

Greater Latrobe Senior High School Latrobe, Pennsylvania 15650 1972-73

For us=

Dear Latrobeans,

Wow! This turned out to be a great year! It seems like it was the shortest one ever. Maybe each year seems like it will never end when it's beginning, and like it's just beginning when it's over.

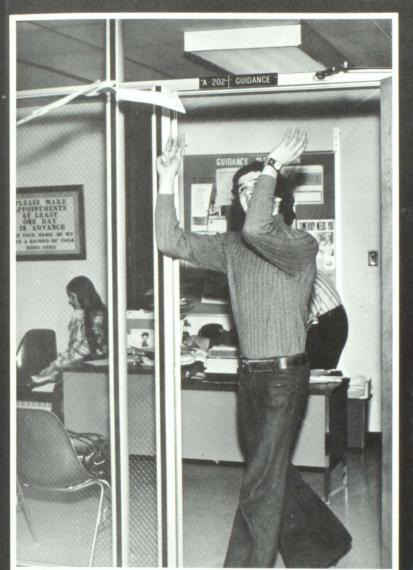

This year was outwardly the same but inwardly different. We the kids living it made it different by our

But most of all the emotions we shared made it our year.

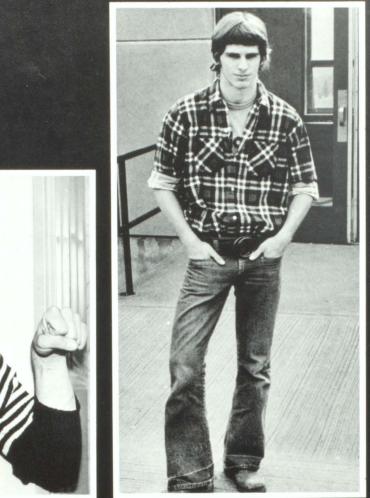

... achieving was perfect typing papers, class rings, curtain call, honor societies, becoming a licensed and safe (?) driver, beating Derry, being the WPIAL golf champs, an approving nod from the coach, "A"s, and an open prom ...

... disgust and disappointment were missing "Columbo" to study for a canceled test, not winning, someone "helping himself" to a student's fund-raising candy bars, gulping a favorite lunch in five minutes after a ten minute lunch line wait, and a day of mistakes...

 \mathcal{O} COACH

.... happiness was crowds at games, half days, a clean, cold, high pressure water fountain, a winning record, sleeping in on Saturday mornings, food, no homework, peace in Vietnam, substitute teachers, and a listening ear...

... enthusiasm was the first week of school, filling the gym with cheers of "Seniors rule the school!", acting class, writing "Care Free Gum" 100 times a day, pep club buses, praise instead of complaints, "cooling it" at lunch, and our band ...

in listen

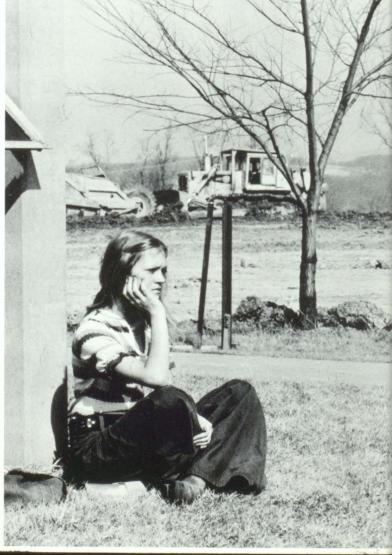

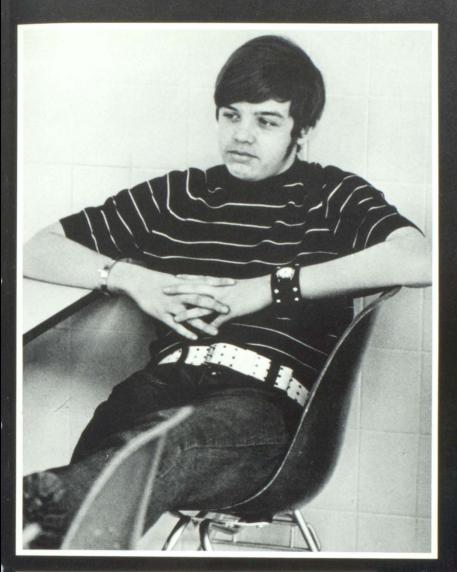

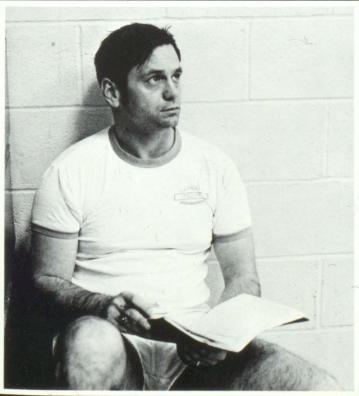

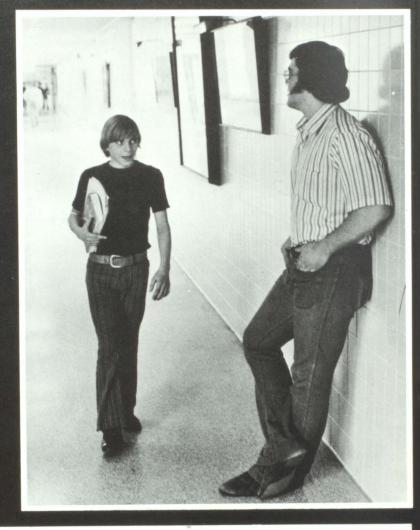

... boredom was at least one class a day, a long awards' assembly, an extended homeroom, study halls with nothing better to do than wonder when the new school in our "backyard" would be finished, listening to other speeches, waiting in the guidance office, practicing, and doing the same thing every weekend...

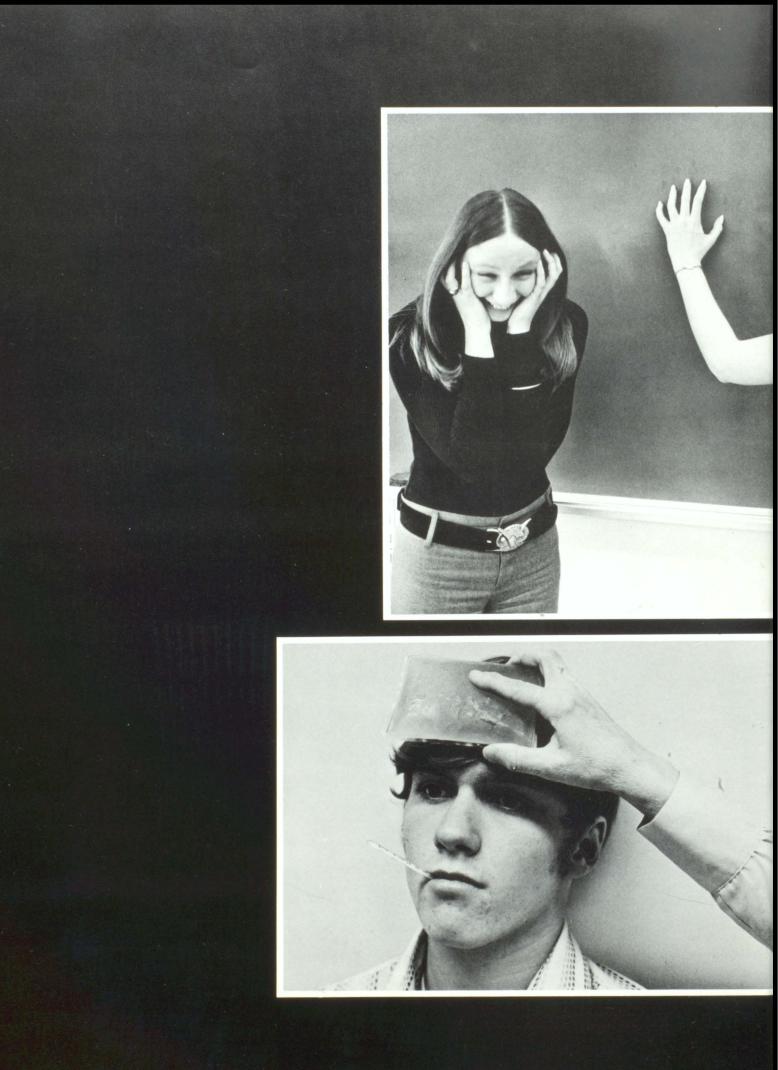

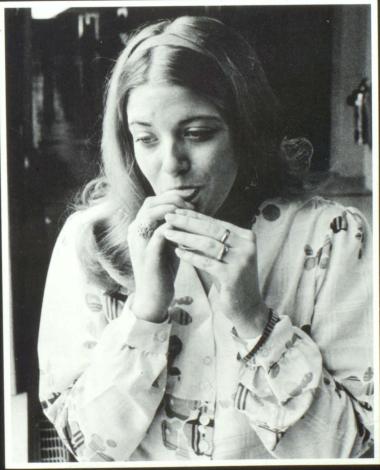

... fear was getting called to the office unexpectedly, actually going out on the road the first time, those complete physicals juniors were subjected to, "big" seniors, and making a first appearance on that seemingly enormous stage...

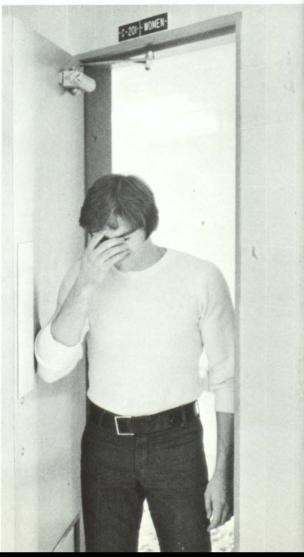

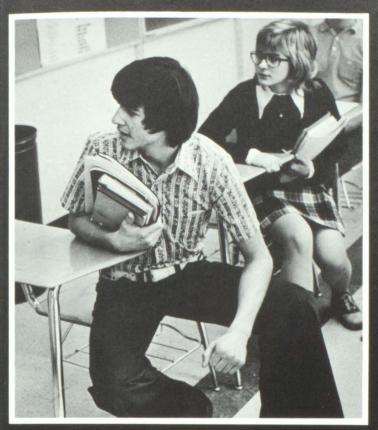

... pain was the London, Hong-Kong, or whatever flu epidemic, skipping lunch, paper cuts, Monday mornings, unwinding after a record breaking race, being squashed on the bus, and screeching chalk...

 \dots embarassment was walking in and having to walk out of the wrong bathroom, trying to explain a stupid excuse for being fifteen minutes late for class with everyone "all ears", getting a corrected math exam back with a complicated miscalculation like "4-0=0" on it, and cleaning up the mess after dropping a cafeteria tray . . .

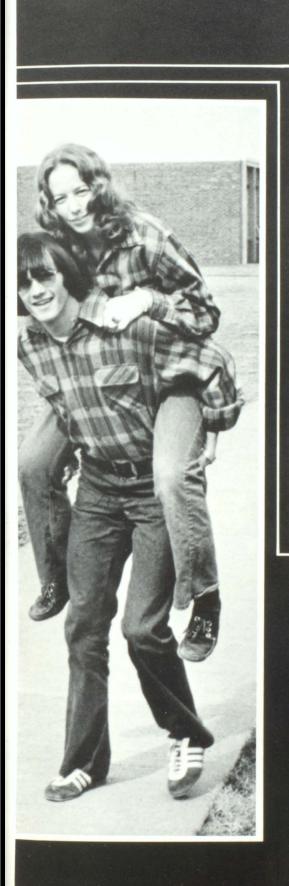

... anticipation was waiting for a test to be handed out, seniors' planning for next fall, watching a ball soar safely(?) to a teammate's hands, counting down the seconds until "take-off" at 2:55 each day, and graduation.

The students were especially thankful to our Student Council for hosting the Pennsylvania Association Student Council Convention this year. Because our whole building had to be used for the convention everyone got a day off from school! Sponsored by Mr. Louis Congelio, the council also held a Sadie Hawkins dance, went Christmas carolling for Children's Hospital, repaired our activity sign, remodeled the Student Store, and got all school dances opened.

Joe Poponick, pres.; Debbie Fierst, sec.; Mike Kropilak, v.-pres. A rap session in the audi torium during the convention.

Patsy Jupena, treas.; Judy Fabry, recording sec.; Janet Lees, adult liaison; Sue Fritz, v.-pres. standing: Larry Parker, pres.; Linda Mullen, correspondence sec.; Mary Folby, adult liaison; Ed Vivanco, exchange student.

Thanks to our busy American Field Service chapter two foreign exchange students found a home at our school this year. This was the first time the club, sponsored by Miss Rosalie Parker, raised enough money from Spook Insurance, an AFS Christmas Card Sale, an International Foods Fair, and a Basketball game between Latrobe's and Derry's *men faculties to support* two exchange students. Switzerland sent us Regi Knecht while Ecuador sent us Eduardo Vivanco to study with us their senior year.

A membership card, a gold pin, free cookies and punch after the induction ceremony, recognition, and respect were the rewards of the students inducted into the National Honor Society. This year's members were selected on the basis of scholarship (3.5 average or better), character, and leadership.

Sticking out Spanish or French for four years was itself a major accomplishment, but having a semester average of "A" in the third or fourth year earned such students induction into the National Spanish Honor Society sponsored by Mrs. Deborah Miller and Mr. Nicholas Maggiore or the French National Honor Society sponsored by Mrs. Clare Stover.

Along with being able to correctly pronounce the name of the club, a student had to have taken four semesters of college preparatory math and be enrolled in a fifth semester. He also had to have an average of 3.5 in math and of 3.0 overall to become a member of the honorary math club, Mu Alpha Theta. The club met regularly to discuss mathematics and was sponsored by Mr. Samuel Lawson.

A student had to earn 25 points and be in the upper 2/3 of his class to belong to NFL. Since NFL was the National Forensics League and not the National Football League the points had to be earned in weekly interscholastic speaking tournaments rather than in NFL Monday Night Football Games. Mrs. Elizabeth F. Barnes sponsored our chapter of this national honor society.

Growing the worst smelling bread mold culture in biology class or doing the best worm dissection didn't mean membership into the Biology Honor Society, for biology students. Membership requirements were an "A" average in biology, a 3.5 overall average, and recommendations by a biology teacher and two others. Mrs. Joyce Dowler and Miss Kathy McIlvaine sponsored the group.

"Bic pen and note book paper'' might have been a more appropriate name for Quill and Scroll this year. Latrobean, High Post, and advertising staff members who exhibited good journalistic abilities were chosen for our chapter of this national honor society for high school journalists, sponsored by Mrs. Janet Henderson.

High Post Staff members: Debbie Ryder; Cindy Gray; Ellen Hostovich; Debbie Schettig. High Post Editors: Vicki Stump; Kathy Cox; Judy Fabry; Elaine Heacox. High Post Staff members: Tim Doherty; Cindy Doris; Denise Visconti; Bobbi Kuncher; Marcy Canterna. High Post Staff members: Dino Emili; Shelby Evanichko; Charlotte Graham; Diane Gower; Diane Frye; Kim Barnes; Ruth Loveridge.

All the "high" points of school were published for the students this year by our High Post staff and advisor, Mrs. Janet Henderson. A change from letter press to offset printing saved a lot of money but also involved extra work for the editors this year.

Besides pictures, copy, and advertising there were lots of other things that went into this year's yearbook. Things like the ideas, hopes, designs, anxieties, corrections, patience, humor (?), and hard work of The Latrobean Staff and adviser Mrs. Janet Henderson.

Latrobean Staff: seated: Susie Coblentz; Ronda Buchman; Sue Sartoris; standing: Kathy Miller; Janice Sagan; Laura Hostovich. Advertising Staff: Linda Mullen; Angie Di-Martino; Janet Lees. Publications typists: Jane McCullough; Audrey Miller; Connie Burick.

The Business Education Club wasn't all "business" this year. A skating party and a spring dinner were two of their social activities. The senior girls, sponsored by Miss Florence Gill, also held various educational meetings.

Business Education Club: seated: Aukerman; Hamilton; Kozlesky; Stoner; Walters; Palmer, S.; Nicholson. Row 1: Berkey; Reed; Palmer, S.; Marsh; Miller; Brosnick; Mento; Repko. Row 2: Horner; Frye; Ewanits; Brehun; Tirdil; Frantz; Johnston; Bensko.

A "healthy" gang around school this year was the Health Careers Club. The group was sponsored by Mrs. Dorothy Leonard and some of its activities were Supplemental Health Instruction in elementary schools and several field trips.

Just like a human body needs first aid, our students needed ''library aid'' this year. The Library Aides, sponsored by Mr. William McFarland, were students who spent their time ''aiding'' other students in the library.

Even if sauerkraut was a student's favorite food, he still couldn't be a member of the German Club, sponsored by Mr. Harry Reiner and Miss Rosalie Parker. He had to have taken German and to have had an interest in the language. The group attended Christkindlesmankt at Norwin.

> To the Union for Student Awareness, student awareness was more than knowing the top hits and the Superburger special. The U.S.A. club sponsored by Miss Kathy Bell developed its awareness with debates and seminars.

All the Bobby Fishers in our school got together this year and formed the Greater Latrobe Senior High Chess Club. Sponsored by Mr. David Ekert, the club was open to all senior high students and faculty members. Their activities included competing within the club on a player rating system and teaching new members the skills of the game.

No, the Mat Maids of Greater Latrobe Senior High School weren't supposed to wash down the wrestling mat after a match, their purpose was to increase interest in high school wrestling both in and out of school, to serve as hostesses at tournaments, and to help manage all home matches. This new club sponsored by Mr. Thomas Harbert and Miss Jean Kitko worked all year toward purchasing travel bags and Olympic style uniforms for the wrestlers.

A varsity "L" was the magic letter needed to become a "voting member" of our first Greater Latrobe Lettermen's Club sponsored by Mr. Joe Howard and Mrs. Laurel Bell. The club's 435 members included "voting members," who had gained varsity letters, and social members, who were just involved in any varsity sport. Club activitied included a Pittsburgh Steelers vs. Latrobe Men's Faculty basketball game, a swim-dance, and a concession stand at sporting events.

Debbie Schettig, sec.-treas.; Joe Janik, pres.; Pat Clark, v.-pres.

A real "high-flying club this year was the Aviation Club sponsored by Mr. James Taylor. This year the aviators traveled to Pittsburgh Institute of Aeronautics. They also participated in the Nationwide Airplane Model Construction Contest sponsored by Delta Aircraft Corporation.

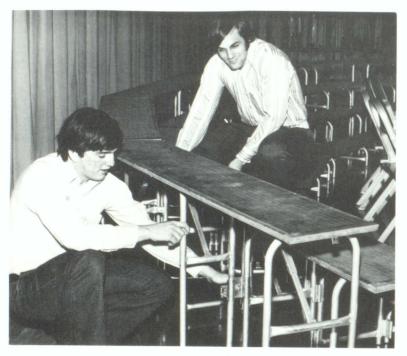

Members of the Greater Latrobe Ski Club had "snow on their brains" from living their motto of "Think Snow" all winter long. Weather permitting, sponsor, Mr. Gary Neff took his skiers to Seven Springs every Wednesday and Bear Rocks every Friday.

We should have used our skis instead of carrying them, replies Tom Lippo, Don Edwards and John Noel.

Ski Club Seniors: seated: Dulovich; Jones; Ashley; Seabol; Couch; Steck; Noel. Row 1: Mosow; Sawyer; Dell; Hellferich; Henry; McCool; Jupena; Jaffe. Row 2: Fawcett; McCullough; Robbins; Fabry; Matson; Fisher; Fisher. Row 3: Lippo; Bodner; Schmucker; Slivosky; Noel; Mosso; Edwards.

"The entire back row of the choir would have fallen through if we wouldn't have fixed this," states Dave Slivoskey to Craig Falk. "Building a doll house is really fun!" laugh Don Syster, Jim Ballash, Don Malloy, Don Murphy, and Dave Wano. Stage Manager Don Smith and Lee Zimmerman repair lights for the next production.

What a "crew" the Stage Crew was this year! Sponsored by Mr. Harry Graham the nine upperclassmen worked behind the scenes for all auditorium events with the help of six sophomore probationary members.

The one group at school this year who really knew which was the left and right audion was the Ushers Club. These girls ushered at Rotary Club Travelogues, class plays, the musical, graduation, school concerts, the PASC Convention, the Ballet, and football games and were sponsored by Miss Janet Dunlap. Instead of using Geritol, our Pep Club used posters (in the cafeteria, halls and gym), booster buttons, and enthusiasm to "pep" up old Latrobe High this year. The club had approximately 240 members and was sponsored by Mrs. Deborah Miller and Mrs. Jacquelyn Cavanaugh.

Janet Steck, sec.-treas.; Carol Spitilli, pres.; Carol Suscovich, v.-pres.

A real "cheerful" bunch of girls who could be seen at our sports events this year were our cheerleaders. The girls', who were picked on their actual cheering abilities, grades, and teacher recommendations, were sponsored by Mrs. Deborah Miller and Mrs. Jacquelyn Cavanaugh and their main purpose was to promote school spirit.

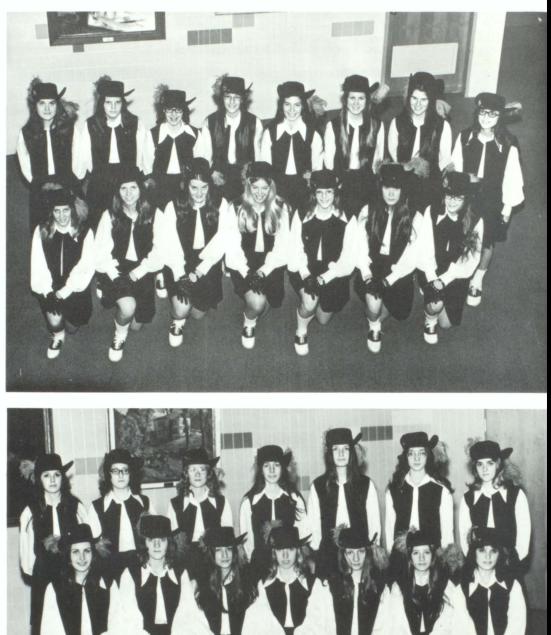

Senior Silks: kneeling: McCullough; Hunter; Fisher; Fabry; Soisson; Matson; Johnson. Row 1: Nelson; Miller; Conway; Kozlesky; Stump; Janik; Curran; Yancy.

Those summer practices . . .

For our colorguard, this year had many "firsts." For the first time the guard was doubled to include 42 members. They operated separately from the band and performed several basketball halftime shows. Mr. Charles Fox was hired as their adviser.

Our band was a "cinderella band." After several months of being the Wildcat Marching Band, our band was magically transformed into a Wildcat Concert Band, a Wind Ensemble, a String Ensemble, and a Stage Band. The band's "fairy godfather" and director, Mr. Richard Auman, entered the wildcat marchers in festivals at Hempfield High School and Indiana University of Pennsylvania; Ligonier and Latrobe parades; and Band Night at Indiana County Fair. The Stage Band participated in a festival at Greensburg-Salem High School.

> Three groups that made "beautiful music" together this year were the Choir, directed by Mr. Joseph DelSordo, and the Girls' Chorus and Mixed Chorus, directed by Mr. Gerald Yanity. The choir produced the spring musical while all three choral groups participated in the Christmas assembly and the Fine Arts Weekend. Some of the music students got together and performed for local civic and church organizations. Senior choir members made the annual trip to New York City in the spring. Various students were chosen for County, District, and Regional Choruses.

The 1880's. In and around the Keller homestead in Tuscumbia, Alabama; also, briefly, the Perkins Institution for the Blind in Boston.

Curious neighbors are amazed at the confusion in the Keller home. "Annie Sullivan" gathers all her blind friends and Dr. "Anagnos," around her before she prepares to leave Perkins Institution for the Blind in Boston.

"Annie Sullivan" tries to gently introduce water into "Helen Keller's" dark world.

"Viney" watches "Helen" intently as "Martha" tells "Percy" she's going to cut off the doll's leg. An evening meal becomes a showdown between "Annie" and "Helen" concerning the use of silverware as "Captain Keller," "Kate Keller," "James Keller," and "Aunt Ev" look on.

The play happens on the stage of an abandoned theater on the lower East Side of New York City, in the midst of a slum clearing project.

"The King" encounters the "Woman With Dog" while the "Queen" faces the "Young Queen" in dream sequences. The "Duke" and "Jamie" listen as the "King" and the "Wrecking Crew Boss" settle a wager made earlier in the day.

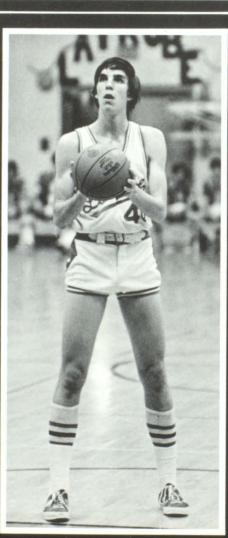

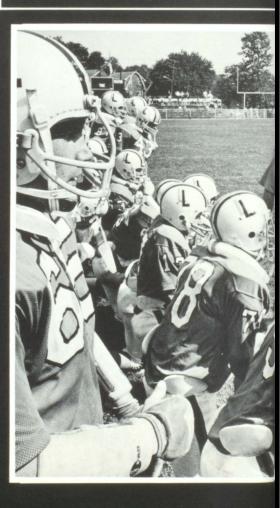

Begged for bread-makes a meal for the "King," the "Duke," the "Girl," and the "Queen." **Another dream** sequence portrays the "Girl's" true feelings for the "Silent Boy" and the "Duke" reliving a bout with the "Boxer."

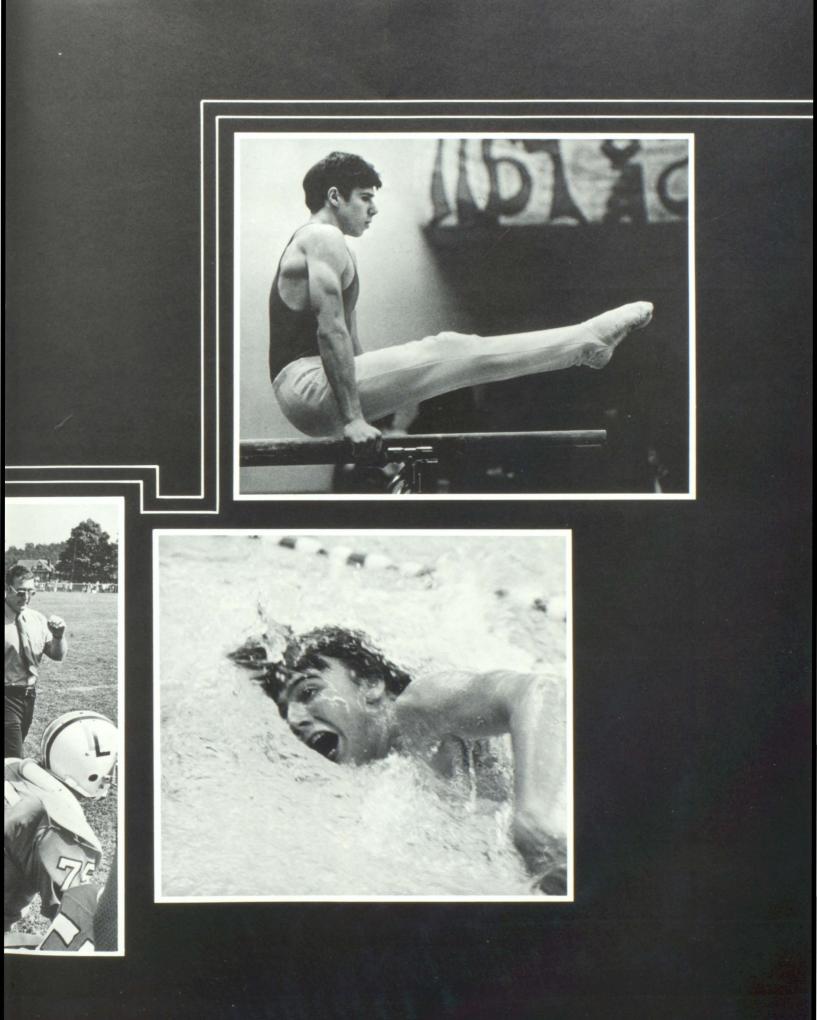

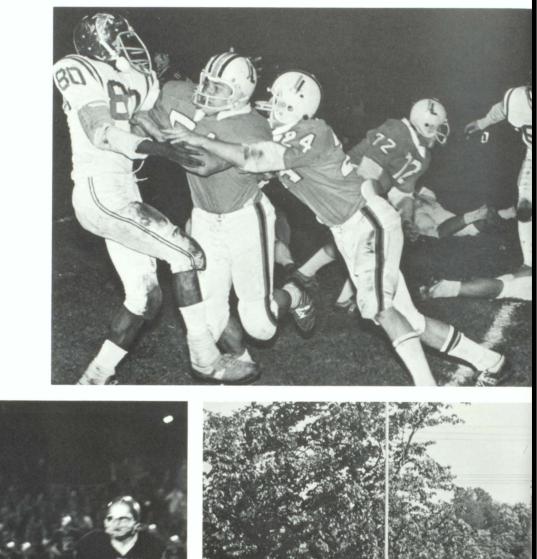

"Father" cautions "Gorky" to not play quite so loud.

Wildcat football fans remember yelling "First and ten. Do it again!", squeezing 8 people into seats for 4, beating Derry – again, snacking on 4 hot dogs, 3 Cokes, and 10 Milky Ways, sitting in the rain, and cramming homework before a pep rally. Wildcat players remember "sweating" through preseason practice, rolling in the mud, sprained everythings, second half revivals and Mr. Joe Howard in his first year as head coach. Wildcat band members remember marching up and down and down and up the parking lot, halftime jitters, and two halftime shows done in the stands because of swampy fields. But most of all, the important thing everyone remembers is that football season this year meant winning!

"Cool it man, cool it. All I want to do is make a touchdown;" advises Jeff Newton. Down the field in groups of two — left . . . left . . .

Ask a spectator at a Wildcat cross-country meet what he saw at the meet and he'd tell you the start and finish of it. Ask one of Coach David Graham's harriers what he saw at the meet and he might tell you bushes, trees, rocks, snakes (?) . . . Wildcat Bob Reintgen was team captain and also broke the team record.

For the first time in our school's history we won the WPIAL title by defeating Upper St. Clair 101/2-51/2. The team also proved themselves the best of 24 teams when they won the Dr. Wheeling Tournament at Sunnehanna Country Club in Johnstown.

"Bend and stretch, reach for the stars," sings Toni Lucchetti.

All the Mark Spitz' of Greater Latrobe joined forces this year to form a swim team. Along with swimming the 400 yard freestyle, sneaking into the girls' locker room to use the hairdryers, and trying to explain to mother that chlorine was the reason for red eyes, not Seagram's VO, the team competed against other schools in a new section.

Flying fish? "Ouch! There's a crab stuck to my toe," exclaims Randy Zink. Guess who has the ice cube down his back?

Our Wildkittens were "two years old" this year. Despite their "youth" both the varsity and J.V. kittens won their conferences. Serving her first year as coach for the girls was Mrs. Laurel Bell. At the close of their season the team hosted a tournament which involved three other area teams. This year's varsity squad included five seniors, five juniors, and three sophomores. Junior Kim McDermott led in varsity scoring while sophomore Kathy Calabrace led in J.V. scoring.

All right, who put the peanut butter stains on the basketball?

"Be calm, be cool and be collected — but FIGHT!" thinks Mrs. Bell. Is Judy Hall leading her team in a chorus of "Bend and Stretch?"

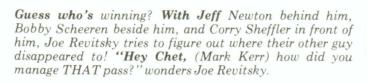

year's basketball season brings back memories of their sporty new team blazers, shooting periods, running the quarter mile again and again, a grueling exhibition schedule, the swish of a "pretty" outside shot, fast breaks, "dee-fense," and a new coach. Wildcat cager fans remember only two of ten exhibition games were at home, groovin' to the pep band, no overtime contests (thank goodness), having to hand out coats with a minute to go 'cause you got stuck beside the coat pile, and getting a little "upset" with officials.

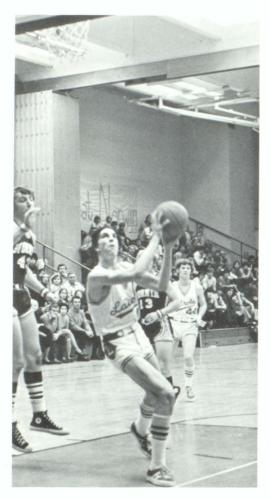

Too bad Jeff Dunlap doesn't have rubber arms — he could have saved that one! "Leave me alone you guys - I just got rid of the ball!" complains Corry Sheffler. Isn't that a cute dance routine they've worked out?

"That rim must be at least 100 feet high," thinks Jeff Dunlap. "That's not OUR basket!!" screams Mr. Hart. Varsity roundballers: center, front, clockwise: Newton; Kerr; Meyers; Murphy; Sheffler; Revitsky; Dunlap, J.; Dunlap, J.; Bucciarelli; Diss; Barner; Scheeren; West; Crocker; Zylak.

The team, consisting of six seniors, six juniors, and three sophomores, took third place in Section 2 this year. Senior Corry Sheffler led in varsity scoring while Junior Jeff Dunlap took rebounding honors. Sheffler was also named to the Section 2 All-Star team.

For Coach Tom Harbert's wrestlers, this year meant winning the Westmoreland County Tournament, days of starving to lose that extra fraction of a pound, themselves in many "pretzel" positions, and spending many long hours in the good old wrestling room. Wrestling fans learned that a "pin" didn't hold up suspenders and that third period wasn't composition class. They also experienced losing hats down the top of the bleachers and whistling at the nearest Mat Maid.

Unlike other sports, gymnastics required great concentration on the part of the gymnast and complete silence on the part of the fan. Coach Jack Frowen led the team for the third consecutive year.

One part of the school that made good use of their tennis shoes this year was the tennis team. The netmen were really "on the ball" under the coaching of Mr. Earl Karasack.

It's not exactly the light for the Olympic torch, but it is a start! **''So much** for tight-rope walking, "grimaces Joe Palacki.

"Keep on trackin" That's just what our boys did all season long they kept on "trackin""... Second year coach Mr. Edward Showalter led his thinclads into seven dual meets against Norwin, Wilkinsburg, Hempfield, Connellsville, Derry, Greensburg-Salem, and Kiski. The team also competed in the Indiana Invitational, the Shaler Invitational, the WPIAL District Qualifier and the WPIAL Relay Carnival.

Keep on trackin', Bill! **"I wonder** if I'm first or last?" questions John Paganelli. **"Ouch! I** wish they'd make these strings of softer cord," thinks Doug Hoyle.

This year, the players on Coach Richard Pipak's baseball team experienced things like butterflies before batting, catching "would-be" homerun balls, all those rotten (?) early dismissals for away games, and lots of hard work. This year's fans experienced sitting on soggy benches down at "good old" Legion Keener and occasionally (?), politely informing the umpire that he was crazy.

Joe Weimer and Ray West concentrate on their form 'cause they know mother's watching! Decisions, decisions . . . Joe Weimer knows he ought to be able to hit with one of those! Between Tim Kozusko, the catcher, and the umpire someone ought to be able to stop the ball!

Baseball lettermen include: kneeling: Andy Keefe, Ray West. standing: Chris Moersch (mgr.), Joe Weimer, Tim Kozusko, Gene Kornides, Coach Richard Pipak.

Spread some chicken on the hill! Don't fence out baseball!

Baltimore had its Colts, Pittsburgh had its Steelers and Greater Latrobe had its Rams. The Rams were the champions and the only undefeated team in flag football competition this year.

Intramural tennis teams really got into the "swing" of things this year. Under the direction of Mrs. Laurel Bell each player competed with approximately 15 others for the title this past autumn. For seniors, being a senior and being the best were synonomous this year. Our seniors, the Class of '73, left their mark as a class on "dear old Latrobe High" by redesigning the class ring, almost outdoing the seniors in the hall decorating contest as sophomores, transforming the gym into a southern plantation for their junior prom, redoing their graduation announcements, and boasting a purple class flag! Being a senior also meant fighting off "senioritis" or the "I don't care, I'm almost out'' rut and abruptly facing post-graduation possibilities either painfully or happily.

Laurie Zopetti; Denise Mignogna; Eric Diss; and Brian Miller take a "watering" break. . . . rings for my fingers and rings for my toes . . . "yuck — and right before lunch!"

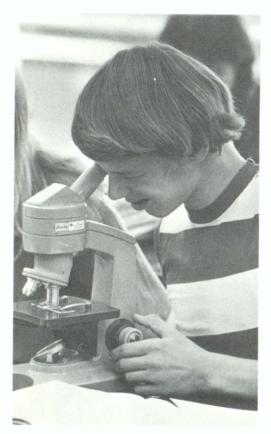

Being a sophomore was just about the most insecure feeling in the world. One cause of sophomore insecurity might have been fear of juniors and seniors. Seniors got many of their laughs from antics like "helpfully" directing innocent sophomores to the "third floor elevator." Besides upperclassmen, sophomores had to cope with biology labs, swimming in gym class, health classes, gory Driver's Ed. films, "bravely" shouting "silly, silly sophomores" in pep assemblies, being assigned the last seats in the auditorium, and getting lost. A few GOOD things for sophomores were ordering class rings, getting all new teachers, and looking forward to becoming a "big" junior!

You are young, my son, and, as the years go by, time will change and even reverse many of your present opinions. Refrain therefore awhile from setting yourself up as a judge of the highest matters.

Everybody goes to

Not much — but he'll learn!

He'll learn that freedom means obligation and responsibility, self-determination and, of course, independence.

He'll learn that freedom does not exist for just one fellow or for the benefit of just one group of people; — that one of the many attempts to improve man's relationship has been the introduction of civil rights laws. A guarantee of equal opportunity for all, not just for minority groups.

He'll learn that this is where freedom begins. He will have no independence if all rights of others are ignored.

What does he know about FREEDOM and INDEPENDENCE?

He'll learn that if he can become violent for his own good cause, then all men can become violent for theirs. He must discover that no man can choose only the laws he will obey — or the law of the jungle will prevail.

He'll learn all that he can, and then work hard at improving his world in an orderly fashion. It is not so exciting as violence but certainly more solid and lasting.

He'll learn that freedom and independence can be achieved only after he has assumed his own responsibility for the well-being of his neighbor.
