# FOREWORD

Another year has passed. The end has come, and with the end the promise of a fresh new beginning. For seniors an entire new world opens. Juniors accept new responsibilities while sophomores continue to grow and learn from experiences and examples. The memories of the past year presented here are not soon to be forgotten. Looking back over the past year, a spirit of youth and friendliness has made the school alive.

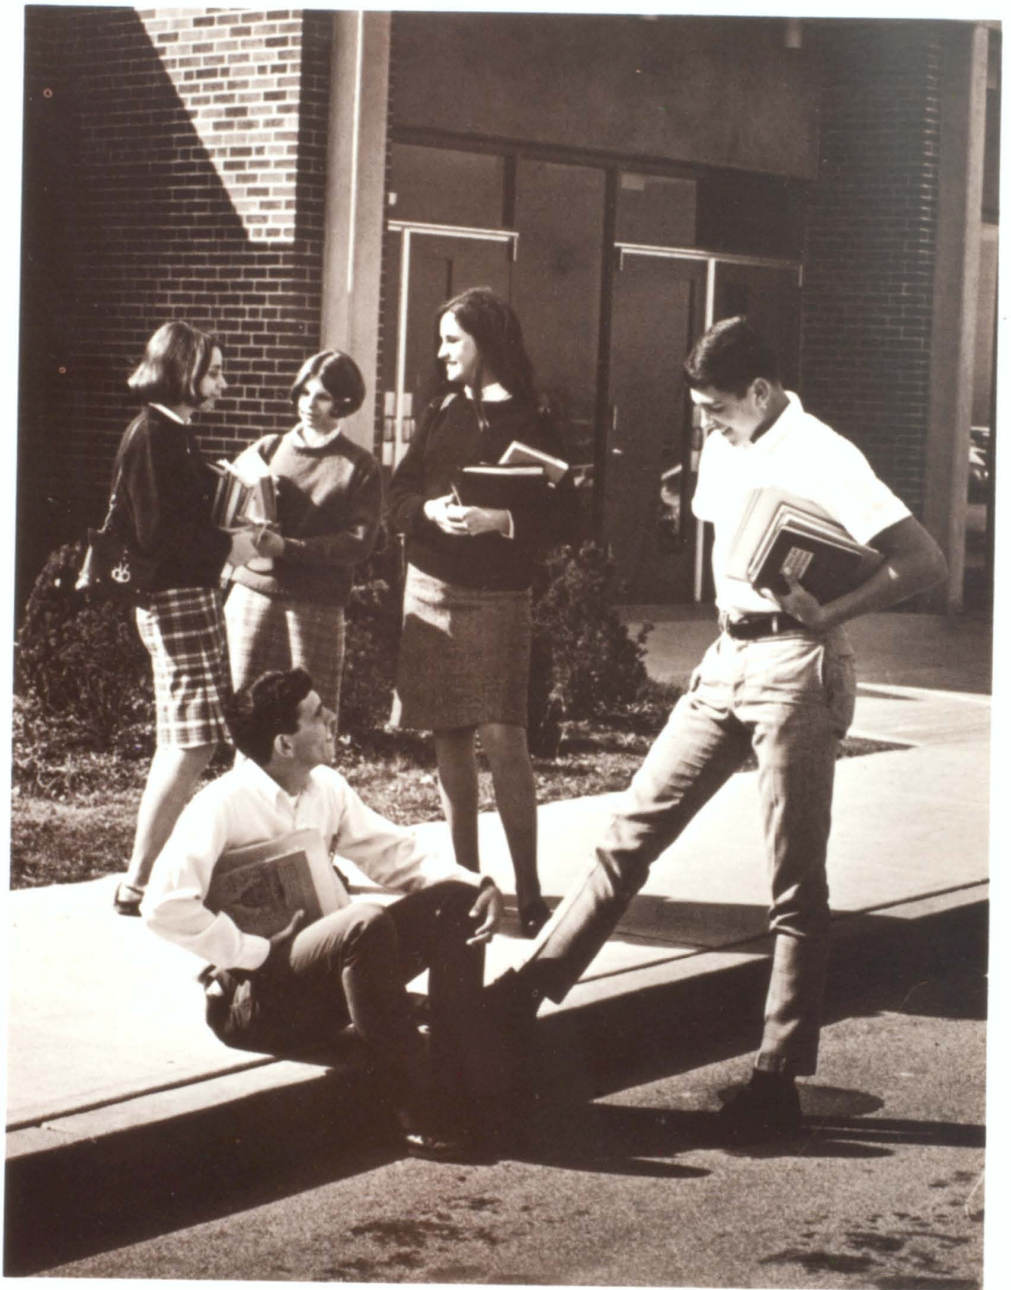

Passing through the halls of the Business Education Department students could hear the sound of typing set to music. On the lower level pupils struggled with the problems of American and World History. In the Liberal Arts Department students developed fluency in speaking French, Spanish, Latin, or German, but the rules of English grammar and the study of classics were not to be ignored.

Junior and senior scientists discovered and analyzed principles of physics, chemistry and astronomy, while sophomores gained new insight on life through the study of biology. Throughout their studies students increased their knowledge and awareness of the world around them.

Activities brought a pleasant change from the pupil's daily routine. Enthusiastic participation was marked in forensics, dramatics, club banquets and events, school dances and as a highlight for upperclassmen, the prom. Although the original excitement is gone, the memories linger on, reflections of the wonder of being young.

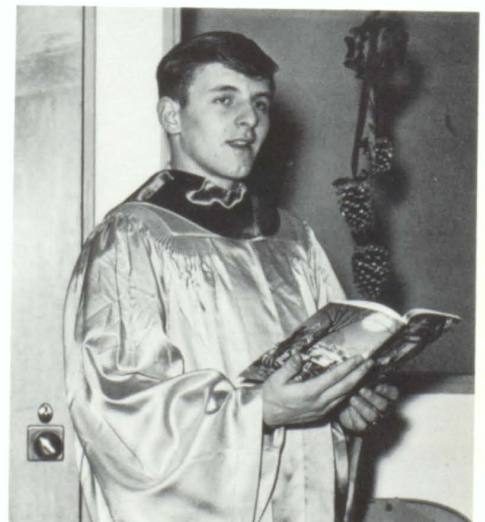

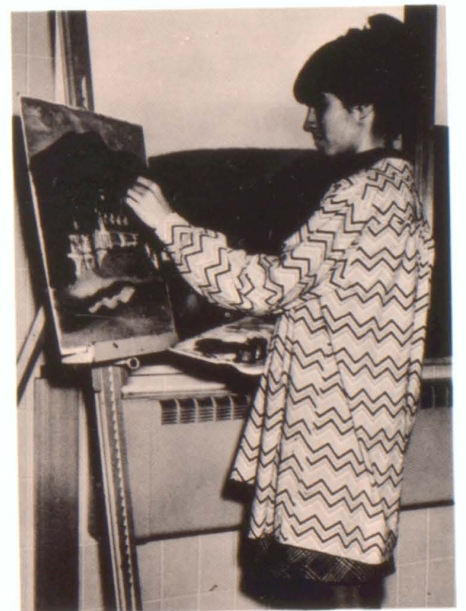

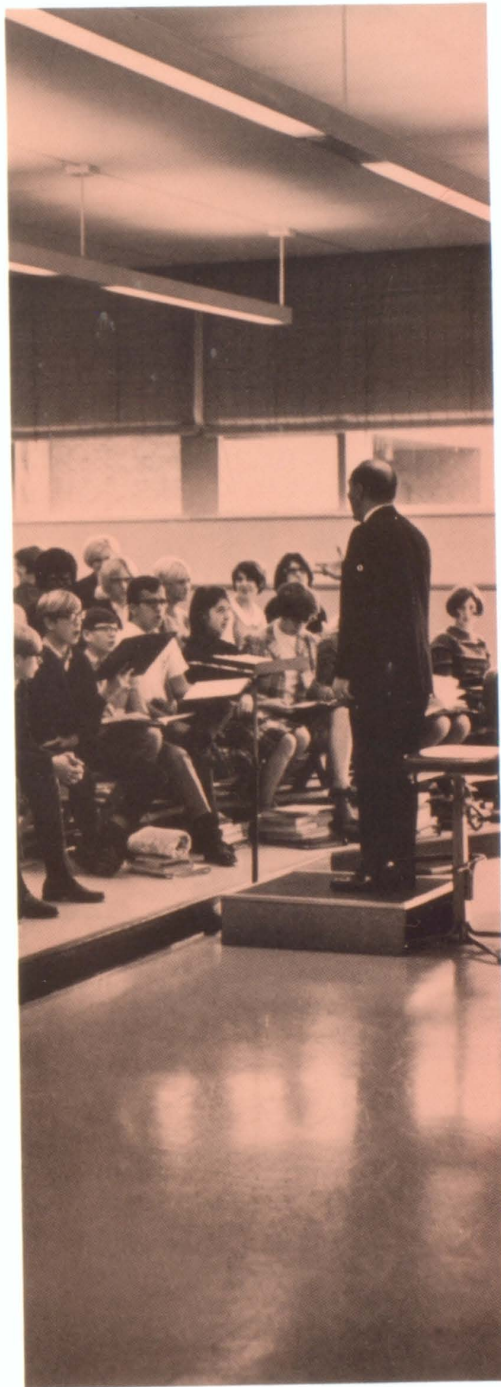

Through school life many new friends were made and old friendships strengthened. Students gained social confidence and the ability to adapt themselves for situations and adulthood.

## Experiences prepare youth for future

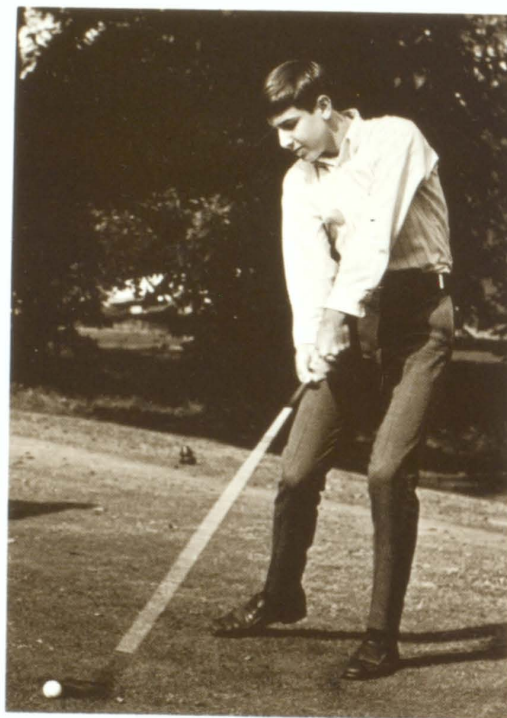

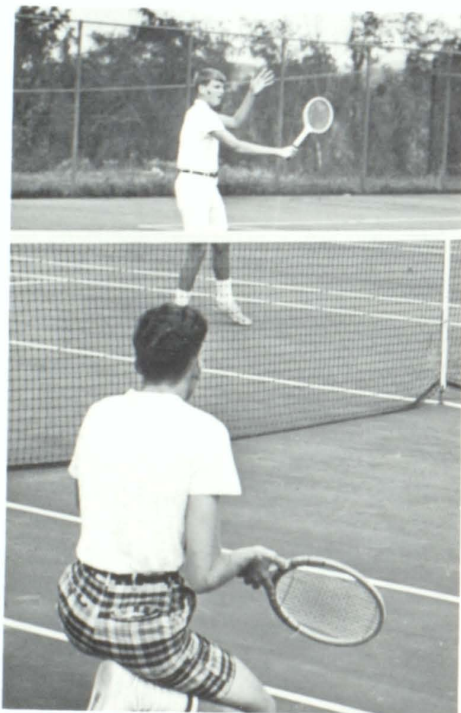

This school year the student body had the opportunity to participate in extracurricular activities. From these clubs and organizations the students broaden their interests in school subjects and developed social.

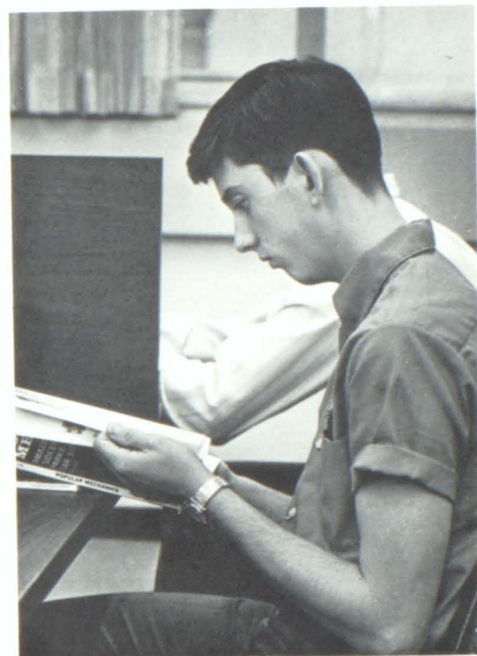

# School develops social confidence

During the year much happened. The highlights included the fun at dances, parties after games, the Johnstown Tournament, nights at the "Rooster," and the prom. The long awaited commencement climaxed the year.

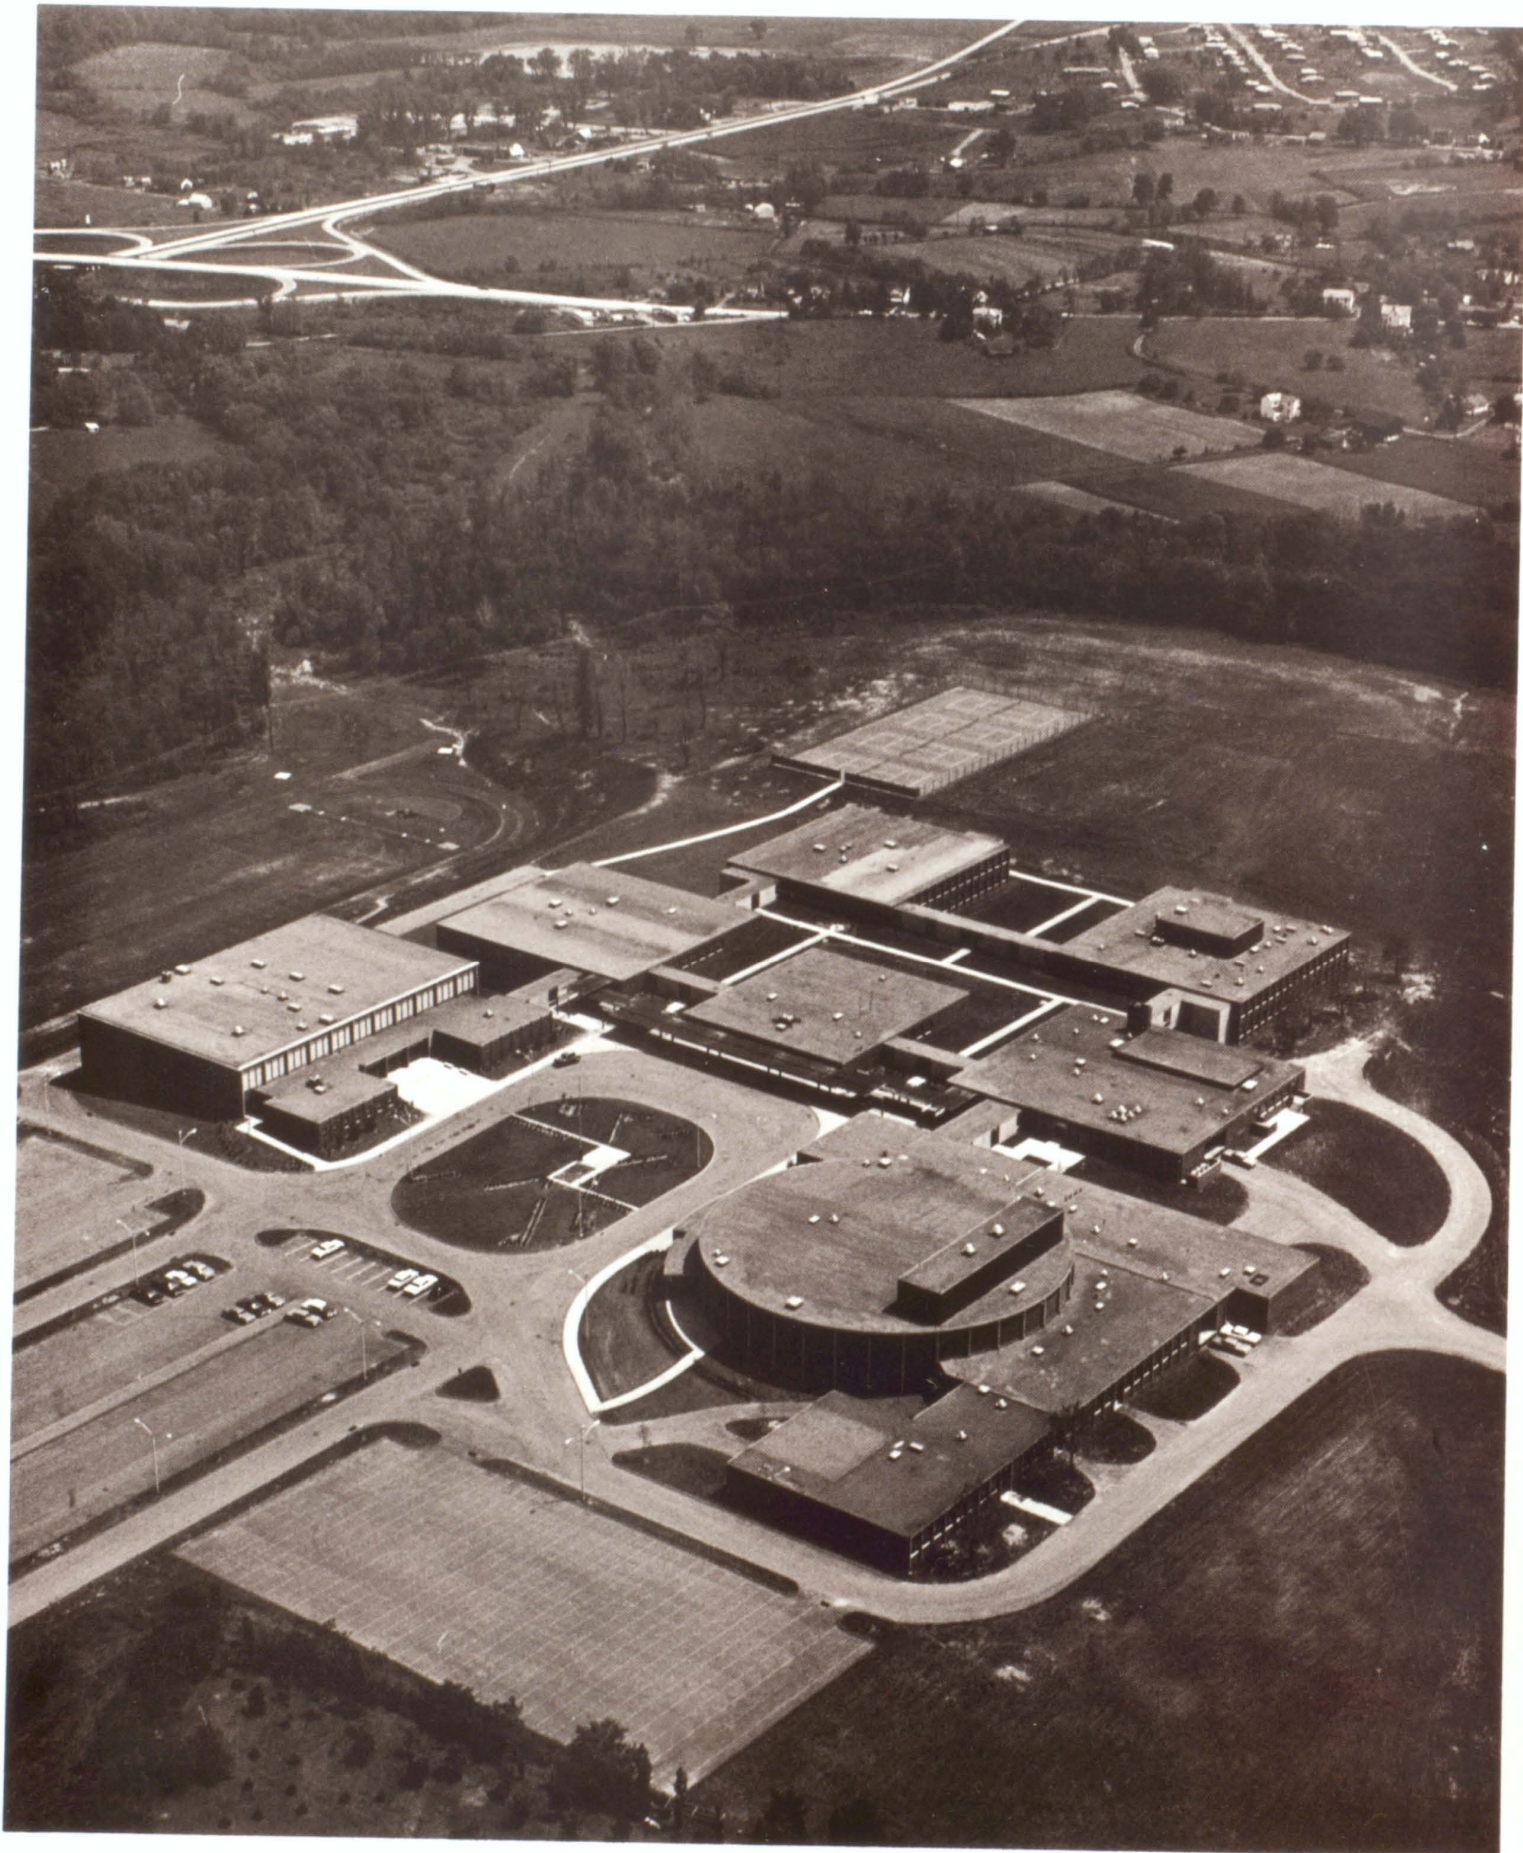

As the sights and sounds of this year passed-by, students found themselves reminiscing about events that made it a memorable year.

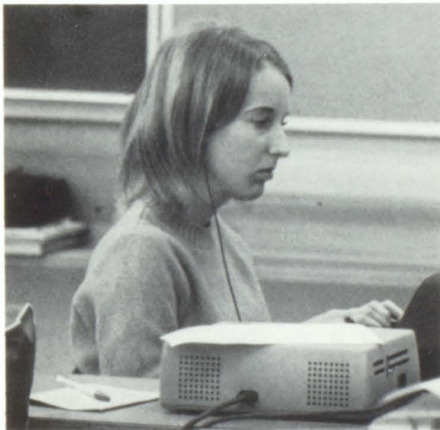

They recalled the many assemblies, Christmas decorations, cafeteria chats, homeroom programs, times they forgot their gym towel, studying hard for a test, and those special memories. These will remain in their minds.

The pupils enrolled at the senior high are grateful to the taxpayers of the school district for providing them with modern educational facilities.

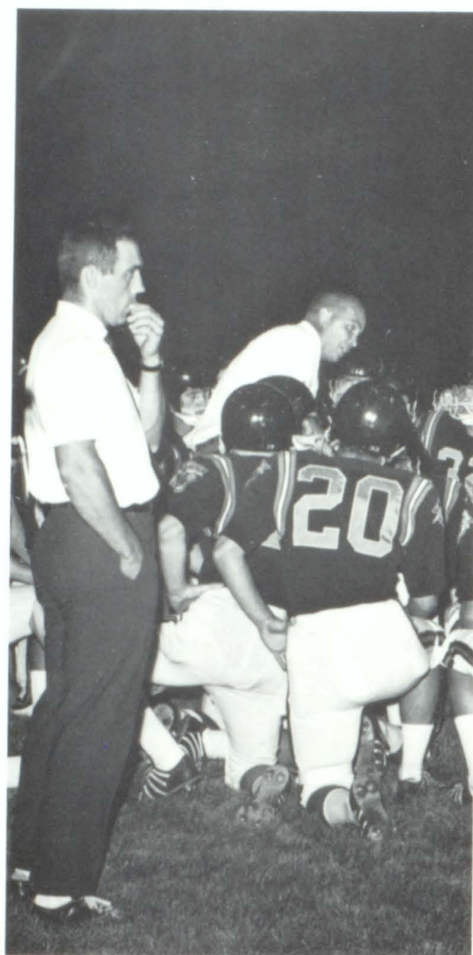

In its second year of use, the complex of seven buildings proved to be a well-planned structure. The 1500 sophomores, juniors and seniors enrolled here profited from the use of the plant. Guided by a capable administration and a well-trained faculty, the educational process that took place has prepared the students for advanced study or a position in the working world.

Enhancing and improving the curriculum rather than changing it was the goal set by Principal George M. Fabry for this year.

## Complex provides modern educational facilities

Initiated were three new subjects. For the first time students could take German I, Drivers Education and Astronomy Seminar. Fourteen new faculty members were added to the teaching staff. Renovations in the library included a book depository, micro-film projector and a new charge system. Over 2000 new books were added.

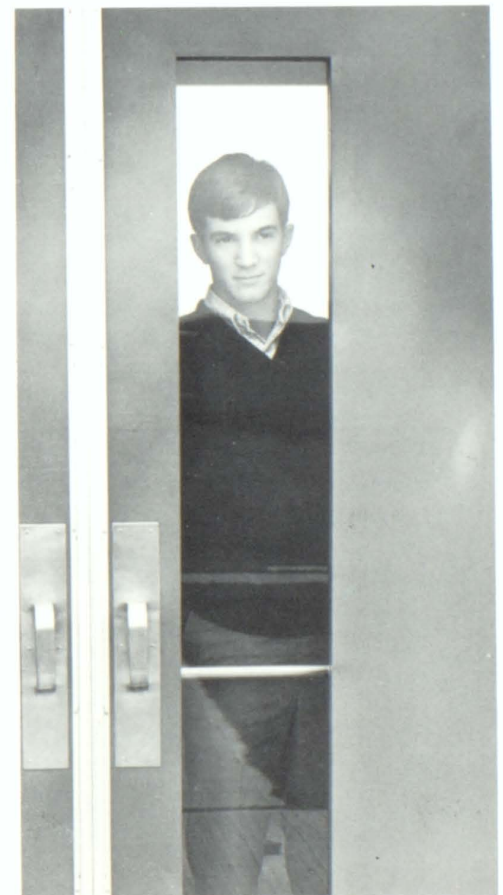

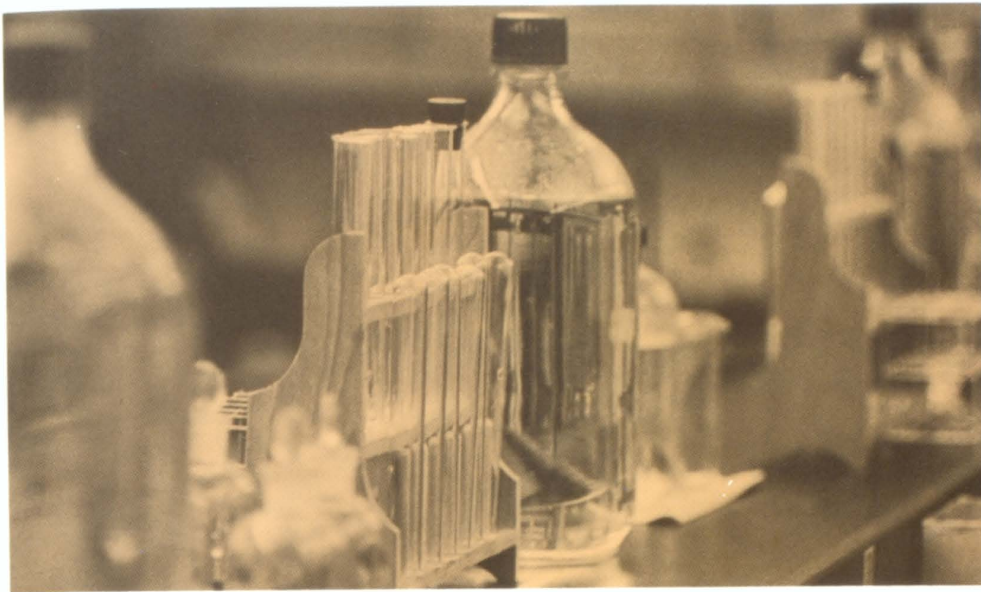

Watching figures wearing black caps and gowns walk slowly across the stage at graduation, each senior feels mixed emotions. Outwardly, he sits calmly waiting to receive his diploma. Inwardly, he thinks back to that day when he first became a student at Greater Latrobe Senior High. Years of school day routine—preparing assignments, eating lunch at cafeteria table, learning the difference between a gerund and a participle.

## Students benefit from participation

He recalls the uneasy feeling of being lost trying to understand a difficult chapter in his text book, then grasping its meaning through the explanation of a patient teacher. As he listens to the "Pomp and Circumstance," he realizes that during those worthwhile though at times frustrating years, he has gained immeasurably.

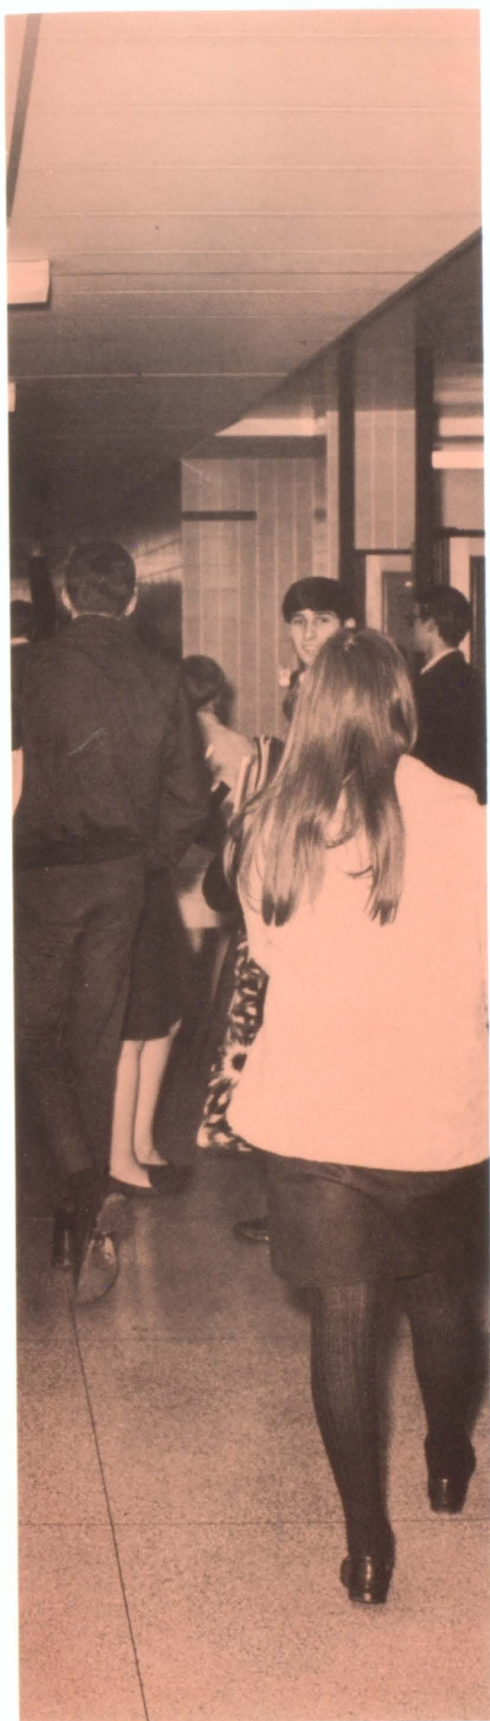

From arrival at the senior high school at 8 a.m. until dismissal at 3 o'clock, the students undergo many experiences that will influence their futures. Meaningful experiences were gained in the classroom, in club meetings, assemblies and in athletic training sessions.

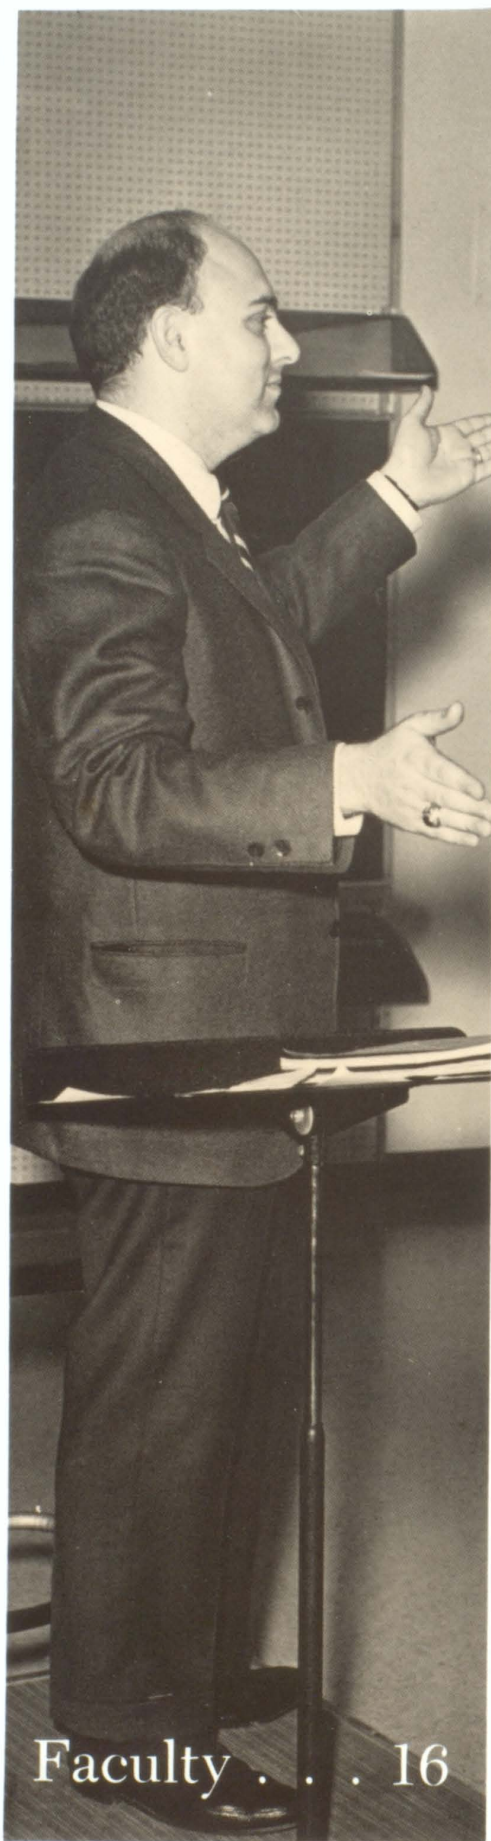

## Classes, activities meaningful to senior high student body

The students at Greater Latrobe took great pride in their school. This was evident by their attendance at school plays, dances, athletic contests, forensic events and after school club meetings. They strove to excel in academics, athletics and in services. These students practiced the high ideals of honor, sportsmanship and character.

After a football game, Student Council members Ray Bridge, Marsha Blank and Leona Stein count money from refreshment purchases and ticket sales. Representatives of the Council assist with selling of food to football fans at half time during one of the games.

Forty-five years ago the Student Council was established with service as its main objective.

This year the members of the Council carried on with that objective. The approximately 50 representatives furnished their aid to the high school and the students in many ways. As in past years, the Council worked at the concession stands at football, basketball and wrestling games. They also operated the checkroom at events in the auditorium.

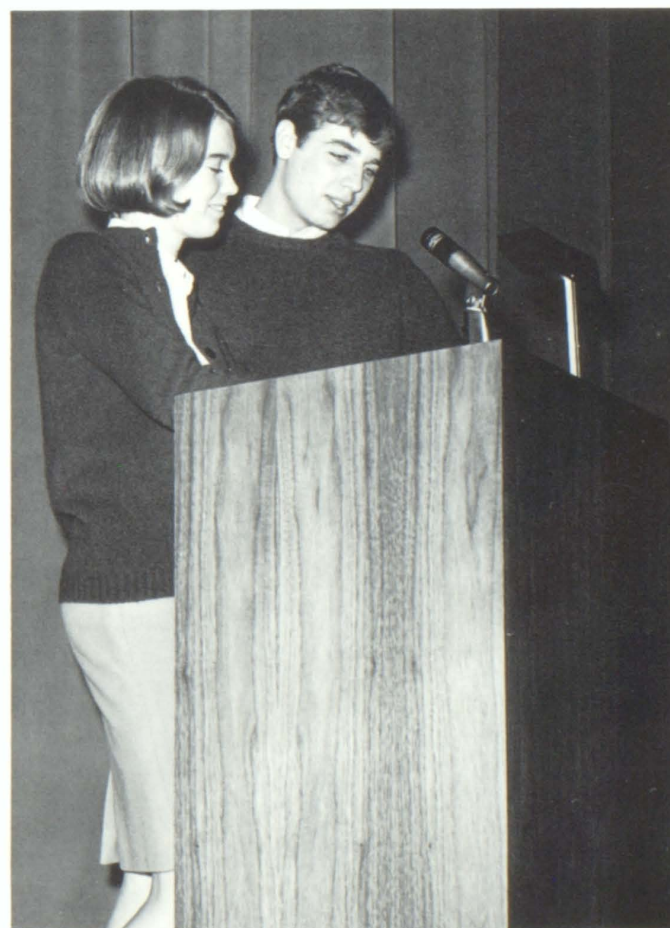

Several school dances were sponsored by the organization. Nine special assemblies were presented to large student audiences in the auditorium. Appointed members traveled to Associate Artists in Pittsburgh to select paintings to be presented to the students for selection. Two selected paintings were then added to the valuable permanent collection.

Aiding Mr. James R. Beatty, adviser, in planning the Council's activities were the officers: William Dundore, president; Albert Pavlik, vice-president; Leona Stein, secretary; Roger Klotz, treasurer.

The Lost and Found was again in operation during school hours. The service group aided at sophomore orientation and at Parents' Night.

Council members erect Christmas decorations in the auditorium. Seniors Albert Pavlik, Roger Klotz and Leona Stein discuss plans for a special assembly with Student Council president Bill Dundore. Linda Steinback and Lou Scavnick re-hearse for assembly.

The year 1968 saw the production of the second musical in the history of the senior high—a promise of more to come.

"How to Succeed in Business Without Really Trying" presented the tale of a young "exterior decorator", window-washer J. Pierrepont Finch, and his rise to the top of the backstabbing world of big business with the help of a paperback containing a step-by-step procedure guaranteed to assure success.

# LATROBE SPORTS

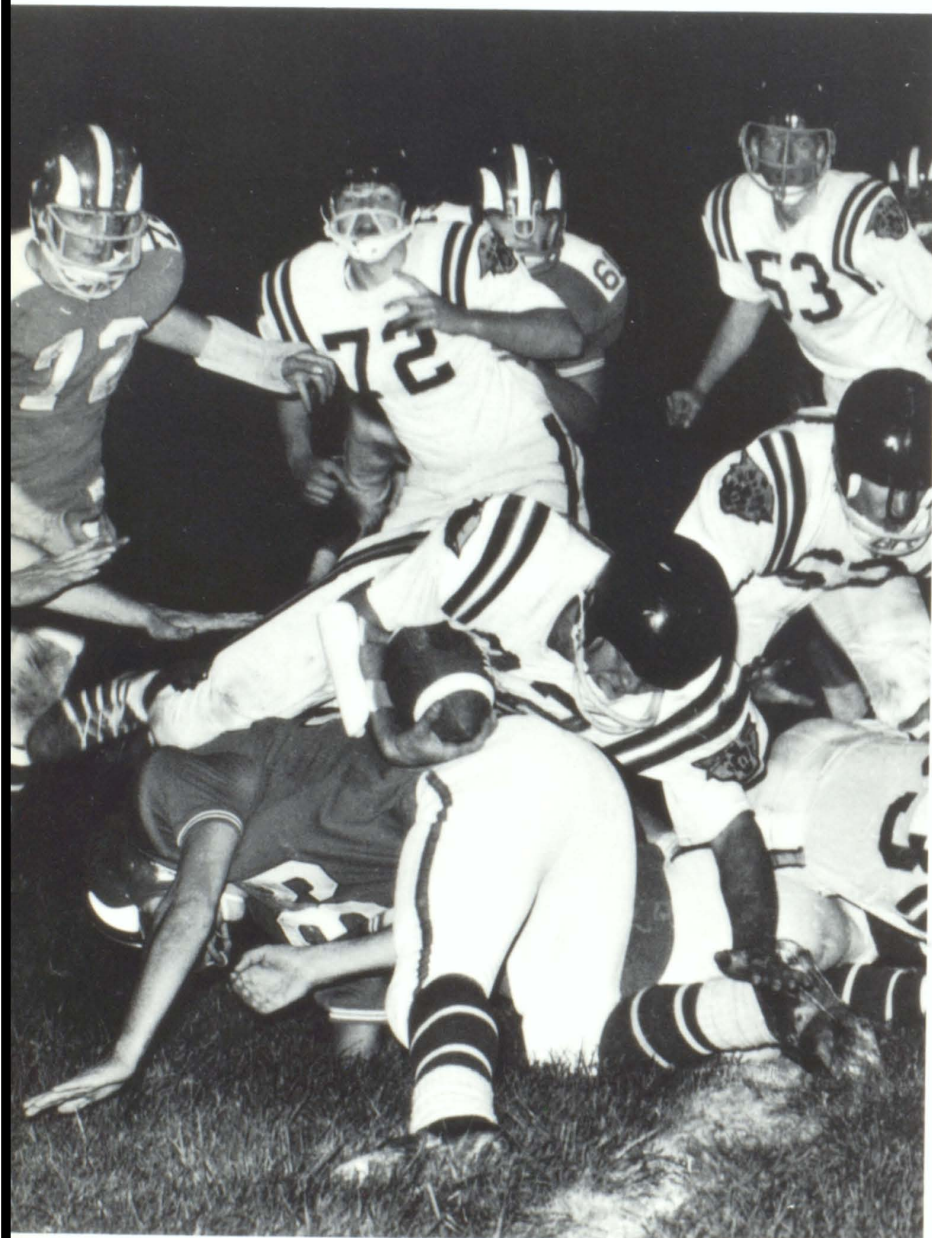

In addition to maintaining a high scholastic level, the Wildcat athletes learned the principles of their sports and the essentials of good sportsmanship.

The well-rounded program provided by the local school district includes nine different sports. Approximately 200 different took part in the program.

## Wildcats top rival Derry, fall victim to Wilkinsburg

An anxious team and their coach look on hopefully during a Wildcat drive for yardage. Elmer Olson charges for extra ground in spite of tacklers.

After three consecutive wins to begin the season, the Wildcat football team went on to win two of the five remaining games. The Cats ended the season with an overall six won, two lost and one tie record.

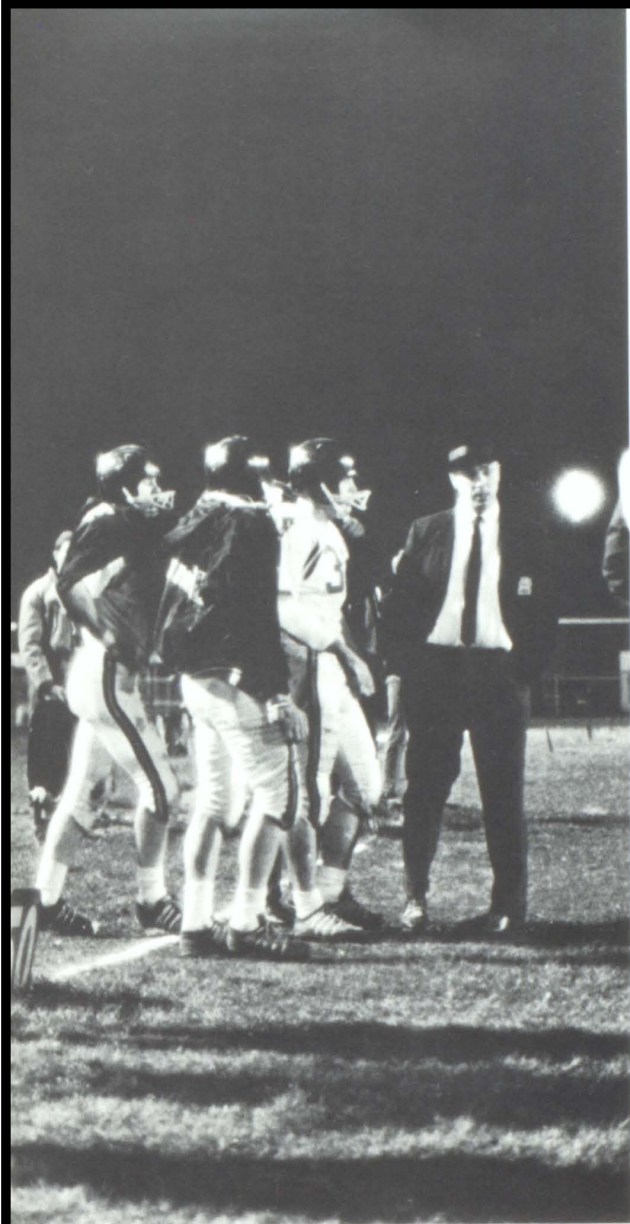

In the opening game of the season, the gridders blanked Class 'A' Sewickly Area 21-0. The Wildcats began scoring in the second period on a 10 yard dash by Jim Harris. Tom Joseph plunged 5 yards for the second score while quarterback Bill Okonak connected for a 33 yard touchdown pass play with Jim Kralik.

In the opening Foothills competition, the Cats downed Derry Area 14-6. Latrobe's first score came on a quarterback sneak by Tim O'Rourke. On a 67 yard pass by Tim to end Tony Eupizi, the Cats tallied again.

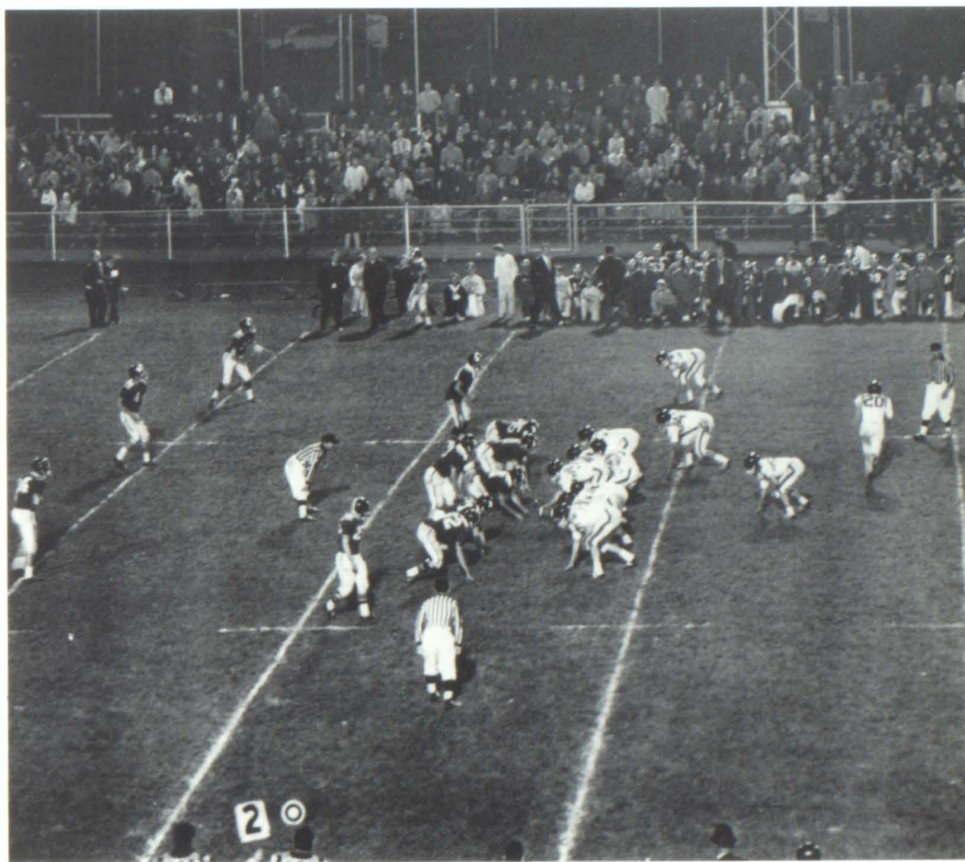

Latrobe shut out their next conference foe, Mount Pleasant. O'Rourke connected to Eupizi for two touchdowns and ran two others himself to give the Cats a 27-0 victory.

After leading at half time, the Latrobe eleven was downed by Wilkinsburg 24-14. The Wildcats led 7-6 on an O'Rourke to Eupizi pass, but the Tigers in the second half scored three times while the Cats tallied but once.

With a second and ten situation, Andy Wnek goes in motion as the Wildcats set up in their contest with the Mt. Pleasant Vikings.

Co-Athletic Director Gary Garrison along with Head Coach Charles Findley and assistants, Richard Donati, Joseph Howard, and Lawrence Altimus review football films. Gaining yardage against Mt. Pleasant is sophomore quarterback Tim O'Rourke.

## Gridiron varsity boasts winning class 'AA' record

Sophomore quarterback Tim O'Rourke cocks his arm in preparation to pass while dodging a Derry defender. While a Trojan defensive back looks on, senior Tony Eupizi vainly tries to catch a pass.

Halfback Tom Joseph maneuvers for yardage while blocker Jay Yancy leads the interfere against oncoming tackles. Coach Findley briefs his squad on game strategy prior to a varsity encounter this season.

Watching over the offensive line that led the Cats to their shut-out victory against the Sewickley Area Bisons, signal-caller Tim O'Rourke counts off in anticipation of the snap from center.

In the next conference game the Wildcats went to Jeannette and defeated the Jayhawks 24-0. Denny Kozlesky booted his only field goal of the season while adding three extra points.

Scoring 13 points in the fourth quarter, Latrobe salvaged a 13-13 tie with visiting Hempfield Area. Tim O'Rourke's passing set up Tom Joseph's two yard plunge for the initial six points. The final touchdown came late in the second half following a Spartan fumble.

The Cats charged to their fourth Foothills victory in six games by downing Connellsville 14-6. Jim Harris scored on a four-yard run in the first half, while Elmer Olson intercepted a Falcon pass and ran 20 yards for the final touchdown.

In a defensive battle with host Greensburg-Salem, the Cat gridders finished on the short end of a 6-0 score. After stopping several Lion drives deep in their own territory, Latrobe relinquished the game's only tally with two minutes left.

The Wildcats completed the grid campaign by trouncing the visiting Norwin Knights 35-6 at Memorial Stadium. The win put Latrobe in third place in the final Foothills Conference standing.

Packing equipment are football managers: Dave Washburn, Jack Heide, Jerry Casteel, Bob Thayer, Kenneth Sagan and Joe Kuhn. Halfback Tom Joseph is off for another long gain against Derry Area while Jay Yancy leads the blocking. Latrobe takes the field in preparation for another of the 'AA' grid battles.

The senior high school's junior varsity football team finished its season with a 5-2 record under Coach Joseph Howard.

Off to a slow start the Wildcat reserves two straight shut-outs. In their first game of the season Hempfield Area blanked the Wildcats 14-0. Again lacking a scoring punch Latrobe was downed by Connellsville 13-0 in the second game.

Getting on the winning track, the varsity under-studies recorded a 20-13 victory over the Lions of Greensburg-Salem. They added a 20-6 decision over Gateway. The gridders kept alive their winning streak by edging arch rival Derry Area 13-6. Closing out the season, the Latrobe junior varsity notched shut-out victories over the Norwin Knights 7-0, and the Mt. Pleasant Vikings 26-0.

Handling the signal calling job was junior, John Kubit. Sophomore halfback Art Colegrande was the leading ground junior, averaging nearly 70 yards per game.

Team enthusiasm and encouragement come from the Wildcat bench. Center Ray Bridge sets for the shot of a rebound he has just snagged. Inside a huddle of Derry Trojans, Alex Zacur tries a layup.

## Wildcats victorious in section 2 games

Battling without their top scorer, Tom Mueseler, the Wildcat varsity basketball team lost the Section 2-A title in a play-off to Jeannette 50-47.

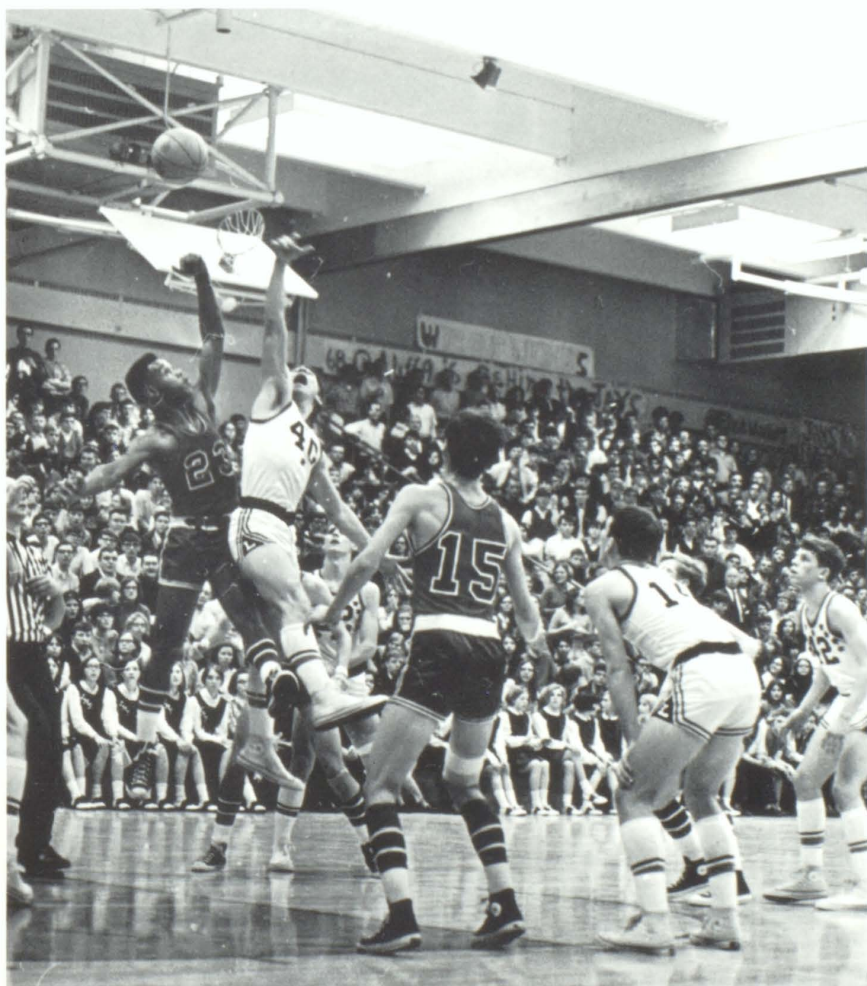

The deadlock between the two county squads resulted when both finished with 10-2 records. An upset by the Derry Area team in the final league game brought about the tie.

In pre-section action the Wildcats won the eight contest on their schedule. They defeated the always regarded Uniontown 74-68. Early December games saw Coach Mike Swogger's Team triumph easily over Kiski Area, 66-53, and Sewickley Area, 118-30. A close contest resulted between Penn Hills and Latrobe with the Cats winning 82-78.

Latrobe's roundballers won three other pre-league games with ease. These wins were from Johnstown, Ligonier and Mt. Pleasant. In a close struggle the Wildcats downed Connelsville 73-72.

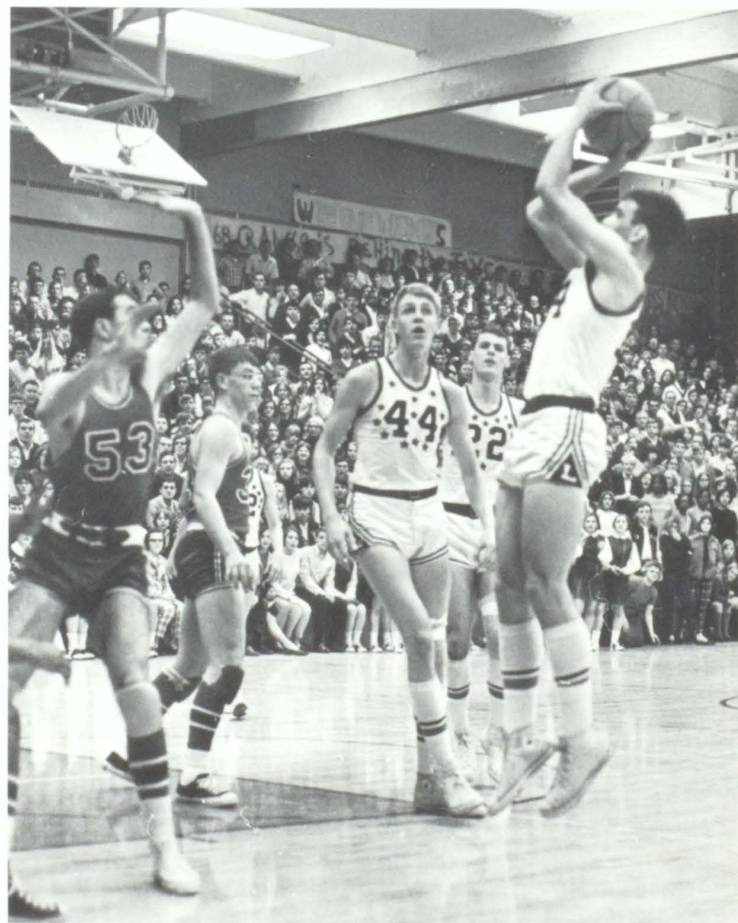

Showing himself equally talented on the basketball courts as the gridiron, Tim O'Rourke drives downcourt. Tom Joseph goes up on a jump ball against Jeannette. Passing the ball to teammate is Tom Mueseler, all section guard.

The varsity basketball team forms a half-circle. They are Bill Okonak, Alex Zacur, Tim O'Rourke, Thomas Joseph, Thomas Mueseler, Ray Bridge, Stuart Sapp, Frank Gondos, Dennis Charlesworth and Bill Nicholas. Caring for the basketball players and their equipment are managers, Bill Thayer, Lee Gettemy, Dave Washburn, Mark Demyanovich, Richard Nagel, Howard Smeltzer and Bruce Shirey. Attempting a shot from the outside, Tim O'Rourke is guarded by Ray Bridge in the crucial contest with the Jeannette Jayhawks.

# Johnstown tourney earns state ranking for Cats

Over the Christmas holidays on December 27 and 28, the Latrobe cagers participated in the annual Cambria County Tournament in Johnstown. The teams participating in addition to the Cats were Allentown-Dieruff, Coatesville, and Fifth Avenue.

The Wildcats lost in the finals to Coatesville, 74-60, after winning in the opening round over Allentown-Dieruff, 93-83.

In Section 2 play, Latrobe ran off eight straight wins. The orange and black cagers downed Greensburg-Salem, Westinghouse Memorial, Jeannette, Hempfield, Norwin, and Derry Area in first round play. They then won second round games from Greensburg and Westinghouse.

At this point with a leg injury hampering Tom Mueseler, the Wildcats lost to Jeannette. Although they won over Hempfield, the game saw Tom reinjure his knee. Playing without Tom or Steve Scheeren, the Cats surprised Norwin by winning 56-40. This set the stage for the final league contest that resulted in the Derry upset. A win by Jeannette in its final game resulted in the section tie.

Letter winners were Tom Mueseler, Ray Bridge, Alex Zacur, Tom Joseph, Denny Charlesworth and Bill Okonak, seniors, Steve Scheeren, a junior, and Tim O'Rourke, a sophomore.

Voicing their opinions to Coach Mike Swogger, the players help work out game strategy. Forward Steve Scheeren exhibits the form that won him a berth on the all section team against Hempfield. Arching a high shot, Denny Charlesworth attempts to foil the defense of the Hempfield Spartans. Wildcat playmaster Alex Zacur dribbles down court in the season's final section contest with Derry Area.

Latrobe's junior varsity basketball team compiled a record of 14 wins and six losses for the 1967-1968 campaign.

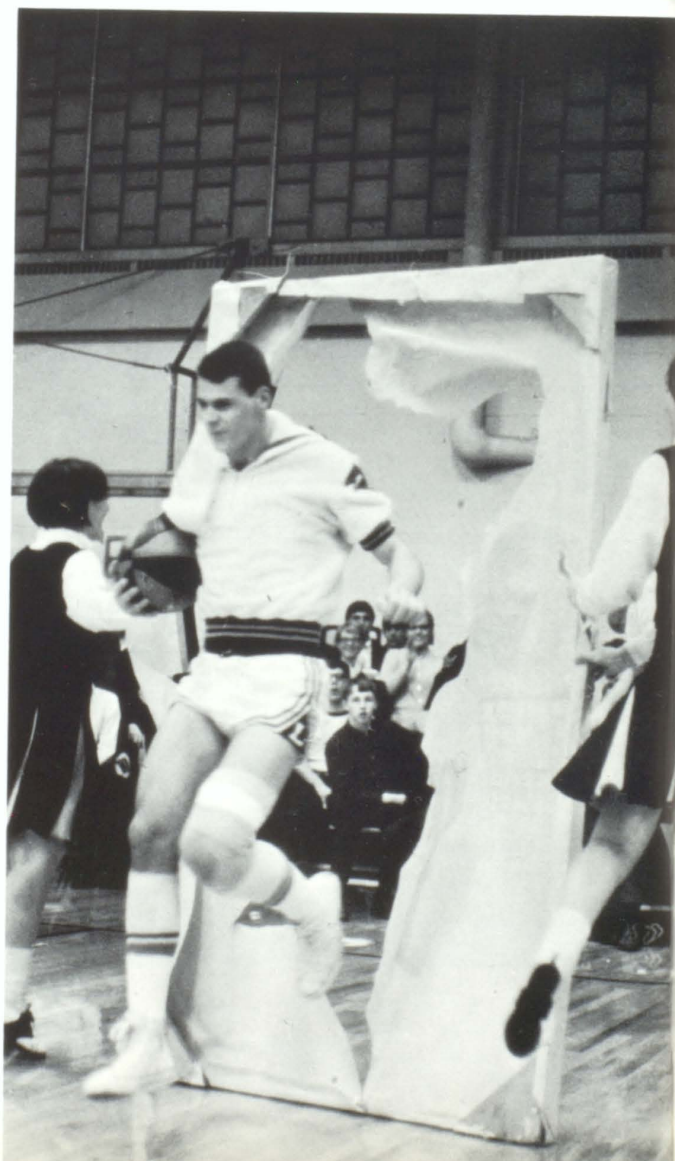

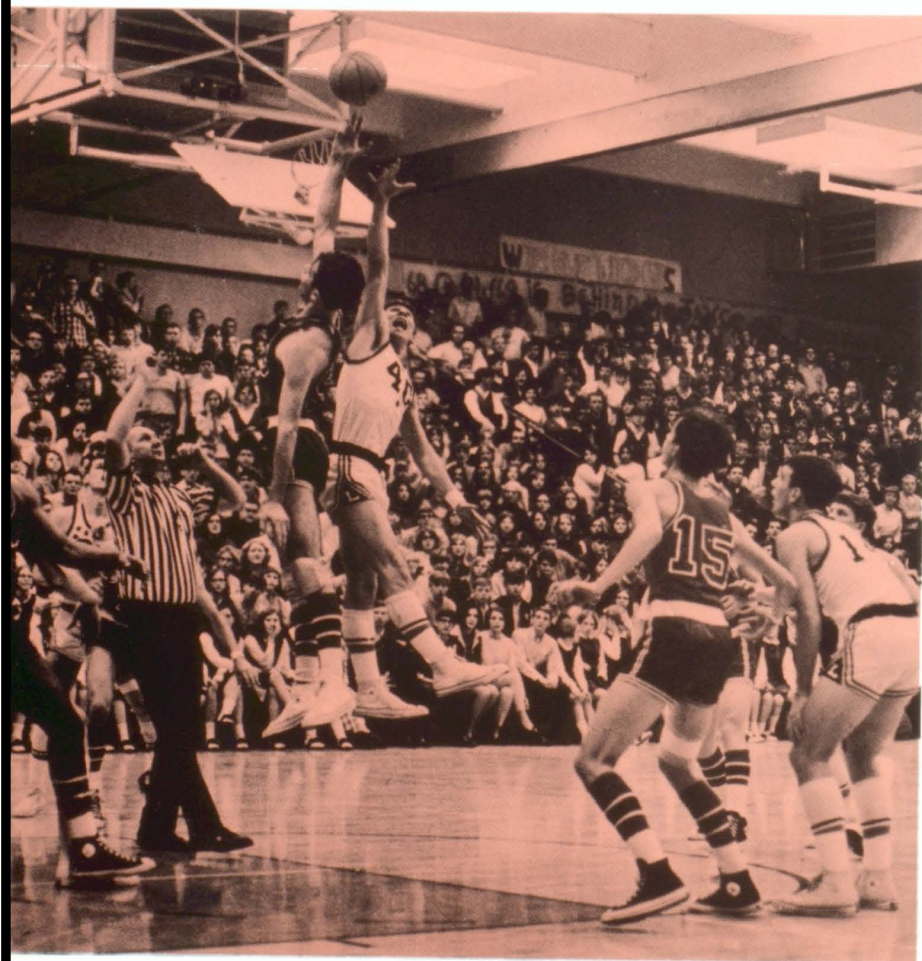

Comprising the jayvee team squad were junior Charles Kozlesky and sophomores Jeff Meholic, Lou Loncharick, Wayne Pepper, Tom Marucco, Clark Kerr, Art Colagrande, Carl Neigoot, Wally Cackowski, Frank Newman, Tom Stynchula and Jim Fyalkowski.

Against the reserves of the varsity's opponents the Cats finished play with an eight won, four lost slate. Latrobe recorded double wins over Greensburg-Salem, Westinghouse Memorial and Jeannette.

The jayvees split their season's series with the understudies of Derry Area and Hempfield.

Norwin was the only team which managed to defeat the Wildcats in both meetings. Coach Wayne Etling instructed the reserves.

As the Wildcats score a roar goes up from the Latrobe fans. Straining for extra inches of height, Tom Joseph reaches on a jump ball. Latrobe's all-state candidate, Tom Mueseler, enters the floor before the start of a game.

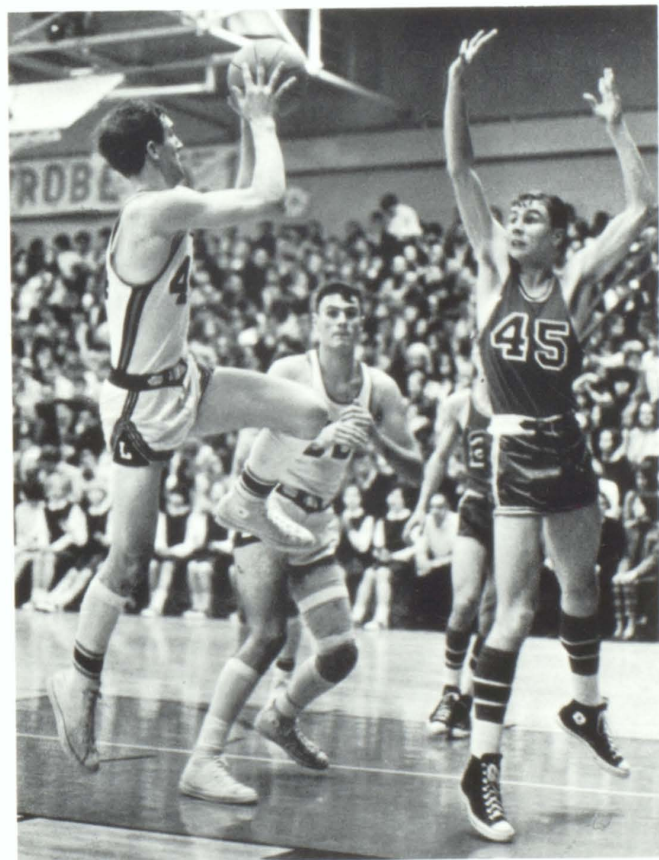

# Junior varsity registers winning floor season

The junior varsity squad included Kerr, Neigott, Colegrande, Kozlesky, Meholic, Loncharik, Stynchula, Marucco, Newman, Pepper, Fylkowski, Cackowski.

As junior varsity roundballer Jeff Meholic gets ready for a field goal, Wildcat Lou Loncharick gets set to jump for a possible rebound against several Jeannette defenders.

After downing Derry Area to open the season, the Wildcats dropped a close match to Johnstown, 22-17. From that point Coach Creed Westfall's team won seven straight before dropping the last two matches on the schedule.

The junior varsity wrestled exhibition matches prior to most of the varsity contests. Mr. Frank Pushnigg was the jayvee coach.

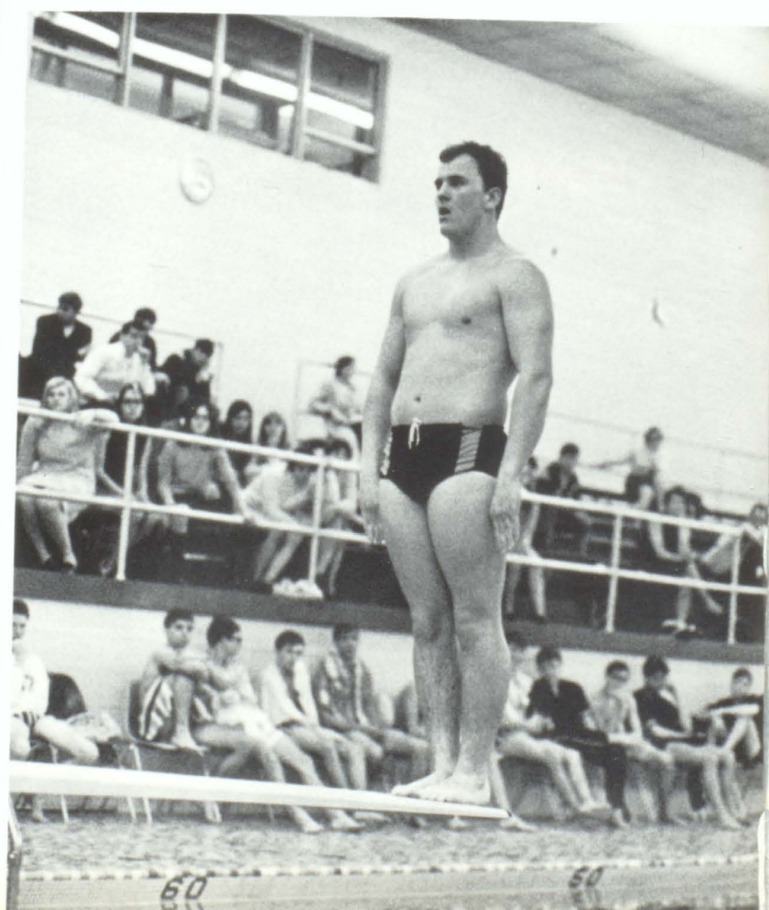

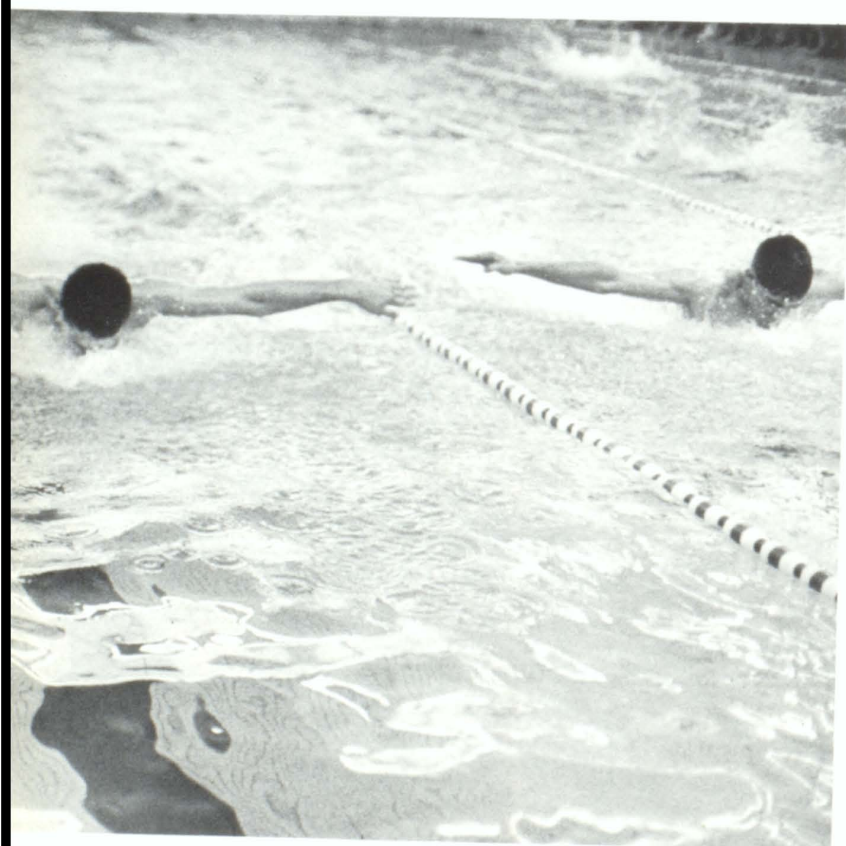

The junior varsity squad included the following: **Kneeling:** Steving, Monticue, Tuk, Shaffer, Campbell, Korzak, Himler, Baughman. **Standing:** McDowell, Kuhn, Lehman, Comp, Revitsky, Calhoun, Tygard, Houser, Federico. # Golfers vie for section crown

Smooth wrist and body motion is essential to a good drive as David Bendl tells Dan Jacobs. Pat Mailey sends off a 20ft. putt while teammates David Bendl, Ron Lucas, Dan Jacobs and Tom Baumgardner watch.

Having their entire team back from last year, the Wildcat Linksmen under Coach Robert Cook tried to regain the Section IV crown.

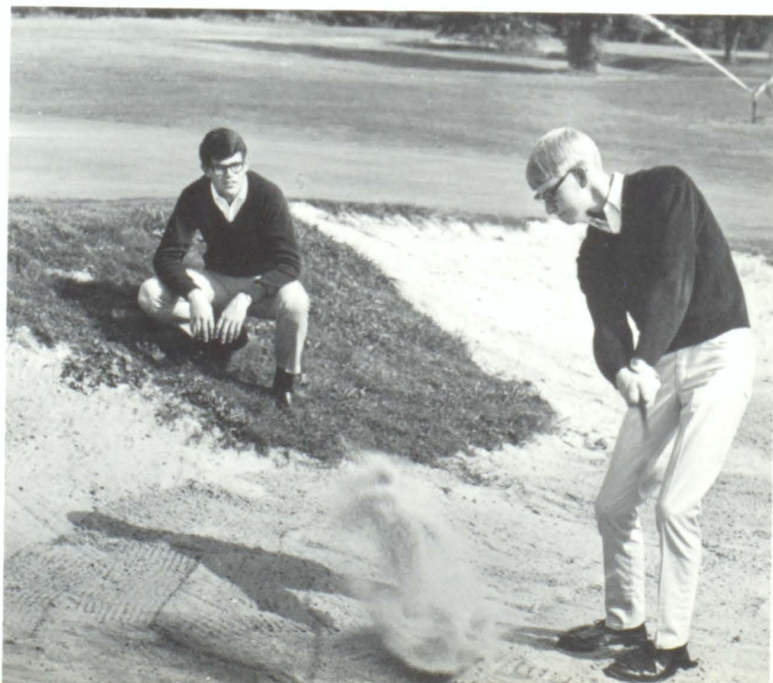

Veterans returning to the golf team were Ron Lucas, Pat Mailey, Dave Bendl, Tom Baumgardner, seniors, and Dan Jacobs, sophomore.

Practice began for the Latrobe golfers on March 14. Match play began soon after with four exhibition matches against Bethel Park and Westmont-Hilltop. Section play began for the Wildcats April 16. Opponents for the Wildcats were Derry Area, Ligonier, Jeannette, Hempfield and Greensburg-Salem.

This was the last season that golf would be played in the spring. Next season the teams will play their matches in early fall.

Providing a place to practice in cold or inclement weather the golf room practice range aid sophomores Steven Sinkey, Larry Moore, John Thomas and Denny Irwin. Sand traps prove not too formidable an obstacle to golfer Ron Lucas.

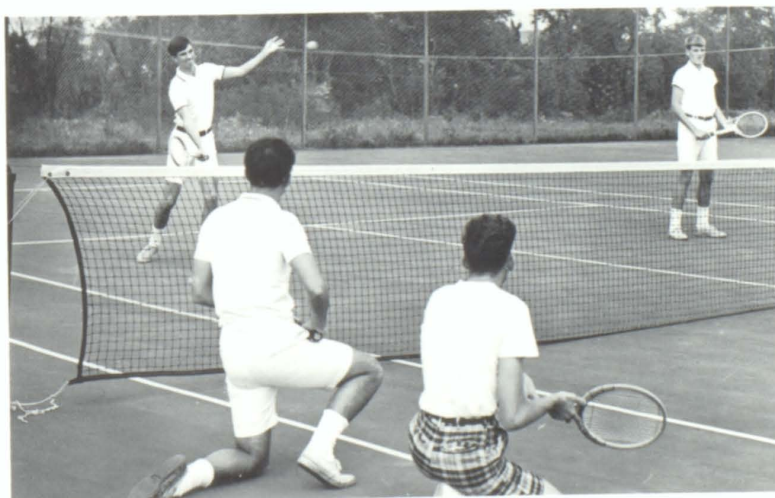

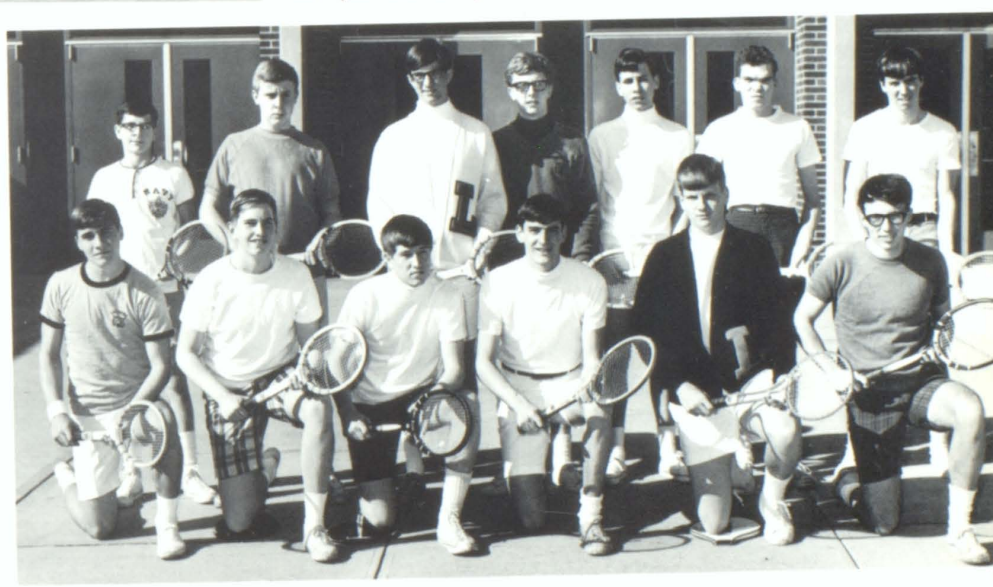

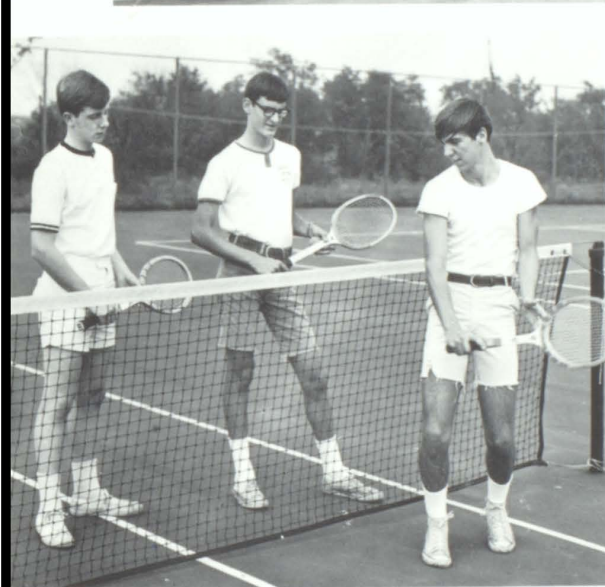

## Tennis court action results in victories

With three returning lettermen, Denny Charlesworth, senior, Bill Townsend, junior, and Gene Ulishney, sophomore, serving as the nucleus, the 1968 Wildcat tennis squad under Coach Earl Kara-sack opened the season on April 11, against Mt. Pleasant.

During the season the netters entered competition with Greensburg-Salem, Norwin, Connellsville and Mt. Pleasant. Each team was played twice during the year.

Volleyball games were held in March until the team with the best overall record won the championship. Both the winning volleyball team and the winning swim team received awards at the Awards Day Assembly.

As Linda O'Bryan and Mary Biller prepare to hit the ball, teammates Nancy Sopsisak and Ann Manoli look on with growing anticipation of winning the championship.

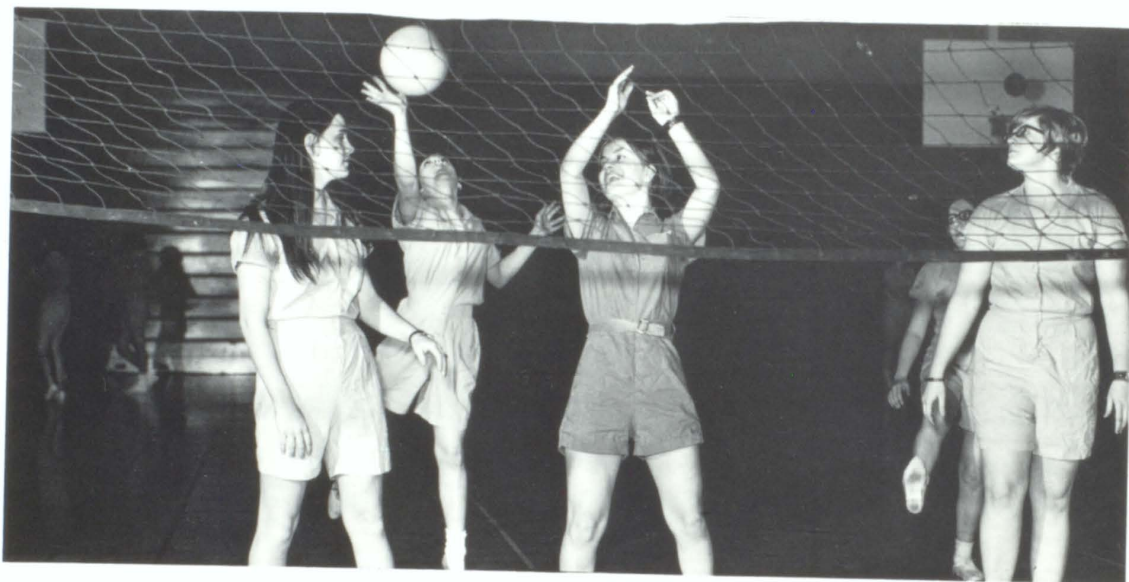

Awaiting their turns to score points are Joan Lennon, Michele O'Barto, Marcy Martin and Kathy Otto, while Rene Otino strains to hit the volleyball.

Hard work and regular practice resulted in victory for the girls' intramural swim team competition winners.

"Doll-fin" swimmers, Peggy Shiffler, Pam Truxal, Debbie Fletcher, Jane Fawcett, Kathy Silvis, Janice Claycomb, Marilyn Check and Debbie Hazlett, take a break during a performance in which they demonstrated swimming tactics and skills. These various routines were enacted to the theme of a toy shop, in which the girls portrayed stuffed animals and such toys as balls and dominos. Missing is Ruth Ellen Gallagher.

In preparation for the spring swimming exhibition, the "Doll-fins," Jeanne Mekic, Diane Lucas, Toni Wissinger, Toni Battaglia, Chris Baughman, Helen Haswell and Kathy Marsh, get ready to rehearse their parts for a scene.

Members of the "Doll-fin" squad Becky Ruby, Cathy Baker, Janet McIntyre, Linda Noel and Dorothy Morley, pause during one of their practice sessions from "The Toy Shop."

## Doll-fins give show

Making use of the facilities of the senior high school, the "Doll-fins" successfully gave their second swimming show.

Under the direction of Mrs. Carole Hartman, girls' gym instructor, the members of the synchronized swimming team practiced after school, as well as having organized practices in the evenings for a month, in preparation for their show entitled "Sea Through a Toy Shop Window."

In the show the swimmers portrayed such toys as balls, hoops and dominos. The show was presented on three different nights.

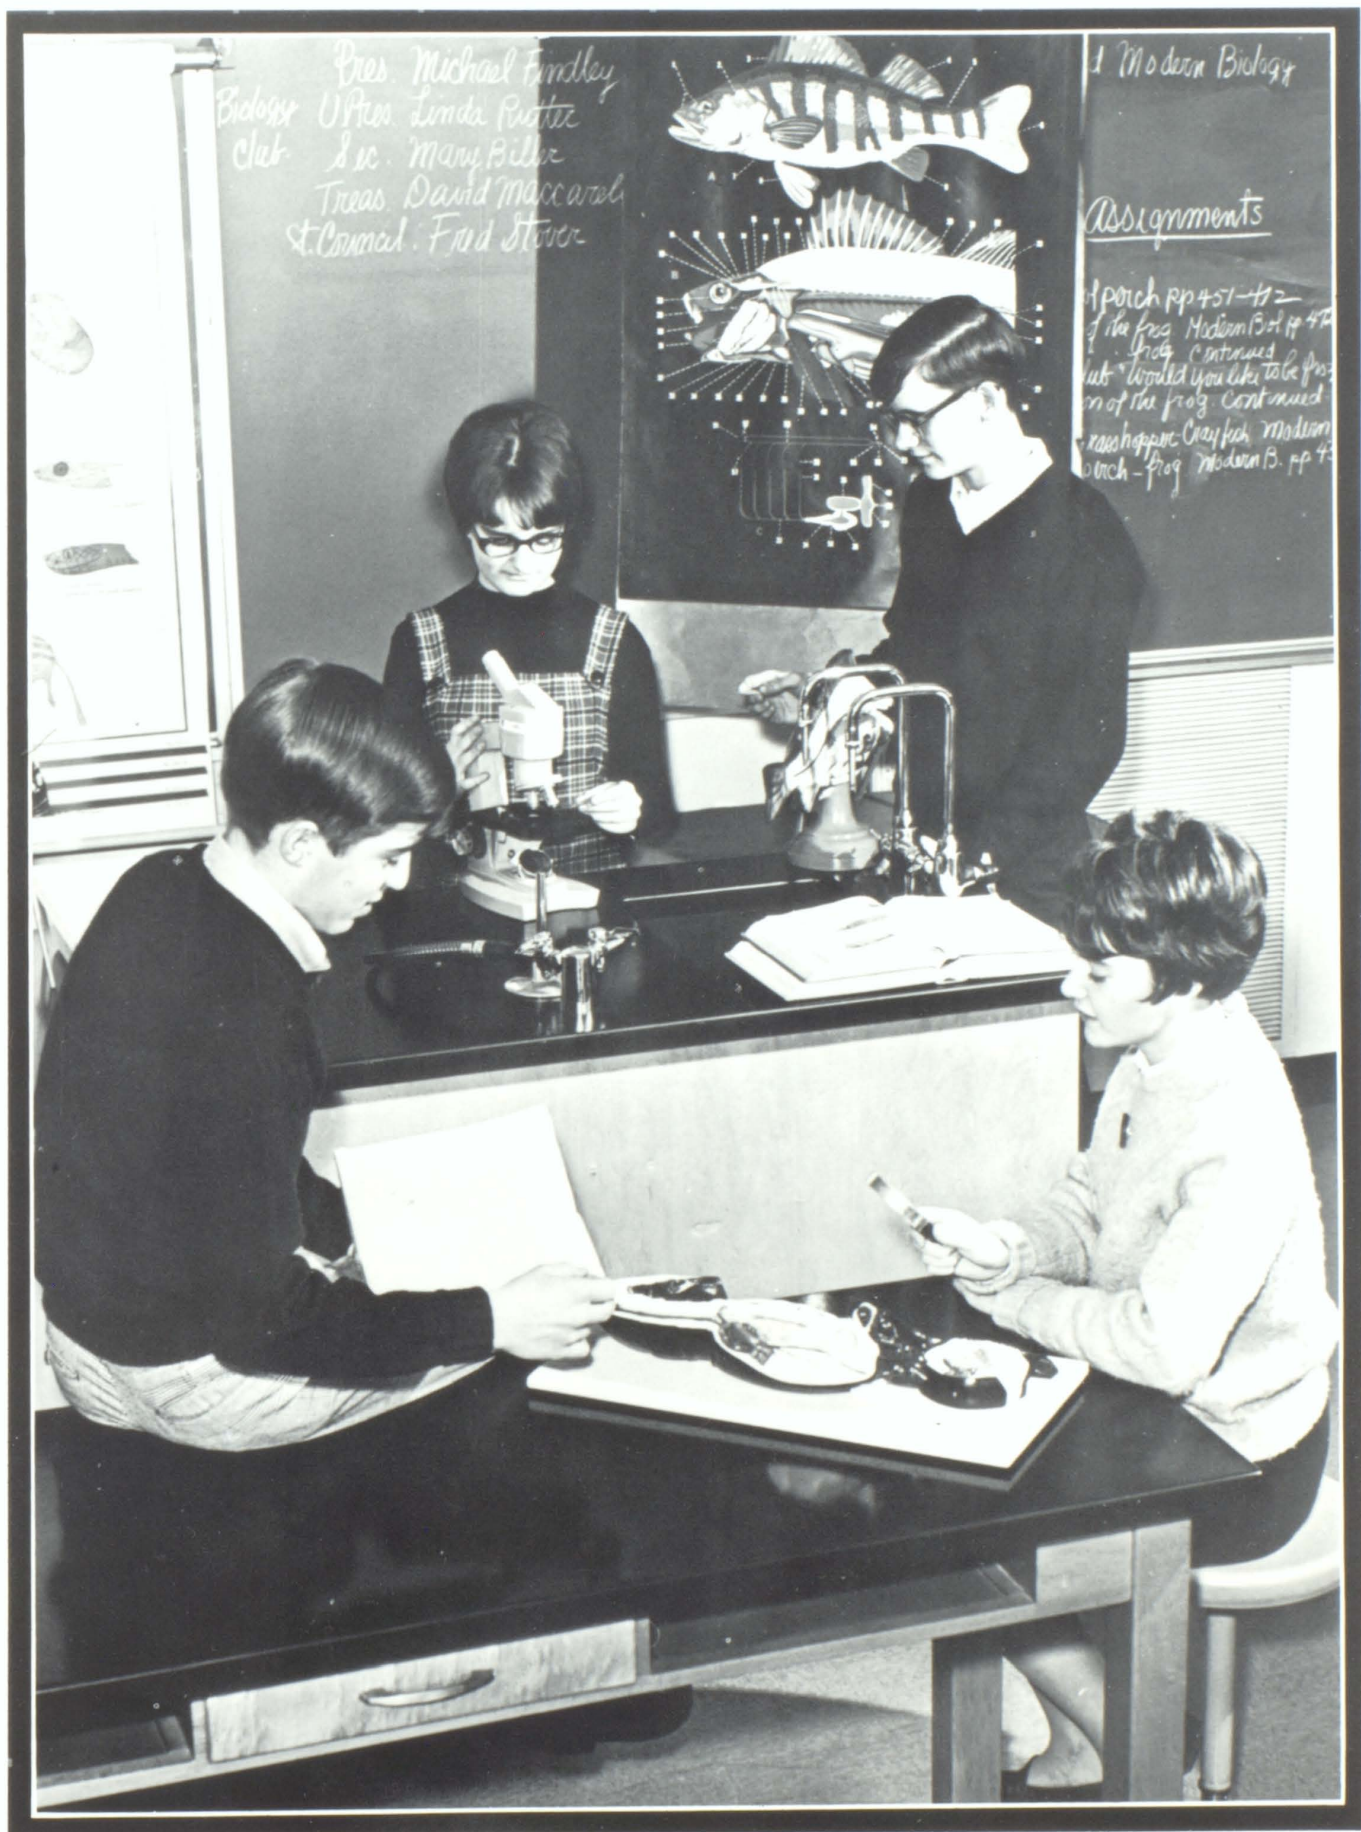

# LATROBE CLASSES

Approximately 1540 sophomores, juniors and seniors used the modern facilities to further their secondary education this year. The courses were designed to prepare students. Among new subjects were Driver Education, German and a seminar in Astronomy.

Peggy O'Connor, Ed Panichelli and Barbara Heide hand in the daily attendance cards from their homerooms to the office desk.

## Sophomores discover

After the first few weeks of getting acquainted with the senior high school, the sophomores found themselves faced with many new responsibilities.

Both boys and girls participated in athletics. The girls showed their ability in intramural sports such as swimming, basketball and volleyball, while the boys saw competition with other area schools in football, wrestling, swimming, track, cross country, tennis and golf.

The sophomores got their first taste of forensics during the 1967-68 school term in speaking contests such as the Kiwanis Extemporaneous Speaking Contest, the Ruth Robb Debates and the Women's Club Declamations, Shakespeare or Poetry Reading Contests. Some sophomores displayed their individual writing talents by entering the American Legion Essay Contest, Safe Driving essay competition or Fire Prevention essay contest.

The Biology Club was another aspect of the sophomore year. Besides fieldtrips and the Biology Banquet, members listened to talks and saw many demonstrations.

Tenth graders also were included among the cast of this year's musical. Approximately 15 sophomore girls learned the techniques of synchronized swimming and joined the "Dol-fins" for the April show.

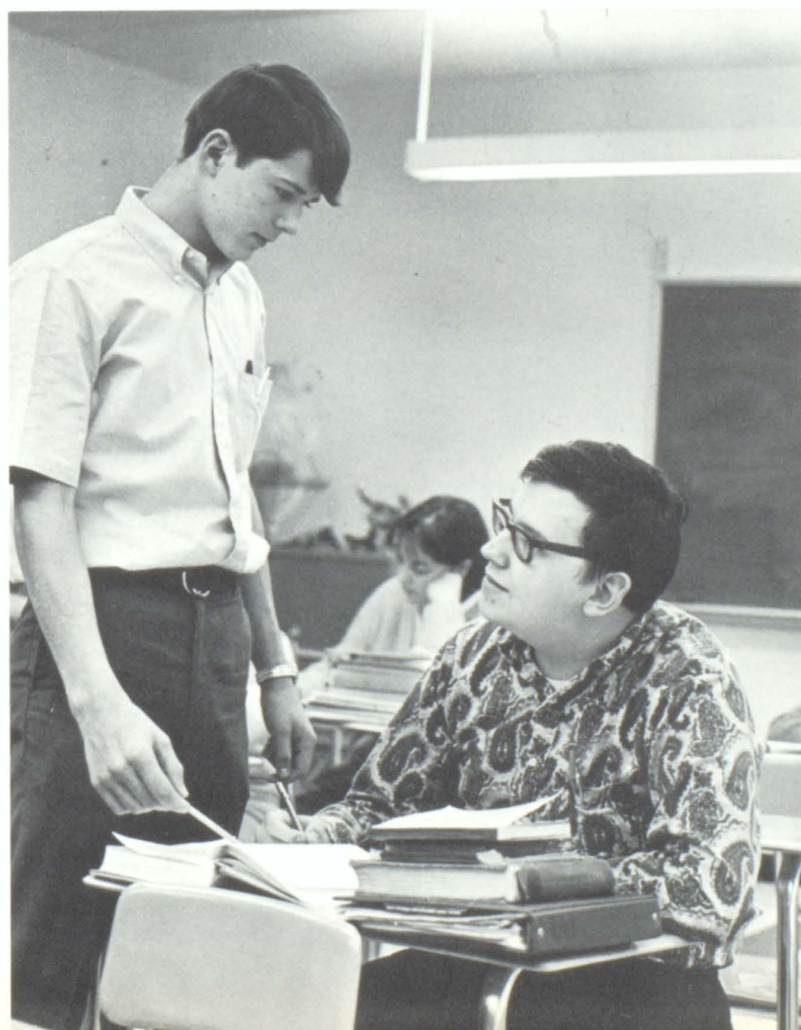

Waiting to purchase their tickets for Friday night's football game are Nancy Whiteman, Sandy Launtz, Mark Geselman and Bill Gettemy.

## senior high facilities

The year offered many extracurricular activities including Student Council, band, chorus, orchestra, Pep Club, Junior Red Cross, and Modern Language Club. The term was also highlighted by such classroom activities as writing autobiographies, special biology reports and introduction to journalism and broadcasting.

In the classroom the future juniors studied four classics including "Julius Caesar" and "Tale of Two Cities." They were also introduced to such new subjects as Geometry and World History where they found new challenges and ideas.

Making good use of their activity period, Frank DeFlavio and Rodney Hayes try to work out a problem that is troubling them in math.

## Students participate in musical activities

For the class of 1969, the past year was one of memories, hard work and academic achievement.

The field of scholastic accomplishment saw juniors striving for membership in Mu Alpha Theta, National Honor Society and Quill and Scroll, as well as for representation in forensics competition: Kiwanis Extemporaneous Speaking Contest, Ruth Robb Debates and Womens' Club Declamations, Shakespeare and Poetry Reading Contests.

Highlights of the past year included preparing the Junior-Senior Prom, displaying dramatic ability in the Junior Class play and receiving the class key which carries with it the privileges and responsibilities of seniors.

# Commencement climaxes school year for seniors

Anticipating graduation, Pat Frantz, Jim Marron and John Kozusko unpack the traditional cap and gown. While signing yearbooks on the last day of school, students recall the many experiences they shared with classmates throughout the year.

Looking over the past four years, the members of the class of 1967-68 can remember the hard work, discoveries and fun that made-up their high school days.

In this final year seniors showed their abilities in a wide variety of forensic events, including the orations, the Kiwanis Extemporaneous Speaking Contest, the Women's Club contest and the debates. They demonstrated their acting ability in the Senior Class play, entitled "If a Man Answers."

Louis Dolinar and Robert McIntyre were selected as semi-finalists in the National Merit Scholarship Competition, while five others received letters of commendation. Members of the class of 1967-68 belonged to honorary societies as Mu Alpha Theta, Quill and Scroll, French and Spanish National Honor Societies and the National Honor Society.

Officers were elected to head the class. They included the following: Tony Eupizi, president; Kathy Hricik, vice-president; Marlene Rabic, secretary; Rene Ottino, treasurer; Marilyn Rosa, Student Council representative.

After many weeks of thorough preparation, Sandie McFeaters delivers her senior oration to students and members of the faculty during preliminary judging.

Senior Class officers Rene Ottino, Marilyn Rosa, Tony Eupizi, Kathy Hricik and Marlene Rabic gather to look over the class flag. Students gather in the library to get needed information for their various assignments and projects.

David Katariski, Barbara Marcosky, Shelly Tua and Tony Schifano wait to be served by Wanda LeVay at the Senior Tea. Four students help each other in studying for a test.

## The 1968 "Latrobean" staff . . .

We, the editors, owe our thanks to the administration, faculty, students, and especially to our adviser. Without the aid and patience of all, the 1968 "Latrobean" could not have become a reality.

The reason for reading a yearbook, whether on the last day of school or twenty years after your graduation, is to recall classes, activities and athletics. We hope that this year's book will stir such memories.

**Latrobe takes a bold step ...  
an \$18,500,000 step.**

That's the size of it—an 18½ million dollar step up. It's the latest step in Latrobe's continuing expansion and modernization program. We're already operating the industry's most modern melt shop. To this we've added all automated forging equipment. Now we're building a rolling mill capable of producing some 150 million pounds of specialty steel a year. All designed to make quite an imprint on the industry. □ Latrobe already offers the widest line of high speed, tool and die steels in the industry, as well as specialty alloys. Our new facilities will double our production capacity. For filling industry's growing need for specialty steel, no one else can fill Latrobe's shoes.

A woman's best accessory  
is a well dressed man!

*Long ago, in Athens, a famous city of Greece, when boys reached the age of eighteen they were taught a pledge. They said it each day, believed in it and tried to live by it. Fathers taught it to their sons, who, when they grew up, gave it in turn to their own boys. Each helped to make the pledge true until Athens became "Athens the Beautiful."*

*If the young men of Greece thus pledged themselves to uphold their city, should the young men and women of America do less?*

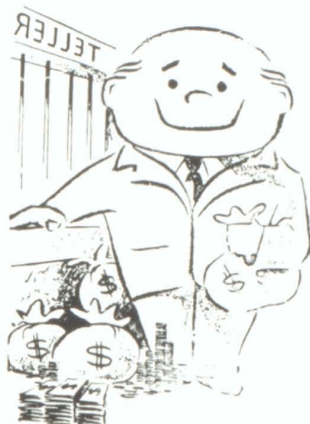

#### THE PLEDGE

We will never bring disgrace to this our city by any act of dishonesty or cowardice, nor ever desert our comrades; we will fight for the ideals and sacred things of the city both alone and with many; we will revere and obey the city laws and do our best to incite a like respect and reverence in others; we will strive unceasingly to quicken the public's sense of civic duty, that thus in all these ways we may transmit this city, greater, better, and more beautiful than it was transmitted to us.

means FREEDOM

a very precious  
thing.

GUARD IT.....

KEEP IT.....

remember always..  
.... where there is  
Freedom.... there  
are obligations.

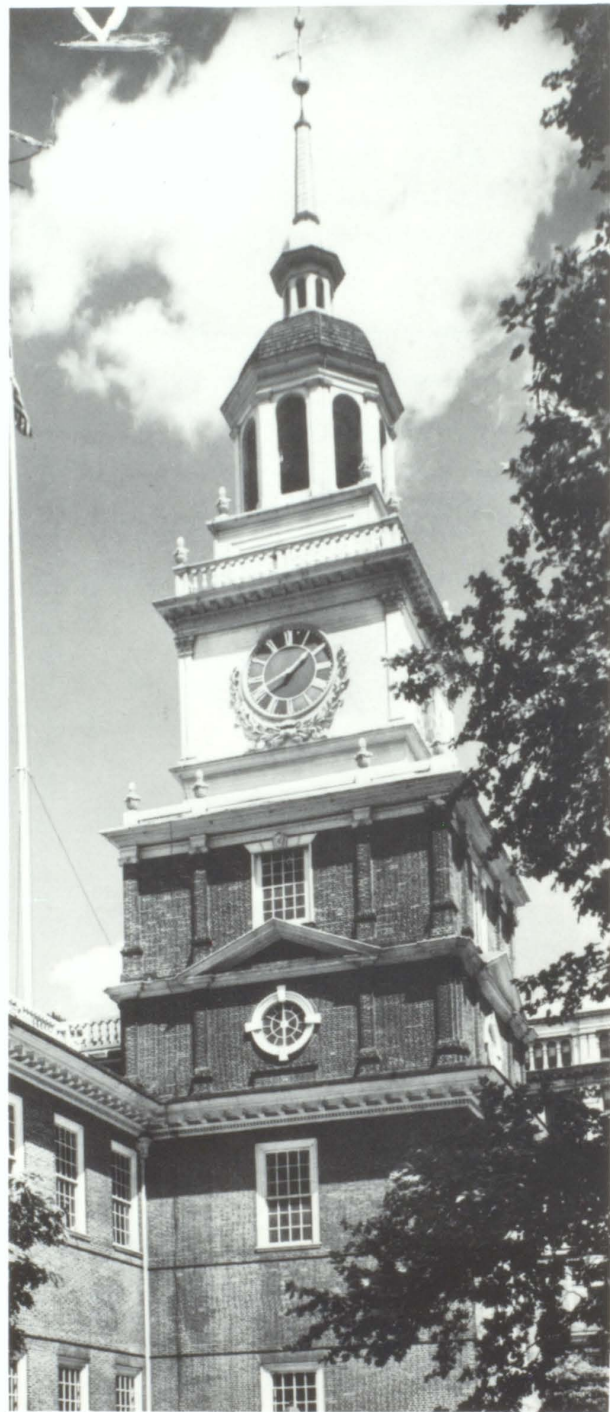

Obligations develop  
RESPONSIBILITY

another very  
precious thing.

Try it!  
and then accept  
responsibility.

The responsibility which was demonstrated by a few —  
brought Independence for many — for you and for me.
