given at the Second Ward School. At the same time the physicals are administered to the students, they also receive complete dental examinations from the school dentists.

During the examinations, the pupils are given eye tests and ear tests. They are administered by Mrs. Florence Young, school nurse for the Latrobe district. Also checked at this time are chest, heart, feet and blood pressure. The primary purpose of the physical examinations is to find all defects of the students and to make the defects known to the parents.

The physical tests are given in the morning and usually occur during the first semester.

VOCATIONAL TRAINING

After Long Hours Of Strenuous Labor Comes Finished Product, Satisfaction

Acquiring industrial knowledge is beneficial to young men who wish employment in factory work.

The Vocational Training Course of Latrobe High School offers this. After graduating, boys who were enrolled in this course have an invaluable knowledge which is necessary for employment in the many industries of Latrobe and Western Pennsylvania.

Included in this course are wood shop, machine and electric shops and drafting. Early in their high school career, the pupils select the particular field in which they wish to advance. Students in each field acquire experience and work directly with tools and machines as in actual factory work.

In the wood shop boys become skilled in making furniture and producing wood articles. Many students make articles such as tables, shelves, chairs, cabinets, desks and window frames. Some who enrolled in the course make wood working their vocation.

The principal objective of the electric shop is to make boys familiar and skilled in working with electrical devices. They learn about

motors and appliances

To understand and acquaint students with machines and tools is the opportunity offered to boys by the machine department. Graduates of this course may advance in industry as machinists.

Finally, the drafting class offers to students preparation in planning and managing plans for machines and products of industry. The drafting students were in charge of decorating the Hollywood Shop window of downtown Latrobe during American Education Week.

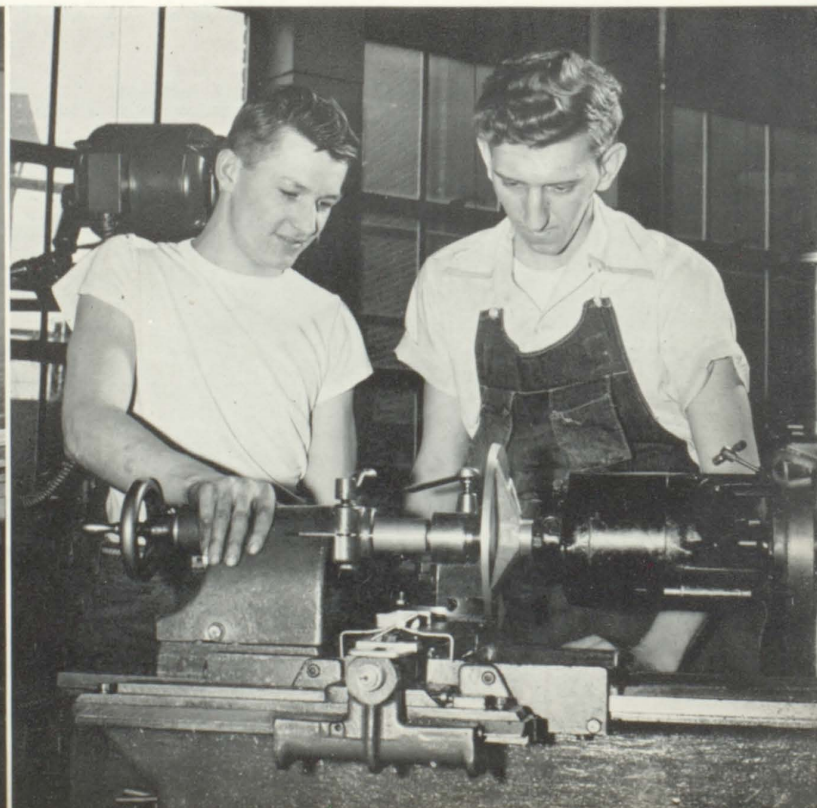

Students enrolled in these courses prove to be of service to the school by applying their knowledge to actual repair work in the high school.

Each year contests are sponsored by the Latrobe Lions Club and other concerns. During this period the products of the shops are displayed. Many prizes and medals are awarded for outstanding achievement.

The Vocational Courses of Latrobe High School prove to be invaluable in molding students of our school into efficient and skilled workers.

THROUGH THE CLASSROOMS

Classrooms Provide Foundations For Future Years Of Prosperity

The key of education unlocks many doors. Here, amid the halls of Latrobe High, the key is waiting for every student who accepts the challenge.

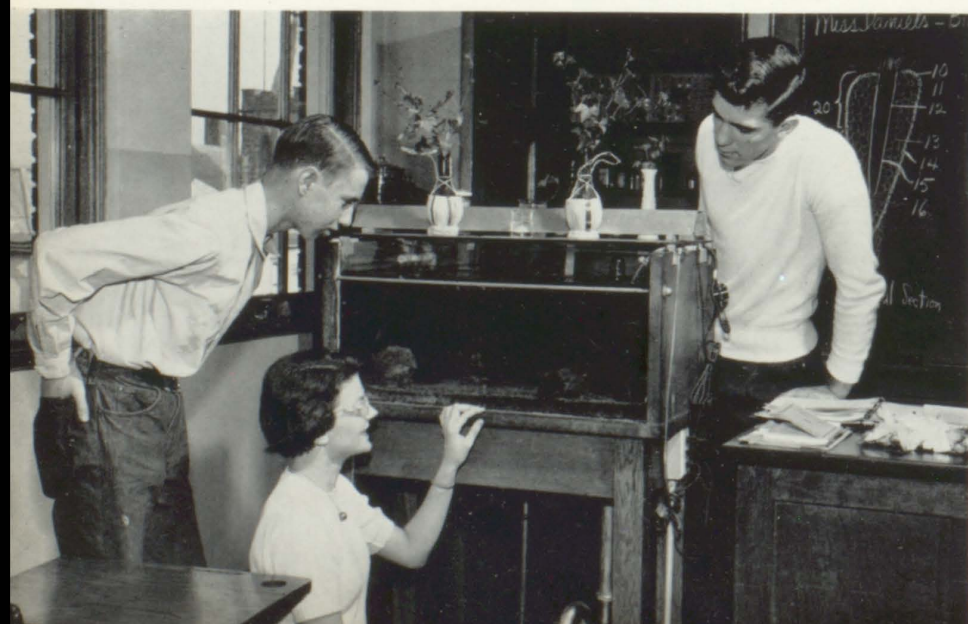

Entering the school for the first encounter with higher education, the freshmen found the task of making a Latin project a bit discouraging, but the thrill of seeing it displayed in the trophy case left him well rewarded. The soda-acid fire extinguisher made in science class was fascinating. To give an extemporaneous talk in English class was a frightening thought, but when it was all over, well — it hadn't been so hard!

The sophomores, wiser after a year of experience with high school life, enjoyed doing work in the form of book reports, maps and drawings for extra credit in history class.

After hours of work at the cottage, the homemaking student could proudly display a new jumper in the halls knowing she had made it. Working on autobiographies brought back long-forgotten childhood memories to many.

● DISCUSSING BOOKKEEPING projects as they work are Arlene McCracken and Evelyn Stein.

● BOB GIBSON, JOYCE MURPHY and Mark Reiner observe Miss Daniel's aquarium.

- STRUCTURE OF THE HUMAN body interests Barbara Oshnock, Sandra Miller and Betty Japalucci.
- CORA LEE CRAVENER finds twins Janet and Jeanne Hall cut working time in half.

- TWO DISHWASHERS are better than one prove Frances Solick and Kathy Leone.
- PUZZLING OVER SCIENCE demonstration are Carol Matthews, Nancy Brant and Edward Gross.

In the role of upperclassmen for the first time, the juniors got their first whiff of hydrogen sulfide from the laboratory in 119. And now typing "The quick brown fox jumped over the lazy dog's back," could be done without a single mistake! Thinking now had an international flavor after wading through a French translation.

Proudly, but with a touch of sadness, the seniors entered their last year of high school

life. But with orations to prepare, P.O.D. projects to complete and bandages to apply in Health class, who had time to worry about it?

The arrival of class rings, the taking of senior pictures and the ordering of name cards was done without much thought of four years spent in the classrooms.

So goes the story of the classrooms as education reaches out to all.

Writing Headlines, Meeting Deadline All Part Of Journalist's Routine

After hours of work, with stories either too long or too short, ideas that have failed, and a deadline which must be met, comes the lasting thrill to a journalist—the reading of his story in an edition of the High Post or Latrobean.

To become a staff member of the publications, the aspiring writer must enroll in Journalism I taught by Mr. William Couchenour, publications adviser. During the seventh period, the sophomores are taught the five W's—who, what, when, where and why, and their applications in writing lead paragraphs.

Having learned the do's and do nots of writing news stories, features and headlines, the business and advertising phases are mastered.

Upon completing nine months of training, the journalist finds himself in Journalism II with a position on the staff. Besides writing stories for the High Post, students submit stories of school activities to the Latrobe Bulletin for publication. Meanwhile, Latrobean write-ups and pictures progress according to a rigid schedule.

One of the goals of these pupils is to achieve membership in the Quill and Scroll. To do this he must have 300 inches published and rank in the upper third of his class scholastically.

- LOOKING OVER the books are Ermita Scarfi, Jane Fischer and Bill Manchester.
- BONNIE DEMANGONE, Ron Bronson and Dorothy Lizza proof read The High Post.

- PLANNING PICTURES are Latrobean Editor Nancy Palmer and Literary Editor JaDee Harvey.

- NEWS WRITERS INCLUDE Geraldine Yanarella, Joanne Dolinar and Barbara Paull.

VOCAL MUSIC

Music Resounds Through Corridors As Vocalists Prepare For Concerts

During the past year, the voices of sopranos, altos, tenors and basses rang through the halls, reminding all that the choruses were at work.

Mr. Ronald Shurie led the choral groups in supplying musical enjoyment for the remainder of the student body. The advanced choruses included Girls' Chorus II and Boys' Chorus II.

Twice a week, members of Girls' Chorus II gathered in the auditorium for practice. Accompanist was senior, Donna Pottinger. Major activities began in December with the singing of Christmas carols in the halls. They also sang at the annual senior ceremony, Baccalaureate.

Sophomore, junior and senior boys composed Boys' Chorus II. Playing the piano was Lynn Gordan, sophomore. This male chorus sang for the oration finals on February 8. For an exchange assembly, the group traveled to Aspinwall High School on April 30. On the same date, the Aspinwall Chorus sang in Latrobe's auditorium.

In preparation for the advanced choruses, freshmen interested in choral work join either Girls' or Boys' Chorus I. Those who comply to Mr. Shurie's standards graduate into the secondary choruses.

Judith Ann Carnahan, freshman, and Carole Martin, junior, were accompanists for Girls' Chorus I. Members of this preliminary organization looked forward to becoming a part of Girls' Chorus II.

A major activity of Boys' Chorus I was singing for Eighth Grade Day on April 21. Aiding the director as he taught the fundamentals of choral singing was freshman Marcia Guzik, accompanist.

The local choruses also vied in district, county and state contests. Selected members attended these events as representatives of Latrobe High School. In March County Chorus was held at St. Vincent College; while District Chorus was conducted at Shaler High School in April.

The choruses worked hard to perform the various activities.

STUDENT COUNCIL

*Along With Work Members Receive
Satisfaction For Job Well Done*

Many services are rendered to the student body each year through the efforts of the Student Council Organization.

Composing this student organization are pupils elected by each home room to attend meetings and render services to their home room and school. Also in the group are representatives from clubs and organizations. Presiding over the Student Council was James Danko while Robert Young assisted him as vice-president. Margaret Kuhn acted as secretary and Joyce Graham kept the treasurer's report of the group. Adviser of the Council is Mr. James R. Beatty.

Contributing service and sponsoring social even's were among the activities of Council members. Along with these it has presented Latrobe High School with invaluable equipment. The loud speaker system installed in the auditorium is the latest project of the Student Council. The movie projector, trophy cases and motion picture screen are other projects of the organization. Each year the student body selects pictures for the Council to purchase from the Associated Artists of Pittsburgh Annual Exhibit to add to our own collection in the halls.

The public, as well as the students, benefit from the services of Council members. They manage the refreshment stand at the football games and provide ice cream for the spectators at the basketball and wrestling matches to purchase. Assisting in the check room for school affairs is among the voluntary work of a Council representative.

● PLANNING DANCE are officers, Bob Young, Jim Danko, Joyce Graham and Peggy Kuhn.

Acting as hosts and hostesses, the members guide the parents in the annual Parents' Night and introduce them to the teachers. Council members conduct the tour of the high school for the new freshmen each year on Eighth Grade Day and Freshmen Day.

To reward their efforts members who have achieved 18 credits, points awarded on the basis of service, receive their letters on Recognition Day.

● EXAMINING LATIN Christmas card are Jim Halferty, Pamela Hewitt and Janet Shultz.

As the school year comes to an end, the 141 members of the Junior Classical League can look over the past year's activities with pleasure.

At the beginning of the year, the Latin students chose officers to lead them in their activities. Peggy Green and Steve Berberich served as consuls for the group. Other officers included Mary Reeping and Becky Robinson, pro consuls; Carol Sue Edminston and Hubert Gower, questors, and Tom Mailey and Kevin Hughes, explorators.

Many activities were featured during the past school year. The initiation ceremony for all new members was held in the month of October. Featured during December were the singing of Christmas carols and Amacita Week, the week when all students were to be especially friendly to their teachers and each other.

The Latin Banquet, a forerunner to the annual Latin Festival, was held on February 9. Featured at the banquet was a play entitled "Pyramus and Thisbe." Also staged at this affair was a ballet, "Roman Water Carriers." After the presentation of several musical numbers, a dinner was held.

In April, the J.C.L. members attended the State Convention at Altoona. After attending a dance, business meetings, a dinner and plays, the group returned home by bus.

Hardworking Volunteers Benefit School, Students Greatly

SERVICE GROUPS

Fire Patrol

At the sound of the alarm 16 members of the fire patrol go to work to see that fire drills move quickly and efficiently.

Their duties include checking rooms for burning lights and open windows and doors after all students have vacated the school. Fighting fires and acting as messengers are also in their line of duty. These volunteers also have authority of removing unauthorized persons from the building.

In its eighth year of service at Latrobe High School, the fire patrol is composed of boys from all four classes and is under the leadership of Mr. Robert Cook.

The Latrobe Fire Department requires one fire drill a month for safety purposes. Fire extinguishers and alarms are also checked at the beginning of the year and periodically throughout the year.

Librarians

Serving as student librarians for the past year were 21 girls from the sophomore, junior and senior classes.

Duties of the librarians were tidying shelves, card filing and sending overdue notices. They assisted Miss Rhudell Obade, head librarian, by typing book cards and keeping the library's magazines in order.

Besides holding business meetings the first Monday of each month, the librarians, who were members of the Library Club, held their annual Christmas party at the cottage.

The officers of the club included Lucy Stasik, president; Judy Micklow, vice-president; Nancy Swieczkowski, secretary; Joanne Hoffmann, treasurer and Jo Anderson, Student Council Representative.

Safety Patrol

Seventeen members of the Safety Patrol assumed the duty of protecting the students' lives as they go to and from the building.

Under the guidance of Mr. Frederick Halsall and Mr. William Burdick, the members perform their duties. Part of their time each day is spent guarding students at school crossings. Regardless of the weather, rain or shine, they appear at their posts.

Officers were elected at the beginning of the year. The office of captain was filled by Regis Marsh, while James Myers assumed the post of lieutenant. Charles Carns served as the High Post reporter.

SERVICE GROUPS

Ushers

"This way, please" is an oft-repeated phrase with the ushers who serve at nearly twenty different scholastic and social events in the auditorium during the school year.

Selected as head usher for the main floor was Rebecca Barlock, senior. In the balcony Marie Krivonik, also a senior, filled the position of head usher. Miss Catherine Netzlof acted as faculty adviser to the girls.

The group, consisting of juniors and seniors, was on duty at plays, concerts, forensic contests and other school activities. Besides school affairs the ushers also were on hand for the Lions' Club Contest and Little Theater presentations.

Modern Language Club

As the school year ends, members of the Modern Language Club can look back upon their activities with pleasure.

Due to the fact that Miss Evelyn Baxter, club adviser, taught school over television WQED during the first semester, the club was not organized until January. All students taking French or Spanish were eligible for membership. Club officers for the years were Paul Carroll, president; Charles Pohland, vice-president; and Carol Parker, secretary-treasurer. Norine Hurite served as Student Council representative. They were elected by fellow language students.

The club consisted of approximately 100 juniors and seniors. During the month of February the M. L. C. assembly was presented with the theme of "Vagabond Shoes." Members of the club participated in various skits depicting the life and customs of people in many countries.

At the Mardi Gras Costume Ball seniors, Paul Carroll and Jane McMahon reigned as king and queen, while the prince and princess were Jack Rose and Carole Martin, respectively.

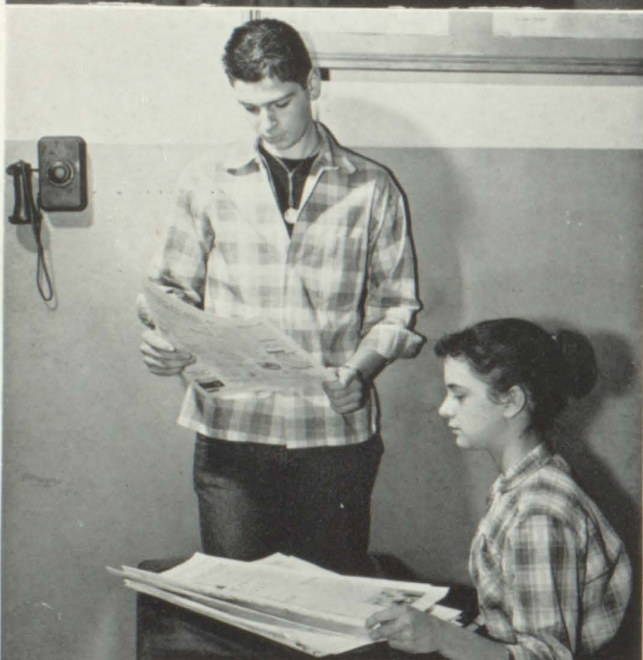

In April, the annual basketball tournament was held in the gym. The Spanish I boys and girls played the Spanish II, while French I competed against French II also. Concluding the events of the school year was the club's picnic. The social gathering was held at Key-stone State Park during May.

Journalism I

In Journalism I, students learn the basic rules and requirements of newspaper writing.

Correct usage, methods of writing lead paragraphs and the more effective ways of stating facts are explained. Later in the year, students master copy and proof reading marks and learn how to use them. The arts of constructing layouts and writing headlines are taught. Throughout the year the students acquire many newspaper and journalistic terms.

After the newspaper work was completed, Mr. William Couchenour stressed year book work and the advertising and business phases.

Actual experience was gained by these sophomores and juniors by writing articles about school activities for the Latrobe Bulletin.

After completing Journalism I, students advance to Journalism II, where they take their places on the staff of the High Post or Latrobean.

High Post Reporters

An attribute to the success of the school's publications is a High Post Representative.

Included in the responsibilities of this elected representative is distributing High Posts and Latrobeans to the students in their respective home rooms. Aiding in the Publications' Sales Campaign and collecting the subscription payments comprise other duties.

A High Post reporter is one of the five officers elected in each home room. Mr. William Couchenour, head of the Publications Staff, advises this group of 33 boys and girls.

During the year, representatives assist the High Post Staff by encouraging students in their home rooms to write letters to the editor. Also, they aided the staff in conducting valuable surveys.

Music Room Attendants

Diligently working throughout the year were the 17 students who assumed the responsibilities in the music room in the absence of Mr. Ronald Shurie, music director.

Their duties included setting up the musical organizations on stage, sorting music and greeting visitors of the music department.

Music students from all four classes comprised the group. Each person was assigned certain periods of the week in which he had charge of the music room.

Organizations Help In Achieving Leadership, Service Qualities

SERVICE GROUPS

National Honor Society

Members of the school National Honor Society display the qualities of scholarship, leadership, character and service.

New members, chosen in May, are inducted into the group with an inspiring initiation. Mr. James R. Beatty serves as adviser for the organization. Bill Netzlof acts as president; Mary Steele, vice-president; Carole Zitt, secretary; Sara Jane Bitner, treasurer; Carol Parker, Student Council Representative, and Zoe Ann Burgoon, High Post Reporter.

Broadcasting II

"This is Station B.C.C." has become a familiar phrase to all Latrobe High School students and has kept them in tune with all the latest school news.

The bi-weekly news casts have proven to be a great asset to the school. Included on the broadcasting staff were 17 juniors and seniors.

Editing the news for the broadcasts was Kay Hinger, while Daniel Yates and Raymond Piper were sports announcers. Toni Guerrieri, Barbara Zink and Joan Heald assisted as script editors, sound effects manager and production manager respectively.

Each year a special Christmas program is broadcast with a holiday theme. A trip to Pittsburgh to see the KDKA radio network in operation was among the many activities of the staff.

Broadcasting I

In order to attain membership in Broadcasting II, all interested students must first go through a training period called Broadcasting I.

Enrollment in Broadcasting I for the past year included one junior and eight sophomores. These students enacted roles in the Christmas play, "A Child Is Born," which the Broadcasting staff presented over the school network, B.C.C. They also visited the television studios of KDKA and WQED at Pittsburgh with the Broadcasting II students where they viewed the studios in operation.

Gridders Provide Exciting Moments In Season's Games

Sportsmanship and spirited team work were several of the many outstanding qualities displayed throughout the 1955 football season by the Latrobe High School eleven.

Although the Wildcat gridders did not compile an impressive record from the standpoint of games won and lost, the squad exhibited an understanding of football technique and provided followers with many exciting moments.

In the first game of the season, the Orange men recorded their first victory of the '55 cam-

paign. Scoring markers the first two times the Cats got control of the ball, the Wildcats recorded a 14-0 decision over the Schenley High Spartans. Carrying over both of the touchdowns was Jerry Goebel, while Sammy Smith made good on both extra points. In their second home encounter, the Latrobe eleven was upset by the running of John Gelsdorf, who sprinted 73 yards down the middle of the gridiron to score the second marker for the Derry Area Joint "A" High School. The final score read 19-0 and a loss for the Cats.

The Penn High Indians cashed in on a blocked kick to defeat the local gridders, 6-0, in the third contest of the season.

Penn's only marker was scored during the third period. After playing three years of football without winning a W.P.I.A.L. AA game, the Wildcats came through to defeat the Wilkinsburg gridders 20-19. Scoring two of the Cats' touchdowns was John Marinchak, while Ralph Hunter tallied the other on a pass from quarterback Jerry Goebel. Sammy Smith place kicked two extra points which proved to be the deciding factors. On October eighth the Latrobe High gridders bowed to the Jeanette Jayhawks 19-0.

The fourth defeat of the season for the varsity football team was handed the Latrobers

by the Altoona Mountain Lion eleven 27-6. Halfback Ken Macey accounted for the Cats only score in a game that was close until the final period. The Cats were upset by the Connellsville Cokers, 21-6. The only Latrobe score was recorded in the final period, the result of a 77 yard march, triggered by the fine running of Jerry Goebel.

In the last home contest of the year the gridders were handed a 13-6 defeat by New Kensington High School eleven. Early in the game Jerry Goebel scored on a one-yard plunge. Another 'AA' defeat was administered the Latrobe Wildcats by the Uniontown Red Raiders, 27-0. Thus the gridiron season with the record showing two victories and eight setbacks.

Jayvees fell before the Greensburg understudies by a score of 9-7 in their second season encounter. The margin of defeat was a safety in the second half. Harry Johnson scored the locals' lone marker and Samuel Smith added the extra point.

Jeannette lost to the locals by 28-6 in the third game of the season. Thomas Mailey with three tallies and Harry Johnson with one provided the scoring for the locals. Sam Smith booted four extra points to add to the score.

Boosting their mark to three wins against a single loss, the local understudies downed the Derry "A" juniors by a 21-6 score. Ray Vasinko, Donald Paxton and Harry Johnson tallied for Latrobe. Sam Smith tacked on the extra point attempts.

In their final outing of the 1955 campaign, the jayvees lost a 14-0 game to the Greensburg understudies. It marked the first time in the season that the locals were shut out. It also marked the second time in the season that Greensburg had beaten the jayvees.

FRESHMAN FOOTBALL

Future Talent Displayed By Frosh, Jayvees Teams

- MR. DUNN EXPLAINS coming game's plays to Daniel Guerrieri, John Sanderson and Mike Zappone.

Latrobe High's freshmen football team, under the mentorship of Mr. David S. Dunn, compiled a two win and three loss record.

In their first encounter of the season the Kittens scored a 12-7 victory over the Greensburg yearlings. Early in the first period John Sanderson caught a pass from quarterback Dan Guerrieri to tally. In the second quarter Dan also threw a pass to fullback Mike Zappone to score for the yearlings.

On October 6 the Latrobe frosh eleven played the Ligonier Mounties to an 18-6 victory. The contest ended the winning record for the Kittens. In the first away game the Greenies met Greensburg and were handed their first defeat of the season, 27-14. The first touchdown of the game came when Mike Zappone ran ten yards for paydirt. Mike also ran for the extra point. The second marker resulted when Wayne Adams picked up a fumble and carried the pigskin across the goal. The host scored four times during the game.

Traveling for the second time, the Frosh fell before the Connellsville Frosh 7-0. In the final game of the season, the freshmen played the Jeannette Jayhawks to a 30-0 loss.

The experience gained by the beginners should put them in a good position for the next gridiron season.

Thinclads Encounter Success During Major Meets Of Year

Compiling a successful season record, the Wildcat Track Squad, under Coach Richard Braun's instruction, recently ended their campaign.

In March, 14 thinclads traveled to Schoonmaker Hall to initiate the 1956 season. Of these, Andy Stynchula, shotput, and a relay team composed of Tom Gaudino, Chris Houck, Pete Leccia and Dale Taylor, qualified for the finals.

Season competition for the locals was provided by Derry "A", Greensburg, Wilkinsburg, Penn, Carrick, Connellsville and Jeannette. The Cats entered the WPIAL relays at Mt. Lebanon and placed sixth. The shotput entries set a new record.

Senior members of the team included Jerry Goebel, Chris Houck, Charles Carns,

Calvin Weedon, Martin Small, Kenneth Macey, John Marinchak, John Palacki, Eugene Rusnock and Andrew Stynchula.

Opening their season with a 19-36 win over Perry High the Wildcat Cross-Country team came on to compile a five win and two loss record last fall.

The harriers dropped their first meet to Johnstown, but bounced back with a victory over New Kensington. After losing a close one to Altoona, the thinclads completed their season with wins over Penn High, Connellsville and Perry High.

Chris Houck, handicapped by a leg injury, competed for state honors at the PIAA meet held at State College on November 5. He qualified in the WPIAL meet by finishing 17th.

Cagers End Schedule With County Tournament Victory

● COACH RALPH FORQUER receives basketball trophy from master of ceremonies at County Tournament.

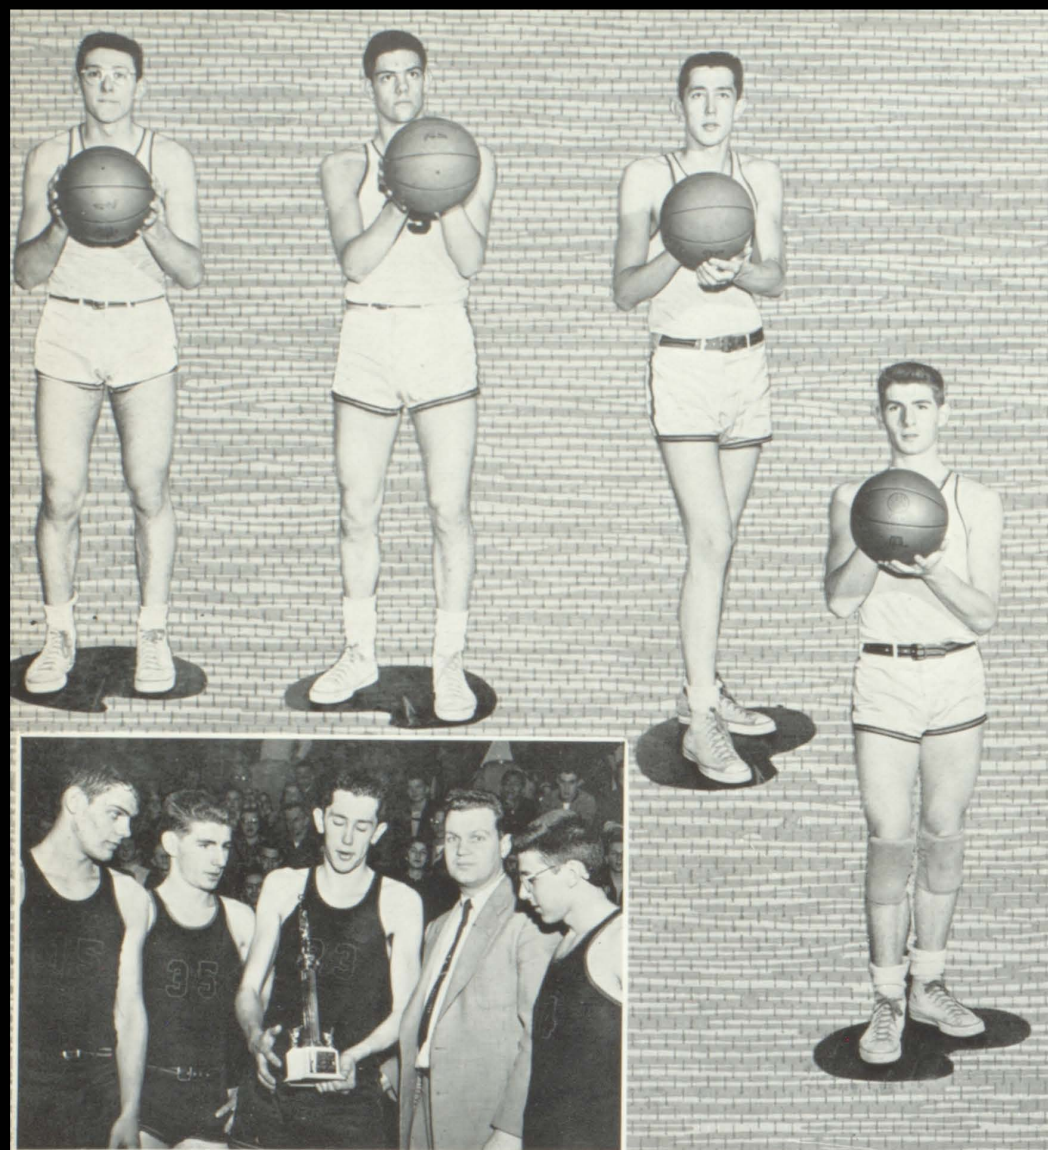

Latrobe High's basketball squad completed the 1956 section games by tying for first place with Jeannette and Uniontown, but lost in the playoffs to the Red Raiders.

Prior to the opening of sectional competition, the Wildcats played an exhibition schedule. During a seven-game winning streak the Orange and Black quintet, under the coaching of Mr. Ralph Forquer, captured wins over Derry Boro, Irwin, Ligonier twice, Swissvale twice and Penn. Their first loss came on a return encounter with Derry Boro on the local hardwood. The locals triumphed over the Alumni, 80-62.

The cagers started the first two section games off by bowing to the Jeannette Jayhawks 64-61 and the Connellsville Cokers 54-49. The locals regained the winning trail by conquering the Springdale quintet 80-49. In this encounter Don Crawford set a new individual scoring record by hooping 42 points.

In other wins of the season the local varsity downed Greensburg, 64-41; North Huntingdon, 60-51; Uniontown, 65-59; Connellsville, 90-59; Somerset, 70-36; North Huntingdon, 72-56, and Uniontown, 53-51. They absorbed a loss to Jeannette, 61-47.

Although the team did not emerge with top sectional honors, the Wildcat squad did capture its second Westmoreland County Tournament Class A Championship.

As Nucleus Of Hardwood Squad

Under the tutelage of Coach Richard Braun the Jayvees of Latrobe High School compiled an accreditable 20 win, one loss record this past season.

The reserves, composed mostly of sophomores, opened the season with a win over the Derry "B" understudies and went on to win 20 straight games. Derry "B", Ligonier, Swissvale, Jeannette, Connellsville, Springdale, Greensburg and North Huntingdon were victims of the jayvees twice. Irwin, Penn, Somerset and Uniontown were each downed once. The local quintet's only loss was administered by Uniontown in the last game of the season. These boys have gained valuable experience this season and should provide excellent material for the varsity next year.

Compiling a season record of 11 wins against three losses, the freshman cage squad completed a successful season under the leadership of Coach William McDonald. South Huntingdon, Penn Township, Sewickley and North Huntingdon were victims of the freshmen twice. Greensburg, Jeannette and Irwin each fell before the locals once. Losses were inflicted the yearlings by Jeannette, Irwin and Greensburg.

WRESTLING

Grapplers Continue Undefeated With County Tournament Win

Compiling the best record since the Wildcat wrestling squad was established, the matmen finished the 1956 season with possession of an unblemished record, the County Championship, as well as the Section II WPIAL title.

Coached by Mr. Creed Westfall, the local grapplers began the season with a decisive triumph over Jeannette with the score ending at 44-7. In this match the Wildcats scored points in all but one of the weight classes. Following this encounter, the matmen registered win number two over Somerset by a score of 40-10. Of the eleven matches in this meet, the locals recorded six falls and three decisions.

On January 13 the Cats snared their third successive win by defeating the Greensburg Golden Lions, 32-12. North Huntingdon and Uniontown were the fourth and fifth victims of the Cat matmen's prowess. The Bulldogs fell 48-6, while the Raiders sustained a 39-6 setback. In each contest the Cat grapplers registered ten wins while limiting their opponents to two.

Keeping the winning spirit alive, the matmen won a second victory over the Jeannette wrestlers, 33-12. The Indiana mat squad sup-

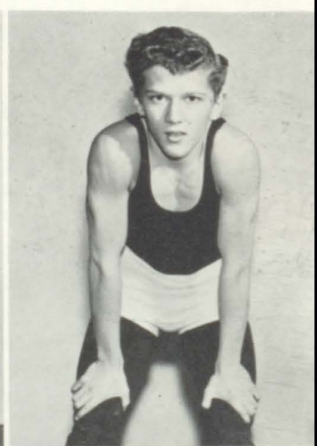

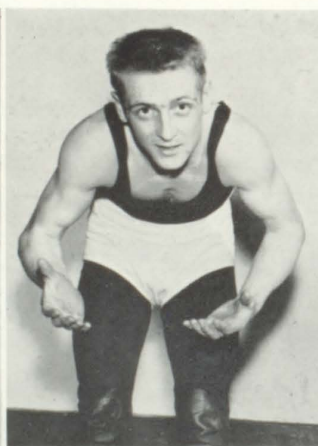

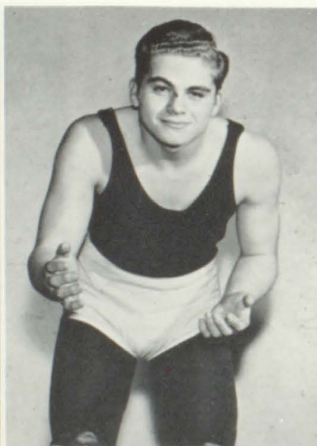

plied the competition for the locals seventh engagement. The locals trimmed the Indians 30-11 for the seventh straight win of the season. It marked the first setback in six matches for the Indiana squad.

Capturing win number eight, the local grapplers downed the Blairsville aggregation, 35-8. The Wildcats won their ninth successive win by a 34-11 decision over Greensburg. Marking finis to the locals' away engagements, the matmen won a repeat victory over North Huntingdon by a score of 41-5. Retaining their perfect record, the Latrobe wrestling squad downed the Uniontown grapplers, 35-11, for the eleventh and final victory.

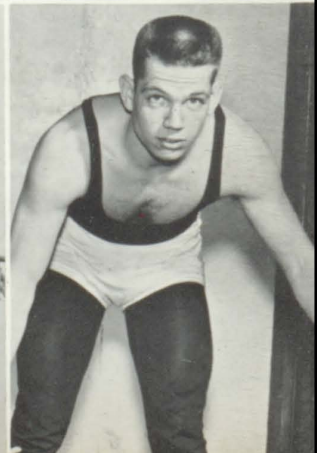

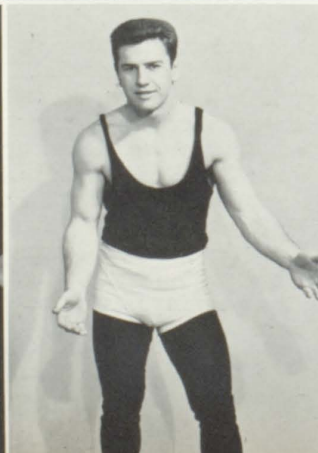

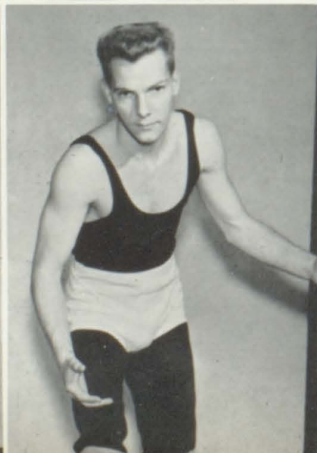

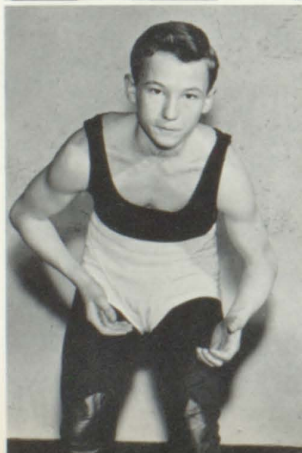

In the third annual Westmoreland County Tournament held in the local gym on January 27 and 28, the Latrobe matmen won the championship for the second time in three years as they compiled a total of 51 points. Individual crowns were won by seven local wrestlers. They were Jim Kerr in the 95-pound class; Dick Martin in the 103; Ron Corazzi, 120; Dick Bates, 127; Jim Marks, 133; Max Bolby, 138; and Joe Bigo, 185.

The Latrobe mat squad also captured the Section II WPIAL title by taking seven championships and scoring 43 points. These seven

At the meet Richard Martin was defeated by Ron Myers of Philippsburg in the semi-finals, 13-6. Upon advancing to the finals, Ron Hauser was decisively won by Rus Triponey of Clearfield, 2-0.

At the conclusion of the season, Coach Westfall presented wrestling letters to Richard Warren, Richard Bates, Ronald Noel, Steve Repko and John Kalokerinos. Certificates were awarded to Jim Kerr, Richard Martin, Roy Dunlap, Ron Corazzi, Jim Marks, Max Bolby, Dave Cox, Ron Hauser and Joe Bigo. Marvin Thomas received a wrestling manager monogram.

Members Of Golf, Tennis Squads Meet Spring Contests Victoriously

With ten returning lettermen, Mr. George Rise, head tennis mentor, guided the raquetters through another successful season.

Included in the six returning lettermen were two seniors, Dan Yates and James Wright. Juniors, Jack Rose, Mark Witkin and Walter Berberich, concluded the list of upperclassmen. Composing the rest of the squad were Tom Senior, Roger Harvey, sophomores, and Stephen Berberich and Daniel Berkmyre, freshmen.

Opposition for the local Orange and Black was provided by teams from the district including Tarentum, New Kensington, Arnold and Mt. Lebanon. During the month of May, the locals sent representatives to both the WPIAL and PIAA singles and doubles championship playoffs.

Composed of nearly all underclassmen, the Latrobe High golf squad, under the tutelage of Mr. Robert Cook, had one letterman, Jack Larson, returning for the season. The remainder of the link team were players Barry Rugh, Gene Stranko, Tom Mailey, Steve Zoldosh, Tom Walker and Bob Walker.

The season for the local golfers opened on April 17 and concluded a month later on May 15. Participating in this year's scheduled games were Jeannette, Greensburg, Connellsville, Ligonier and Scottdale. On May 14 Latrobe sent representatives to the WPIAL individual tournament.

Two hard courts and four clay courts, situated near the stadium, are used by the racquet squad, while the golfers use the Latrobe Country Club.

It Did Happen Here!

And not by accident . . . or just plain luck. The ball started rolling in 1776. In 180 years it has grown into towering skyscrapers and roaring blast furnaces—ships and trains and transmission lines, fetching and carrying and easing the daily load. Here are the dreams of men who have worked productively without coercion or fear . . . who have built the America we know today.

Now, when comes our turn to put a shoulder to this wheel, can we be strong to do still more? Can we give hand and heart and mind in strengthening Freedom's Way? To each his own decision, but therein lies the single road to peace, to plenty and to man's humanity to man.

Three factors determine a nation's capacity to produce:

1. Natural Resources
2. Manpower
3. Tools

Of these, the first two are fixed, for natural resources cannot be increased and human energy is limited.

TOOLS CAN BE CHANGED

Better tools mean a greater capacity to produce.

Better tools mean a higher standard of living,

Better tools mean greater economic strength.

Better tools mean greater military security.

The Vanadium-Alloys Steel Company through its Research Department and Engineering staff right here in Latrobe, is continually pressing the search for improved steels. This means better steels to make better tools so that production can be improved with big savings in human time and effort.

It is this ever present desire to produce better steels, tools, machines and products that has made our standard of living in America the envy of the world.

This is the spirit that keeps our nation great.
