Reflecting upon the 1981-82 school year "A Touch Of Class" prevailed among the student body from the morp to the prom. Styles are a sign of the times, as students are the trend-setters of the school. The halls of GLHS were colored with preppy Izod shirts and stylish monogrammed sweaters, western cowboy hats and "spiffy" leather jackets. The class of '82, individual personalities blended together as one, with different environments, in different activities with, different interests— tempered into a graduating class with "A Touch Of Class."

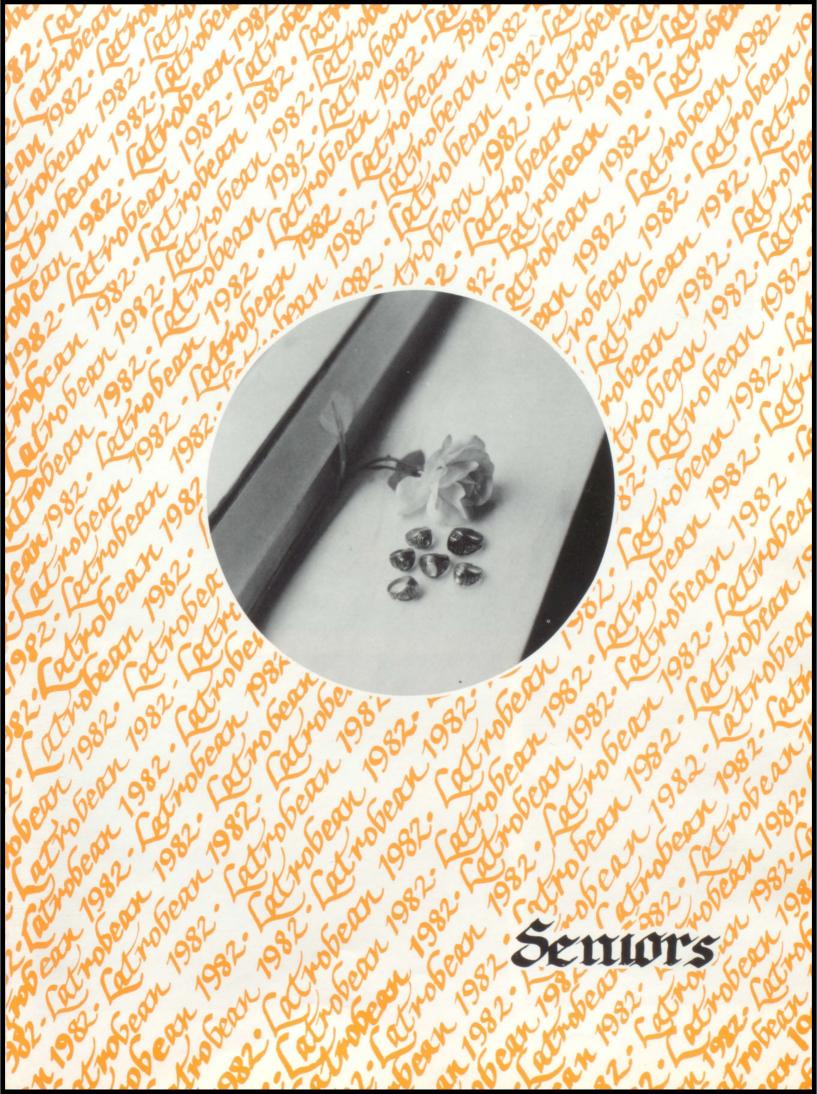

The classy class of 1982 was sophisticated even dressed in jeans and cowboy hats, and "stompin'" their feet at the hoedown. In looking toward the future we recognized our dependency on our friends and faculty, and vowed to always be "Hand In Hand For Eternity."

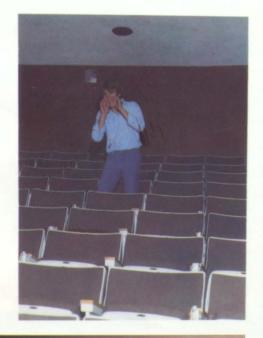

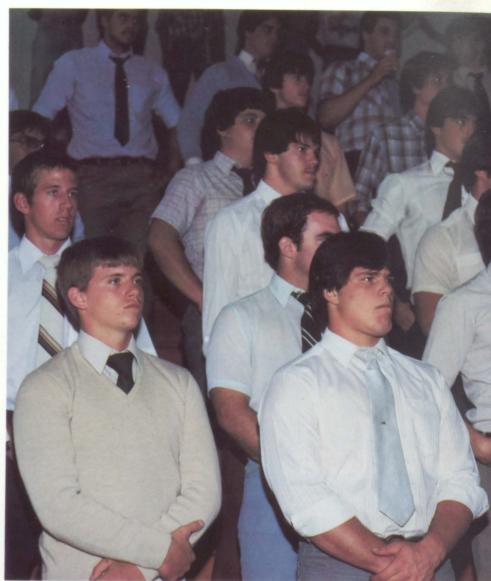

Clubs and activities provided us with many experiences and opportunities - to make new friends and keep the old. Even when we were "messin" around" or "hanging out", we still were the classiest seniors around.

Classy or not seniors will always think they rule the school, but rulers have fun too. The class of '82 enjoyed GLHS as they looked ahead to June 2, 1982, graduation day. Along with all the fun of senior year came considerable work and preparation for the future. Some students will attend colleges, or trade schools. Others will enlist into the armed forces, while some students will enter the working world, or begin a family.

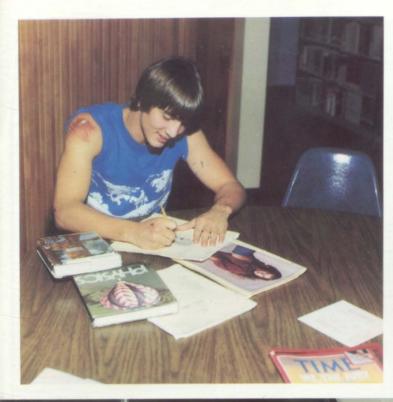

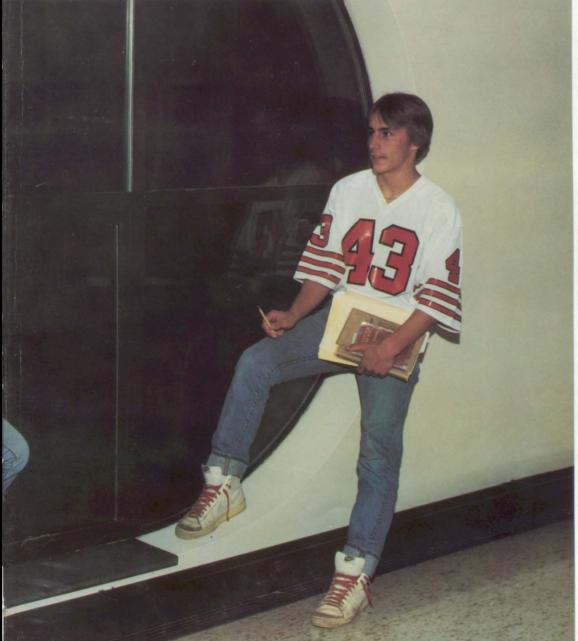

Our education was part of our feeling good about ourselves. We learned from each other, from teachers, from books, and from experience—all would make us classier citizens of tomorrow.

The Westmoreland County Vocational Technical School enabled some of us to learn career training during high school. The course of study includes some programs in: Electronics Technology, Auto Body, Basic Auto Mechanics, Advanced Auto Mechanics, Building Maintenance Mechanics, Construction Carpentry, Cosmetology, Electricity, Food Management Production and Service, Graphic Arts, Health Services, Machine Shop, Mill Carpentry, Plumbing and Heating, Retailing and Marketing, Trowel Trades, and Welding and Metal Fabrication.

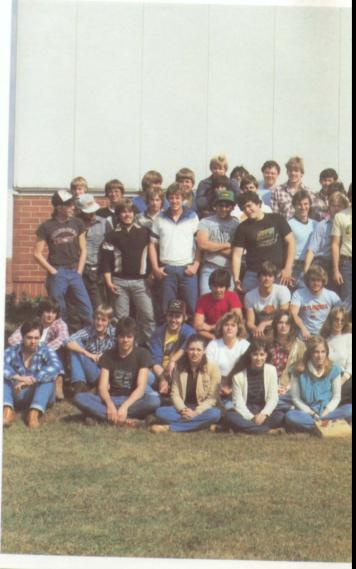

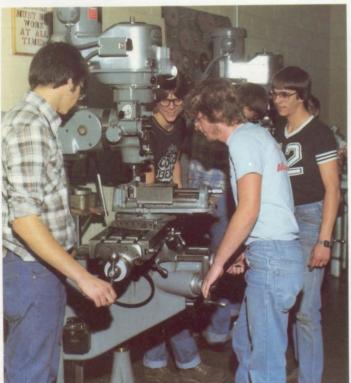

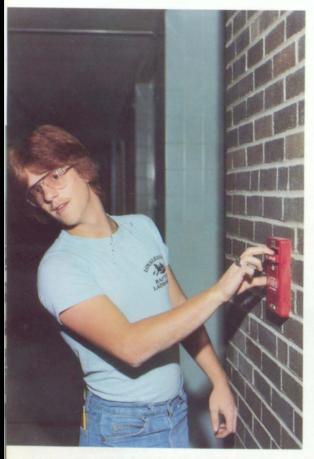

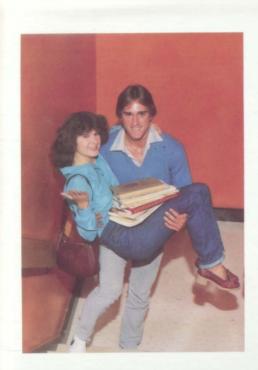

The everyday activities could have been classified as typical-driving on the range, couples, senior gym classes, and mischievous pranks-but the seniors of the Class of 1982 performed each with a special flair. At pep assemblies, between classes, in the library, and at lunch, we The Class of '82 established a special identity characterized by "A Touch Of Class."

Today We'll Start A New Life, And We'll Say Our Last Goodbyes, To All The Friends We've Grown To Love, With Whom We've Laughed And Cried.

Remember The Fun And Laughter, The Problems And The Fears, And Watching All Our Memories Grow, Throughout Our High School Years.

The Memories Of The Dances, And The New Friends That We've Met, Vacations, Teachers, Talking, And Exams We'd Rather Forget.

Yes, High School Days Are Precious But Brief, Where All Your Dreams Come True; It's Not The End, But The Beginning, Of A Life We'll Start Anew.

# Cross Country

If there was one word to describe this year's Cross Country Team it would be—improvement. The 1981 Cross Country Team, under the guidance of Wayne Etling, improved its record from last year and rounded out the season with a 2 win and 6 loss record. Returning Letterman Brad Smith placed 21st

out of 70 runners at the Geibel Invatational this fall. Gina DiBridge was the 1981 Westmoreland County Champion. This is only the second time in Cross Country history that Latrobe has had a county champion. The Girls' Cross Country Team finished the season second in the county.

# Football

New uniforms for the 1981 Football Team gave spark to Head Coach Lew Hart's Wildcats to ignite a winning record of 5 wins and 5 losses overall. Strong leadership of 30 seniors provided the necessary inspiration the team needed. Injuries plagued the 'Cats throughout the season. After a disappointing loss to Connelsville the team dazzled the crowd with a su-

perb running game, and a brilliant defensive performance, to defeat the first place Spartans. The Wildcats ended their Season in style by trouncing Franklin Regional 28-7. Senior Fullback Scott Jackovitz set a new rushing record by becoming the only player in Latrobe history to gain over 1000 yards in a single season.

by his teammates, Rob Hodder received the Golfers MVP award for 1981. Latrobe also qualified two golfers in the WPIAL Championships. They were Senior ace Rob Hodder and Sophomore sensation Pat Bryan. Head Coach Bob Baluh commented, "The golf team this year showed a lot of character and pride in the program and school. The boys worked hard at the game and did their best at all times."

ol Lynch and senior Carol Drever. In addition, section doubles who also qualified were Co-Captain Karen Rhen and Molly Bowman, and Molly Hilderbrand and Sue Bell. Sophomore netter Susan Ferretti complimented the team with her individual record of 7-2.

# Volleyball

The Greater Latrobe Girls' Volleyball Team's success in 1981 was due mainly to the great dedication of its members who trained considerably and played with much intensity throughout all their games. Head Coach Pat Dalton expressed her thoughts, "The girls worked very hard at both their

own individual skills and team skills. Their efforts were successful as the team finished 9-3 tied for second in the section behind defending state Champ, Norwin. This year's defensive play ranks among the best of any I've coached."

# Boys' Basketball

"What ever success we enjoyed this year is directly related to how hard these kids have worked. No team has ever pushed itself to the limit the way this group did," commented Head Coach Ray Zsolcsak. The 1981 Boys' Basketball Team defended a 3 time Section I-AAA Championship (1979-1980-1981) with the help of a superb coaching staff.

The 'Cat netters used an excellent man-to-man defense, and a full court press to overpower Hempfield. Guard Mike Matthews fired a game high score of 23 points to assist the 'Cats in a 59-42 victory. Team Seniors were: Fran Brasile, Matt Fenton, Jan Hauser, Mike Matthews, and George Spellman.

### Hockey

The newest addition to the sports scene was the 1981 Hockey Team. The Hockey Team was organized by Bill Czezarski, Bob Jacobs, Dr. John Krouse, and Dr. Tom Petrick. The league received no financial assistance from the school district, but used the school

name. The sponsors of the club provided funds enabling them to purchase necessary equipment such as helmets, facemasks, uniforms, and socks. The players provided their own pads and skates. Bob Jacobs was Head Coach. Sam Farls was Team Manager and Fac-

ulty Advisor who served as a contact between the coach and the school. He was responsible for reinforcing the rules of the game. The club consisted of 30 active members. Seniors were: Terry Bassinger, Paul Krouse, Mike Lutton, and Nick Petrick. The members lettered and were invited to attend the All-Sports Banquet.

was Senior Lettermen Lynn Komlenic, and Senior Karen Smetanka. Head Coach Barry Brautigam remarks, "We were hoping for a winning season, but as yet have not been able to beat the really tough teams. This was our goal in order to have a successful season."

For the 8th consecutive year the 1982 Rifle Team finished with a winning season. The team hoped to qualify for the Wildcat Shootoffs. Seventy students tried out for this year's team, but only 25 were chosen. Ten of these people made the starting line up. Becoming a member of the Rifle Team

requires knowledge of basic fundamentals, and intense mental concentration. To become an expert rifler one needs 2-3 years of shooting experience. Seniors included: Mark Allen, Jim Barret, Marc Poole, Chuck Beam, Steve Ladd, and Amer Halabi.

# Boys' Swimming

The 1981 Boys' Swim Team came up one step short of becoming section champs this season by losing the last meet of the year to Penn Trafford by five points. A controversial call late in the meet was determined by official decision. The loss was disappointing for the

'Cats, even though they claimed runner-up honors. Head coach Shirley Bankovich quoted, "A tribute to the newest members of the team and to their attitudes toward swimming, have made this season profitable to the team and my-

### Baseball

"It was a roller coaster season with a lot of ups and downs. We were only a hair away from winning. If the returning players and a potentially good sophomore group give it a complete effort—it would be a great year in 1982," summarized Head Coach Chuck Chamberlain. The 1981 Baseball Team wrapped up its season with a 5 win

and 5 loss section record, and IO-7 overall. Returning Lettermen this year were: Rob Bytheway, Don Menarchek, Tom Hartman, and Denny Mickinak. Don Menarchek was selected to the All Star Ist Team in Section I Baseball as a 3rd baseman, and Rob Bytheway received an Honorable Mention as an outfielder.

An added addition to the 1982 Latrobean is a new section entitled "Student Life." The section was designed to include activities the students at GLHS were involved in, both in and out of school.

Throughout the school year we still remained our classy selves while toasting our orange juice at the Senior breakfast, and exchanging Senior pictures in the halls with our best friends. The bonfire brought us closer together when we sang with our buddies, cheered on the fire truck, and jumped over the fire! Even in the summer there was something about shorts and t-shirts that remained stylish among the students and teachers. In rain or in shine, at work or at play the students of GLHS illustrated "A Touch Of Class."

### Special Occassions-Special People

Guys decked out in ties and tails, girls elegantly arrayed in lace and gowns-an aura of romance and laughter lingered in the air at the Junior-Senior Prom. The Grand March preceded the evening of dinner and dancing with all couples present displaying the true meaning of "A Touch of Class."

Homecoming festivities were kicked off with the crowning of the 1981 queen Kelly Caruso. Escorted by Bob Sylvester, Caruso was attended by her court consisting of Seniors Diana Hauser, and Jamie Ritenour, Juniors Tina Gritzer and Georgia Manzulich, and Sophomores Karen Guidas and Amy Kirtsgavis. The weekend was made complete with the Homecoming Dance on Saturday even-

SUBSIDIARY OF THE TIMKEN COMPANY

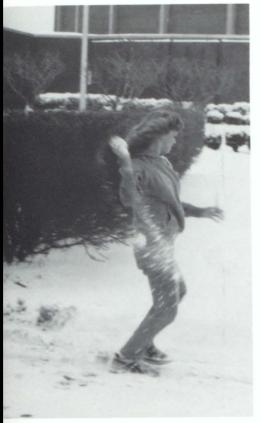

Our years in high school will have an effect on every one of us. As we alance back for the final time, we remember the hectic first day of school, our first victory of the year over archrival Derry Area, the pep rally and bonfire behind the stadium, the crowning of Homecoming Queen, the Homecoming Dance, and the Morp. We viewed A 3-D movie, enjoued a talent show, ate too much at the Senior Breakfast, exchanged candy canes at Christmas time, shared New Years' Eve with our best friends, lived it up at the Senior Dinner Dance, found dates for the Prom, and finally reached Graduation. All in all it was a good uear. Our respect for one another seemed to bring us closer together, and our talents and interests balanced. In looking toward the future we recognized our dependency on our friends and teachers, and vowed to always be "hand in hand for eternity"

The fads came and went, during a years time. Movies, musical groups, and T.V. specials intruded upon our study hours. The headlines of today became the history of tomorrow. The changing fashions kept our closets full and our pockets empty, but through it all we held our heads high and exemplified one meaning of "A Touch of Class."

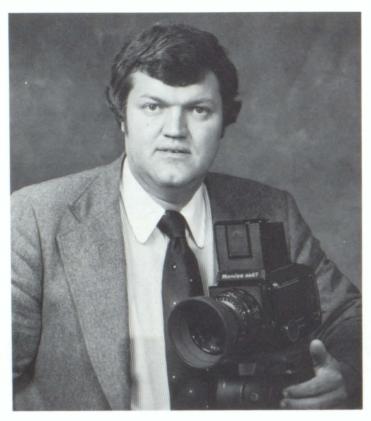

Looking back on GLHS from 1981–82 the Latrobean staff hopes you enjoyed the memories preserved here as much as we've enjoyed preserving them.

"A Touch of Class," the theme of our book, is especially appropriate in describing the "classy" staff and others who helped create the 1982 Latrobean. We made it through summer "brainstorm" meeting, all night sessions and hectic deadlines—at times prepared to "get a job" to make ends meet. But the things we remember most are the collage, the holiday decorations, the singing and dancing, the eternal party atmosphere, and the "neatness" of our workshop (L-II2) that seemed more like a second home. We'd like to say a warm thank you to all of the people who helped make our dreams possible:

To our advisor and friend, Mrs. Janet Henderson, who always believed in us and gave us the encouragement (not to mention the personal counseling) that pulled us through.

To the efficient editorial board:

Margot—layout person—for remaining calm when the rest of us panicked, for catching our mistakes and for coming through on Saturday morning mailing jobs.

Carol—copy reader—for learning the new company's copy methods and then teaching us the ropes.

Leeanne—copy writer—for taking all of our criticism and censuring and for putting into words our classiest ideas.

To the super section editors:

Karen and Nancy—senior editors— who captured our senior year with a minimal amount of errors (and white space!)

Brenda and Kim (ba)—underclass editors—for always being on top of things despite set backs and for doing justice to the sophomores and juniors. Jackie and Lucy—faculty editors—for taking the section no one wanted, for working overtime and for easily adopting our "radical" new layout policy.

Janine and Jill—activities editors—for bringing us closer with your decoration spirit and for always beating the deadlines.

Lori (et), Gina and Tina—sports editors—"the three musketeers," for being such good sports

and for producing a winning section.

Donna and Kelly—introduction, conclusion and special editors—for weathering the storm and for skillfully brightening our pages with color.

To the typists:

Karen and Sue for taking the words right out of our mouths, for typing, retyping and still typing again.

Teresa for being a reliable fill in typist at deadlines and sacrificing study hall time to patch up our blunders.

To Mary Ann and the advertising staff who supplied the bucks (\$\$) so we didn't have to.

To Terry Deglau and his staff whose professional photography was the finishing touch of class to our book.

To American Yearbook Company and our representative Sylvan Pinto who broke us into a new company, new materials, and a new look.

To the Faculty and Administration of GLHS who kept us in line and put up with annoying interruptions.

To the students of GLHS for supplying the inspiration and the "class" that we worked so hard to capture.

To the juniors who jumped at our every request and contributed terrific candid ideas. We leave you with one word of advice (courtesy of Jill)—"keep your workshop clean!"

And especially to Gina Cappozzi, a senior with an abundance of talent and a beaming smile who is responsible for our cover art work and the art work throughout the book. Thank you for pulling us together and for enduring our numerous mistakes, changes of mind and screw ups (you didn't even get paid!!!)

The 1982 co-editors Carol Ciocco and Denise Frye I am not afraid of tomorrow,
for I have seen yesterday
and I love today.
William fillen White
