We come to school day after day,  
living each one,  
but remembering few.  
We now reflect on only the moments  
that held in them  
special meaning for us —  
times of different emotions —  
uncontrollable laughter and tears;  
total happiness and depression.  
We remember getting “psyched”  
for matches, games, meets;  
Some we won, some we lost.  
Always we had  
good times, bad times;  
important times, forgotten times.  
Our experiences of 1977-78 gave us  
the incentive to “hang in there”  
when the going got tough.

We studied theorems, formulas,  
mile-long vocabulary words,  
chemical equations,  
courtroom procedures;  
and sometimes we remembered them  
just long enough to pass a quiz.  
We panicked when our minds went  
blank for a test.  
We panicked when our homework  
wasn't finished and  
it had to be handed in.  
We practiced and worked  
to perfect our talents.  
Sometimes we screamed  
out of complete frustration;  
sometimes we just screamed.  
We sacrificed and suffered,  
but we survived,  
hoping that one day  
all our efforts would lead  
to a future success.

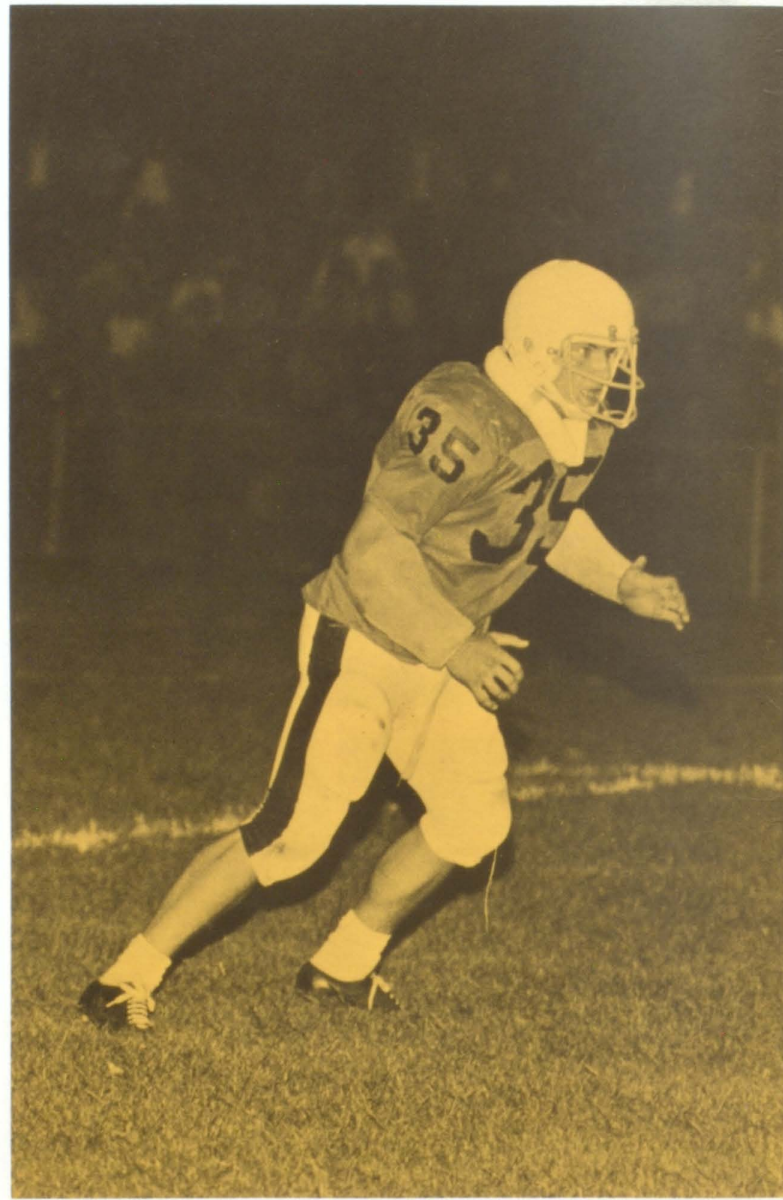

We communicated with people  
in many unique ways,  
giving a part of ourselves,  
receiving a part of others.  
We judged the people around us  
often on first impression —  
how they dressed, talked,  
acted, thought, smiled, walked.  
We praised and criticized,  
and, most times we failed  
to look in the mirror  
to see our real selves.

We expressed ourselves  
in boredom, in tense situations,  
in jealousy, in resentment,  
with our friends and people we love.  
We shared a part of ourselves;  
we kept a part of ourselves private.  
We expressed ourselves in '77-'78;  
in group expressions,  
and in individual expressions.  
All the expressions  
together made the people special;  
and the special people  
were what made GLHS.

Through the year  
we stored away memories  
that will always be a part of us.  
We remember the competition  
among the classes at pep assemblies  
when "Seniors Ruled the School",  
(or so they thought.)  
We remember seniors  
planning a skip-out day,  
and we remember the anticipation  
of waiting to be asked  
to a dance or the prom.  
We remember trying to "get away"  
with all kinds of things.  
Often we didn't get away with much,  
but it was fun trying.  
It was fun just being here  
and doing our own "thing",  
no matter how crazy it was.

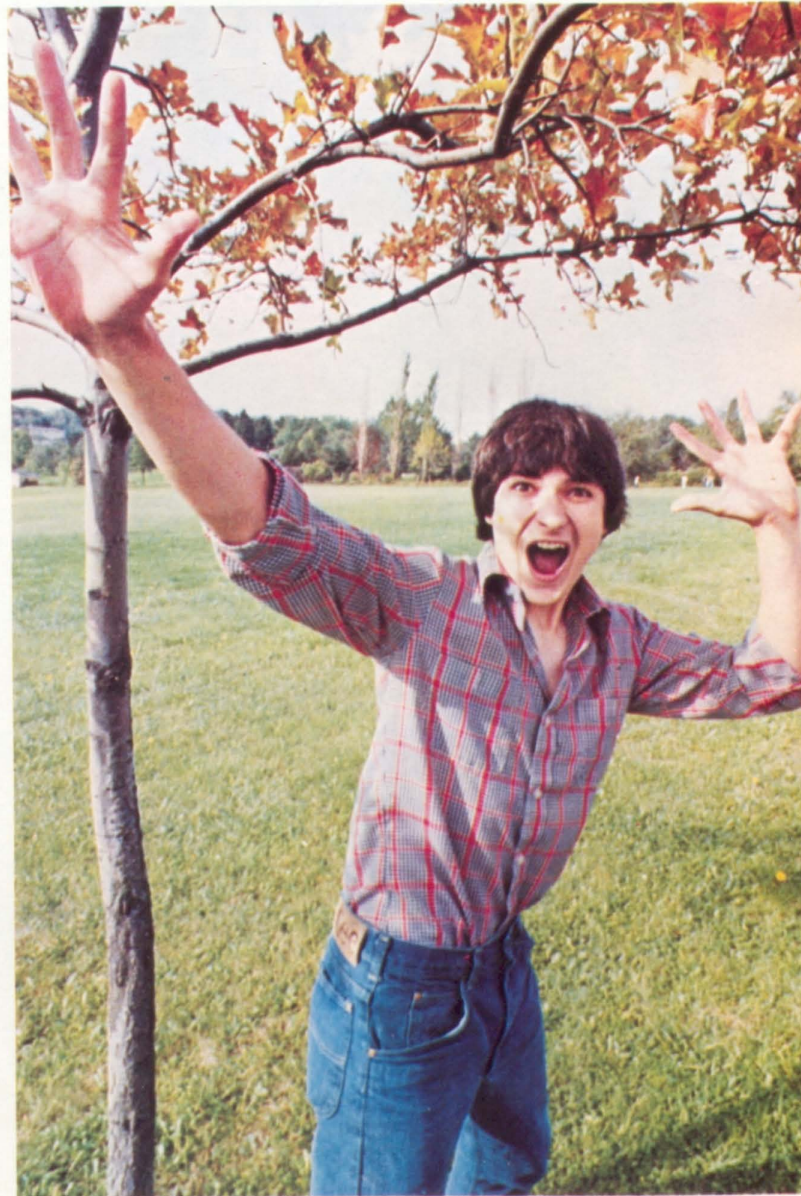

We expressed; laughing and crying.  
We competed; winning and losing.  
We lived, loving and despising,  
working and loafing.  
The school year 1977-78  
was just one year out of our lives,  
but each year leaves its mark.  
So, as we reflect on this past year  
we relive moments that  
will be placed in a special part of  
our minds,  
memories that will live on and on . . .

## American Field Service

**American Field Service** sends students abroad and also hosts many foreign students as an exchange program. In the summer of '77, two girls were sent abroad, Lori Billig to Brazil and Peggy Parker to Colombia. Rather than we, the staff, explain this experience for them, Lori and Peggy will describe their summers, to you, themselves.

"I spent an especially wonderful summer with my family and friends in Sao Jose Do, Rio, Pardo, Brazil. It was a wonderful opportunity to learn and share through this AFS experience. The Roxo Nobre Family and I lived on a large farm outside of the small city. I went to school and dances with brothers and sisters and was able to travel throughout the southeastern part of Brazil seeing and observing different peoples and different customs. I would like to thank AFS and the school for this unique summer, the best one of my life!"

Lori Billig

"This past summer was one of adventure and excitement for me. I spent my summer in Pamplona, Colombia and lived with Mama and Papa Péna and my seven brothers and sisters. Customs, language, and food were different and yet I've come to adopt them as those of my nature country. I attended a girls private catholic school and played on various basketball teams. I learned how to dance Traditional

Colombian, and Modern Colombian. These things made it possible for me to become familiar with the lifestyle of many Colombians. I'm very grateful to my family here and to my family there for providing me with this opportunity. I'm happy that I was fortunate enough to be chosen to represent my country, state, and school. From this experience I've received a deeper knowledge of myself and other people. Thank you AFS for existing!"

## Aysegul Harmanci — Turkey

"Marvelous would be a word to describe my visit to the U. S. I had a great year in the U. S. I was told I would have an interesting year, but I didn't think it could be this nice. I found many very nice people and made a lot of friendships. I did different things with my family and I enjoy watching T. V., going to the mall, and I found that I must study a lot. I feel that your school is too free in such I don't like people kissing each other in the halls and for myself the school bus is too crowded. When I return to my country, I will most likely go back to high school or college, but it depends on whether or not I pass a test. What I loved best of all was the exchange program itself. It gives people many opportunities, it's a very happy organization. I feel I am very lucky because I am living here, and to have such a nice family, like the Passatores. Thanks for everything."

## Shirley Chong Kan Chon — Costa Rica

"I really enjoyed my year in the U. S. This was a big experience for me. I have had many experiences in my life, but this was the best. Especially with my family, the Kaelins, my friends, and at school. To me, the biggest difference was the school system, and of course the big change of weather. This year was quite different than what I had expected. I found more than I thought possible. What I liked best was the food. I especially liked corn. When I have nothing to do, I either work on my stamp collecting, watch T. V. or go out. I really liked the fall season, with all the leaves turning on the trees. When I return to Costa Rica, I will finish four more months of school and then hope to get into technology. I wish to express my thanks to everybody."

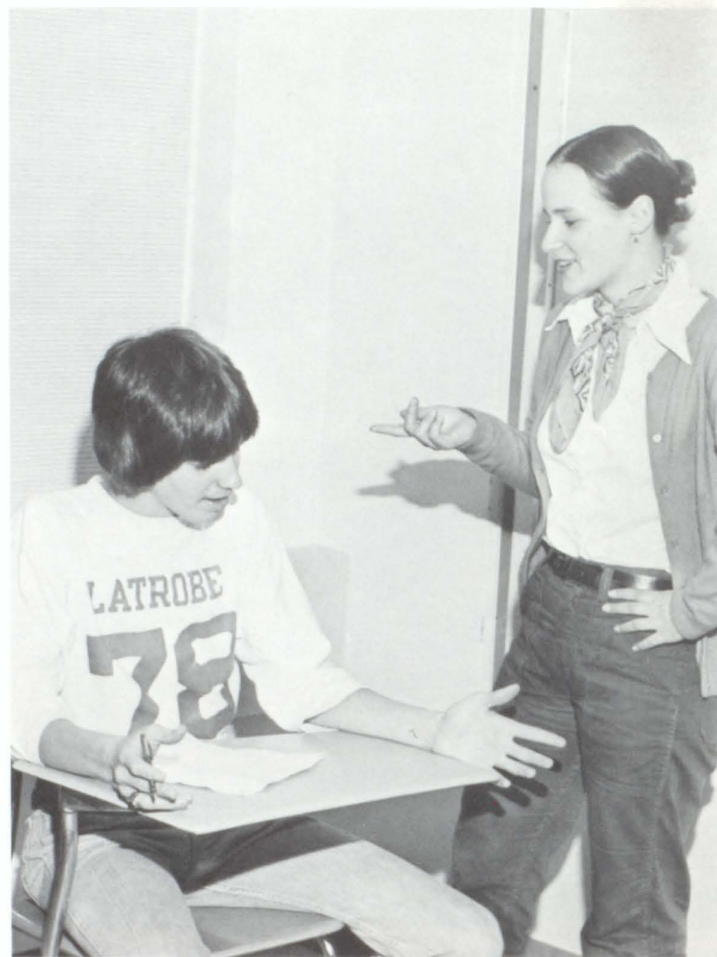

# National Forensics League, Health Careers Club

This year **NFL** competed in 21 regular tournaments of various kinds and also participated in the Pennsylvania District tournaments of the National Forensics League. On February 17 and 18, the members attended a tournament at Pennsbury High School, which was located near Philadelphia. NFL's goal this year was to attend the National Finals at Northwestern University in June.

This year's **Health Careers Club** consisted of 24 girls who were interested in different areas of the Medical field. Numerous speakers appeared discussing many different medical topics. The girls who assisted with the Red Cross Blood Drive, completed the year by holding their annual picnic.

## Marching Band

The **Wildcat Marching Band**, consisting of 80 Sophomores, Juniors, and Seniors, was under the direction of Mr. Richard Auman and Mr. Richard Rossi. The Marching Band worked through many long and hard practices after school in order to perform in competitions. During the 77-78 school year, they competed in the Norwin Festival and in the Greensburg Competition where they placed second. The band hosted it's "First Annual Wildcat Review," this year at Latrobe Memorial Stadium. Ten of the area's top high school bands participated. Because of a lot of hard work, the Wildcat Marching Band pulled off a good year.

**Band Officers:** D. Haines; Treasurer, B. Chandler; Vice-President, N. Pernelli; President, K. Flodin; Jr. Representative, J. Hodder; Historian, D. Davies; Jr. Representative, L. Kozenko; Secretary. **Senior Marching Band, Row 1:** L. Kozenko; (field conductor), R. Derek, J. Ransil, N. Pernelli, H. Davis, K. Vernino, M. Valko; (field conductor). **Row 2:** A. Saul, D. ## Colorguard, Band

The **Concert Band** and **Symphonic Wind Ensemble** were under the direction of Mr. Richard Auman. The Concert Band consisted of 35 members which made up the Symphonic Wind Ensemble.

Mr. Eric Smith was in charge of the **Colorguard** this year. Twenty six girls carried either silks, rifles, or sabers which helped to add color to the band's halftime shows.

**Senior Colorguard:** L. Zimmerman, L. Roesch, M. Lopatich, J. Rakar, D. Watt, S. Henderson, D. Schmucker; (Head). **Underclass Colorguard;** **Row 1:** P. Arnold, L. Barnes, C. Massena, L. McKee, D. Truxal.

## Majorettes, Cheerleaders Wildcats

By performing routines in time to the marching band's musical arrangements, the **Majorettes** added sparkle and glitter to the band's shows. This year the majorettes, instructed by head majorette Donna Campbell, wore new monogrammed uniforms which added more style to their half time shows.

The **J.V. and Varsity Cheerleaders** not only encouraged and cheered the athletes of the school on to victory, but also encouraged the students of GLHS to support the athletes. The cheerleaders, with the help of the two Wildcat mascots, organized the pep rallies and pep assemblies that were held during the year. The cheerleaders and mascots sold subs during the summer to help finance new cheerleading and wildcat uniforms. This was the first year that two mascots were chosen, both of them being girls.

**Majorettes:** Front: J. Oleyar, N. Leonard, M. Shirey. Back: T. Kunkle, D. Banner, S. Burica, D. Campbell; head, D. Bridge, D. Kozar, J. Terwilliger.

# Choir, Mixed Chorus

This year the **Choir Members** not only performed at the school's annual Christmas Concert but also performed at the Latrobe Elks, and Westmoreland Mall. The members sold light bulbs to help finance the seniors' annual trip to New York in the spring.

**Mixed Chorus** included boys and girls in grades ten through twelve. These two groups performed at the Christmas Concert and Fine Arts Festival. They also helped the Senior Choir members financially by selling light bulbs for them. Mr. Joseph DelSordo instructed the Choir while Mr. Gerald Yanity instructed the Mixed Chorus.

**Choir Officers:** K. Jones; Vice President, M. Keim; President, T. Curtis; Treasurer, **Standing:** P. Orzechowski; Robe Attendant, K. Gill, D. McGuire; Librarians, C. Cairns; Secretary, J. Curtis; Robe Attendant, M. McGowan; Librarian.

# French Club, German Club, Spanish Club

Students who were currently taking German or who had had at least one year of German were eligible to belong to the **German Club**. The members and their advisor, Miss Rosalie Parker, saw "Hansel and Gretel" on December 2. They also held a Christmas party at Pitt in Greensburg.

This year's **French Club**, advised by Mrs. Shirley Canterna, published their own French Newspaper. The French Club, was a self-supporting club with meetings held monthly. The newly formed **Spanish Club**, advised by Mr. Nicholas Maggiore, attended a language forum at Indiana University of Pennsylvania in the spring. The Club also sold refreshments at basketball games and wrestling matches this year.

## Honor Societies

Members of **NHS** sponsored a "Rent A Kid Day" on October 29 to benefit the Joseph Howard Memorial Trust Fund. The 29 Seniors who made up the club conducted a pretzel sale and a mug sale, too. Every Thursday, NHS sent three students to St. Joseph's Hall where they assisted the crippled children in the YMCA swimming program. The members of the society took a trip in the spring and all had at least a 3.5 grade average, they were selected on the basis of leadership, scholarship, character, and service.

Members of **French National Honor Society** and **Spanish National Honor Society** were inducted on the basis of high academic standing and teacher recommendations. Both societies encouraged interest in the customs of each country.

**Quill and Scroll** members were selected on the basis of scholarship, advisor recommendation and superior work in some phase of Journalism. The twelve senior members were selected by Janet Henderson.

**NHS: Officers:** Row 1: E. Halula, Treasurer; L. Kozenko, Secretary, B. Hassan, President; J. Lynch, Vice President. **NHS: Row 1:** C. McGuire; J. Rakar; C. DiVittis; S. Dunlap; C. ## Publications

Rushed deadlines, hours after school, and plain old "hard work" went into the publication of the **High Post** and **Latrobean**. The **High Post Staff** organized layouts and wrote up stories while the typists had the tedious job of fitting the copy in the provided space. **Junior reporters** covered their beats, interviewed people, and were faced with deadlines to meet. **Senior editors** were responsible for their entire assigned pages. Hassles and a lot of rewritten stories were just a few of the everyday occurrences to face.

**Photographers** have up some of their free time to attend school events for the High Post pictures. As the photographers improved, so did the quality of the pictures.

The **Public Relations Staff** supplied local newspapers with up-to-date stories of various school activities.

The **Junior Latrobean Staff** helped in their own little ways by "obeying" the seniors orders when busy work had to be done. This year, like every year, the juniors had to put up with the seniors' "keep the yearbook a secret" tradition. Next year such "nonsense" will probably continue.

Mrs. Janet Henderson was the advisor for all of these staffs.

**Senior Editors: Seated:** E. Weppleman, B. Vella, L. Newingham, K. Scavnick. **Standing:** M.A. Bucciarelli, K. Gumbita, K. Thomson, C. Clawson. **Junior Reporters: Sitting:** R. Kozlesky, C. ## Pep Club, Youth Traffic Safety Council

The Youth Traffic Safety Council participated in a S.O.B.E.R. (Slow on The Bottle, Enjoy the Road) campaign. The campaign was an appeal to residents of Westmoreland County to drink in moderation. The members, advised by Mr. James Taylor, also participated in a Fuel Conservation Program.

The Pep Club, under the direction of Mrs. Shirley Bankovich, made posters, encouraged students to ride pep buses, and presented the senior football players with corsages at the Senior Pep Assembly. The 75 member club also conducted a fund raising campaign for the Joseph Howard Memorial Trust Fund.

## Stage Crew, Set Design, Ushers Club

**The Stage Crew** was made up of boys who were interested in learning the mechanics of stage lighting and sound. The crew, headed by Senior Kevin Zaminski, worked behind the scenes and acted as a very essential part in successful assemblies and play productions. The girls in the **Set Design** worked along with the Stage Crew by designing and painting the sets that the Stage Crew built. Both crews put in a lot of hours after school working on these sets which were used in the Musical and Class Play.

**The Ushers Club** helped out at all the social affairs at GLSH. They were present at football games, travelogues, musicals, plays and concerts and assisted people in finding their seats. The Ushers held a banquet at the end of the year to honor those who had earned a certain number of points. These people were given an award then. Mrs. Suzanne Yourish was the advisor of the club.

# Lettermen's Club

The Lettermen's Club consisted of the athletes and cheerleaders of the school. The members were reimbursed for their letter jackets after they earned a certain number of

points. Some of the ways in which the members earned their points was by selling programs at the football games and also by working at the concession stands. The group, advised by Mrs. Shirley Canterna, also made a contribution to the Joseph Howard Memorial Fund.

# Mat Maids, Court Cuties

**The Mat Maids** helped in promoting wrestling enthusiasm locally, statewide and nationally. The 50-member club achieved this by making posters, arranging wrestling clinics, and presenting motivation awards to the wrestlers. The Mat Maids not only helped at the wrestling tournaments, but they also helped the coaches set up the overall programs. Mr. Harbert was in charge of the club.

**The Court Cuties** supported the basketball team through various fund-raising activities. The members sold pom-poms at games, giant Christmas coloring books and bargain packages to help finance and purchase sweaters for the varsity players. The club also began an eight-page basketball program and held a banquet for the team at the end of the season. Basketball coach Mr. Raymond Zsolcsak was the advisor of the club.

## Ski Club

While many things were cancelled this year, **Ski Club** was not. As you can see by the photos, they had plenty of snow to keep them going. Ski Club members, advised by Mr. Gary Neff, travelled weekly to Hidden Valley and Seven Springs for skiing trips. Their other excursion consisted of ski trips to New York. To raise funds to cut down club expenses, members sold pizzas and candy bars.

# Student Council

## LRC, Student Aides

**Student Council** was one of the busiest organizations in the school this year. This group of students sponsored the Homecoming Weekend, the Senior Breakfast, the Gong Show, and movie assemblies for the entire student body and faculty. They also worked to better the communications between the faculty, administration and students. Student Council purchased two paintings for GLHS this year. One painting, which was done by the retired French teacher Clair Stover, was of the late head football coach, Joe Howard. The other was a painting which was entitled "Wildcat Head." These two paintings were presented to the school during the Senior Pep Assembly held on October 28. Mr. Thomas Marshall advised the 42 student-elected council members.

**Student Aides** were a great help to the 8-9 Annex teachers by doing such things as correcting tests and operating Xerox equipment during their study halls.

Thirty-eight volunteer students helped the two librarians with little, but time-consuming tasks. The **LRC Aides** duties ranged from helping at the desk and collecting passes, to operating the magazine room and decorating the library during the holidays.

## Homecoming 1977 "Colour My World"

This year's **Homecoming** sponsored by the Student Council, was held the weekend of September 30. The festivities started with a pep rally held on Thursday night at Memorial Stadium. The crowning ceremony took place before the Connellsville-Latrobe game. Cheryl Kay, escorted by Greg Fenton, was crowned as this year's queen. She was presented with a dozen of red roses and a gold locket. Her attendants included Seniors: Tami Nalevanko and Brenda Bridge, Juniors: Lynn Robbins and Sharon Burica, and Sophomores: Sharon McGuire and Teri Lyn Tarr. The queen was chosen by the entire school, while the attendants were voted in by their respective classes. The Homecoming dance was held Saturday night in the school cafeteria.

**The Matchmaker** was written in 1954 by Thornton Wilder, better known for his earlier play *Our Town*. As a farce, *The Matchmaker* makes us laugh without much concern for the realities or the probabilities of the situation. All the characters are recognizable stereotypes. Dolly Levi, the matchmaker, says that "everything will be arranged ... one thing will lead to another." It eventually does in this farce, after introducing us to a group of zany characters and their complicated situations. In a farce, it all works out in the end.

This year's musical was a madcap comedy involving mistaken identities and slapstick comedy. It mainly involved a kiniving slave by the name of Pseudolus who wanted to gain his freedom, and was willing to go to any length to try and get it. His owner, a young Roman named Hero, was in love with the girl next door, Philla, who was a Courtesan (one who can be bought or sold). Pseudolus promised to get her if his owner would free him. After many desperate tries, Pseudolus finally receives his freedom.

## Joseph Howard (1943 – 1977)

**"All that we love deeply, becomes a part of us"**

Greater Latrobe's Sports' World suffered a major loss this year with the death of Coach Joe Howard. The 1978 Latrobean staff proudly dedicates this year's Sports' Section to this man who will live on in memories, for years to come.

The afternoon of July 27, was like a nightmare for those of us who knew Mr. Joe Howard. The news of his death left everyone stunned.

Trying to understand why wasn't easy . . . nor was accepting the loss.

Thinking of his family he loved so much, brought more tears. But what may be the saddest part of the entire story is that a man with so much talent was taken at such an early age. Those of us who had Mr. Howard as a teacher, remember his control and joking in class. ("Capeesh?" he would ask.) And who could ever forget his fatherly pride when he told stories about J.B., Mandy, and Courtney, (his children) or his coaching enthusiasm as he told stories of his football players.

Without even knowing him well, anyone could realize that his wife Esther, his children and football were the main things in his life.

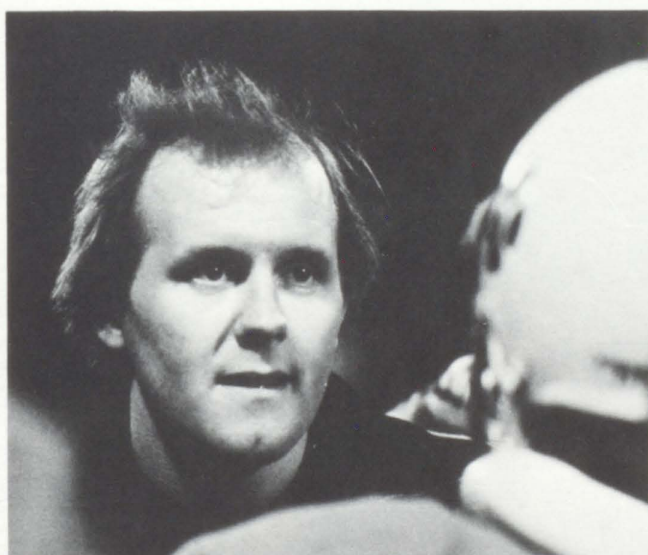

There wasn't a man who went out of his way more to help an individual personally or educationally.

He cared so much, and that is why it made his death so hard to accept.

But accept, we must, because Mr. Howard would have had it no other way.

Joe Howard was a man, a husband, a father, a teacher, and a friend – none of which will ever be duplicated.

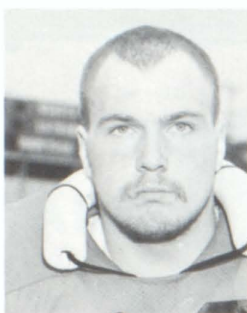

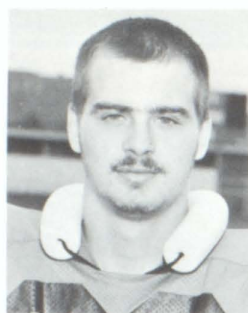

Greater Latrobe High School lost a very special person this past summer. Joe Howard will be missed by everyone especially, those who knew and worked with him since August of the year 1966. Joe was especially looking forward to this past football season because the team and the coaches were working very hard with the winter and summer weight program. With this program his aim was to bring **pride** and winning back into our football program. We, as a coaching staff, felt that with the players coming back, we could come up with a winning season. The players on this year's varsity football team are to be congratulated for their supreme effort in making Coach Howard's dream a reality. The players were able to overcome their grief and go on to a winning season. This is the way Coach Joe Howard would have wanted it to be.

## Football

The Greater Latrobe Wildcat Football team posted a record of six wins, four losses during the 1977 season. Throughout the year, the Cats showed great determination against all competition and played outstanding defense. In the game against Mt. Pleasant, the Cats were like a well-oiled machine, shutting out their opponents 24-0. Highlighting the scoring was Steve Brookbank with a 22 yard TD catch from Butch Huber. The Cats then fell victim to Norwin in the home opener 20-6. The Cats played well, but could produce only one score. Coming back, the Cats beat Valley 6-0. The lone TD came when senior Max Regula, coming off a leg injury, ran for a two yard score. But penalties hurt the Cats, having one more yard in penalties than in total offense. The Cats then suffered a disappointing loss to Greensburg Salem 9-7. During the next two games, Latrobe staggered Conneltsville 7-0 and Derry 16-0. Their next opponent was Johnstown. After giving Johnstown a 12-0 halftime lead, and

losing starting quarterback John Huber with a knee injury, things looked pretty dismal but in the second half, backup quarterback Max Regula completely turned the team around. Playing both offense and defense, he did a brilliant job, running for one TD, and shocking Johnstown. With :05 left, Max hit Junior Scott Miscovich in the end zone to win 15-12. This drive was sparked by Todd Jackovitz's 42 yard run. Regula was given good protection and the credit should be extended to the offensive line. The late Joe Howard, a former Johnstown football all star, looked forward to coaching this year's team, and it was ironic that Latrobe should gain their fifth win against his alma-mater. The next two games were the dark spots of the season. Losing 35-0 to a tough Penn Hills team and 20-0 to Norwin, The Cats prepared to meet Kiski in the final game of the season. In this game, Latrobe was most impressive with the hits of Greg Karazia and the secondaries interception of two Kiski passes. This game was the hardest hitting of the season. Kiski was crushed by the defense and the offense added the final touch with a 60-yard TD pass from Max Regula to Gary Walthour. The coach commented, "We, the coaches, feel that it was a very successful season. The entire varsity football team did an excellent job. All of the senior members of the squad contributed to this year's squad. We are losing a lot of good football players, but we are also looking forward to next year."

## Golf

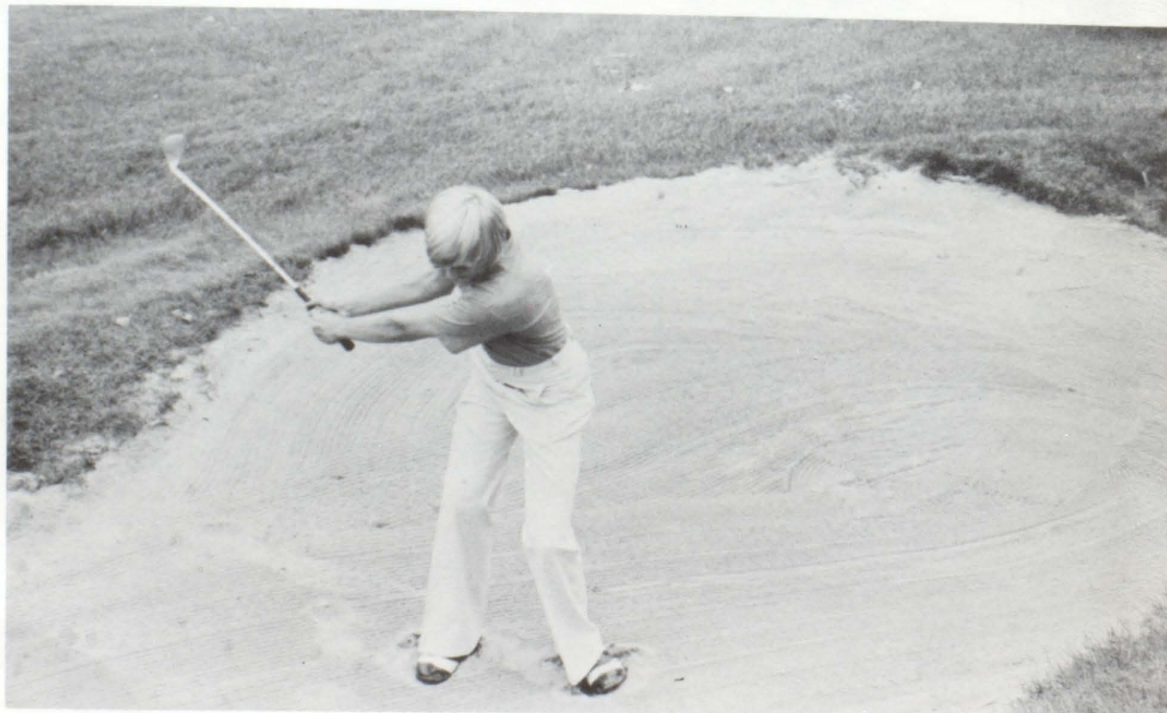

The 1977 Greater Latrobe Wildcat Golf team finished its season with a 7-3 record. The Cats began their season by easily handling both Ligonier and Derry in a triangular meet, 11-4. Scott Gordon led the field with the impressive score of 79. Mark Brighenti and Jerry Macey both fired a 77 in a losing effort against Hempfield, 5½-10½. The team then revamped their style with spectacular wins over Greensburg Salem and Jeannette, 15-1 and 14½-1½ respectively. Junior Dan Vittone paced the 'Cats by scoring an 80 for the day. In the next triangular match of the season, the 'Cats came out on the winning end as well as the losing end, beating Greensburg Salem 14-2 while losing to Hempfield 4-12. Senior Scott Gordon fired an 83 for the low score of the day. The team then traveled to Ligonier Country Club to meet Derry. Senior Mike Miller shot an 81 while the 'Cats convincingly beat Derry 13½ to 2½. In the next match against Ligonier, Mike Miller and Dan Vittone both fired the low score of the day with an 82. This proved to be enough as the team was defeated 4-12. In the annual Foothills Tournament, held at Ligonier Country Club, the Wildcats, placing first out of the 13 schools attending the tournament, proudly brought home the Foothills Conference tournament trophy for the third consecutive year.

## Girls' Tennis

**The Girls' Tennis Team**, in its third year of interscholastic competition, ended their season with a 4-4 record. Although this record appears to be lacking, it should be taken into consideration that the team had to be rebuilt after last year's loss of ten seniors. The team also fought in many close matches with them, unfortunately, coming up short.

Throughout the season the girls improved their play. During the first four matches the team only won one match, but in the second round, playing the same teams, the girls won three of their next four matches.

The doubles team of Wendy Bowman and Dianne Fenton was a great asset to the total team, coming through with victories in two separate win-lose situations for Latrobe. In one of the matches, against Derry, the score stood at 2-2 before the second doubles match. After splitting sets, Wendy and Dianne handled the pressure-packed situation with impressive shots to stagger their opponents, and win the match.

But their performances in no way shadow the play of seniors Jamie Czesnakowski and Cathy Noonan. As darkness closed in on one particular match against a tough Union-town team, there was a question as to whether Jamie and Cathy could continue their third set. But agreements were made by both teams, to play a "best out of 5 game set." After four games were played, the score stood at two games apiece. In the final and deciding game, the advantage switched hands continuously, until the girls proved to be the better team, as they finally won the suspenseful match. This was just a reflection of their consistent play throughout the season.

Lisa Zoppetti

This year's singles players overall performance didn't turn out as well as coach Rombauch had expected. First singles player Lisa Zoppetti had a tough time this season; sometimes being unstoppable in blanking her opponents, and other times being completely shut down. Second singles player Germaine Kropilak, had an equally frustrating season, many times loosing very close matches. Both girls had great potential and played well, but just couldn't put it all together at the right times. Third singles player Gretchen Weittamauer, only a freshman, had a successful season and should perform well in the coming years. Coach Rombauch commented, "This year's team was a team that worked hard and accomplished something a 4-4 record does not show. The girls functioned as a family not as a team. Everyone honestly cared what happened and what they could do to help each other. It was the kind of team that coaches hope to have, but seldom find."

## Cross Country

The 1977-78 Wildcat Cross Country team finished its season by breaking even with a 6-6 record. In the first meet of the season, Latrobe met Kiski and gained a 35-21 victory. Pacing the Cats was Scott Green who placed first to give Latrobe the edge. The team then traveled to the Uniontown Invitational. Scott Green again placed first out of a field of 50 runners. Bill Nemetz placed fourth. Mark Burkhardt ninth and Bill Hassen seventeenth. Against a tough Hempfield team Latrobe lost by the score of 26-31. Latrobe then hosted Franklin Regional and again came out on the short end 17-39. Traveling to Kiski for a triangular meet, the team ended up middle man against Kiski and Valley. Final score: Valley 69, Latrobe 59, Kiski 29. The Cats then easily handed Uniontown 46-17 with Bill Hassen, Mark Bruhardt, Scott Green, Bill Nemetz and Ed Winland claiming the first five places. Latrobe was then defeated by Kiski Prep by a seven point margin 31-24. Scott Green again found first, Bill Nemetz seventh and Mark Burkhardt ninth at the WCCA, the Cats performed impressively with Scott Green placing third. Latrobe then lost to Connelsville 30-25 to finish out their season. Coach Graham commented, "This year's Cross Country team finished the season with a record of six wins and six losses. Scott Green received individual honors by finishing third in the County Cross Country meet out of a total of 84 runners. Seniors receiving letters were Bill Hassen and Mark Burkhardt. The four Juniors lettering this year will provide a strong nucleus for next year's team."

## Girls' Swimming

The 1977-78 Girls' Swim team finished their season with an untarnished 6-0 record, to become section V champs for the second consecutive year.

In the first meet of the season, Latrobe outswam Penn Trafford 113-59. The team took first in every event except diving, in which they placed second. Gaining first for the 'Cats were Marlene Bender and Mary Mazero in the 200 medely relay (2:15.1), Kim Dziak, 200 free (1:02.2), and Karen Harouse 100 back (1:12). The girls next traveled to Laurel Highlands for what proved to be the toughest match of the season. The team had to overcome many tough breaks, including the (controversial) disqualification of all entries in the 100 breast, to finally come out on top 91-88. During this meet, Sophomore Janet Harouse broke her own record in the 200 IM with a time of 2:24.8.

The team overpowered their next two opponents, beating Connelville 123-48 and Hempfield 109-61. In the last match of the regular season, Latrobe drowned Mt. Pleasant 136-35, thus earning their way to the section championship.

## Girls' Basketball

The 1977-78 Girls' Basketball team, although suffering through "a totally degrading season was just about the greatest team as far as character, in all the years I have coached," stated Coach Westlund.

The first game of the season against Mr. Pleasant proved to be a disappointment, as the girls started out the year with a loss to the Vikings 74-49. Leading the Kitten's scoring was Terry Stewart with 15 points, while Karol Lazor and Mary Maher each contributed 11 points.

Bad luck unfortunately stayed with the team as they lost the next two games, against Greensburg Central 69-58 and a real heartbreaker to Greensburg Salem.

They next fell victim to Penn Trafford 56-42. After a discouraging start of the season, Latrobe got themselves together and stomped over Connellsville 62-56. Jr. Mary Maher led the 'Cats with 20 points while Seniors Donna McGuire and Karol Lazur netted 13 points. Against Hempfield, Karol Lazur dropped 26 points to lead the team to a 63-57 victory over Hempfield. Latrobe's winning streak was abruptly interrupted as they lost to Jeanette 98-48, and to Derry 67-46.

As coach, Kathy Westlund felt that the season record was a reflection on the size of the girls and also the officiating in many of the games. She stated that the 'Cats were "much smaller physically than a majority of league teams. But, the girls stood heads above their opponents in good sportsmanship, desire to win, and basketball court maturity in general. In times of humiliation on the court, either by large periods of non-scoring, or most critically by an over all feeling that the officials were calling a sad game, the girls remained contained. Certainly through extreme conditions, this was more than commendable." Miss Westlund also felt that "it is imperative for everyone to know that poor officiating does exist at times, and it is not just an excuse. So, I feel that I have to make a comment in telling the GLHS students that the Girls' Basketball players have to be some of the greatest people going!"

## Boys' Basketball

The Wildcat Basketball Team ended their season, posting a successful 11-5 record, along with a third place spot in the Section I-AAA standings.

Although many teams would feel content with third place, this was not the case for Latrobe.

Coach Ray Zsolcsak's team had high hopes of finishing the season in second place, behind an undefeated Norwin team, but they first had to deal with Hempfield, the main obstacle on the path to the playoffs.

In a very questionable game at Hempfield, Latrobe's playoff hopes died, as they lost to the Spartan's 50-53.

The Wildcats found themselves with two other disappointing losses this year. One to Jeannette, in the second round, 60-56 (Scott Smith and Jeff Yunetz each scoring 15 points while Max Regula contributed 14) and to Greensburg Salem 55-54 (Yunetz 19 points, and Smith 17.)

At Greensburg, the Wildcats trailed throughout much of the game until the fourth quarter where they poured it on. With seconds remaining on the clock, Smith sunk a basket and was fouled on by the Lions. With time run off the clock, Smith walked up to the foul line "Like a man without a friend" and came up short for the tying point. In no way can any blame be placed on one person. Latrobe lost much, earlier in the game.

Nonetheless, there were many bright spots throughout the year for the Wildcats. They started off their regular season on the right foot as they upped their record to 3-0. Games

were swept away from Southmoreland 65-39 (Mike Miller 14 points and Regula 12), Mt. Pleasant 105-49, (Yunetz leading the scoring with 18, as Miller scored 16, Pudda Revitsky 15, and Heacox 14) and Hempfield 77-58, (Regula and Smith both for 12 points.) After a loss to Jeannette, the 'Cats won a battle against Penn Trafford 62-46, as Smith led the team with 21 points. A strong Norwin team added the second loss to Latrobe as they won 62-51.

In a game which may have been the best game of the season, the Wildcats played impressively, as they defeated Greensburg Salem on "Senior Night", and in the last home game of the season. The seniors led the 'Cats on their way to a victory as four of them, nearing the end of their high school career, scored in the double figures. Smith led the pack with 16 points, Revitsky following with 15, and Miller and Regula sinking 13 points each. Senior George Heacox led the team with at least eight assists, in the 70-61 win for the 'Cats.

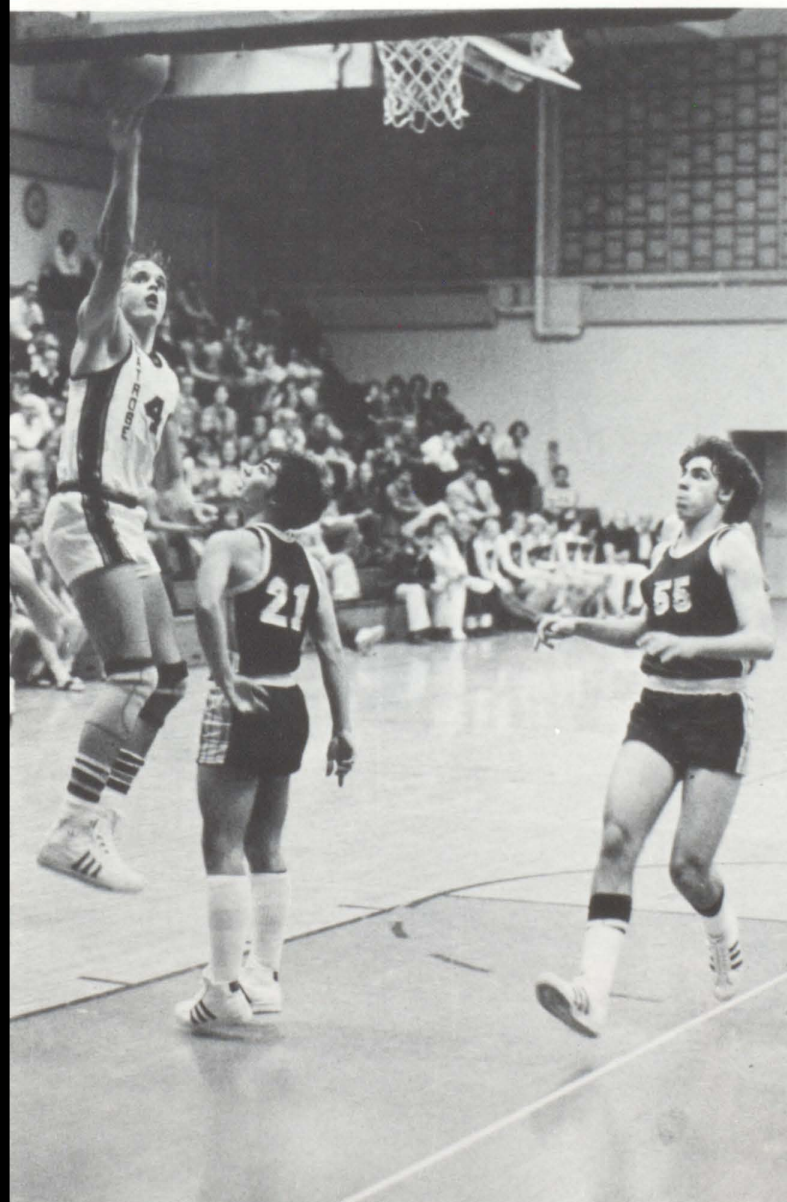

Whoever heard of the score being 7-0 at the end of the first quarter in a high school basketball game? Well, many Latrobe fans wouldn't find it so rare, as they witnessed such

a score in the last game of the season at rival Derry Area. As the second quarter began the Wildcat's forced Derry to "unfreeze" the ball as the 'Cats widened the gap, and finally finished off their season on a good note Latrobe easily took away a win from the Trojan's 48-34, in the lowest scoring game of the season.

Coach Ray Zsolcsak commented on the year as being "a very unusual kind of season for us. We played 12 out of 16 games minus a starter. In consideration of this, I think the boys deserve a lot of credit for achieving the record that they had."

## Rifle

"Yes, there is a rifle team," became the quote of the year for the Wildcat shooters. Besides soundly defeating their opponents, the Wildcats tried to gain more student and public attention for their sport.

Few novices to the sport of riflery realize the amount of intense concentration and attention to details required to fire perfect 100 scores.

## Boys' Swimming

The 1977-78 Boys Swim Team wrapped up the Section V Championship by closing out the season with a letter perfect 6-0 record. In the opening section home meet, Latrobe whitewashed Greensburg Salem 114-56. John Lynch set a new 200 Individual Medley record with a time of 2:19.7 against Hempfield. The 'Cats winning streak rolled on as they easily won 120-52. During this meet three new records were smashed. Lynch beat his own mark in the 200 IM with a 2:16.3, Kevin Ondrizeik broke the diving record making it 119.50 points. A new record was also set by Jeff Mazero in the 100 Freestyle (50.8). In what Coach Grote called "the most exciting match of the season." The 'Cats walked over Connellsville 90-81. Latrobe has five firsts during this meet. Mazero set two pool records: in the 50 Free (22.9) and 100 Free (50.5). The 400 Free Relay team of Keith Flodin, Kevin Jones, John Lynch, and Jeff Mazero set a new school record of 3:31.5. The 200 Medley team of Bruce Rich, Bill Franks, Ondrizeik and Flodin also placed first. Latrobe then proceeded to Laurel Highlands, smashing them 115-75.

Two new records were set at this meet, one in the 200 Medley Relay: the team of Rich, Franks, Flodin and Mazero set a new mark of 1:53.31 and Ondrizeik broke his own diving record, scoring 1:25.25 points. The 400 Relay team of Jeff Kelly, Dan Vittone, Lynch and Flodin also had a first place with a time of 3:53.2. In the last meet of the season Latrobe met Penn Trafford to decide the Section Championship. Latrobe showed enough fortitude to come out on top 93-82. During this meet Jeff Mazero set a new record in the 100 Butterfly with a time of 57.4. The 400 Freestyle Relay team of Kevin Jones, Flodin, Lynch, and Mazero set a time of 3:29.56. Kevin Jones also had a new 200 Freestyle record of 1:56.9.

Coach Grote commented that it was a "very satisfying season. One that the team deserved because of all of the hard work and dedication that made them most deserving of the Section Championship."

## Wrestling

The 1977-78 Latrobe Wrestling team closed out its season posting an 11-3 record. In their first match against Johnstown, Latrobe was victorious 37-15. Posting wins for the Cats were Jay Domenic, Don Bolby, Gary Walthour, Randy Kepple, Tom Rabic, Mark Loveridge and Dan Kessler. Against Derry, the Cats continued their winning ways, 24-23. Getting decisions for the Cats were Mullen, Domenic, and Kepple. Getting the lone pin was Shepler. Latrobe continued their winning ways by next beating Kiski 28-18. Getting wins for Latrobe were Kessler, Kepple, Domenic, Walthour, Mullen and Rullo. The only pin was made by Jeff Shepler. Southmoreland was Latrobe's next victim, losing 46-17. Decisions were made by Domenic and Walthour. Rabic, Loveridge, Mullen, Bolby, Shepler and Kessler made pins. The Cats made it five in a row by soundly defeating Jeanette 34-22. Making decisions were Kessler, Bolby, Loveridge. Pins were Shepler, Domenic, Rabic and Walthour. Latrobe's winning streak was rudely halted as they lost to Shaler 25-16. Posting decisions were Domenic, Loveridge, Walthour and Rabic. Latrobe then traveled to Franklin Regional where they slipped by 27-25. Shepler, Bolby, and Rabic all won. Pinning for the Cats were Loveridge and Mullen. Their next opponent was Connellsville. Posting decisions for Latrobe were Mullen, Rullo, Domenic, and Rabic. Getting pins were Shepler and Stas. Final score — Latrobe 27, Connellsville 25. The Cats "good fortune" stayed with them as they defeated Greensburg Salem 26-24. Shepler got the lone pin while Loveridge, Domenic, Mullen, Bolby, Walthour, Rosa and Pat

"The 1978 version of the **Wildcat Baseball team** will be led by returning lettermen, outfielders, Max Regula, Jeff Ferlin, infielders Dave Walker, Tug McHenry, and Pitcher Dave Oshnock. We are anticipating a successful season with the improvement of the returning lettermen and the development of underclassmen Rich Fetter and Gary Takich."

Because it is not possible to cover the 1978 season of the following sports, the coaches have made their own predictions as to how they feel the team will do in the upcoming season. Now is the time to see how right they were.

## Girls' Track

"The girls that are returning to this year's Track team have not only done well in the past, but should also perform very well again this season. In addition to the returning girls, the team will gain several new Freshmen whose abilities should prove to be useful in winning meets. This year's team not only will have its usual strength, but this will also be evident in all events, not just one. Returning lettermen will be: Karol Lazur, Margie Muniz and Barb Quinn."

## Boys' Tennis

This year, the **Boys' Tennis team** is expecting to better last year's record of seven wins and five losses. This could also enable the Cats to be a strong contender for the section title. Returning lettermen are John Lynch, Todd Buerger, Cam Buerger, and Bill Dymond should form a strong nucleus for this year's team. The team's success will also hinge upon how well the vacancies left filled, particularly in doubles. If the Tennis team is willing to work hard, this could be a very good year.

## Boys' Track & Field

The outlook for the 1978 season: We will be especially strong in the pole vault and the dashes and we look for distance runner Scott Green to do well in the longer races. With some help from returning members of last year's varsity and some promising sophomores, we should have a respectable season in 1978.

## Girls' Volleyball

"The outlook for this year's **Volleyball team** is very promising. There are ten girls returning from last year's Varsity squad. Included in this group are four starters: Peggy Parker, setter; and spikers Lynda Brautigam, Janet Smith, and Terri Stewart. Battling with Peggy for the two setter positions will be Mary Jo McAtee and Brenda Bridge, both of whom saw action last year. All three girls are expected to do a good deal of playing time this year since the Varsity will again be playing double matches. Fighting for the four spiking positions are the three returning starters plus Beth Steele, Margie Myers, Rhonda Simms, and Dee Calabrace. Mary Maher, a junior who sat out last year with an injured knee, is also in the running for a spiking position. Due to the depth of this year's team, some players will be called upon to perform specialist roles such as serving, blocking, and back court play. This squad does not have the height of last year's, therefore, our success will depend a great deal on their ability to consistently keep the ball in play. This requires conditioning, agility, and hustle from all six players."

## Don't Quit

When things go wrong as they sometimes will,  
When the road you're trudging seems all uphill,  
And you want to smile, but you have to sigh,  
When the funds are low and the debts are high,  
When care is pressing you down a bit . . .

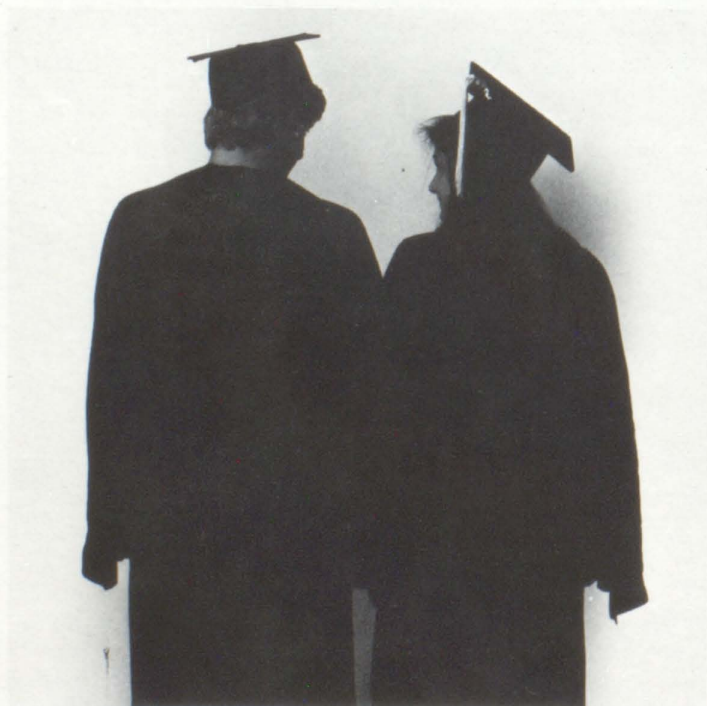

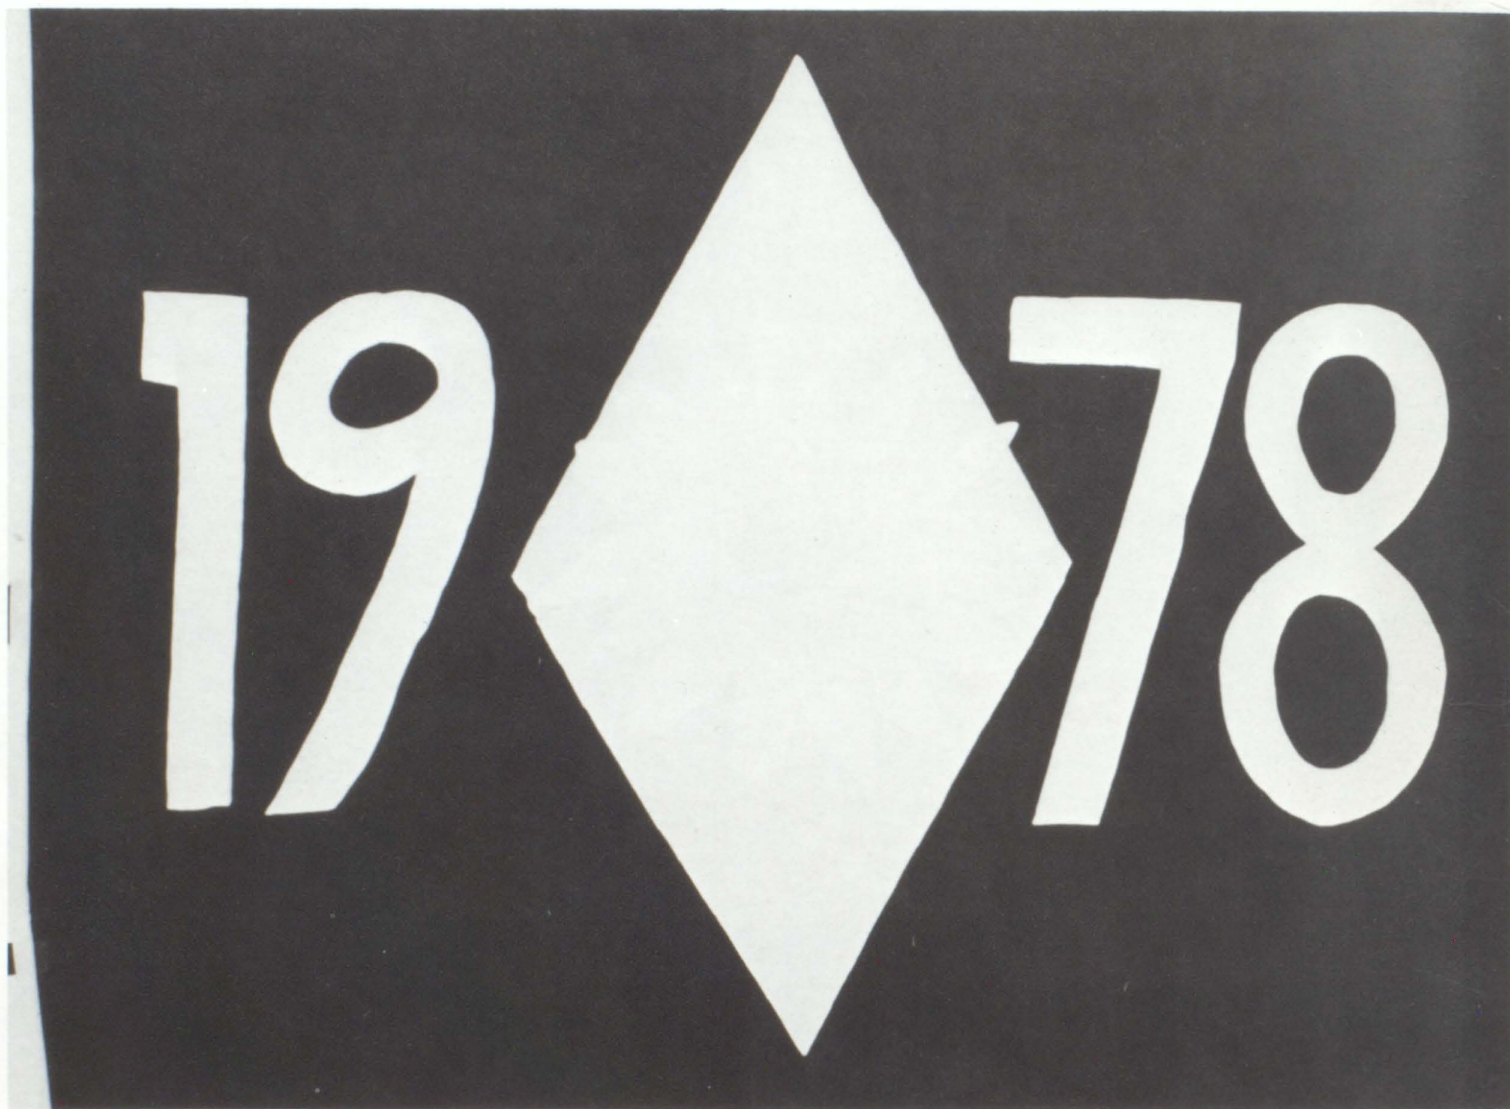

Rest if you must, but don't you quit.

Life is queer with its twists and turns,  
as everyone of us sometimes learns –  
And many a person turns about –  
When they might have won had they stuck it out.  
Don't give up though the pace seems slow . . .  
You may succeed with another blow.

Often the struggler has given up  
When he might have captured the victors cup;  
And he listened too late when the hate came down,  
how close he was to the golden crown.

Success is failure turned inside out . . .  
So stick to the fight when you're hardest hit . . .  
It's when things go wrong that you mustn't quit.

THE FINEST ART  
THE MOST DIFFICULT  
TO LEARN  
IS THE  
ART OF LIVING

## Senior — it's such a small word, but . . .

Senior — it's such a small word, but yet it's so full of meaning. The Seniors went through many stages to get to this one, important position in high school! They went from being little Freshman to having an even smaller position as Sophomores. They continued on to the Junior stages, and finally they became Seniors at the top.

Seniors acted like kings and queens overlooking their kingdom. Seniors observed Sophomores and Juniors, their "subjects," and laughed at the behavior. To think the Seniors had acted the same way — Impossible! But it was true. They laughed because they had already experienced the uncertainty, confusion and adjustments that Sophomores and Juniors were going through.

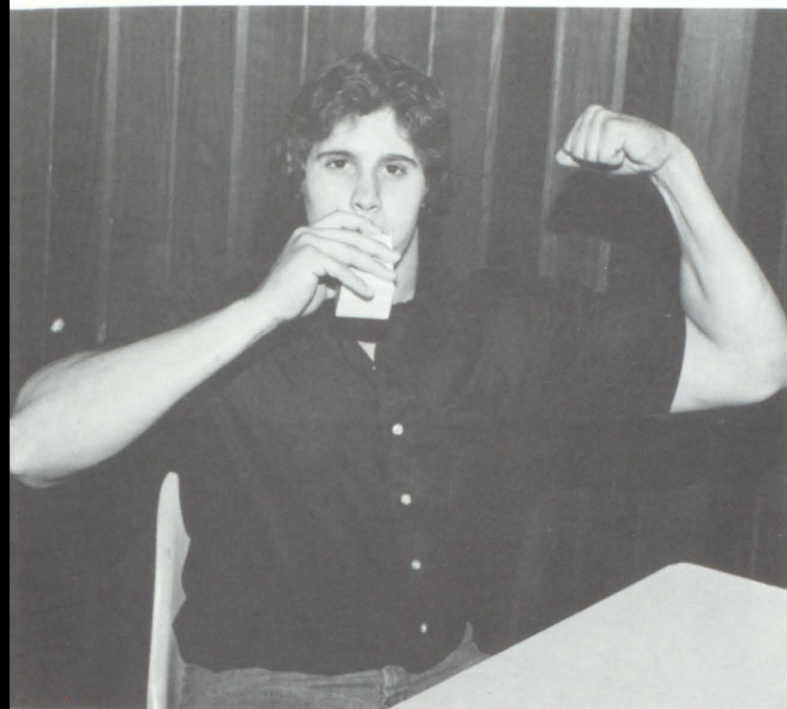

### Clockwise starting upper left:

Cast of Godmothers Part I.  
I think I should have studied last night.  
This wrapper says it's a three course meal.  
It's all in the wrist action.  
Did you get the number of that bus?

Seniors were granted privileges that Sophomores and Juniors didn't have. The underclassmen complained about these "rights" but forgot that they, too, would have them one day. Everybody could pick out the Seniors at pep assemblies, because they had their own section in the gym, complete with a male cheering squad sitting at the top. These enthusiastic supporters supplied their own "Super Sound" horn and white cowboy hats which set them apart from everybody else.

Another thing which distinguished the Seniors from the underclassmen was the location of their homerooms. The Seniors inhabited the S-building ever since their Sophomore year. The poster, "Seniors Rule the School!," which hung in the bottom of the S-building, helped to identify "Senior Territory."

**Clockwise starting upper left:**

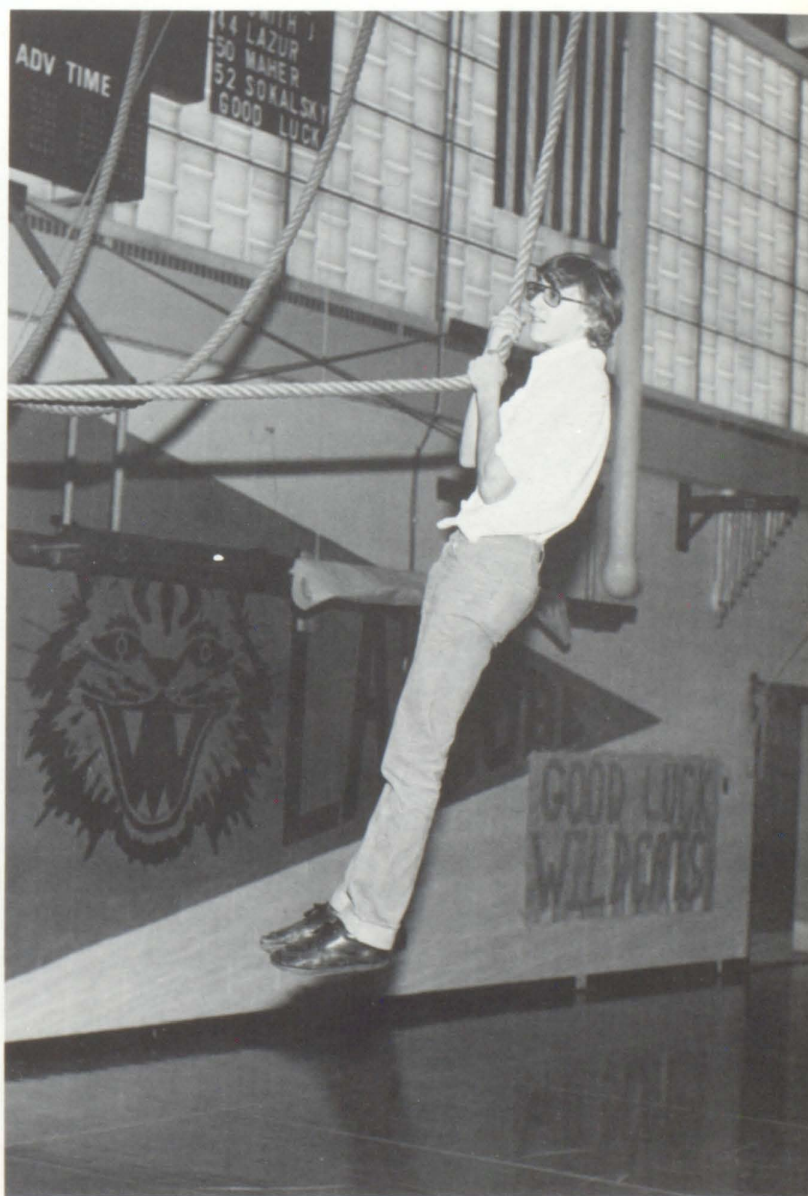

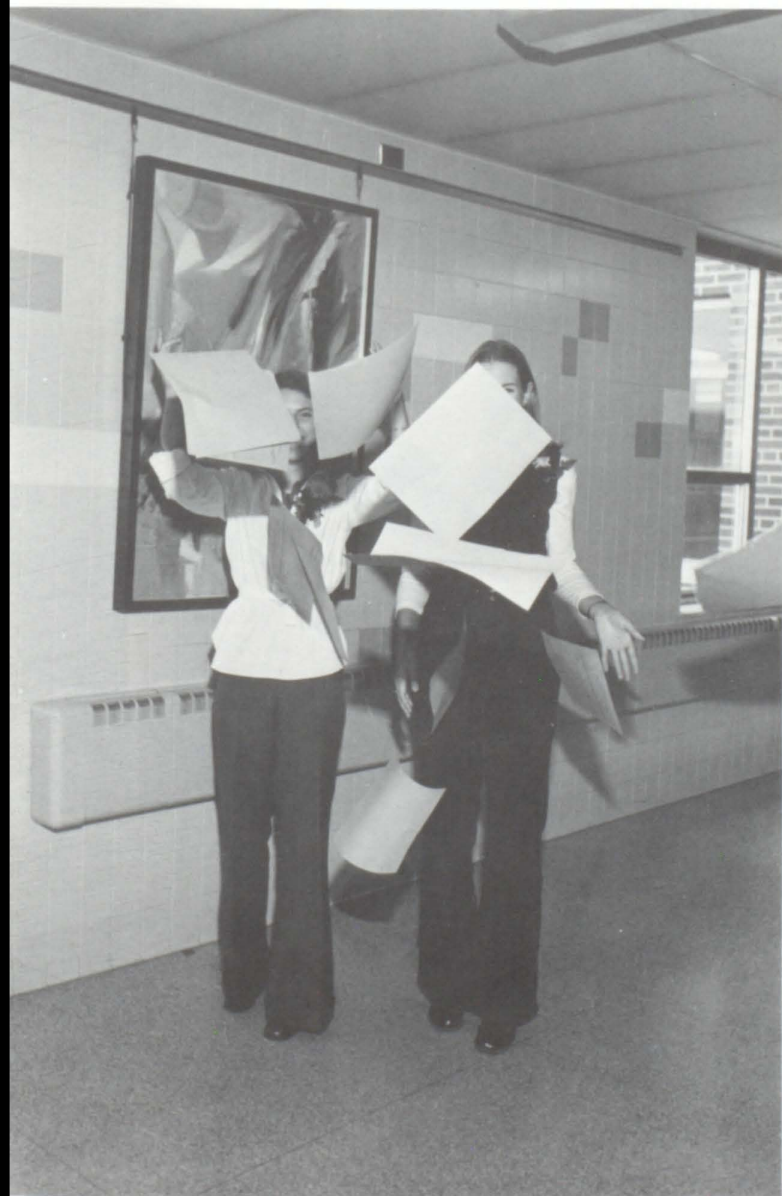

I've been wanting to do this for a long time!

Milk is a natural!

I don't think this is how Tarzan started.

We give up!

1, 2, 3 . . . ROTATE!

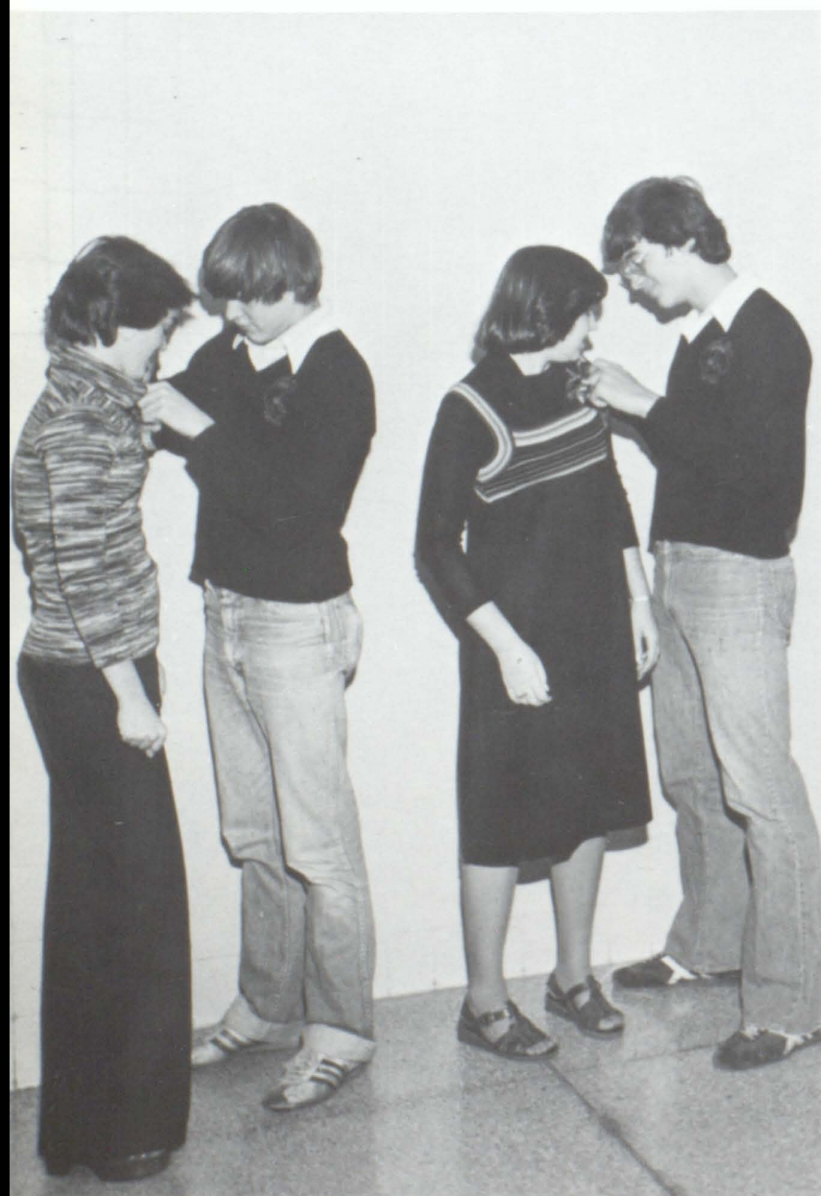

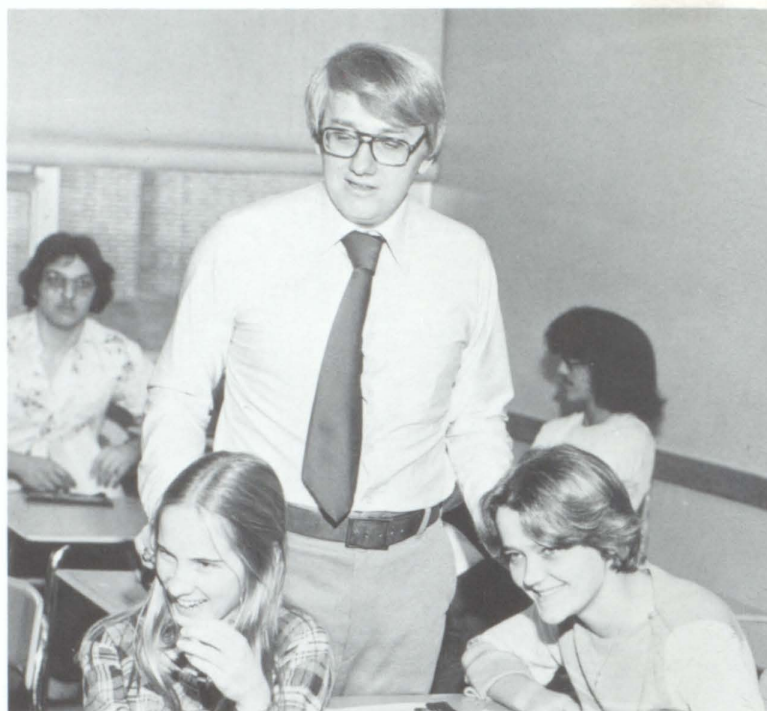

For the first time in three years, Seniors finally got to sit at the front of the auditorium. Now, they could actually see and hear what was happening on stage during assemblies. Also, Seniors were eligible to take "Foods" and "Field Math," two classes which were off limits to the underclassmen.

Seniors were excused from classes for many things that the Sophomores and Juniors could not attend. They received an assembly in reward for winning the AFS Mile of Pennies Race. This assembly was the movie, "Harry and Walter go to New York," seen on December 5. They were also excused from classes to order announcement cards for graduation, to be measured for caps and gowns, to attend the Senior Breakfast sponsored by Student Council on December 20, and to practice for Commencement.

**Clockwise starting upper left:**  
 What did I do to deserve these two?  
 They warned me not to lean.  
 Segregated fountains?  
 Won't someone please let me in?  
 Jess, are you sure you know what you're doing?

For those Seniors choosing to go on to college, registration forms for the SAT's and ACT's had to be completed, and then these tests were taken. Also to help the Seniors, GLHS hosted a "College Night" on October 4. There were four 20-minute sessions during which representatives from 54 colleges answered the questions of parents and students. This event was open to students and parents from all school districts. Even if one could not attend "College Night," they could still talk to the representatives, because some of the representatives visited GLHS throughout the year.

The filling out of application forms followed the choice of what colleges a student might like to attend. This in turn was followed by an agonizing wait for the acceptance letter.

**Clockwise starting upper left:**

No entiendo las palabras en este libro! (I don't understand the words in this book!)

Rrrribbit!

I can make a bigger one honest!

Plop, plop, fizz, fizz . . .

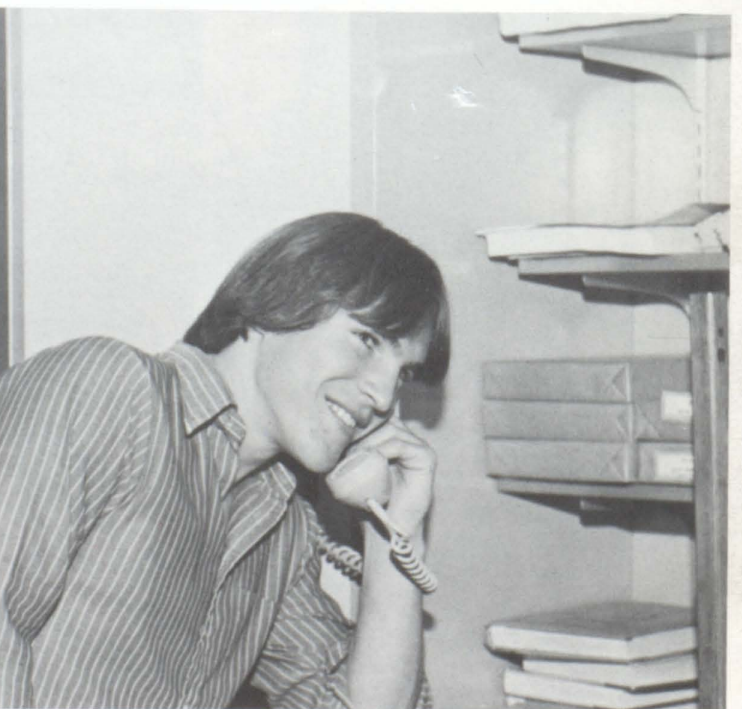

If Mrs. Samuels only knew.

This year, Senior Day was held on Friday, October 28. Practically every girl in the senior class was seen wearing a corsage of orange carnations. Senior band members received their corsages during the pre-game exhibition of the Latrobe-Hempfield football game, while ushers received their corsages before homeroom.

Most Seniors attended the activities that took place at GLHS during their last year here. The class play and musical were well attended, as was the Fine Arts Festival. The Senior Dinner Dance provided a chance for the Seniors to get together in a semi-formal atmosphere. The prom, the highlight of the year, was always on everybody's mind, because it was the last formal gathering for many of the Seniors who would soon be going their separate ways.

**Clockwise starting upper left:**

I can never find anything in here.

Seniors have the power!

It may not cut grass, but it sharpens pencils!

This test could be a challenge.

Mom, I told you not to call here!

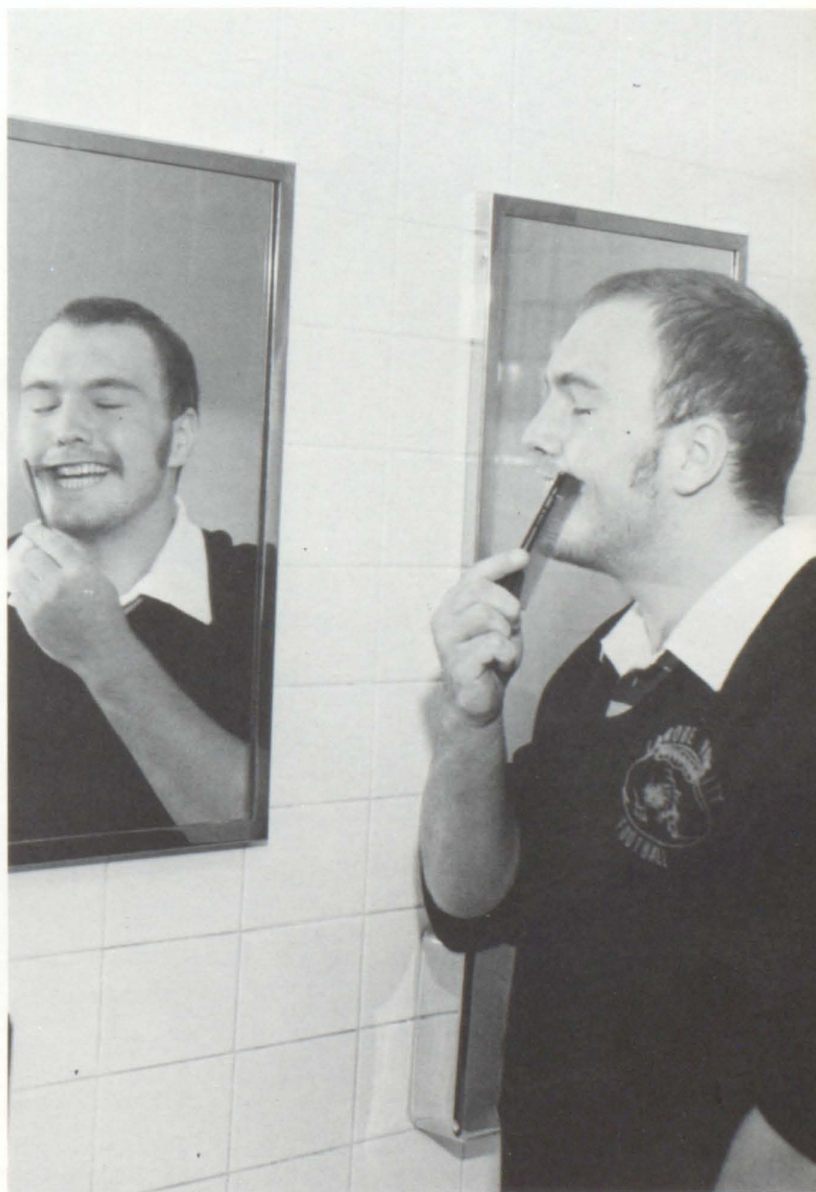

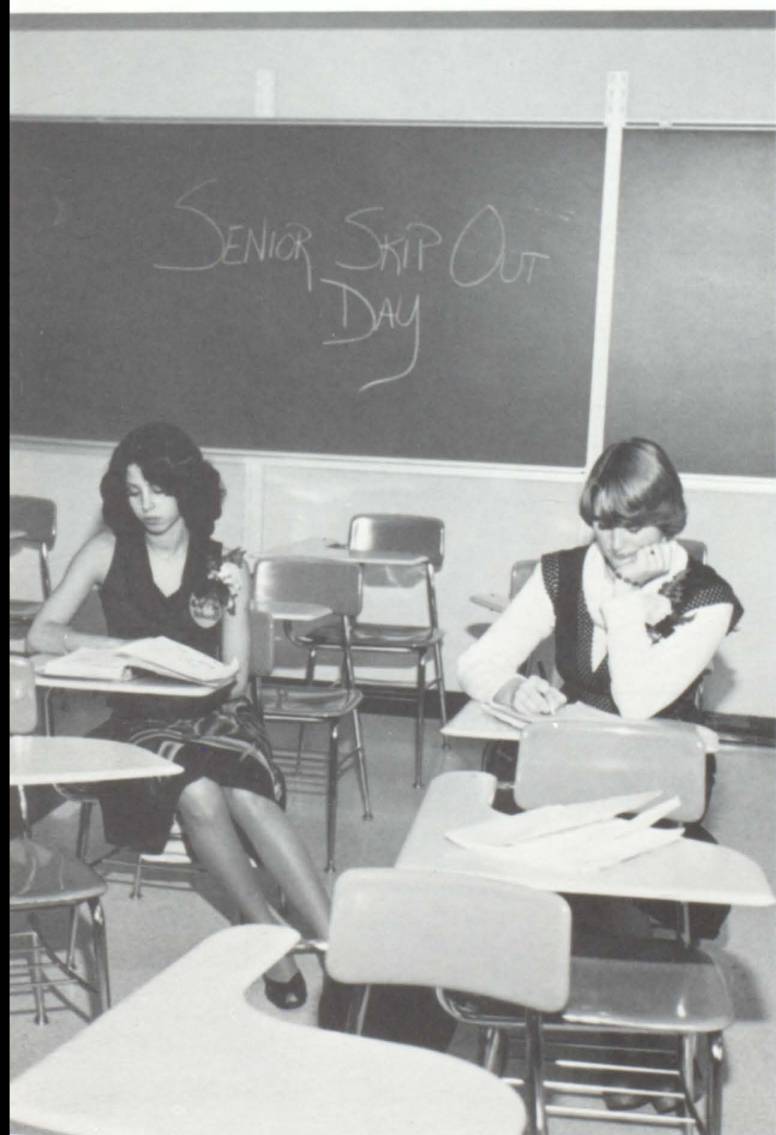

Senior year was somehow different from the other years. All the familiar faces from the Seniors' junior year were gone. Now, instead of having somebody to look up to, the Seniors were the ones being looked up to.

The Seniors had many last-minute things to do. At the end of the year, many Seniors began wondering if they really did have enough credits to graduate. There was make-up work to be completed and library fines to be paid. When the yearbooks arrived, Seniors rushed around trying to get their books signed by all their friends. Suddenly, the Seniors realized that they wouldn't be seeing many of these familiar faces for at least five years, maybe not even then.

**Clockwise starting upper left:**

Are you sure that's how the "Pledge of Allegiance" goes?  
Round and round they go.  
What a face!  
We thought they were just kidding!  
"Seniors rule the school!"

Reflecting back on the year, school wasn't as bad as the seniors sometimes made it out to be. And at times it was kind of fun. This year, the class of '78 showed its' spirit by bringing back the senior tradition more than it had been for years. The seniors more or less started their own traditions, with the senior breakfast, senior tea, decorating cars for graduation, and the slide show as the concluding senior assembly. Being a senior was a year of carefreeness for most students. It's the year when getting detention was funny, and acting like a complete fool was accepted. Being a senior was also an easy way out in making excuses for something that is somewhat daring, or attending a function one never attended before. Who could ever top the typical line ... "What the heck! ... it's my senior year." and what a year it was ...

**Clockwise starting upper left:**

I'm not going to get trampled in any fire drill!  
 The bald eagles, they're not as rare as we think they are.  
 Now ladies and gentlemen, the 1978 Fourth of July King and his court.  
 a, s, d, f, space, d, u, m, m, y!

As graduation approached, arrangements were made for parties, anticipation built up more and more each day for the moment when they could really have the diploma in their hands! When the time finally did come, it was suddenly gone before one could totally comprehend its' importance. With graduates running around returning caps and gowns, saying goodbyes, congratulating each other and stopping for pictures, everybody seemed to be everybody elses friend. People who were hated were suddenly liked, and people who had always been friends meant more at that time than ever before. Seniors can look back on it all and realize that at graduation everyone seemed united, in a super friendly way. On graduation night, May 31, the class of '78 was the closest it had ever been and probably will ever be again! The seniors were ready to take charge of their lives; lives that they alone were totally responsible for. Looking back on the 1977-78 school year, seniors will always remember the year that they "ruled the school."

**Clockwise starting upper left:**

## IN MEMORIUM OF JUDY

"Fondly We Remember"

Though gone you are from present life,  
Though gone from family;  
You cannot leave the hearts of friends  
Who hold your memory.

So many people loved you for  
All the things you were;  
And hearts were grieving heavily  
The day you were interred.

'Twas tragedy, that summer day,  
When Death reached for your hand.  
So many people were confused,  
So few did understand.

A hundred tears fell on that day,  
Some eyes are crying still.  
Fondly we'll remember you  
Each day — we always will.

No day will pass us by without  
The thought of you in mind.  
You'll be remembered many ways  
By friends you left behind.

## Outstanding Seniors

Tracy Piper

Chris Todd

Lisa Kozenko

Mary Beth Keim

Rodger Plyler

Ten students from the class of 1978 were selected to represent their class as outstanding seniors. Every year, students are selected from the graduating class because of their achievements in their particular fields.

This year, however, two students received double honors. Bill Hassan was chosen outstanding in both Scholarship and Leadership, while Mary Beth Keim was chosen outstanding in the areas of vocal and drama.

## Receive Recognition

**Bill Hassan**

**Sue Dunlap**

**Jim Erny**

**Janice Glitsky**

**Lisa Zoppetti**

Along with these students, Tracey Piper was selected as outstanding in Vo-Tech, Chris Todd in Forensics, Susan Dunlap in Business, Jim Erny in Industrial Arts, Rodger Plyler in Art, Janice Glitsky in Home Economics, Lisa Zoppetti in Journalism and Lisa Kozenko in Instrumental.

Each student was selected by the teacher or teachers of that field with the exception of Leadership, which was decided by a class vote. The class of 1978 wishes to recognize and congratulate these ten seniors for their accomplishments.

## Netherlands

... Once in a vision  
 I came on some woods  
 And stood at a fork in the road  
 My choices were clear  
 Yet I froze with the fear  
 Of not knowing which way to go

One road was simple  
 The other road offered sweet peace  
 Acceptance of life  
 When I made my decision  
 My vision became my release

## "Juniors Never Stagger"

The '79 graduating class of GLHS proved to be stiff competition for both the sophomore and senior classes this year. The "middle men" got together and really presented a challenge for the Seniors in the AFS Mile of Pennies Race. Although the Seniors won, the Juniors gave them a couple of scares. It was a close competition; the Juniors trailed by only \$43.51. Also, the "Jolly, Jolly Juniors" actually managed to outyell the "Silly, Silly Sophomores" and "Mighty, Mighty Seniors" at the Latrobe-Greensburg pep assembly.

### Clockwise starting upper left;

Be the man with the van instead of the girls with the hair.

Donna & Scott sitting in a tree . . .

Well, just another day gone by.

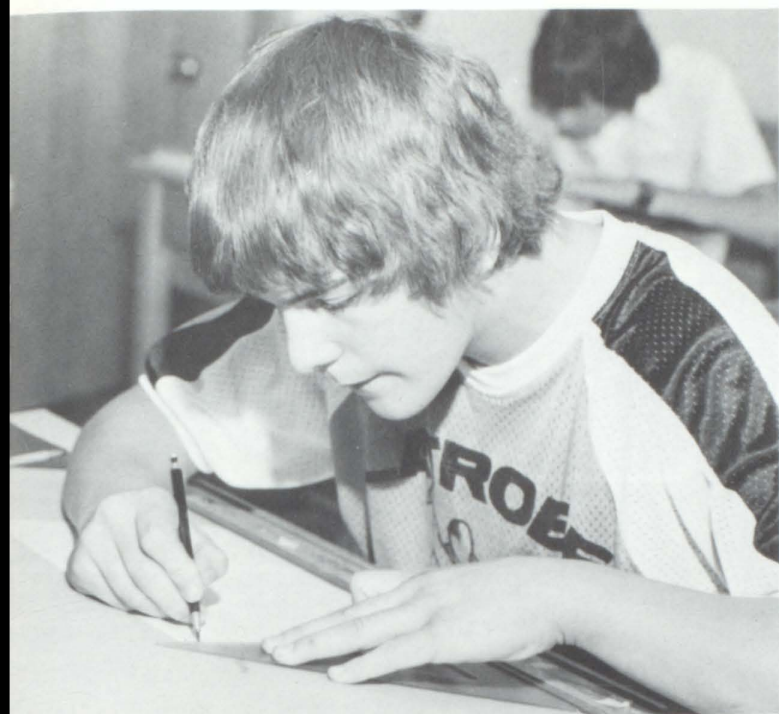

Have you got yours?

I wish someone could bring the bathroom to me.

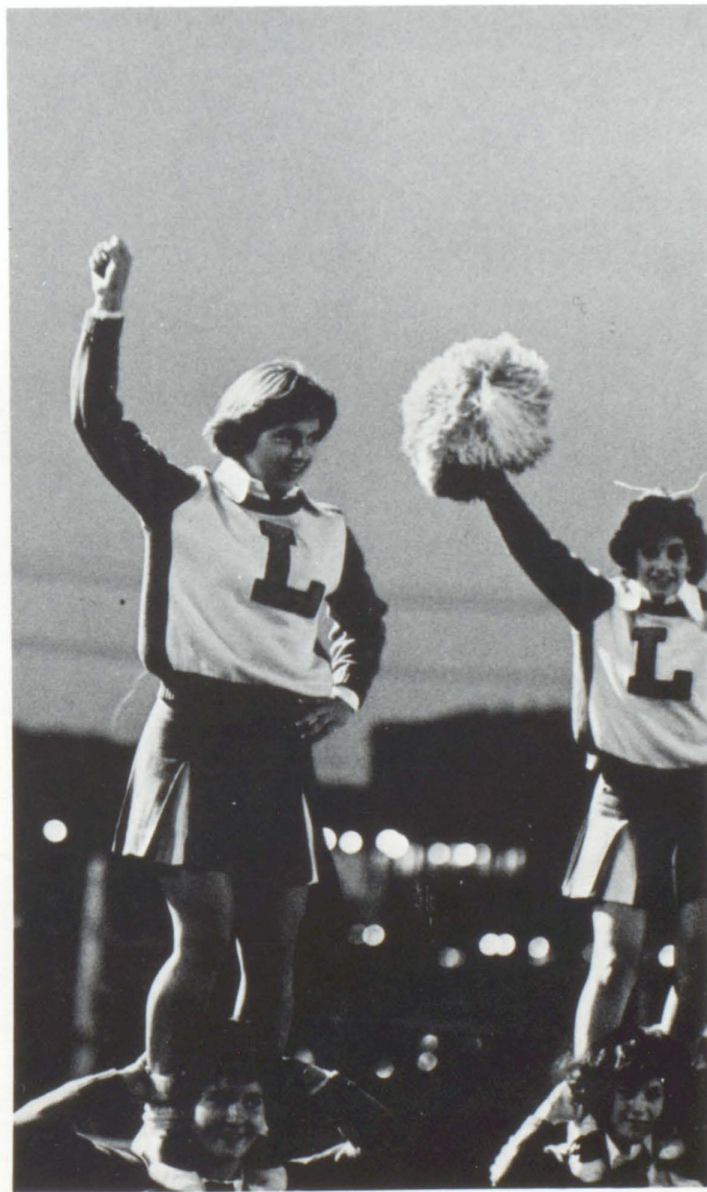

The Juniors were the first class to elect two presidents. The students voted in Katie O'Connor as their female president and Chris Davis as their male president. The Juniors also changed their class rings by substituting a shield with the letters "GL" engraved on it for the traditional lamp of learning. The Juniors were the first group of students to complete two years of open concept schooling at the 8-9 Annex. Even though the Juniors made it rough on the seniors at times, their feelings were shown at the Latrobe-Hempfield pep assembly as the junior cheerleaders led both classes in the cheer, "We love you Seniors, oh yes we do . . .

**Clockwise starting upper left:**

Latrobe High School's Latest Fad.  
An outhouse would have been alot easier.  
Let's get fired up.  
Now, let me see did I forget anything?  
Now, what's this nonsense about detention?

Juniors bridged the gap between the Sophomores and Seniors. Entering the second year of high school, the Juniors were already settled into the patterns and routine of GLHS.

However, only one more year is left for them. Next year, they will step into the shoes of this year's Seniors to carry on the traditions that have been firmly established at GLHS for a long time. They will finally take their places as the "Mighty, Mighty Seniors" who "rule the school."

**Clockwise starting upper left:**

If it wasn't working we wouldn't be laughing.

JACKPOT!

Wait you guys, there has to a better way!

I don't think they're biting today.

Pop goes the weasel.

## "Sophomores In"

The Sophomores began their first year in the West Wing by stepping into the footprints of the others who went before them. The "Silly, Silly, Sophomores" had to get used to a whole new way of school life. Class loads were especially heavy; sometimes they premitted only one study hall per week. Time schedules and teachers were some of the other changes that the Sophomores had to adjust to. The biggest change, though, was that they no longer had anybody to rule as they did when they were in the Annex. Now, the Sophomores were subject to the traditional, long-standing jokes and nicknames that will always be associated with them.

**Clockwise starting upper left**

Hey Mom, you'll never guess what happened!

Is it soup yet?

There has got to be a faster way.

Don't blame Desenex!

My constant shadow.

During the first few weeks, one of the major adjustments the Sophomores had to make was getting used to walls and windows again. Complete concentration was possible once more. They were no longer continued in one open, windowless "house", but were free to move about from room to room.

Entering into a different school full of new names and new faces upset their sense of belonging for a while. As the weeks wore on, though, the Sophomores began to sense their place in the school and realized that they played a role just as important as the roles of the Juniors and Seniors.

**Clockwise starting upper left:**

This sure beats Biology!

Sometimes you feel like a nut, sometime you don't.

Go "Louie" go!

How do you spell relief?

He's mine. No, he's mine!

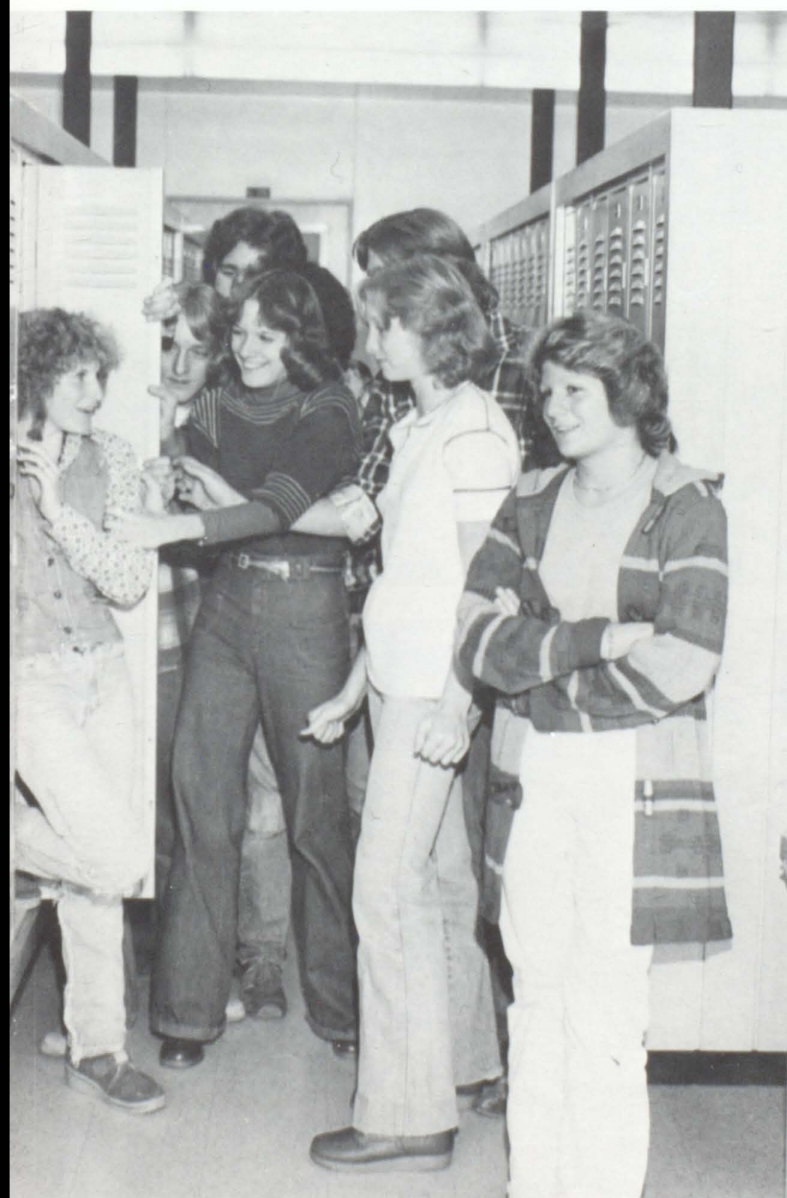

Involvement in more clubs and activities added to the social lives of the Sophomores. The Sophomores had a difficult time deciding which of these various clubs to join, but when they joined them they met a lot of new people and, at the same time, gained many new friends. The choice of a class ring was another confusing decision that the Sophomores had to make. It took time to finally settle on the style of the ring that they will be wearing for the next two years. Sophomores will return to GLHS next year as Juniors, all ready to "boss around" the next group of Sophomores.

**Clockwise starting upper left:**

I think we found our purse thief.  
This better be a good surprise.  
Who would be dumb enough to buy a ring like that?  
So, this is where you've been hiding!  
Are you sure this is what he meant when he told us to put our heads together?

## Thinking

As I sit here thinking  
about life present and past,  
I realize that it keeps moving  
and time just doesn't last.  
The sophomores and the juniors  
have just a year or two to go,  
Before life reveals what's in store for them  
and this they do not know.  
We must say good-bye to our senior friends  
with whom that we compete,  
Who are on their way to college  
to help make their life complete.  
As I sit here thinking  
about life present and past,  
I realize that it keeps moving  
and time just doesn't last.  
The class of 79, will soon holler  
"Seniors Rule the School",  
While the class of 80 laugh  
and say it's a silly rule.  
We begin to think of our future  
and life in another phase,  
And exactly what we'll be doing  
in the up-coming days.  
And as I sit here thinking  
about life present and past,  
I realize that it keeps moving  
and time just doesn't last.

Reflections  
of the  
personnel

## Dedication ...

The 1977-78 Latrobean Staff wishes to dedicate the Personnel Section to Mrs. Eleanor Gadd, who retired from teaching at the close of the 1976-77 school year.

Majoring in History, Mrs. Gadd attended Bryn Mawr College in Philadelphia, Pennsylvania. She continued studying at the University of Pittsburgh and received her Master's Degree in 1945. She completed further graduate study at Indiana University of Pennsylvania.

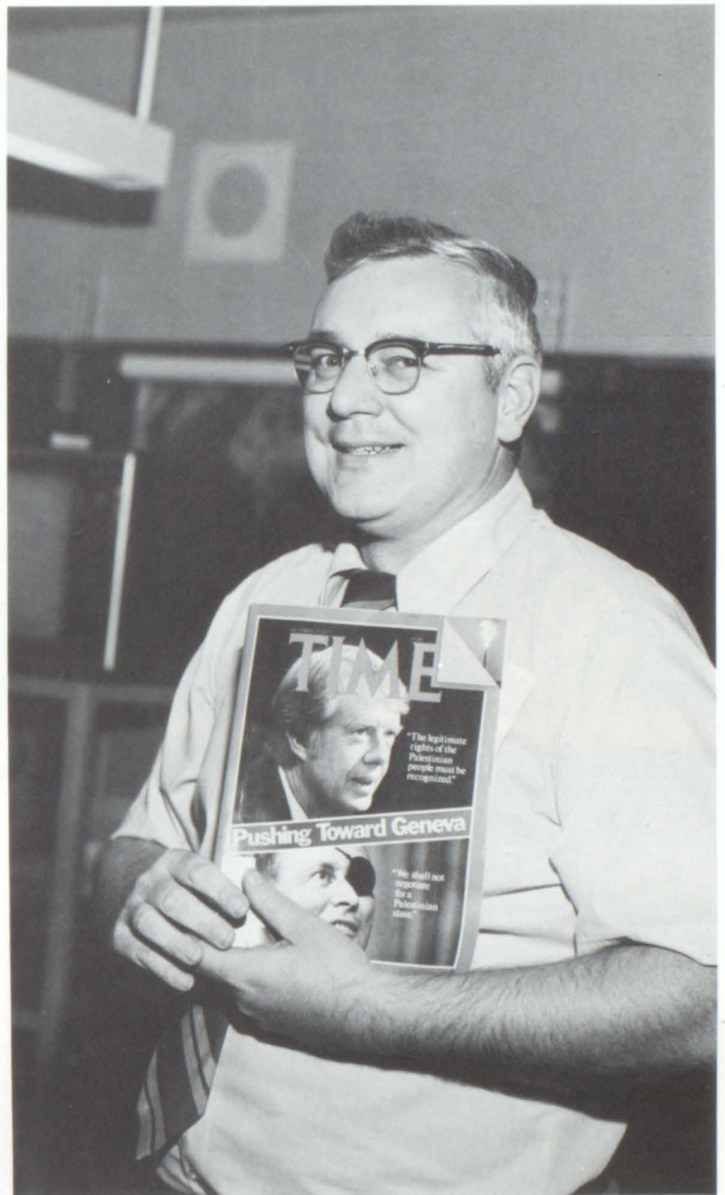

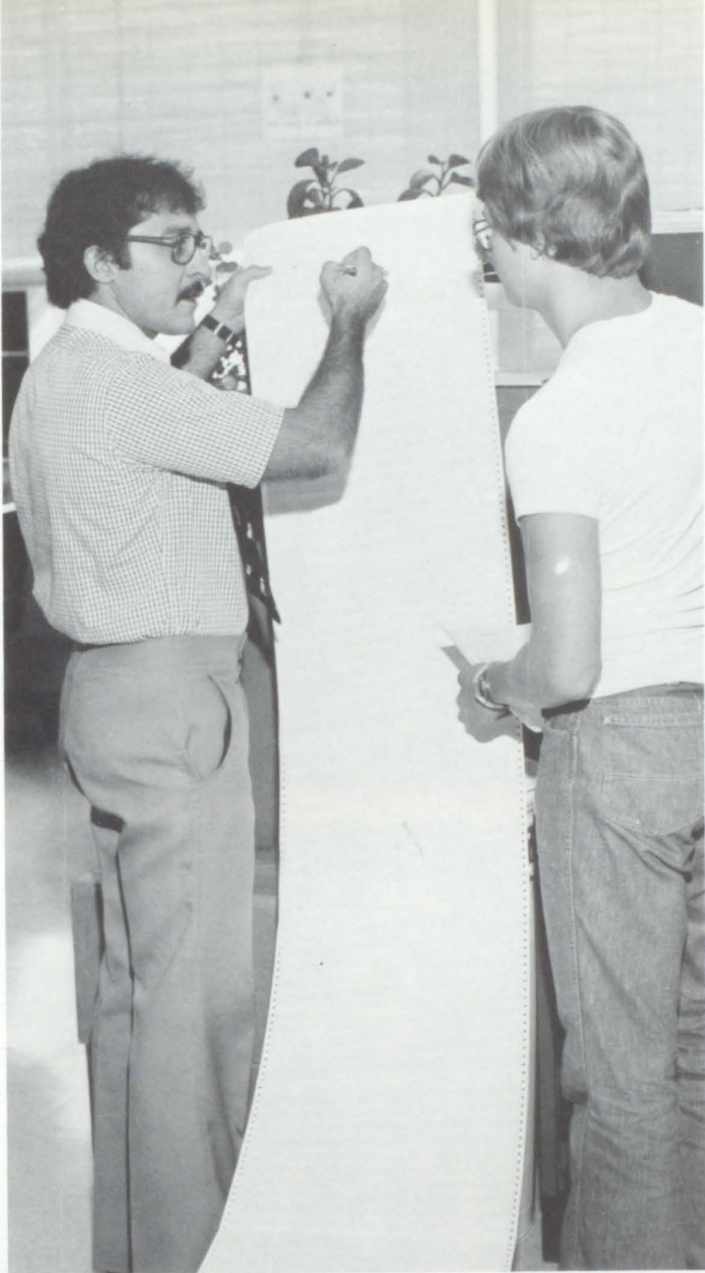

Mrs. Gadd was a World Cultures teacher at GLHS for 32 years. She spent the last six years teaching "Modern Wars", a one quarter course required of all sophomores.

Mrs. Gadd has many interests that keep her busy. She owns four dogs, enjoys quilting and delights in refinishing antiques.

When asked how she felt about retiring, Mrs. Gadd replied, "I enjoy being able to do what I want, at the time I want, without having to wait for a bell to ring."

The Personnel was the backbone of the school. Although students may not have realized it, each member of the staff: administrators, guidance counselors, teachers, secretaries, cafeteria workers, and custodians played an important role in the life of the student. By making and enforcing rules and regulations, the administrators made sure that the students conducted themselves properly. By providing information on colleges, jobs, and trade schools, the guidance counselors helped students to make the most important decision of their lives — what to do after high school. The teachers of GLHS also helped in preparing students for the future by teaching subjects that would be useful to them in later years. Finally, the secretaries, cafeteria workers and custodians helped to organize, prepare food, keep the school clean and run it as efficiently as possible.

This is your homework for tonight!

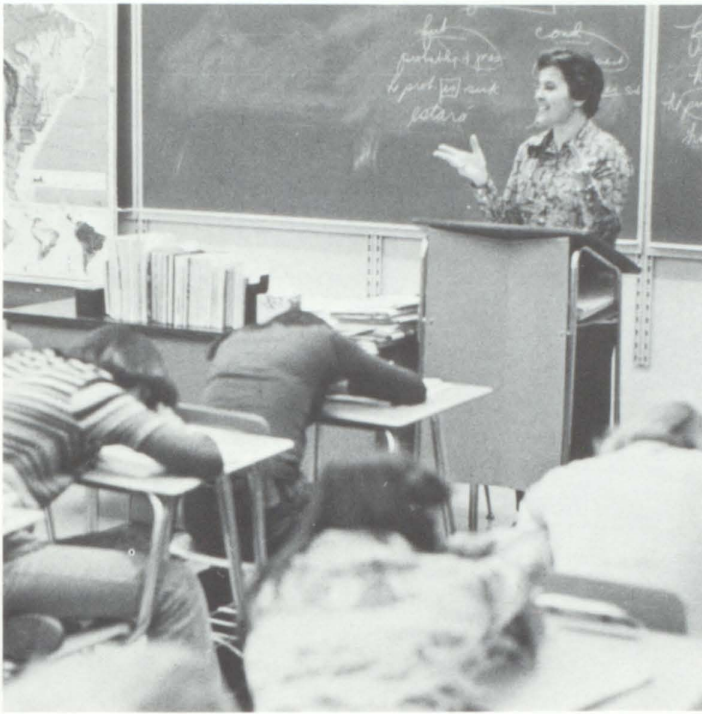

My idol.

To the speech teacher who can talk for eight periods and not say anything!

Teachers are a special group of people, especially the teachers of GLHS. Many teachers served as advisors to clubs or coaches to sports. They spent a lot of free time helping students not only educationally but personally as well. If a student did need extra help with schoolwork, the teacher cared and taught him or her during study hall or even after school. This year, teachers tried to vary the traditional "lecture and take notes" classroom situation. Offering variety with frequent field trips, internships, and using many audio-visual aids helped the student put their knowledge to more practical use. Initiating more classroom discussion, numerous lectures and playing simulation games also helped to round out the students education.

... and another interesting thing about it is ...

You, you're the one!

The new school discipline policy in action!

Now that's what I call a figure!

Teachers showed in many ways that they were not **just** teachers. They realized that they didn't always know all the answers but they tried and struggled through learning right along side with their students. The high school was foreign not only to sophomores, but to the new teachers as well. At first they were the victims of student pranks but soon became wise to them. Many of the "old" teachers were challenged with new courses that they were required to teach. Like others, teachers had their good days as well as their bad. They learned to overcome the bad ones and gave their full effort to teaching each day. Some of the unpleasant duties of teaching consisted of correcting tests and homework, figuring out grades, and putting up with cafeteria and hall duties. Acting as chaperones at dances, participating in the Gong Show, and judging the Christmas home-room decorating contest are just a few of the ways teachers got involved with the many aspects of student life.

And my students think Trig. is hard!

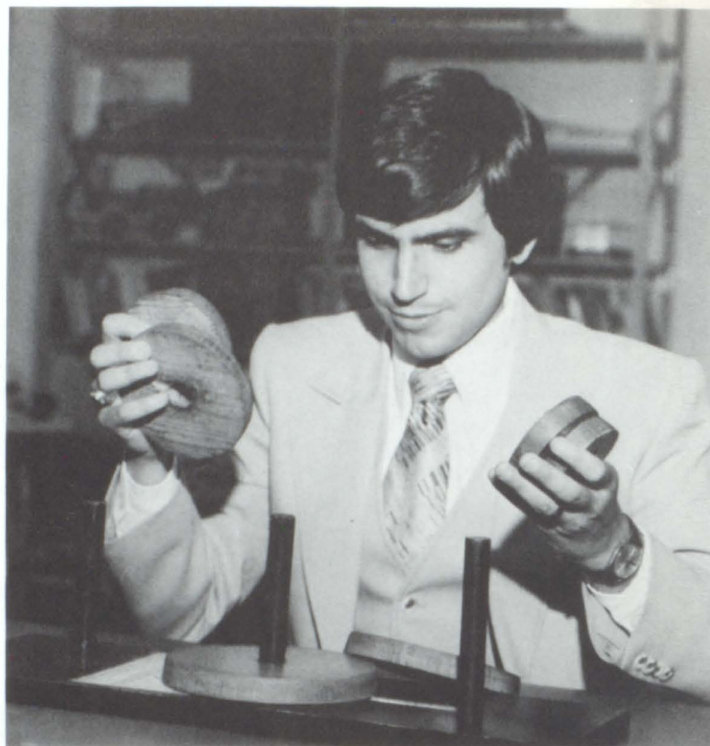

Oooops! We could have had a V-8!

There must be an easier way.

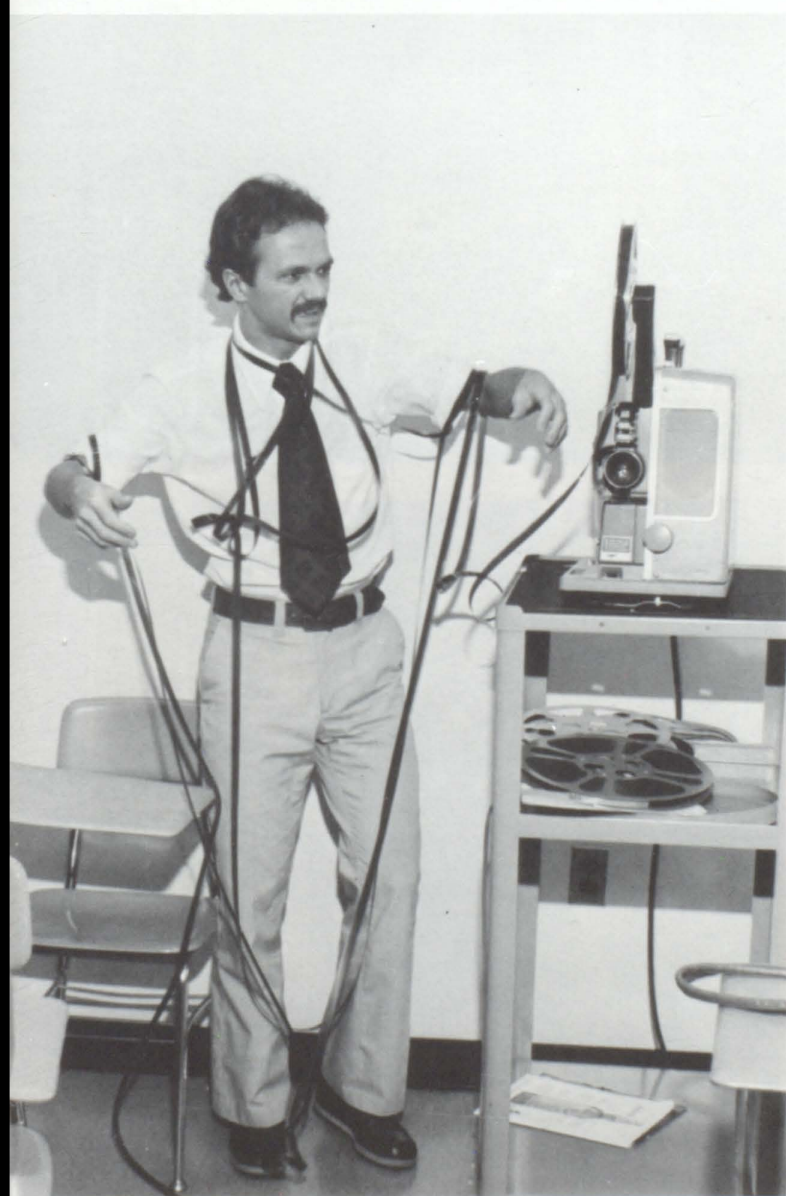

It's just been one of those days!

Me and my shadow.

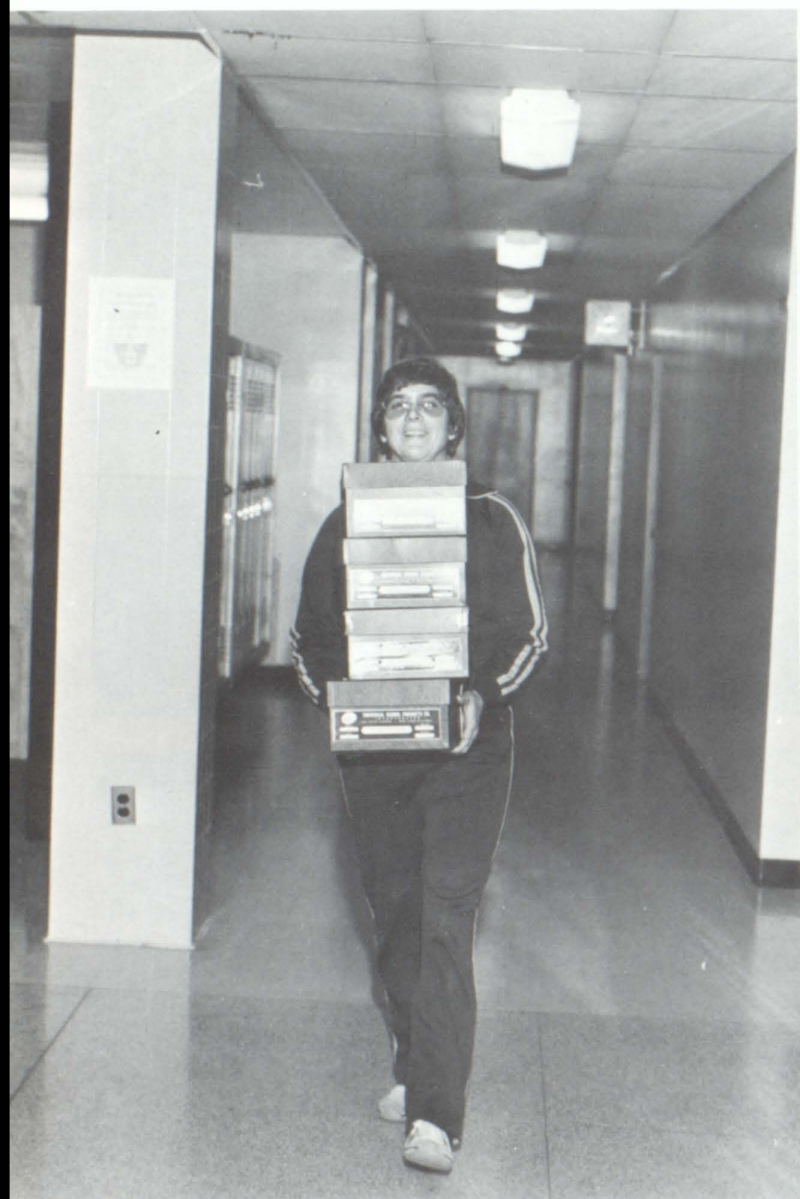

A most honorable Chinese scientist.

When teachers took time out from their classes, students discovered that teachers too, had a sense of humor. The student/teacher relationship changed from a disciplined atmosphere to a time where they could laugh and joke about the same things. Outside the classroom, teachers were able to share a part of themselves with fellow teachers. During a free period, teachers could go to the faculty lounge to relax, have a cup of coffee, or chat about anything and everything.

Fond memories are left behind of the faculty. They helped make the students aware of their own self development, which in turn hopefully leads them to an effective, healthy, and happy life . . . We'll remember.

## Business Staff

Memories are a big part of your high school years. Without the Yearbook these memories would not be able to stay alive in our minds. Without the help of local businesses and patrons in our community, we would not have been able to have our **Latrobean**. We the business staff of G.L.H.S. wish to thank the Greater Latrobe community for their support in the 1978 **Latrobean**. Without your support our Yearbook would not have been possible. Once again, a grateful THANK YOU!

## Our Song

Been livin' scheduled days for quite awhile  
Hopin' some day it will pay.  
Been seein' the same faces everyday  
But never lookin' past the smile.

Been hearin' about the future  
How tough the road will be.  
Makin' choices, takin' chances  
Finally seein' reality.

Been singin' a song for years now –  
Verses passin' by.  
The tempo's changin' – words rearrangin'  
Nothing left to do but smile.

Been chosin' friends all through our song  
Wonderin' how long they'll last.  
But time ticks on . . . and before you know it  
Twelve years have come to pass.

Been singin', now for quite some time  
and there's still so much to go.  
Been better singin' harmony  
Than puttin' on a one man show.

Been singin' a song for years now –  
Verses passin' by.  
The tempo's changin' – words rearrangin'  
Nothing left to do but smile.

The Latrobean Staff would like to say "Thank You"  
to Mr. Robert O. Schmucker for buying this page, even though  
he already has an ad in the book. He did it because  
he's a "nice guy"! "THANKS DAD!!!"

To Bonnie & Jackie,  
Hope you have ALOT of Excedrin for next year – you'll need it!!! GOOD LUCK!

Love, Leighsa & Dee

# THE FINEST ART THE MOST EFFECTIVE 1978 TO COLLECT IS THE ART OF LIVING

## Reflections

Reflections in the water,  
Of the person you must be.  
Reflections in the mirror,  
Is it "you" you really see?  
Reflections in the eyes  
Of the people that you love.  
Can they really tell  
What you're thinking of?

Reflections of our lives,  
Of a year that's come to pass.  
Photographs and memories,  
Are the things that make them last.  
Reflections make you happy,  
Depressed or even mad.  
You know you cannot change,  
The reflections that you've had.

Because each school year is unique, the 1978 Latrobean staff wanted to make this book completely different from the books of the previous years. Remembering that this book belongs to all of the students, we tried to include everybody. One way that we accomplished this was through the use of candid ideas which the students themselves submitted.

At this time, we would like to express a warm "Thank You" to all of the people who helped us to reflect on the 1977-78 school year. Without their help, we could never have put the 1978 Latrobean together.

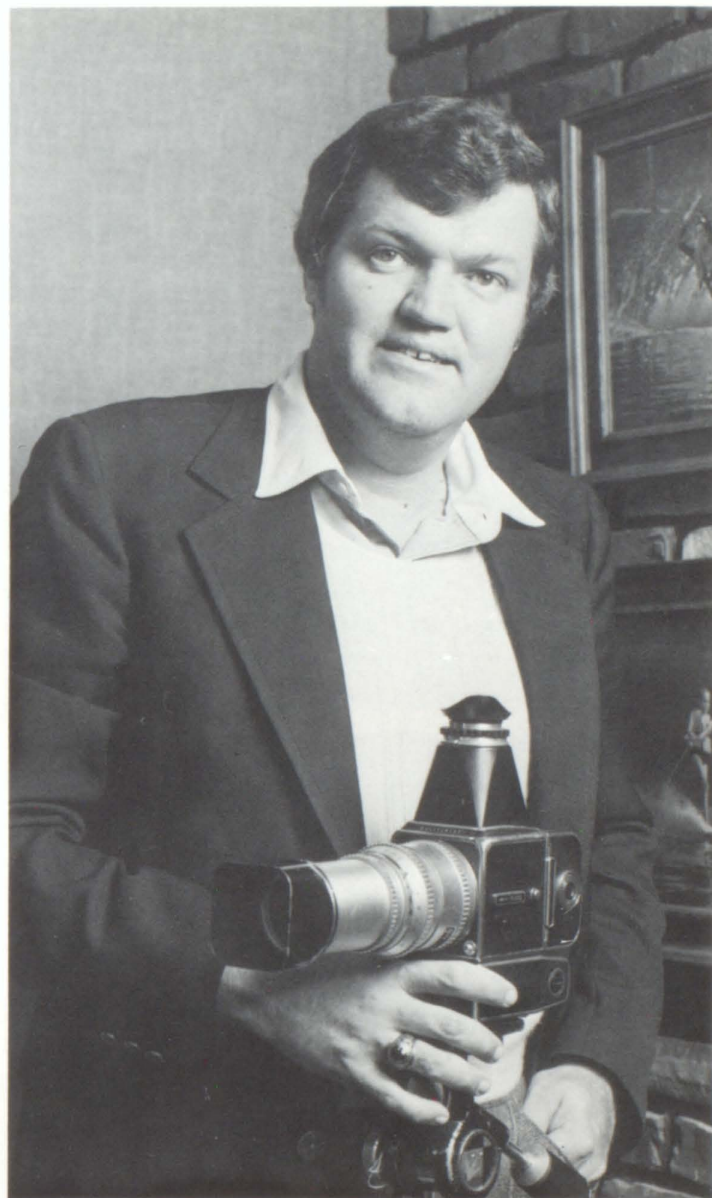

**HERFF JONES PUBLISHING CO.**, especially Mr. C.T. Miller, who worked long hours with 18 confused, picky editors.

### DeGLAU STUDIOS:

Mrs. Peggy Lipinski, the secretary, whom we bugged at least twice a day to see if our pictures were ready.

Mr. Terry Deglau, who used his professional talent and patience in taking each picture in this book.

**Mr. Henry Deglau**, who took all the senior pictures, some over and over again.

**Mr. Jim Ogden**, who spent a great amount of time, and concern in taking our cover picture.

**Mrs. Janet Henderson**, a "fine" advisor who willingly gave her knowledge and showed concern in all our problems.

**The Junior Latrobean Staff**, whom we always bossed around when little jobs had to be done.

**The Administration and Faculty**, who were cooperative and patient with us at picture time.

**Our Families**, who teach us to be responsible and to give the most we can possibly give in life.

**The Patrons and Advertisers**, who made this book possible through their financial support.

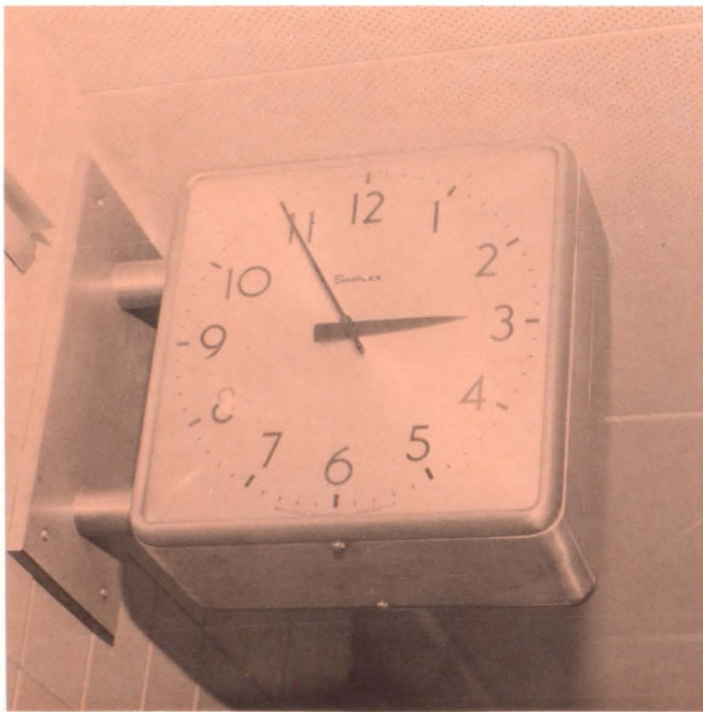

Reflections of '77-'78 proves how quickly a school year goes, a year, which seems endless each September.

We made new friends, and kept the old friends.

We were involved in the business of living with others, a business which can get as complicated as we, ourselves, but a business that never ends.

Each new year means new adjustments; sophomores had to adjust to being "low man", again; juniors had to adjust to being "middle-man", with some authority (over sophomores); seniors had to adjust to being "top man", THINKING they ruled everybody, and knowing that the future holds many uncertainties.

Teachers had to adjust  
to the ever-changing life style  
of young people, and  
to new rules and regulations,  
reminding us that we all  
have to accept some discipline.

For most of us,  
we got out of this year  
what we put into it.

Some worked hard,  
made a good impression, and  
received rewards for such efforts.

Some did enough to get by,  
made a slight impression, and  
received just average recognition  
for average efforts.

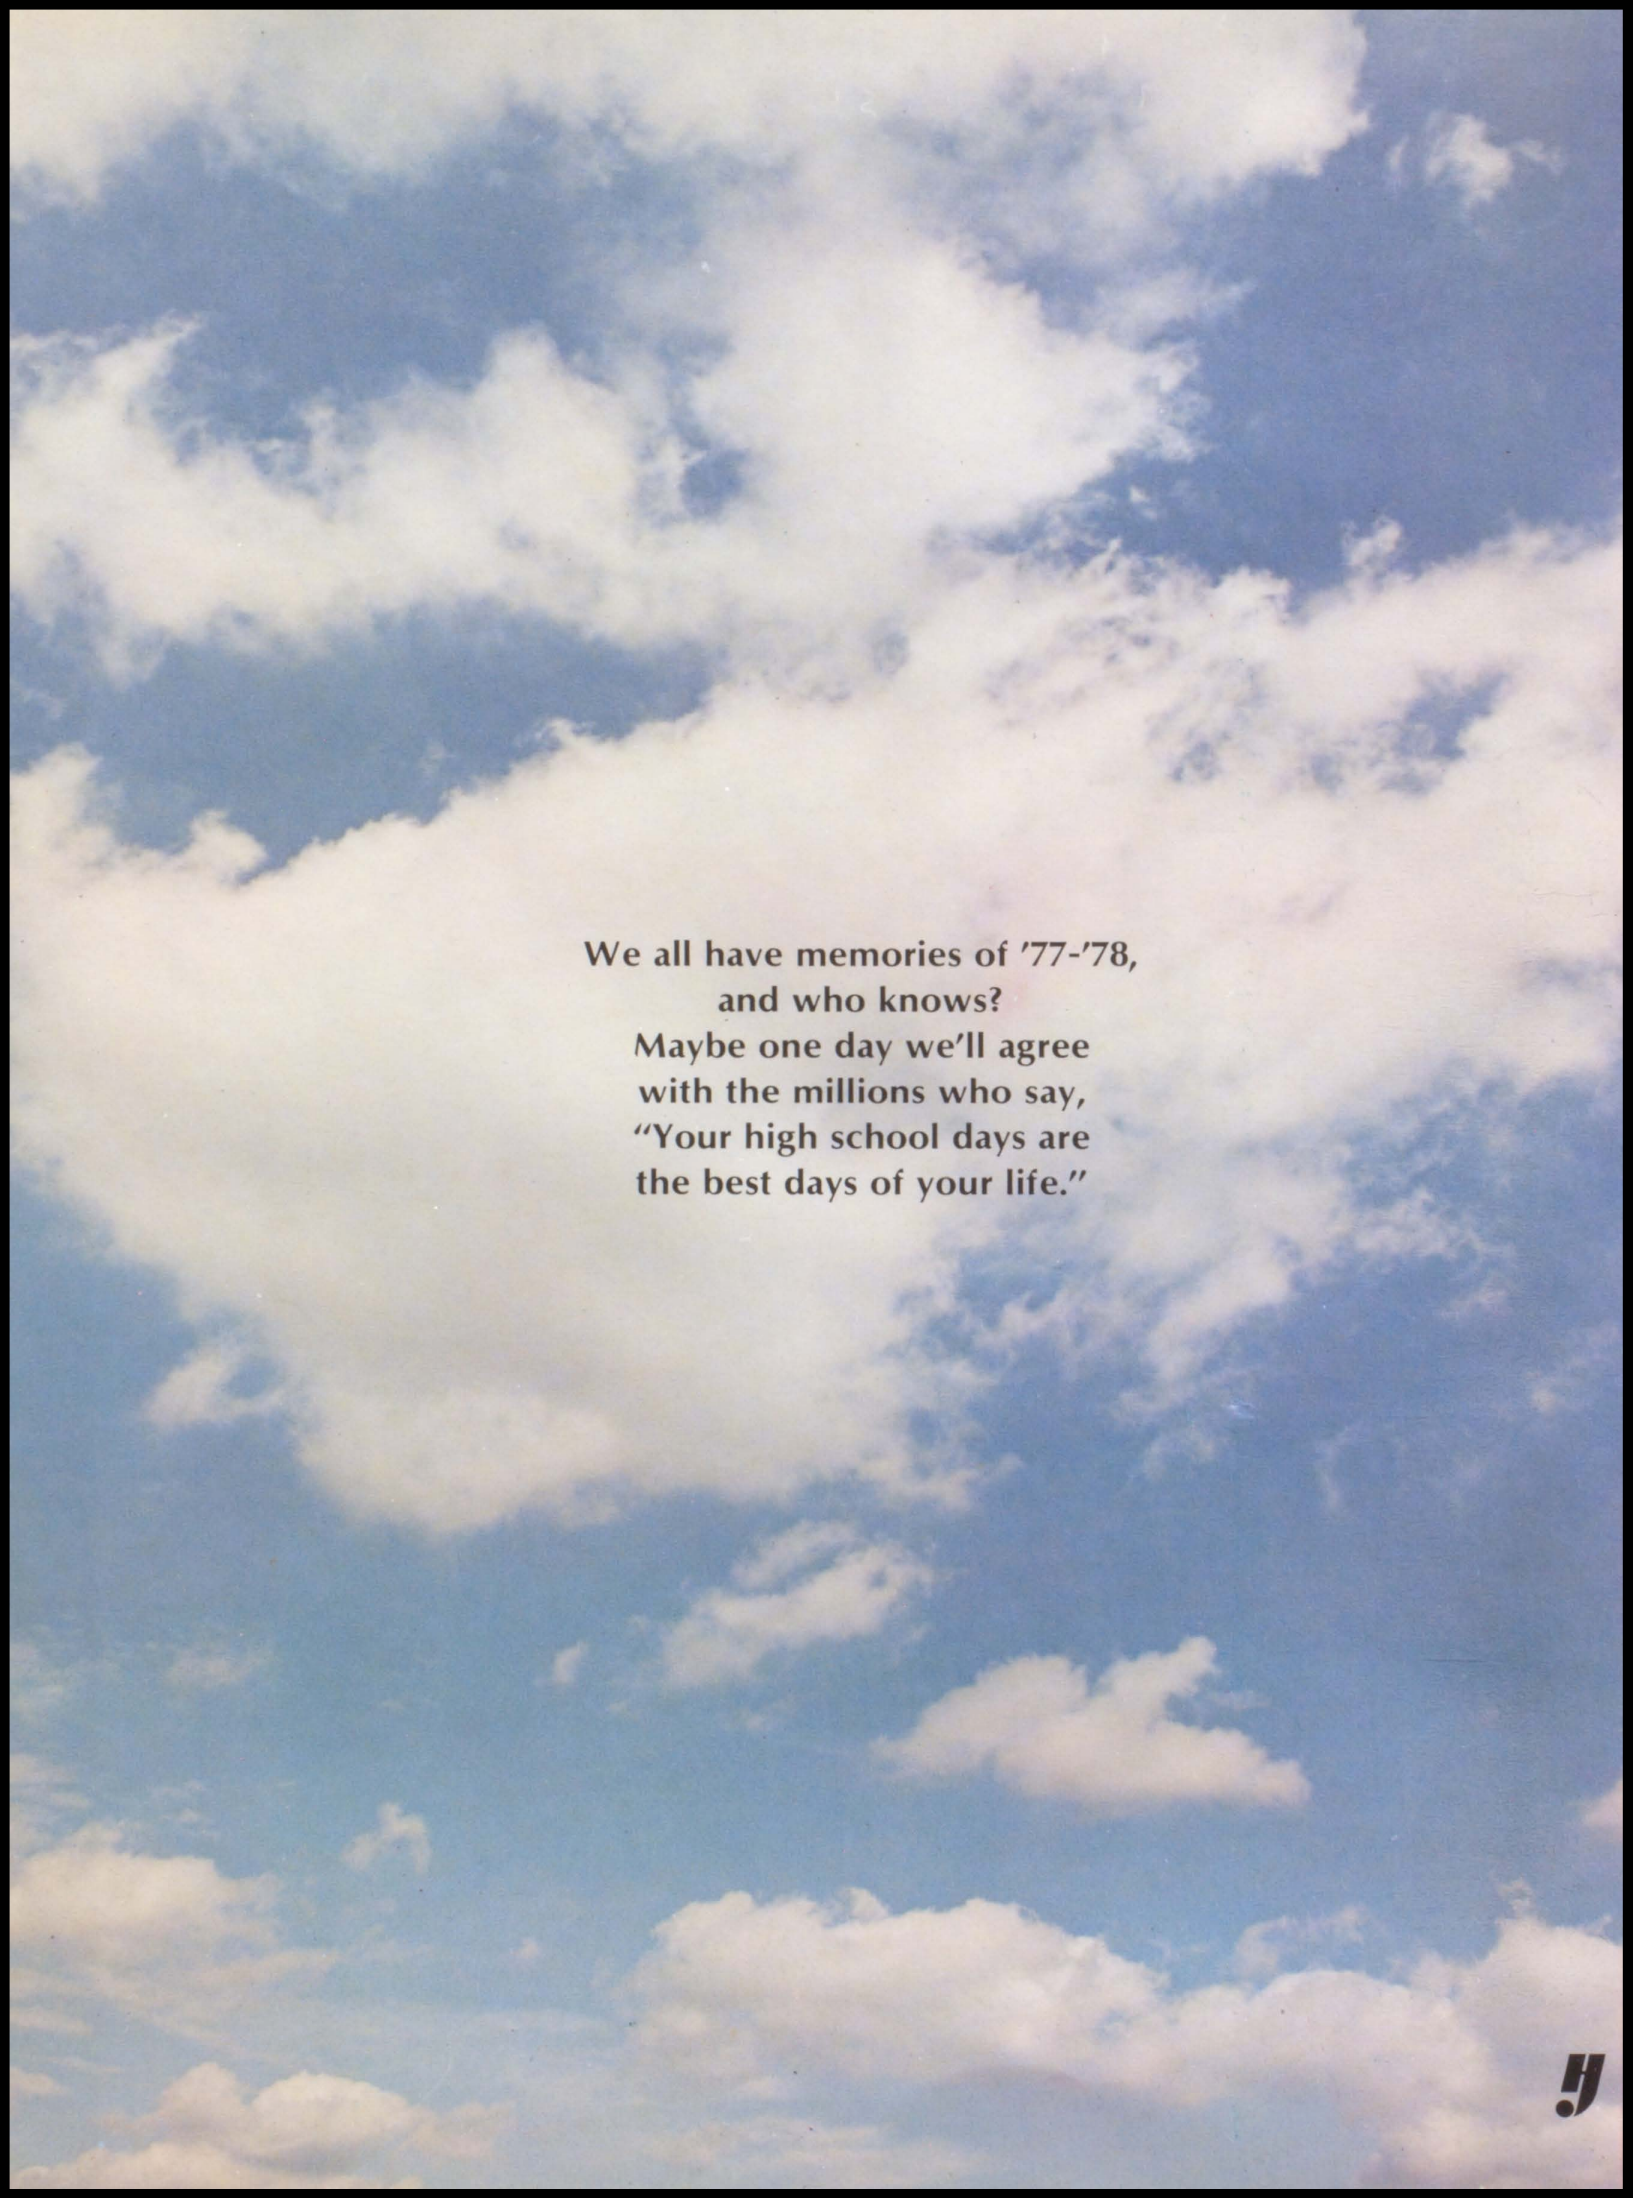

Some did nothing,  
made a bad impression, or  
no impression at all, and  
received nothing FOR nothing.

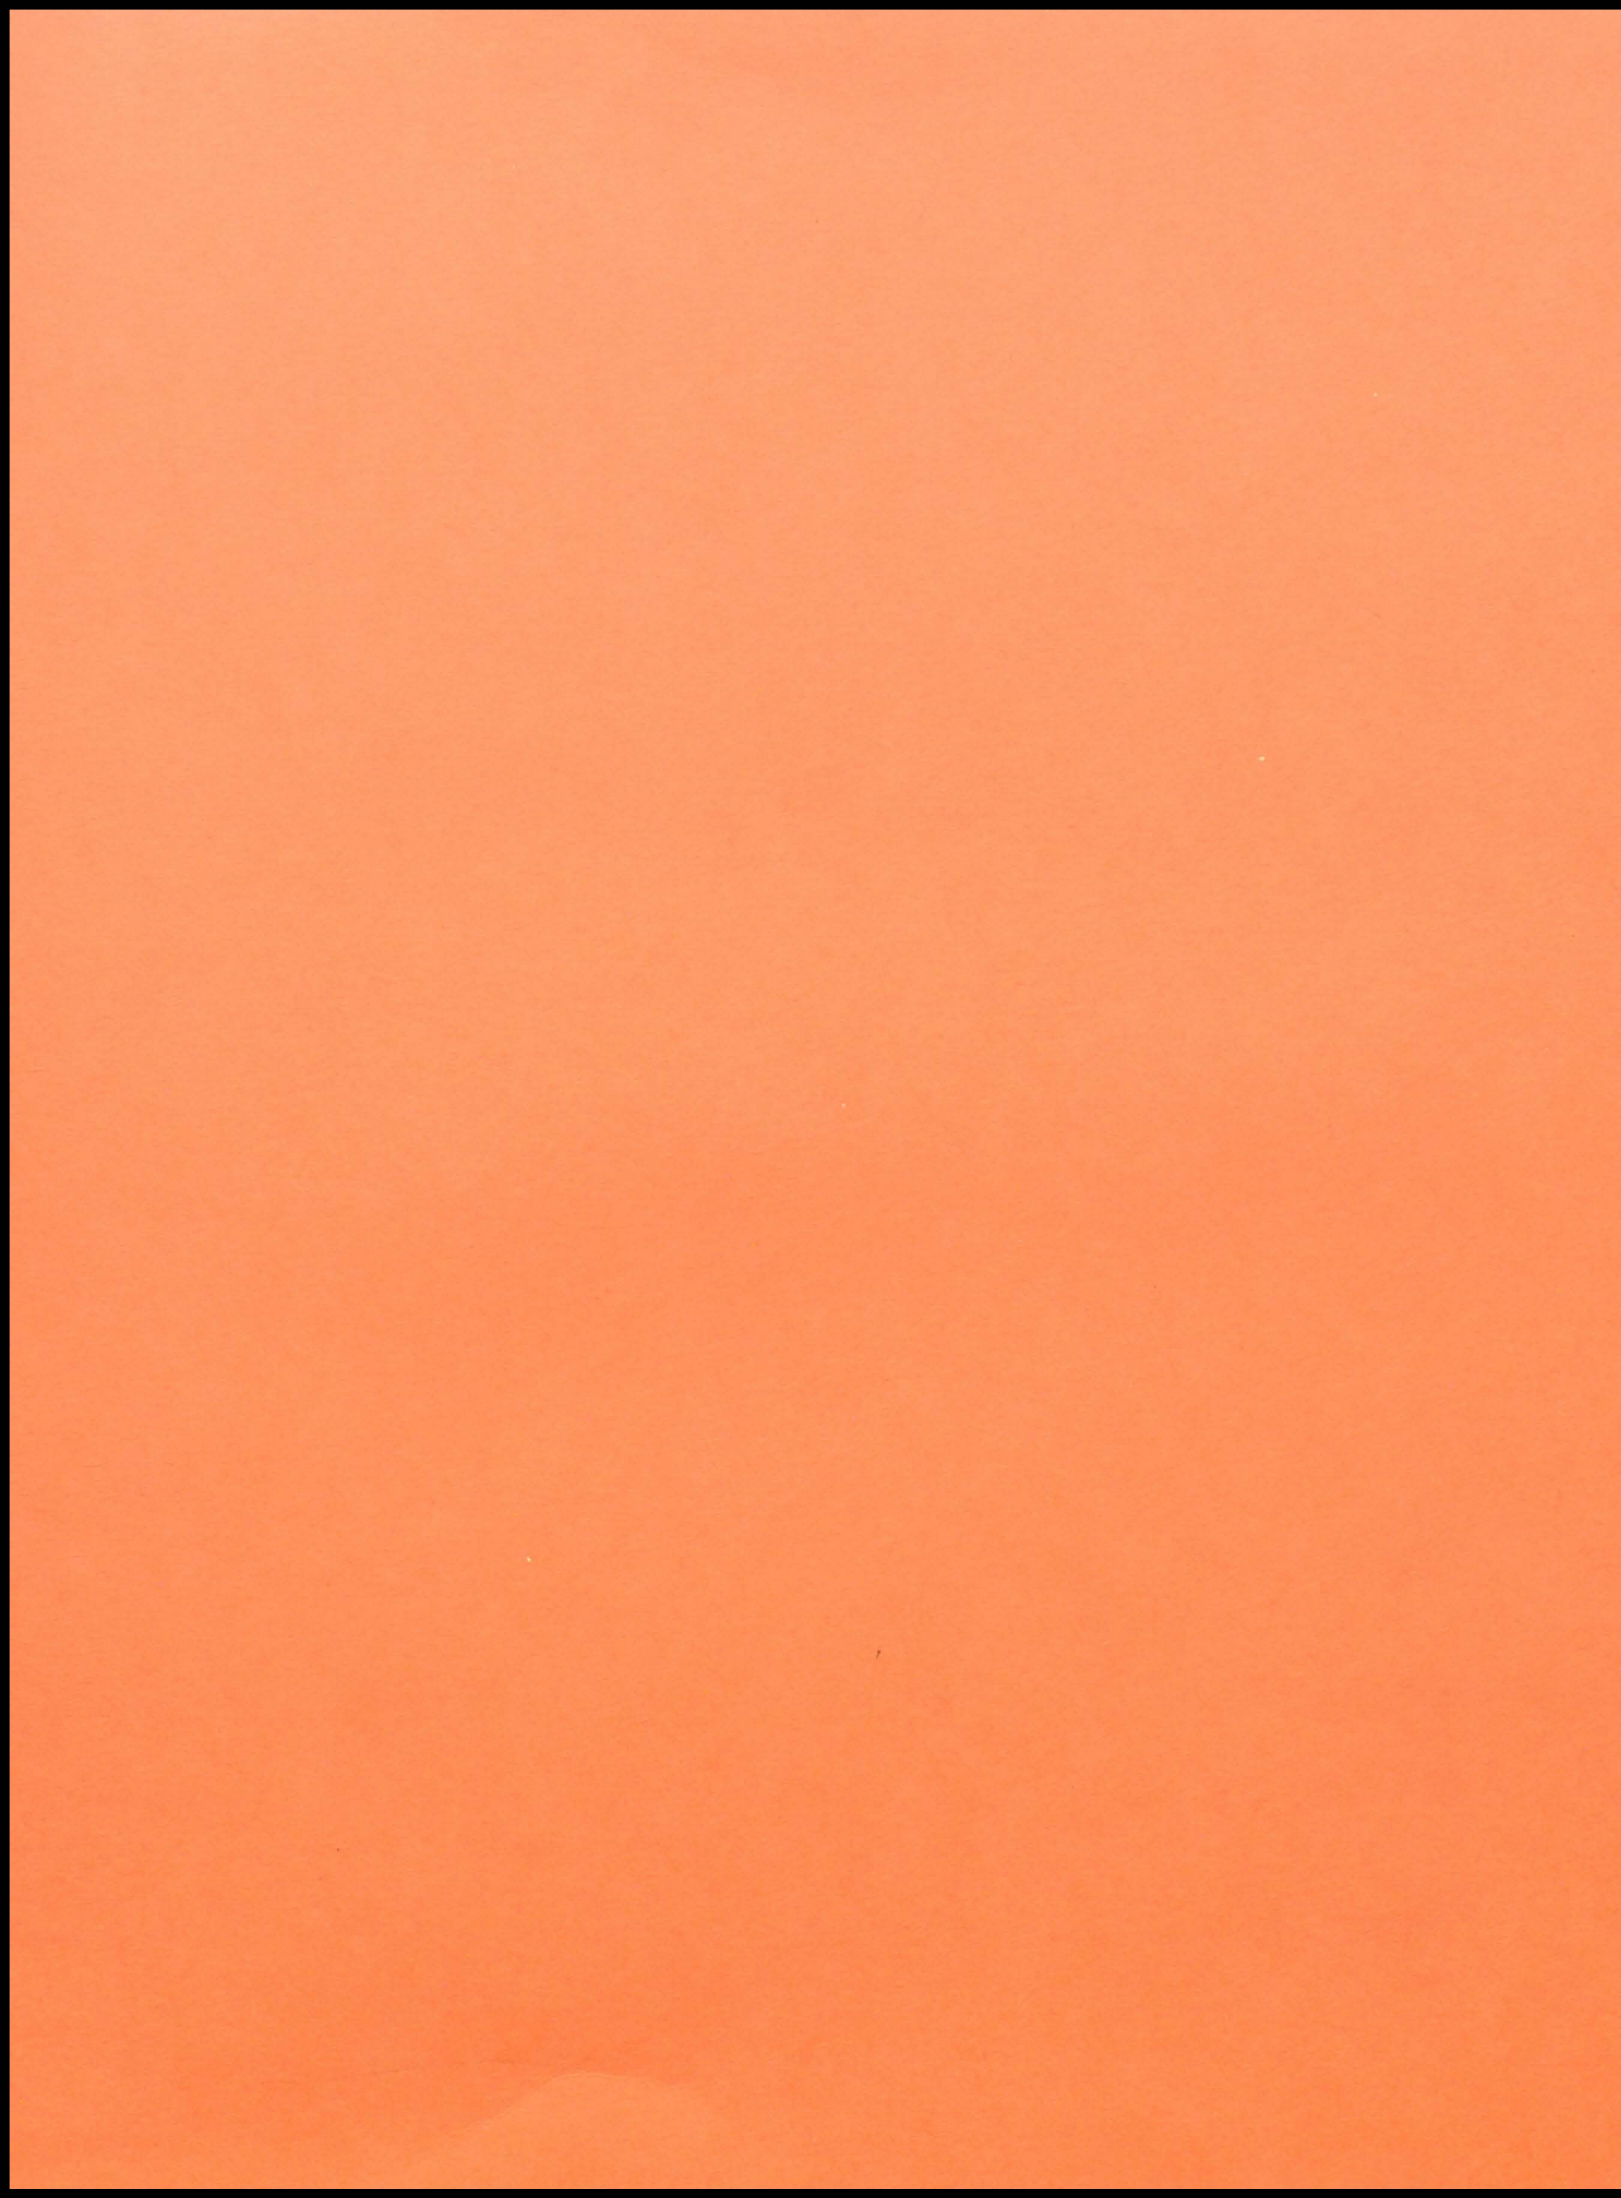

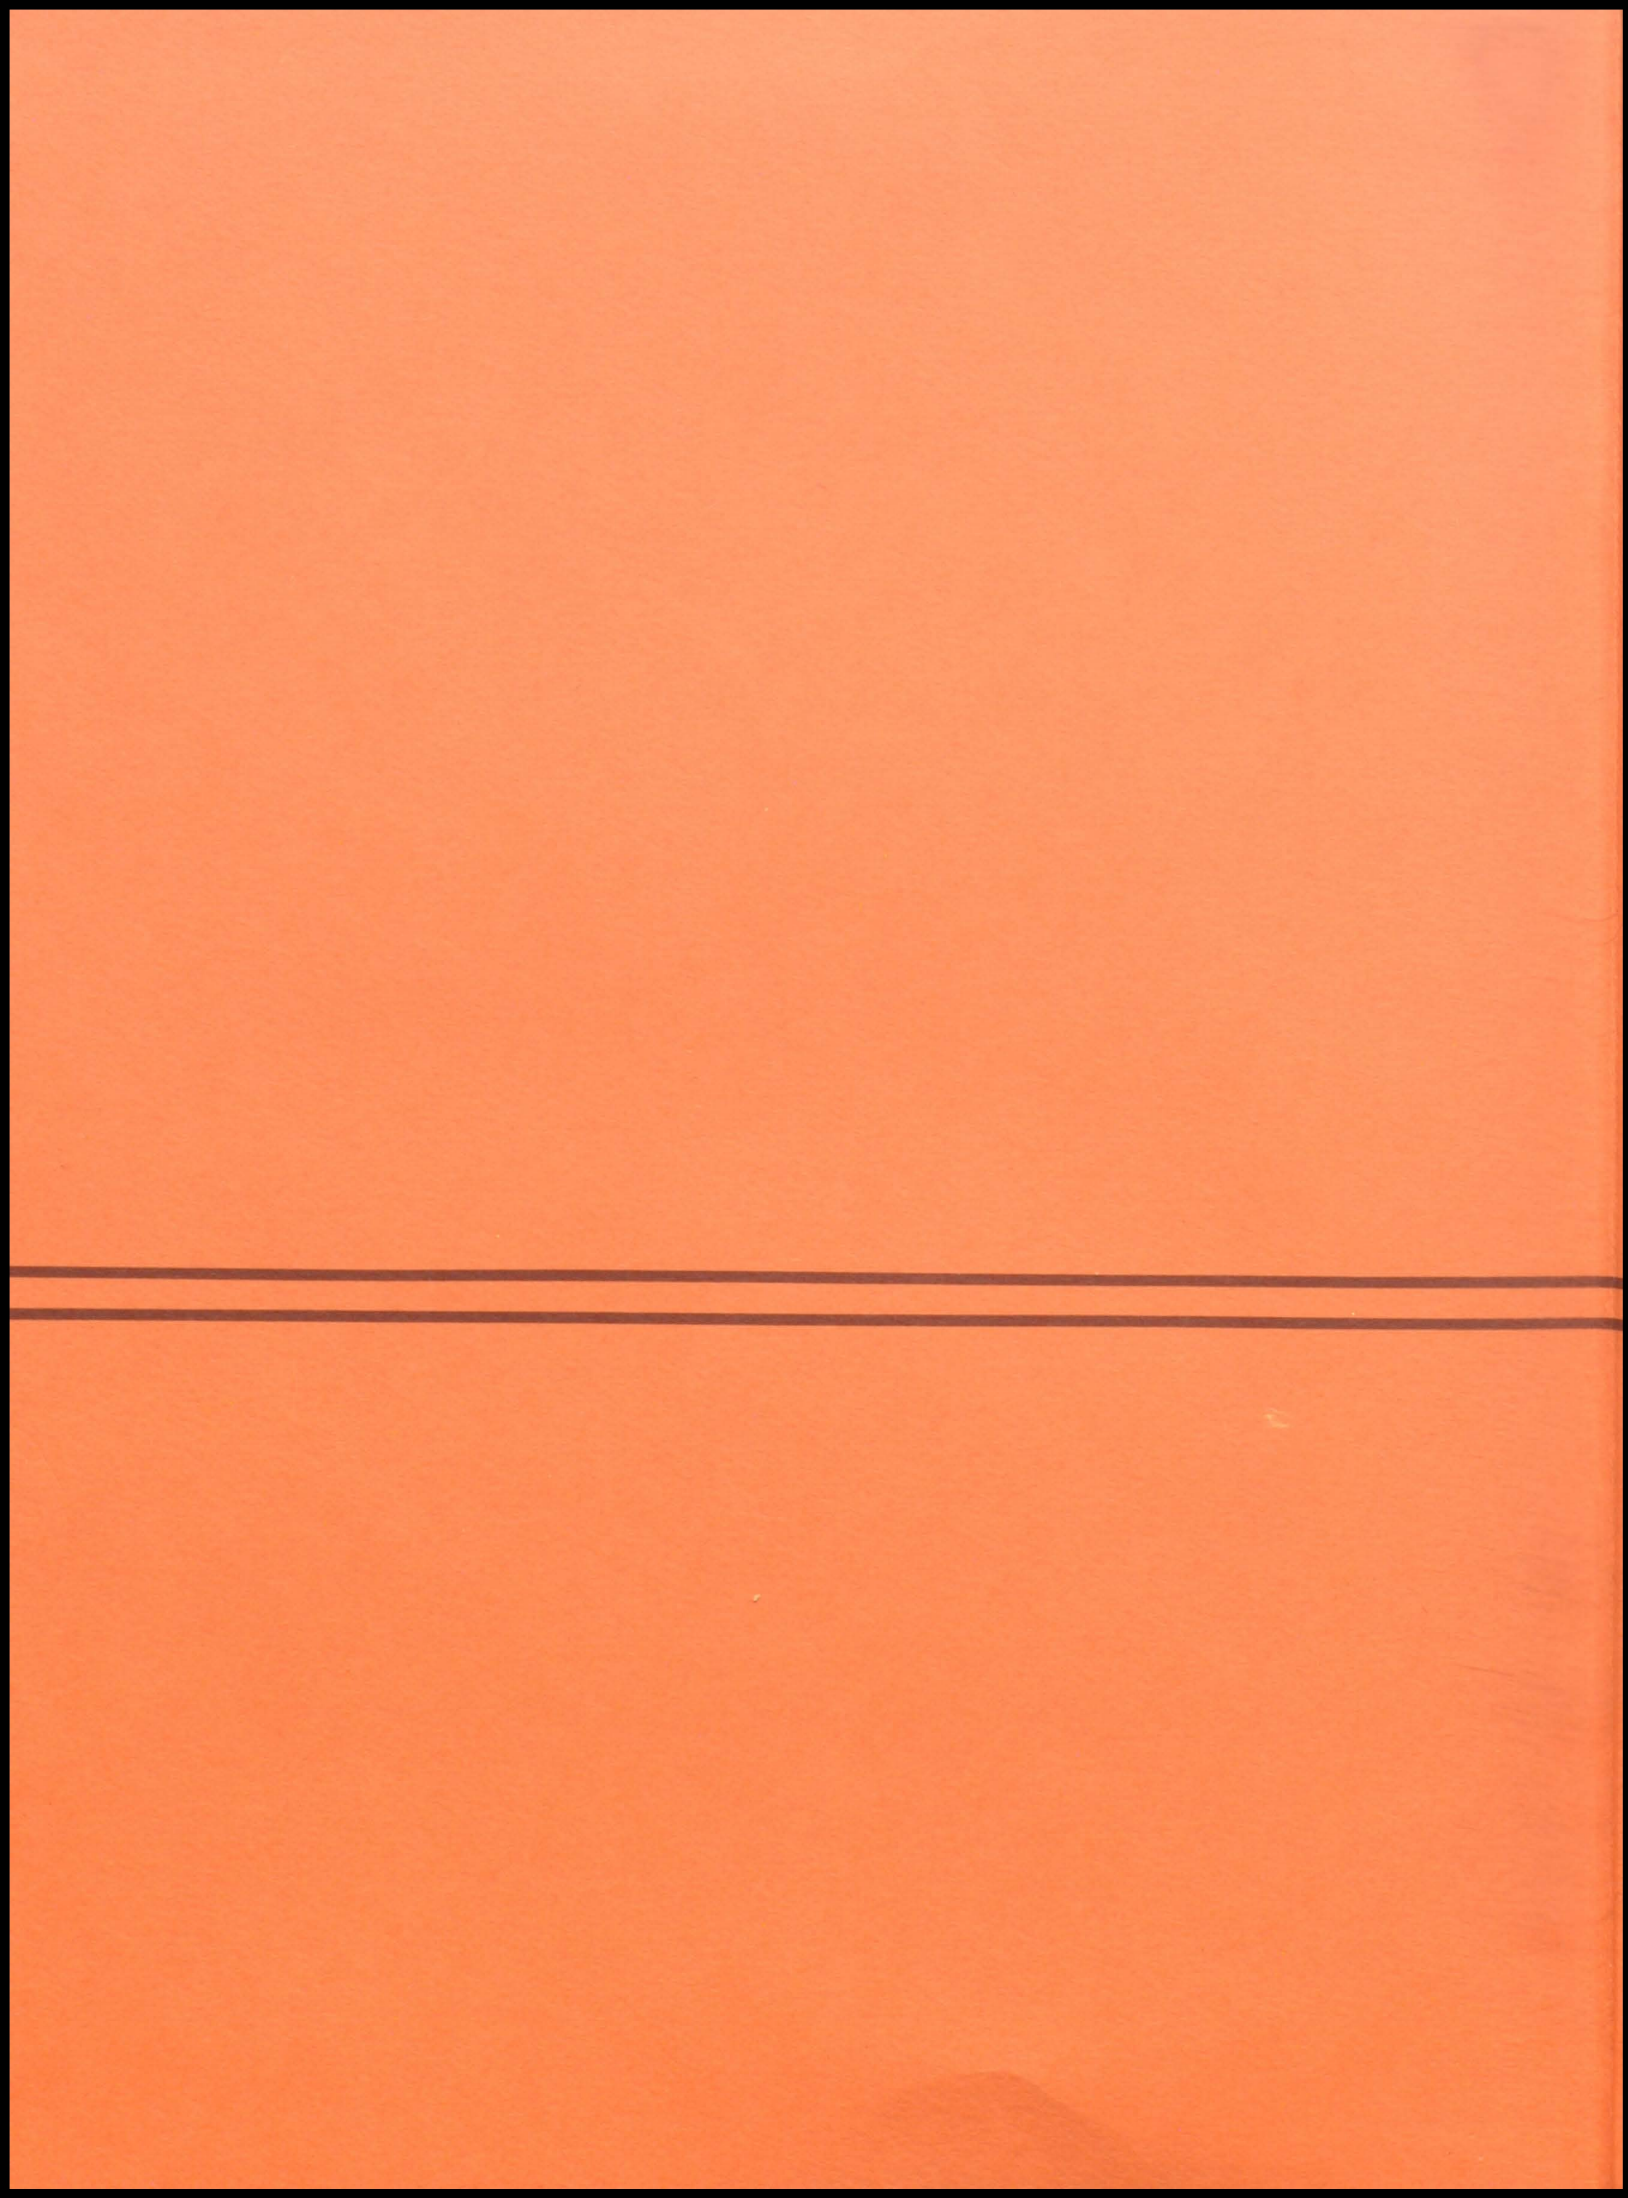

We all have memories of '77-'78,  
and who knows?

Maybe one day we'll agree  
with the millions who say,  
"Your high school days are  
the best days of your life."
