GET IT TOGETHER

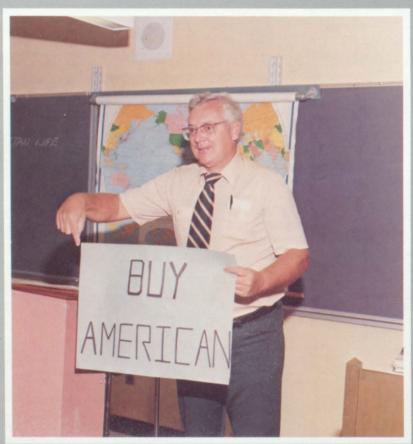

DOIN' OUR OWN THING

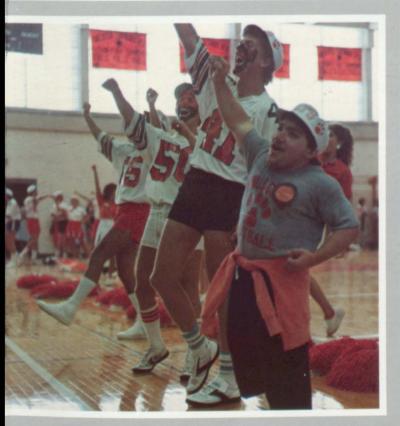

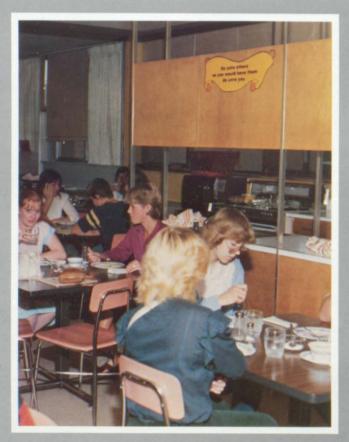

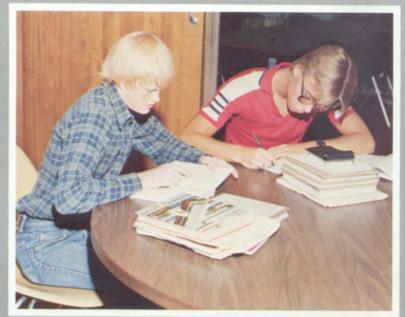

HARDWORKERS

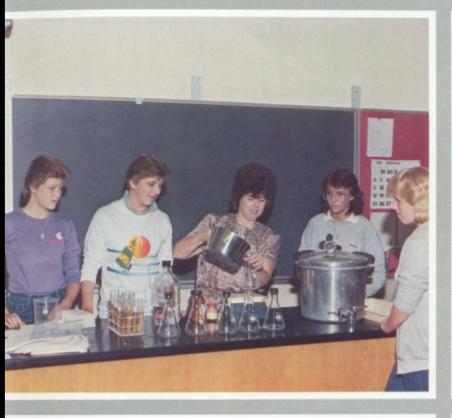

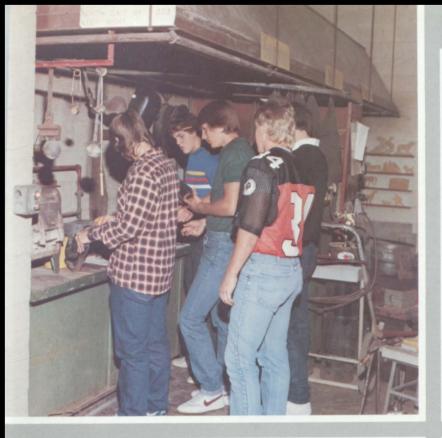

WILD -N- WACKY

SYNCHRONICITY

GOOFIN' AROUND

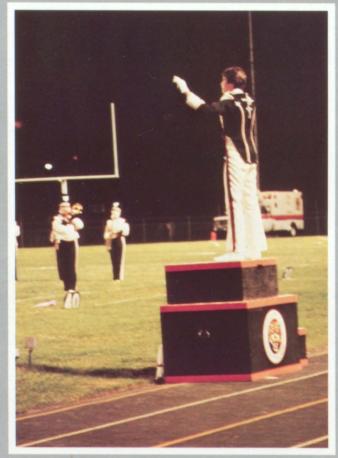

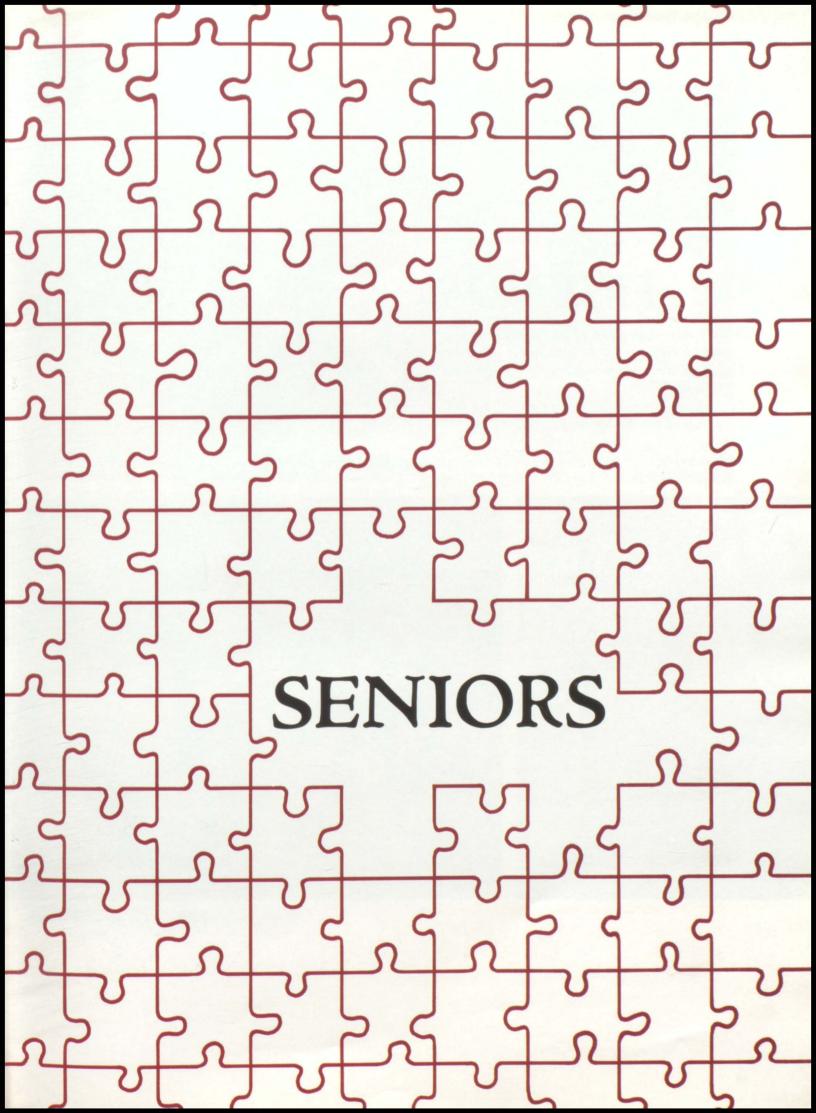

.. AND FINALLY

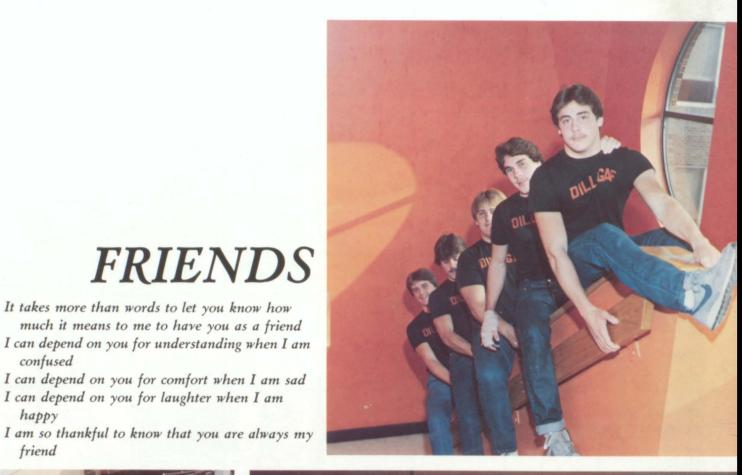

confused

happy

It takes more than words to let you know how

I can depend on you for laughter when I am

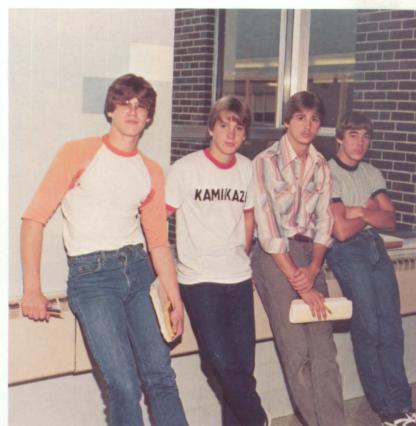

TAB ... For beautiful people

I'll get by with a little help from my friends

Along the road your steps may stumble Your thoughts may start to stray But through it all — You have your friends To help you along the way

Friendship is a feeling completely natural with another. Shedding all pretense and all shame, just being yourself. It is sharing with another both big and little things, joy and sorrow, laughter and tears.

You are always my friend When I am happy Or when I am sad When I am alone Or when I am with people You are always my friend If I see you today Or if I see you a year from now If I talk to you today Or if I talk to you a year from now You are always my friend Through the years we will change It doesn't matter what we do Throughout our lifetime You are always my friend

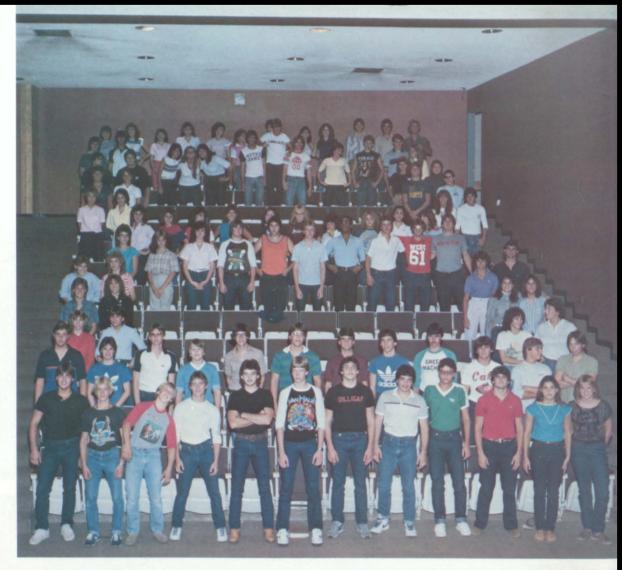

The best mirror is an old friend

SENIORS RULE

THE SCHOOL

CLASS FLIRTS: M. Franks, S. Sackandy CLASS COUPLES: M. Riker, J. Ritenour

Many memories will be held with us after our senior year. We'll remember the fun, sad, and hard times we shared with one another. In the 1983-84 school year we had many changes, one of which was the nominating and voting of our popular senior personalities.

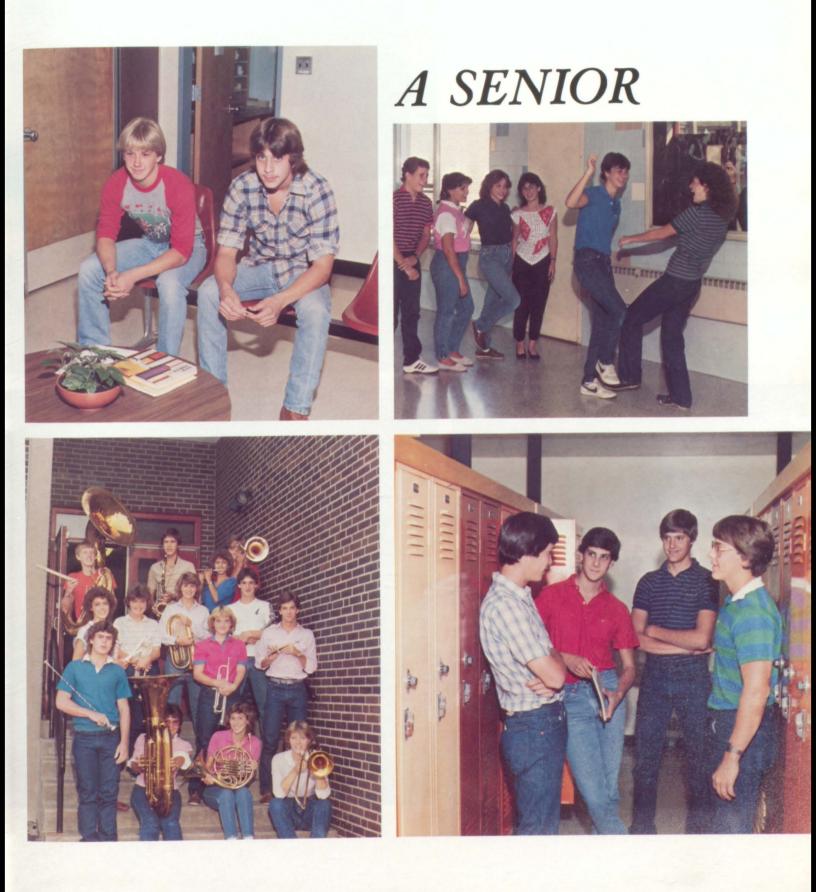

CLASS CLOWN: M. Campbell, missing C. Fox BEST SMILE: C. Pletcher, L. Patterson

MOST TALKATIVE: C. Kusbit, T. Hall MOST SPIRITED: B. Parys, M. Campbell

MOST ATHLETIC: P. Marshall, J. Ashbaugh BEST DRESSED: L. DeLuca, missing J. Hudock

Every senior class has their couples, and the '84 class was no exception. Couples are like friends; some will last for years while some will fade away. Regardless of which they do, however, they will all be part of our high school memories, 1984.

JUST YOU AND I

Just you and I Sharing our love together And I know in time We'll build the dreams we treasure We'll be all right Just you and I And I, remember our first embrace The smile that was on your face The promises that we made And now your love is my reward And I'll love you even more Than I ever did before Just you and I We care and trust each other With you in my life There will never be another We'll be all right Just you and I

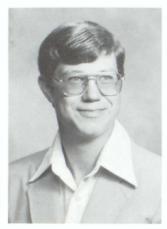

... We made it you and I

Reading memories of our high school years Bring about laughter joy and tears First grade seems so long ago Though through the years there's lots to show We've learned something new with every day Like the first time in the halls finding our way The days we smiled, the days we cried, The days we made it, the days we tried At sports' events we showed our spirit Shouting, clapping to let everyone hear it Qualities and talents we've all displayed We've walked with pride and walked afraid It was the year for our Senior Pride Still caring for everyone deep inside We thought these days would never end We danced and cheered again and again Different emotions shown in different ways Awaiting the year of our Graduation Day We walk with pride toward the door Carrying hopes and dreams and a whole lot more

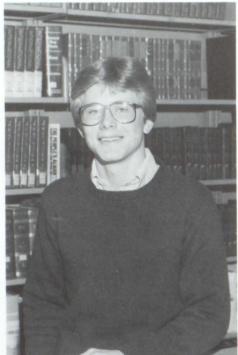

The world out there has much in store For Latrobe High's Seniors of '84

The end of '83-'84 brings graduation parties, the end of white room-to-rooms, blue activity consent forms, pink vacation forms, blue or yellow excuses, summer jobs and vacations, and the beginning of a new period in our lives — a more adult period. Graduation is here and suddenly there's nothing else to do but say, "Goodbye" to GLHS.

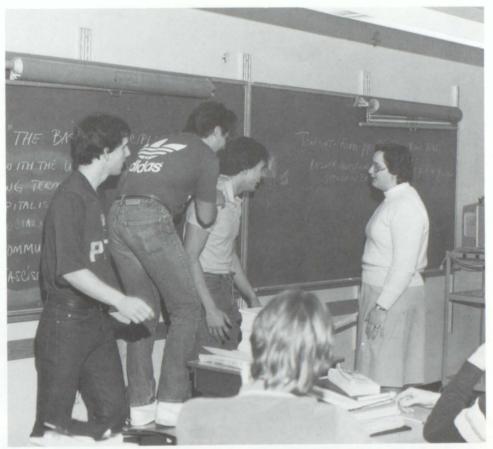

The "middle child", our juniors, were rather settled in this year. Memories for them include moving up in the auditorium, taking driver's education, passing their driver's test, taking SAT's, beating the seniors in the jar race, reading *Huckleberry Finn* and *The Red Badge of Courage*, getting acquainted with Mrs. Conlin and her "studi beater", and being able to go to your first prom. Being a junior certainly wasn't the easiest task in the world, but making it through, makes old juniors into new super seniors of '85.

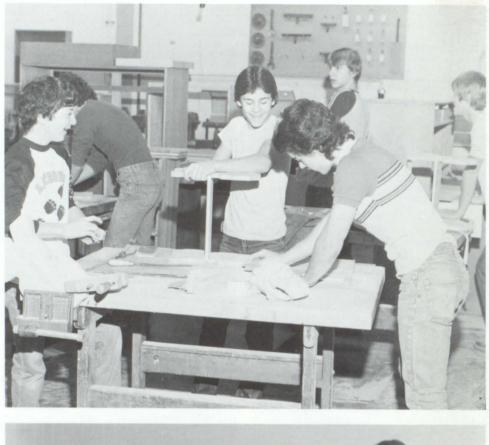

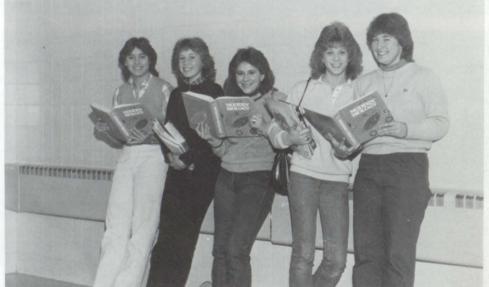

Remembering can be painful, and no one suffers more hurt than the sophomores. They remember being "pushed around" by the upperclassmen, sitting in the back of the auditorium, swimming in gym class, being humiliated by the jar race, being afraid to cheer at pep assemblies, not knowing who people were and where places were, reading *Black Boy*, and *Bless the Beasts and the Children*, getting class rings, having that first date, and being a part of varsity sports. Becoming a junior may not seem like much to most people, but to the sophomores of '83-'84, it means a whole new outlook.

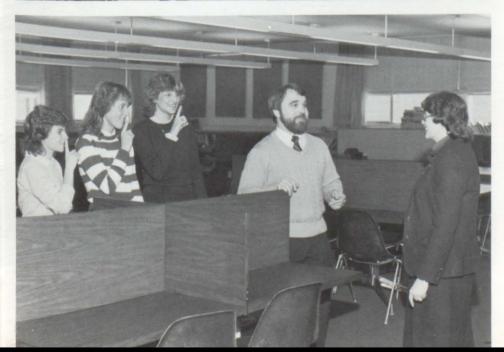

Student life at GLHS was sometimes happy, sometimes sad, sometimes good, and sometimes bad, but whatever it was memorable. We remember getting up before sunrise and getting home in time to watch "General Hospital" or "Guiding Light", never having snow days, listening to Ed Weigle on the morning announcements, selling over 5,000 candy canes at Christmas, raising over \$3,000 in the jar race, "hanging out" at McDonalds, witnessing the first "Turkey Bowl", boasting the best basketball team in Section II hsitory, having our first year of soccer, being Derry's number one rival, having a winning band and forensics team . . .

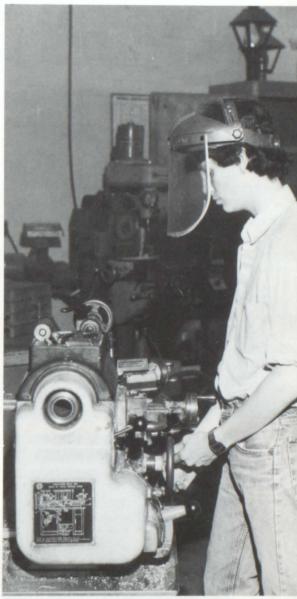

... seeing "Snoopy", receiving compliments on our art work, starting in February to "catch" a date for the prom, deciding what color carnations to send, and planning trip after trip for the end of the year. Whether those memories were shared by all of us or just some, they will stay with us always. (Right) Its nice and warm in here. (C. Leasure, J. Gaynor, J. Smoker, T. Noonan)

This year's Wildcat football team, having had a record of three wins and seven losses, was unable to generate the spark necessary for a winning season. The strong leadership of the senior players provided inspiration which the team needed. After a disappointing loss to Upper St. Clair the Cats came back to defeat the Lions with a score of 26-21. Senior Kurt Kay led the offense with 67 yards rushing and 108 yards receiving while Scott Altimus led the defense with 11 tackles and five assists.

Labrobe adopts soccer

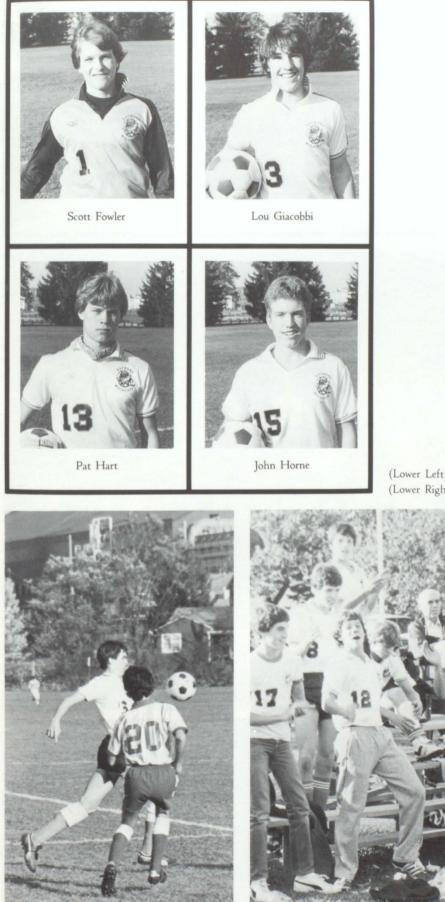

The 1983-84 Wildcat Soccer team's record of six wins and twelve losses does not reflect the team's hard work and dedication in their first season of play. Despite their inexperience, Captain Scott Arnold and Co-Captain Dan Kelly led the team to win the Western Pennsylvania tournament. In addition, next year's team shows great promise with nine returning lettermen and about twenty players returning overall. With time and experience Latrobe's soccer team under the coaching of Mr. Scott Downs will prove a formidable opponent to most other teams.

Girls Volley For A Win

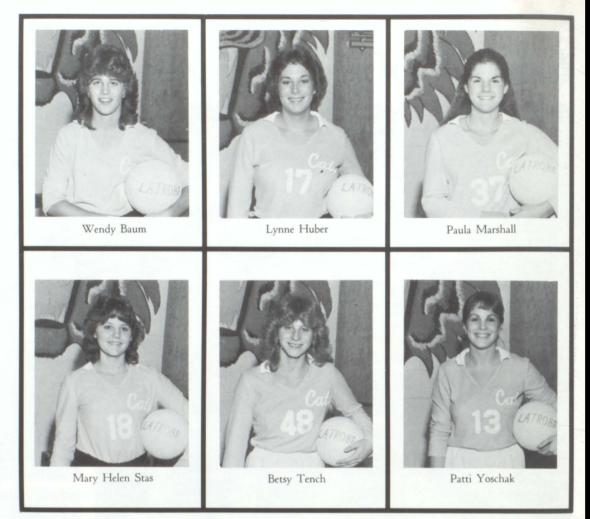

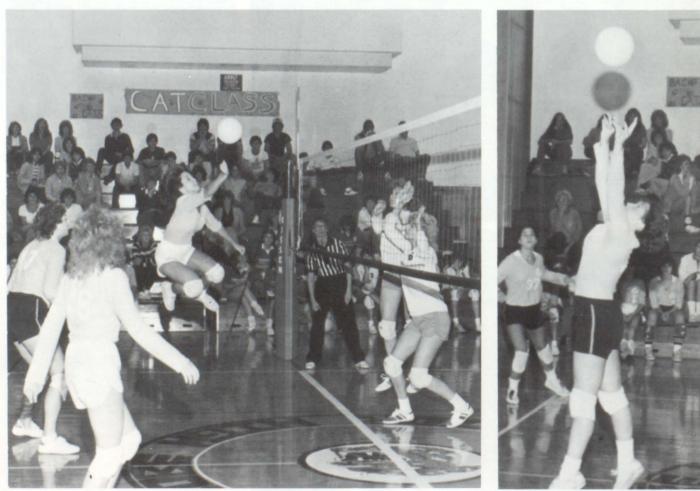

This years Girls Volleyball team, coached by Pat Dalton, had a spectacular season finishing with a record of eight wins and only four losses, falling one game short of the playoffs. The team suffered setbacks from Norwin and Connellsville but the team members never gave in. Each player contributed to the team and came back for a 15-10 victory over the Falcons to end their season ranked third in their division.

The 1982-84 girls tennis team started their exhibition season with a loss to Greensburg by a score of 0-5. The Cats came back though, to knock off Franklin Regional, 4-1, and Hempfield 3-2. The girls' effort and will to win never diminished against our tough opponents as the Cats defeated Uniontown 5-0 and Derry 4-1. Coach Rombach is proud of the effort which every player contributed to our team. The overall record in section was 4-4 and with exhibition was 6-5. Next year the team's struggle will have to be without the help of our senior veterans.

The 1983-84 Wildcat Golf Team finished their season with an overall record of 16-5. After defeating Bethel Park, the Cats traveled to the Foothills tournament where they finished in third place. They went on to defeat Bethel Park and Ligonier with scores of 31-1 respectively. Senior Pat Bryan, the only senior on the team, was voted Golfer of the Year by his teammates.

Way to be, Double C

The 1983-84 runners got off to a fast start beating Kiski by a long stretch of 37-21. The next match took a strange twist of fate when the Hempfield Spartans won by a wide margin, 42-19, over the Cats. The Boys Cross Country team, with the home field advantage, defeated Elizabeth Forward 36-21 while the girls struggled and took a loss to Hempfield, 37-22.

Track, like any other team sport, takes effort and cooperation, which the Cats demonstrated through their good sportsmanship at all the meets. This year our final record was 5-4.

A King and his Court

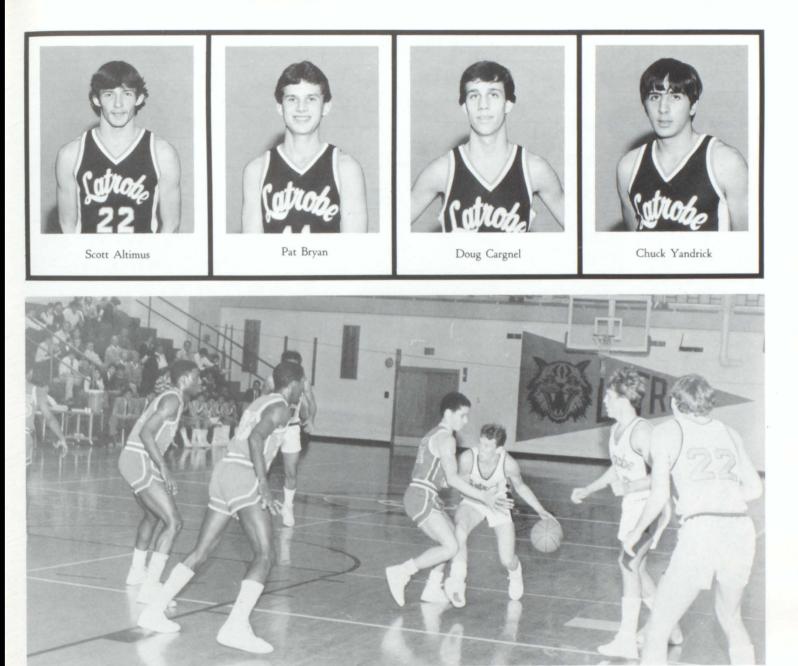

No matter how many lettermen the Cat basketball team loses it still returns the following year with great talent. This year was no different. The 1983-84 season proved once again how excellent our Wildcats are. Although we won't see such names as Altimus, Bryan, Yandrick, and Cargnel next year, the talent that remains will once again take the section race down to the wire.

The team as a whole combined their speed, strength, and agility, and played to the limit. The Cats, like any other good team, saw their flaws, and worked and improved on their mistakes.

Grapplers pin a win

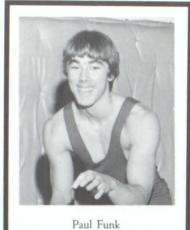

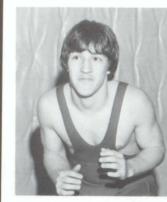

The 1983-84 Wildcat Wrestlers opened the season with a win over Greensburg Central. The following games, also victories, proved that this season was a real winner. Having four lettermen return, all of which are juniors, we lacked the senior high mat experience. This year, even though we had a hard season, the Cats came through exceptionally well. Next year we'll have the making of a championship team.

The 1983-84 Hockey team coached by Bob Jacobs ended their season with a record of five wins and five losses. Every member of the team contributed and although the competition was tough they had a good season. Outstanding performances were given by seniors Joe Jacobs and Dave Kornides and this year's MVP's were Dave Tench and Andy Cesarsky, both of whom are freshmen.

Shooters aim to win

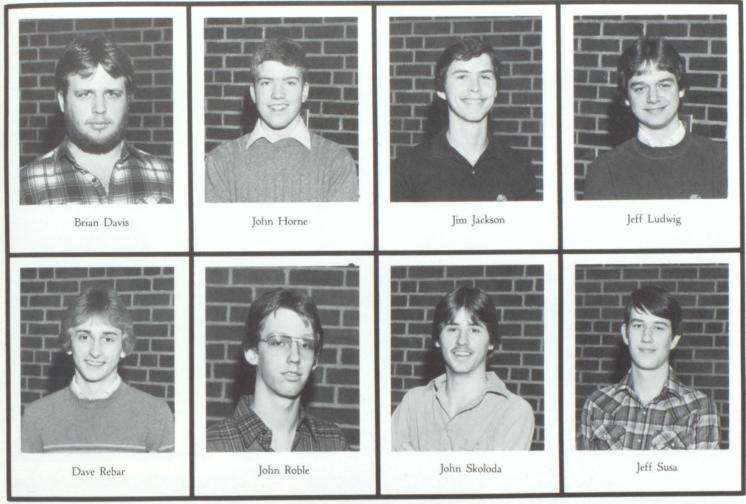

The 1983-84 Riflers started their season with a bang as they defeated Indiana in exhibition play, 492-24X to 484-17X. They then went on to blow away Greensburg with a score of 989-64X to 981-62X. This year's senior top shooters were Paul Horrell, Jim Jackson, Jeff Ludwig, Dave Rebar, and Jeff Susa. With the help of these shooters the Cats had a standing record of 6 and 1. They were 4-1 in section play.

Girls shoot the hoops

This year's Girls Basketball team finished their season with a record of three wins and fourteen losses. Head coach Brautigam had only six returning seniors to play. The teams they were up against were tough. Even though their record wasn't exceptional, they found exceptional talent in sophomores Terry Lee Stemmler and Jenny Whitehead. The Cats will miss the services of seniors' Lynne Huber, Sue Cawoski, and Paula Marshall next year.

Dunkers dive to win

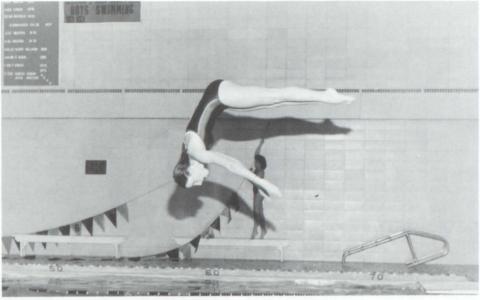

This year's Girls' Swim Team season brought many new things, one major change was a different head coach, Miss Alexander. This was to be the year for section wins, but our hopes were dimmed by a major defeat at the hands of Connellsville.

Amy Nowalk, a junior, was considered to be an excellent swimmer and proved it by breaking the 100 yard butterfly record. Paula McCommons and Lynne Patterson, two outstanding seniors, also had an excellent year.

Boys dunk opponents

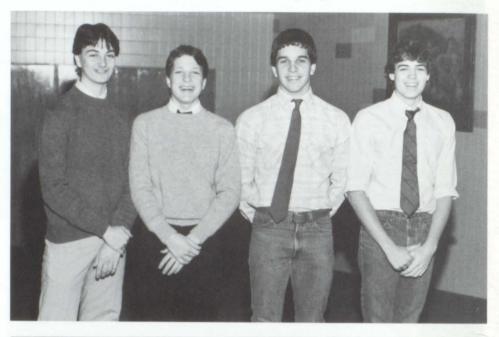

The Boys' Swim Team, under the direction of Coach John Lynch, opened their 83-84 season with a 102-67 victory over Valley. Their first victory gave them the inspiration to do well in their exhibition meets. Their overall exhibition record was 3-4.

After winning their first section meet against Connellsville, the boys had strenuous practices for their next big meet against Uniontown. Losing 95-78, however, dashed their section hopes. One of the high points of the season, though, occured when senior Jerry Lynch broke the school record for the 500 meter freestyle.

This year's Boy's Track team was filled with a lot of sophomore talent. Jeff Smetanka and Mike Williams were two outstanding seniors in the discus and other field events. "We worked hard last season and this year it paid off." Because of the size of this year's team there was a wide variety of talent with which to work. Each member of the team contributed his part to make the team successful as a whole.

The pass is made. (J. Mazero, S. Chockla)

Boys make a racquet

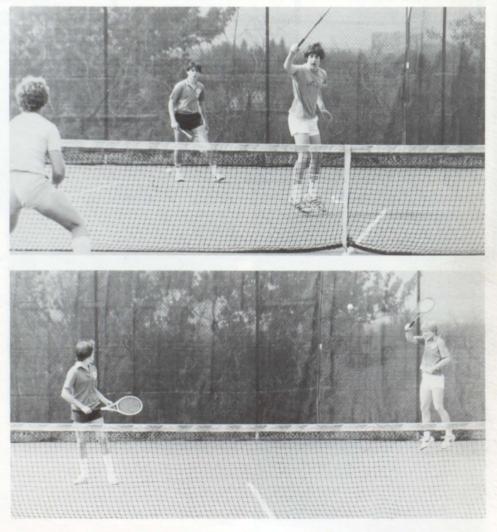

The 1984 Boy's Tennis team played well during their season matches. Returning lettermen were: Jerry Lynch, Joe Hudock, Bernie Jim, and Kevin Guskiewicz. This year's singles hopeful was junior Jon Nee. Out of eleven regular matches and three exhibitions, the team had an excellent season. The team put in many hard hours of playing time, and it showed in their overall record. "We did well because of so many good returning players," quoted Coach Jim Rombach.

Fall not only brings football season, but also Marching Band season. This years Marching Band, directed by Richard Rossi, was busy practicing during the summer and after school in preparation for competitions held Saturday afternoons and evenings. On October 29, the band hosted the Pennsylvania Federation of Contest Judges Band Championships in which Latrobe placed fourth in the Open Class division with a score of 62.80 and finished ninth overall. The band held several fund raisers, including a monthly subsale, in which they raised money for their annual spring trip. This year the band members spent a relaxing week in sunny Florida where they visited Walt Disney World.

Student Council for this year had been chosen last year by the entire student body. The council consists of many committees, each assigned to a particular job. Each council member had an opportunity to work at the student store upon request. The Student Council is responsible for holding many fund raisers, in which they raise money for various activities. A candy cane sale was held annually during the Christmas season. The candy canes sell for 25¢ a piece, and are delivered prior to Christmas vacation. Following the candy cane sale, Student Council holds a carnation sale. Carnations are distributed to students prior to Valentines Day. Throughout the year student council purchased several items including a Christmas tree planted in the school mall, and a painting to be displayed in the school. A canned food drive was held during the Christmas season to help benefit Childrens Hospital and Latrobe Hospital Pediatrics Ward.

The charter members of this national organization all participated in many interscholastic speech competitions. The members had three categories in which they chose to perform; Extemporary Debate, Lincoln, and Douglass. Members had to raise their own money for the nationals, but interscholastic expenses were paid for by the school.

This years Public Relations staff consisted of a group of four students working out of the High Post Workshop. These people are responsible for getting pictures and stories concerning happenings at GLHS into the local newspapers. The High Post Workshop has a group of four students who handle the fall subscription drive and solicit all the advertisements for the Latrobean. The yearbook and newspaper are paid for through the money from these two campaigns.

(Excerpt) *Leaving* By Rod McKueh

Some of us were leaving little towns and pretty places (though we thought them ugly at the time).

That is not to say that we were special set apart from those who stayed. We were movers but of our own selves only.

Some of us went away just to get away some of us left because horizons never stop.

Beyond each hill a new one waits and pulls us like the hidden hands of love.

Some of us thought we'd walk a little taller if we walked away.

Some of us were driven off some of us went driving off and there were those who couldn't do or wouldn't do what those who stayed behind were left to do.

Some of us chased shadows dreams ambitions as we went we waved good-bye forever.

The past school year has come and gone Though the memories still linger on Meeting new people and making friends Homework that never seemed to end Getting our licenses and learning to drive Setting goals for which we'd strive At pep assemblies we cheered so loud And ran around just acting wild At times we were mad and sought revenge We went along with the changing trends Studying hard for those major tests Thinking our school was better than the rest

Turning sixteen and getting our class rings And our Alma-Mater we loved to sing Going out on first dates

Sitting in detention after having three lates Going to the prom and other dances Cutting classes and taking chances

Getting a job and applying to schools Trying to have fun without breaking the

rules The good times we had, we will remember those

As this past school year comes to a close

Each and every member of the 1984 Latrobean staff was as unique as the pieces of a puzzle, but this yearbook could not have been possible without uniting together and working together each and every day. It also could not have been possible without the help from so many other people.

We would like to give a special thanks to Mrs. Henderson, both our yearbook advisor and personal friend, for offering us her time and patience and for putting up with our many mistakes!

To the senior editors, Maryanne and Amy, who tried so hard to meet that first deadline and made it. Thanks!

To the underclass editors, Shari and Carol, who finally decided that the underclass deserved more than a group picture and made sure they got it. Thanks!

To the faculty editors, Megan and Amy, who tried so hard to pep up their otherwise ordinary section. Thanks! To the activities editors, Kris, Sharon, and Lisa, who did such a good job controlling all those loud, rowdy groups. Thanks!

To the sports editors, Jonel, Mandy, and Leslie, who did such a good job organizing the many teams and their layouts. Thanks!

To the copy editor, Carolanne, for putting all the copy in the book. Thanks!

To the advertising staff, Karen, Jill, Louisa, and Marina for digging up enough money for us to put the book in production. Thanks!

To the junior staff for doing all the little jobs we didn't have time to do and for thinking of all those candid ideas. We couldn't have done it without you. Thanks!

A special thanks goes to Sandy for typing so many things for the staff and being ready to help at any time. A special thanks goes to Terry Deglau for walking all over the school for that "special" candid shot. Also, thanks to his staff for putting up with our many phone calls.

A thank you goes to the faculty and administration for helping us in as many ways as they could and for putting up with our many interruptions!

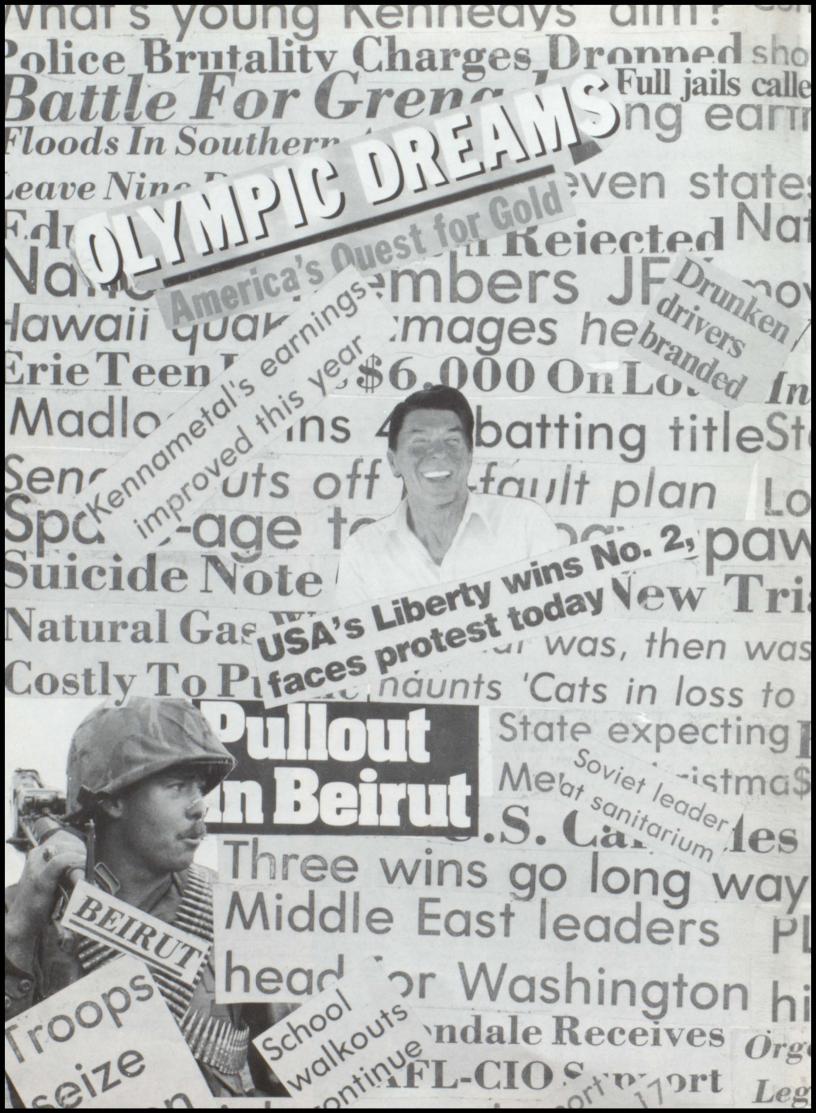

To the student body: This book is your book and could not have been made possible without your help. Thank you for your cooperation!

The 1984 Co-editors Kim Svidron and Julie Myers

Good Luck to the staff of 1985!

Since elections to the Board of Education took place mid year and after the faculty section was completed, we have pictured the previous board on page 120. The six newly elected members appear here. They are (bottom left to right) Harry Graham, Mrs. Mary Couchenour (President), John Gera, (top left to right) Geano Agostino, Jack Townsend and Thomas Marshall. Ned Nakles continues as District Solicitor and Mrs. Pat Fenton is Vice-President.
