The road goes ever on and on  
Down from the door where it began.  
Now far ahead the road has gone,  
And I must follow it with eager feet  
Until it joins some larger way  
Where many paths and errands meet  
And where to then?  
I cannot say.

The faculty, administrators, and students of GLHS chose eleven outstanding seniors to represent the class of 1980. The Students are being recognized for exceptional qualities and talents they've displayed throughout high school.

And in chasin' what I thought were moonbeams  
I have run into a couple of walls ...  
But in looking back at all the faces I've been  
I would sure be the first one to say  
When I look at myself today  
Wouldnta done it any other way.

— Jim Croce

A black and white photograph of six young women arranged in a circle, smiling and making peace signs. They are all wearing dark clothing. The background is a plain, light-colored wall. The text is overlaid on the left side of the image.

May the road rise up to meet you.  
May the wind always be at your back.  
May the sun shine warm against your face  
And the rain fall soft upon your fields.  
And until we meet again  
May God hold you in the palm of his hand.

# move up in the world

In today's rapidly changing world, hard work alone cannot always guarantee job advancement. Increased education can also be a necessity.

That's why many companies, such as Kennametal Inc., have a plan for sharing educational expenses with employees.

It's called "Reimbursement of Educational Expense," and the purpose is to help employees equip themselves for advancement and growth as they prepare to take on greater responsibilities.

At Kennametal, employees who satisfactorily complete an approved course are reimbursed for tuition charges, registration fees, textbooks, and laboratory fees.

The program includes correspondence courses, adult education programs and vocational school programs, as well as regular college credit courses.

*Tuition reimbursement.* Something to keep in mind as you plan ways to get your career off the ground.

To the senior class of this year,  
To us you have always been dear,  
But now that you're leaving,  
Even though we are grieving,  
There's a sigh of relief in the air.

To the underclassmen of this year,  
You know you have always been dear,  
But you're way past your prime,  
The way you act is a crime,  
So please — get your act in gear!  
Love, Lynn and Thom
