B.Lt.: What do you mean by that? (K. Smetak, M. Frisky)

B.Ml.: Dear King (D. Harr)

B.Lt.: I'm either really early or really late. (D. Rafferty)

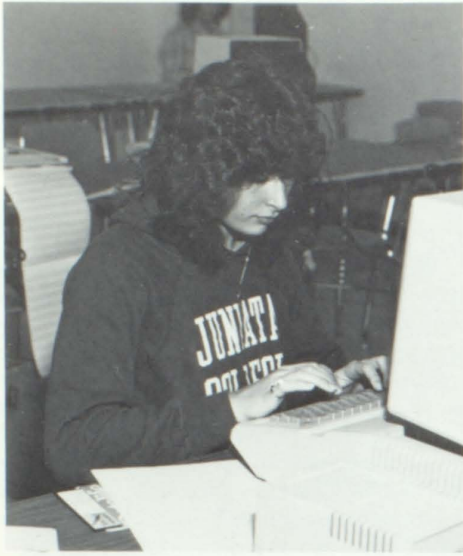

We remember being sophomores or juniors; we were labeled "underclass" and were looked upon as part of the minority. But that was behind us this year as our two years of hope and anticipation of becoming a senior as a time for no work and all play, others looked upon it as a serious time in preparation for college. Either way, everyone had his or her own responsibilities and duties. Teachers expected a lot from us and we from them. Times were easy and times were tough, but we were never alone.

When homework piled up, time ran short, and our problems seemed endless, friends become more and more important, for having a friend meant more than merely having someone to sit by in English . . .

T.Lt.: The future IBM Data Processor. (T. D'Angelo)
T.Rt.: Boring to the max! (A. Smith, R. Weightman,
 K. Tutoki, R. Elliot)
M.Lt.: Mirror, mirror on the wall . . . (C. Slivoskey,

 Slivoskey, T. Hanchosky, L. Smolleck)
B.Lt.: Best buddies forever. (J. Grassel, C. Leonard)
B.Rt.: Now that's what I call service! (S. Speedy, A.
 Nowalk)

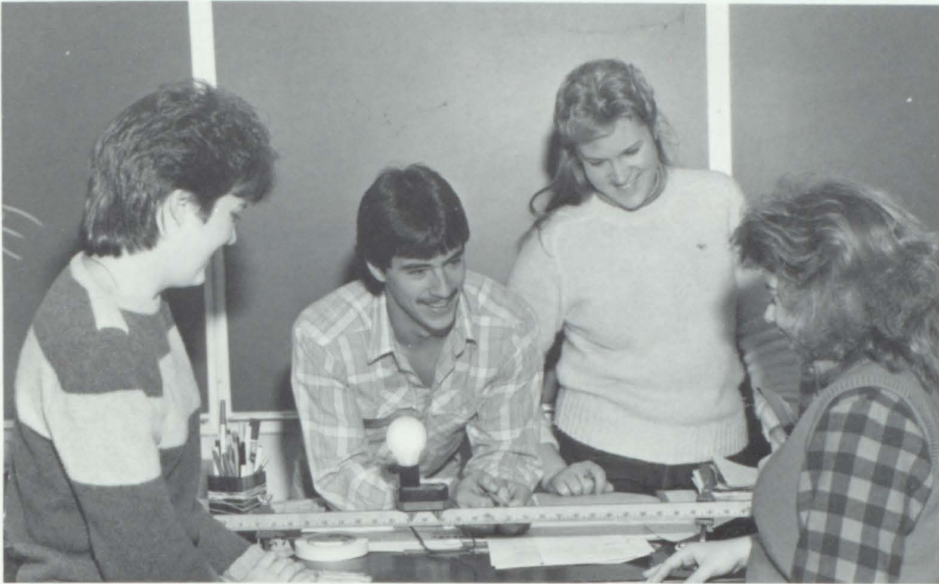

T.Lt.: Hard at work. (D. McDowell)

T.Rt.: This could be almost anyone at GLHS on any given day. (B. Shearer)

M.Lt.: Can you believe it works? (T. Janis, S. Brewer, L. Mickey, K. Skrgic)

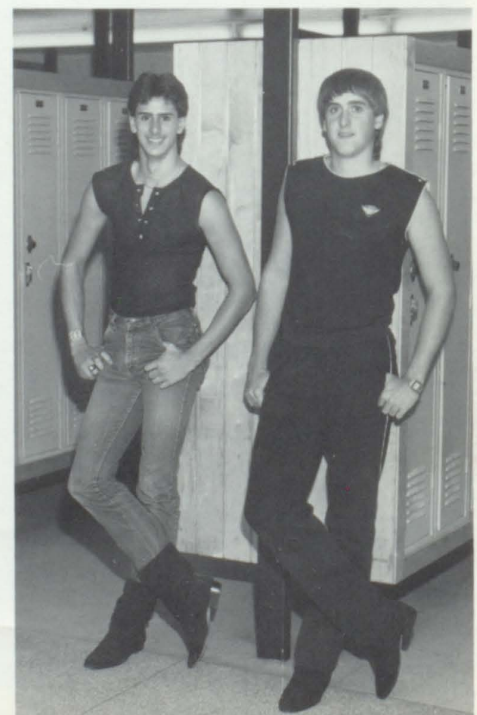

M.Rt.: Just a kid at heart. (M. Albaugh)

Bottom: The line up. (J. Tolliver, S. Ruffner, C. Howard, T. Wilson, A. Shaffer, C. Kelly, S. Meyer, S. Deglau, T. Jackovitz, K. Pastor, C. Templin, T. Hartman, A. Nowalk)

T.Lt.: Sitting pretty. (S. Dreistadt, M. Danser)
T.Rt.: Expecting the unexpected. (A. Palmer, N. Ottino)
M.Lt.: Oh, hi Mr. Lively. (D. Weightman, B. Wasnesky)
M.Rt.: Everybody's crazy about a sharp dressed band. (L. Metz, J. Macey, S. Lenhart)
B.Lt.: He can't miss. (R. Leonard)
B.Rt.: Studs of '85. (T. Lazarchik, G. Spellman)

Having a friend was calling to ask what the Physics assignment was that you forgot to write down . . . and later comparing answers "just to make sure".

Having a friend was borrowing gym clothes when yours were sitting at home on your desk when you needed them third period today.

Having a friend was having someone willing to understand and have time for you at all times and not only at convenient times.

Having a friend was talking a lot because there was so much to talk about and saying nothing at all because you don't need words.

Having a friend was feeling good about yourself and knowing your friend felt good about you, too.

T.Lt.: Going . . . (J. Spangler, M. Hughes, J. Steeley, D. Mills, J. Biss, S. Brewer, C. Skatell, J. Mazero, M. Ashbaugh, S. Noonan, S. Giacobbi, J. Zavatsky, T. Cawoski, T. Steeley, R. Zavatsky, R. Kinhead)

M.Lt.: Going . . .

B.Lt.: Gone!

M.Rt.: Play it again Dawn. (D. Demangone)

Having a friend was feeling close even when
you were separated.
Having a friend was changing tears to laughter
and bringing sunshine to a rainy day.
Having a friend was having a magic mirror in
which you could see yourself as you really were.
As we say goodbye to our teachers, our
classes, our books, and our times at GLHS, it's
not easy to say goodbye to our friends. Our times
together at school have ended but the memories
of the times we have shared will live on forever.

T.Lt.: My favorite, Dick and Jane. (D. Long)

T.Rt.: Falling Grades. (T. Battaglia)

M.Lt.: "It's sew easy!" (S. Adams)

M.Rt.: Let it snow. (D. Holler, M. Caldwell, J. Wilson, J.

Gall, S. Arnold, G. Pomper, S. Hurst)

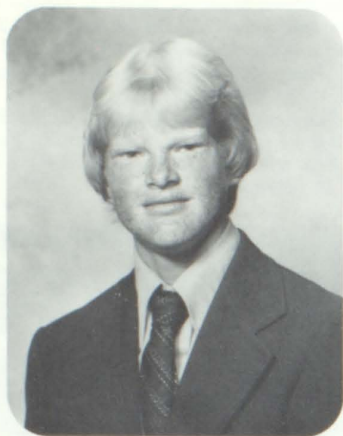

B.Lt.: Put a few more lines in here. (D. Unger, Mrs. Rice)

B.Rt.: "Pittsburgh Pride" (S. Kubecki, C. Shoemaker, C. Massena, C. Byers)

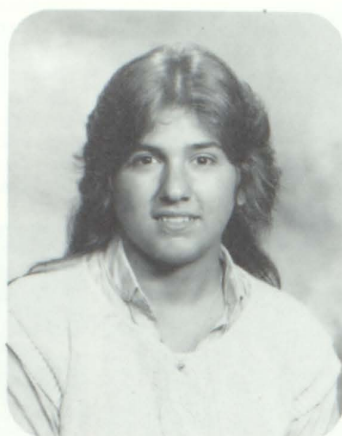

T.Lt.: This should be in the Louvre. (L. Mozina)
T.Mt.: It's a good thing I had an appointment. (T. Gilmore)
T.Rt.: Are you talking to us? (C. Byers, C. Davidson)
M.Lt.: Just hanging around. (G. Diss, E. Goldberg, S. Ianuzzo, J. Fromme, J. Miller, M. Bennett, D. Shanefelter, M. Madeira, C. Ross, M. Belash, R. Lucas, L. Kolling, C. Shaffer, A. Veto, A. Lancianese)
M.Rt.: It's a deal. (M. Reigh, S. DelCorral, C. Bevans)
B.Lt.: I feel like Johnny Carson. (S. Iannuzzo, T. Wassel)
B.Rt.: Don't look, she might call on us. (J. Biss, D. Rafferty, K. Weller, M. Schaefer)

The class of 1985 speaks to GLHS
 Latrobe High I'll always remember
 you,
 You are the school to whom I was
 true.
 Next year I will really miss this school,
 We were the ones who said, "Seniors
 Rule!"
 Backing the Cats with cheers until the
 end,
 Dear Latrobe High you were more
 than a friend.
 Being spirited fans and wearing orange
 and black,
 Will you remember me if I come back?

Sometimes I wished high school could
 last forever
 The fun, the excitement, the
 homework, no never!
 Some memories we want to never
 fade;
 Others we wish we had never made.
 Remember being a sophomore, so

young and alive,
 And now being remembered as the
 class of '85?
 There were tests and failures mixed
 with success.
 But always the cry, "Latrobe's The
 Best"

Driving past McDonald's, I'll think of
 you,
 Friday nights were games, and Big
 Macs, too.
 Nothing can change what you mean to
 me,
 Three years of converting "I" into
 "we"

Some tears, some laughter, now that
 we're history
 Realities, dreams, and even some
 mystery
 Looking back at the old and forward
 to new
 We admit very quietly, "We love
 you."

This year's senior class officers are Joe Mazero, president; J.R. Spangler, vice president; Mike Ashbaugh, secretary; and Scott Arnold, treasurer. These individuals were selected by the student body early in the year. Our officers have kept busy this year with preparations for coming social events. Their duties include organizing sales promotions for funding the post prom party and finding the entertainment for during the prom. Our officers this year are also in charge of probably the most important task. It is up to them to organize our future class reunions.

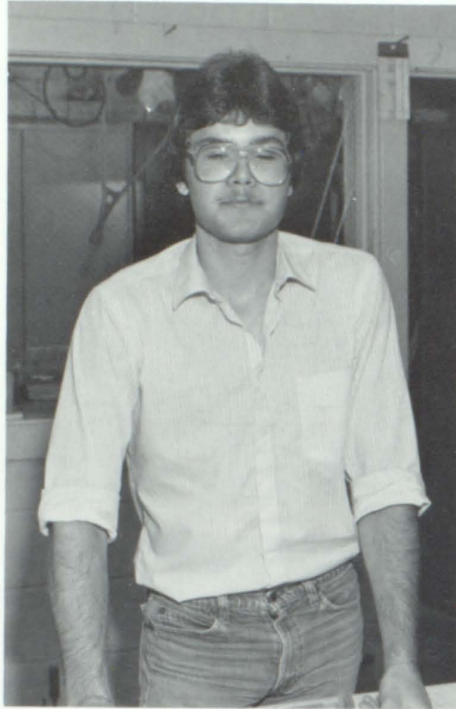

Last year, our junior class officers, Courtney Howard, secretary; Meghan Lynch, president; Ange Lancianese, vice-president; Johnna Tolliver, treasurer; worked on our class flag developing the color scheme of royal blue, red and gold and the motto, "Success is making the most of our total selves," is the "theme" to our senior flag. Senior Sydney Deglau designed the artwork on the flag while senior Lisa Tidwell did all of the sewing. "We feel the motto on the flag represents the seniors of this year," said Courtney Howard.

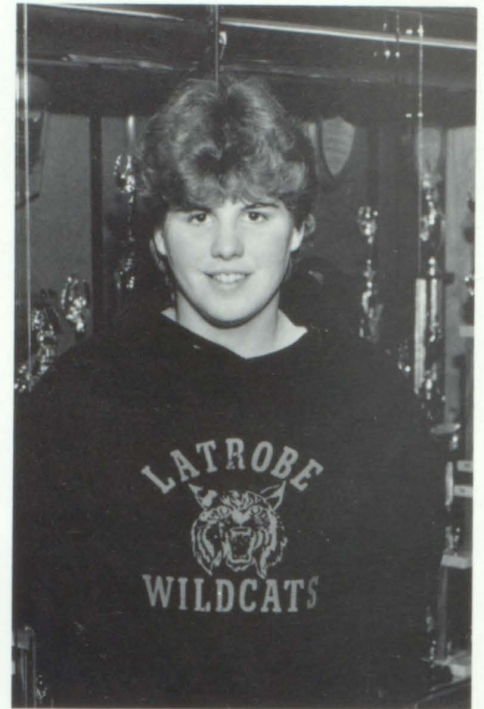

SENIORS RECEIVE

The word 'leadership' is a confusing word. Most people think that to lead you have to put yourself above all others and take charge. But that is not the case here. Leadership in the eyes of the Senior class means taking pride in what they do, showing school spirit, and just being a part of the class. They take great joy in being 'Seniors' but take even greater joy when asked for their assistance by an underclassman. They enjoy being there to help when needed and then taking on added responsibilities to help another.

In doing this they are marking down their names in the pages of history as one of the proudest graduating classes of Greater Latrobe.

GRADUATION DAY

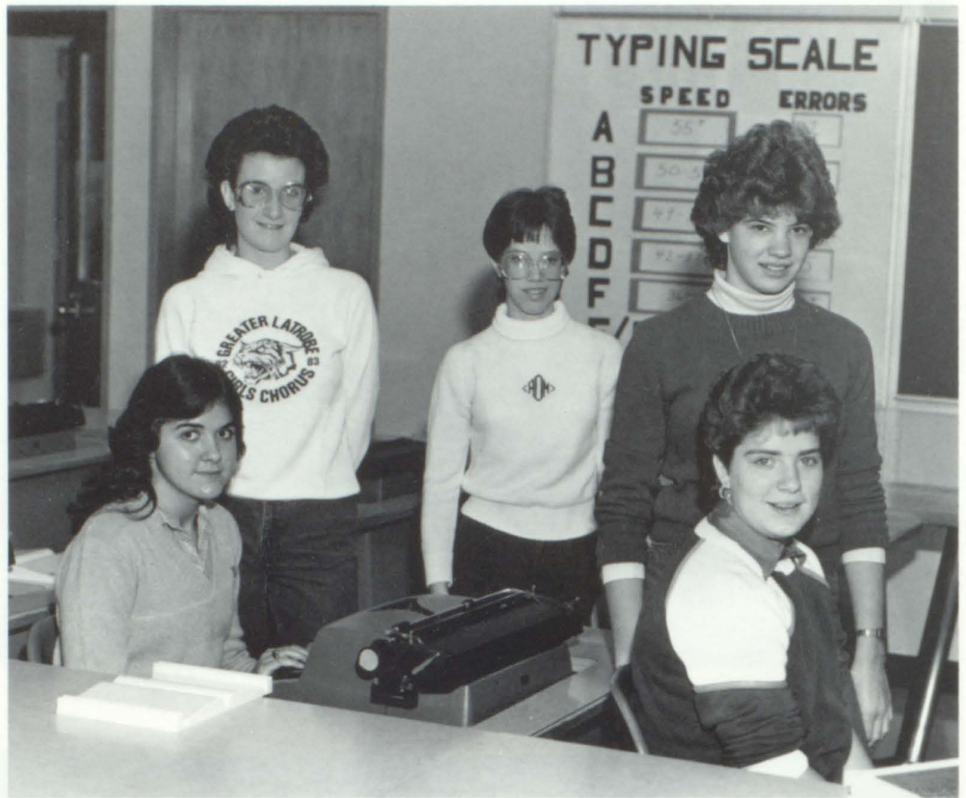

There's a time for joy,
A time for tears,
A time we'll treasure through the years.
We'll remember always,
Graduation day.

At the Senior prom we danced till three,
And there you gave your heart to me.
We'll remember always,
Graduation day.

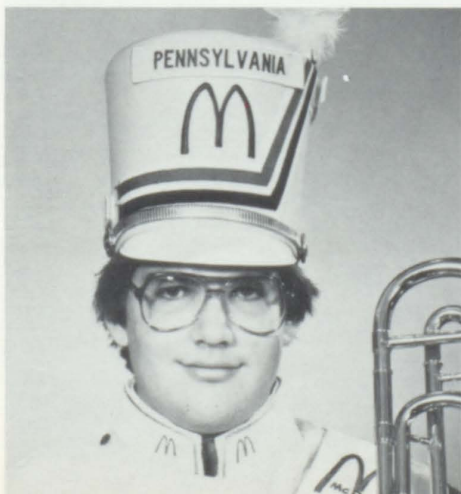

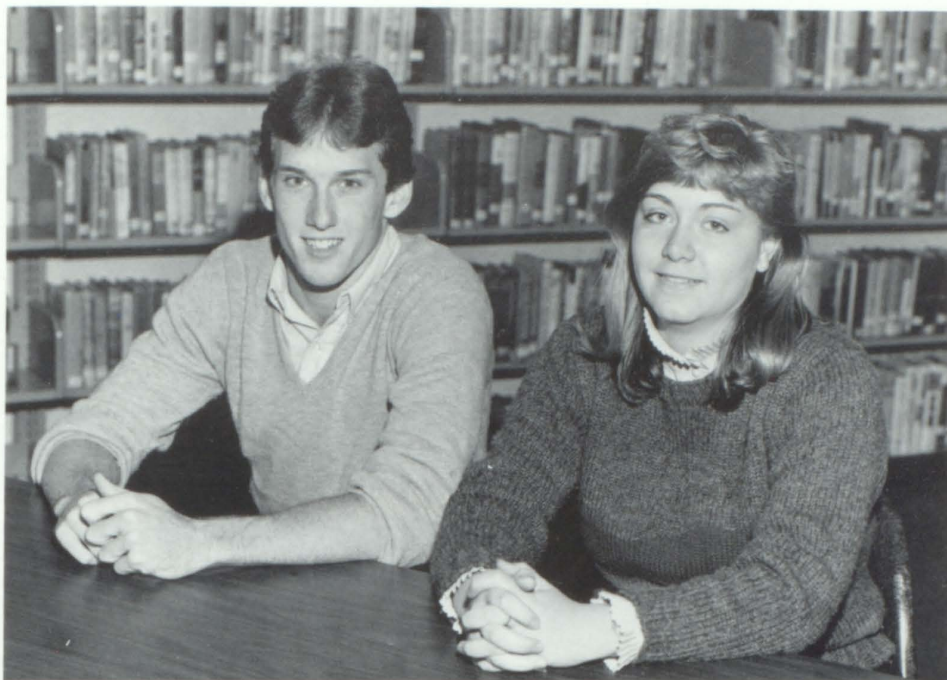

Although we leave in sorrow,
All the friends we've known.
We can face tomorrow,
Knowing we'll never walk alone.

When the ivy walls
Are far behind.
No matter where our paths may wind,
We'll remember always,
Graduation day.

STUDENT LIFE

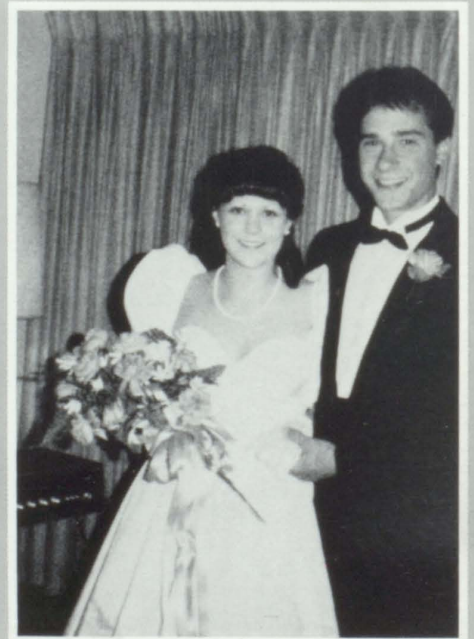

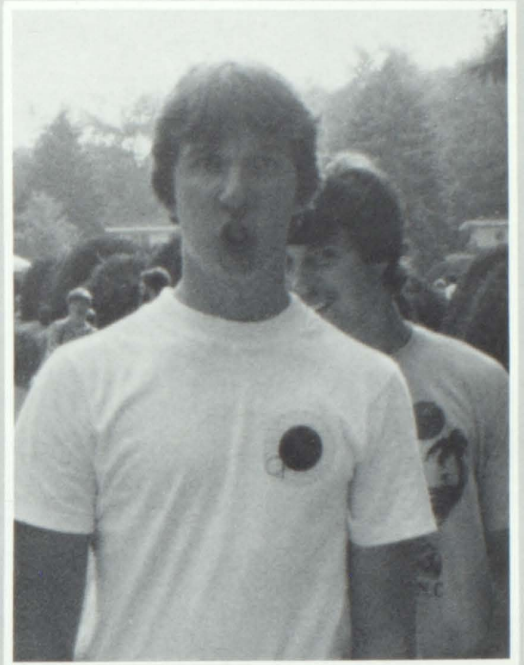

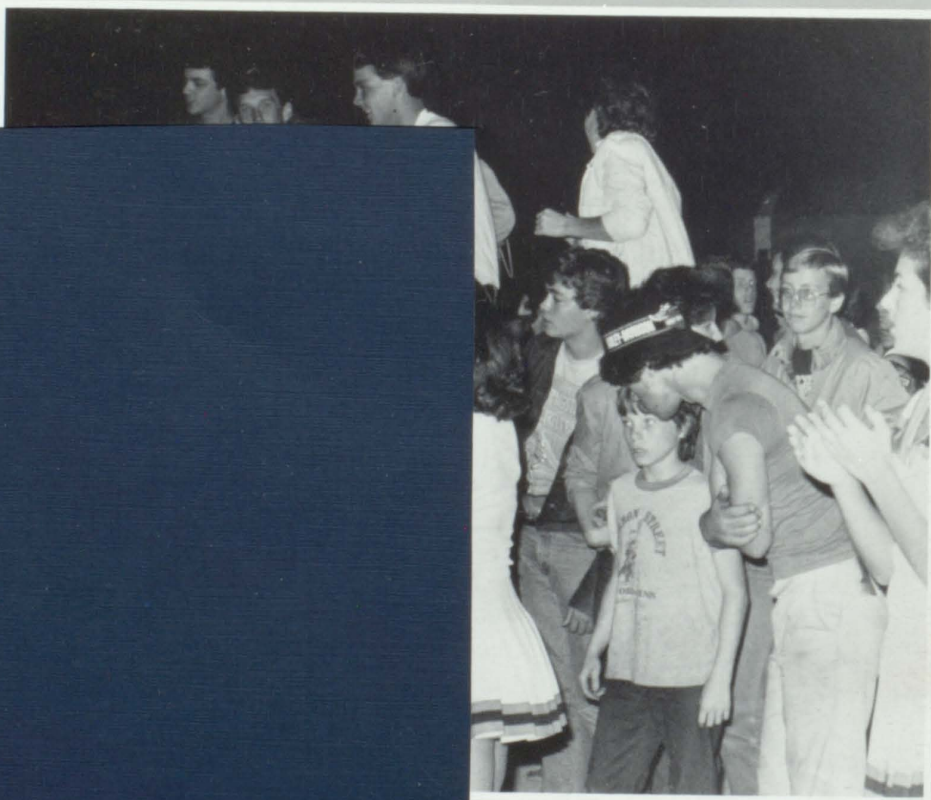

Students spent seven hours a day, five days a week at school, making it like a second home to them. With the same goals and responsibilities, the students grew close and friends became as important as academics. Just when a five paragraph composition, a quarter project in computers, and the first five chapters of *The Old Man and the Sea* were due, making school seem unbearable, friends were always there to remind us of the weekend ahead.

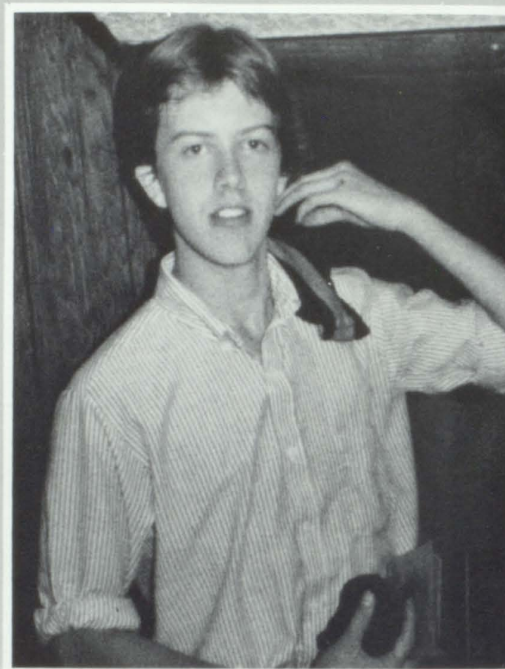

Everyone looked forward to the weekends, when homework could wait until Sunday night or even homeroom period Monday morning. Football and Basketball games, trips to McDonalds, and Saturday night movies always make the schoolwork seem more bearable. A Friday or Saturday night out with friends, or a quiet night at home, provided the perfect cure for school-time blues. Regardless of how the weekend was spent, it served as a much needed break for forgetting the hectic week.

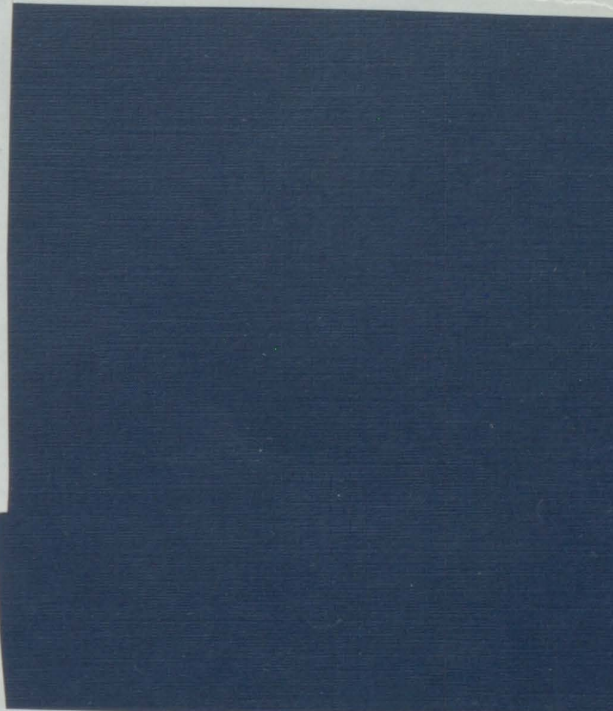

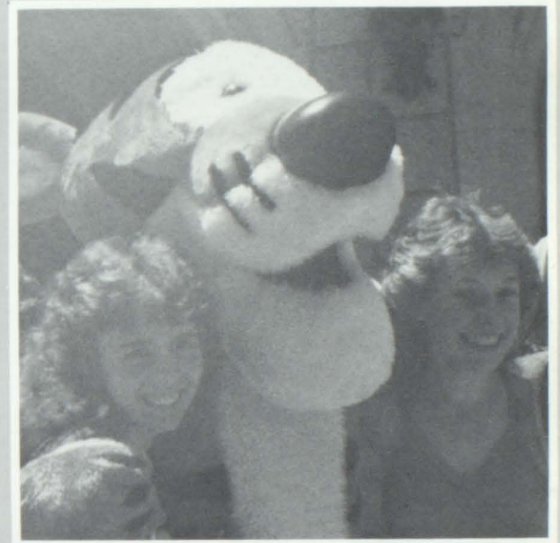

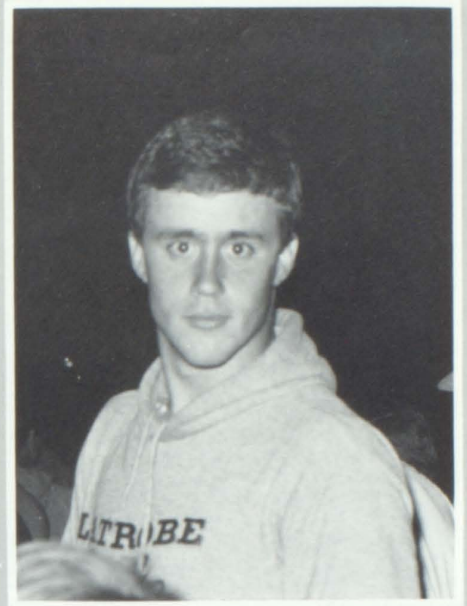

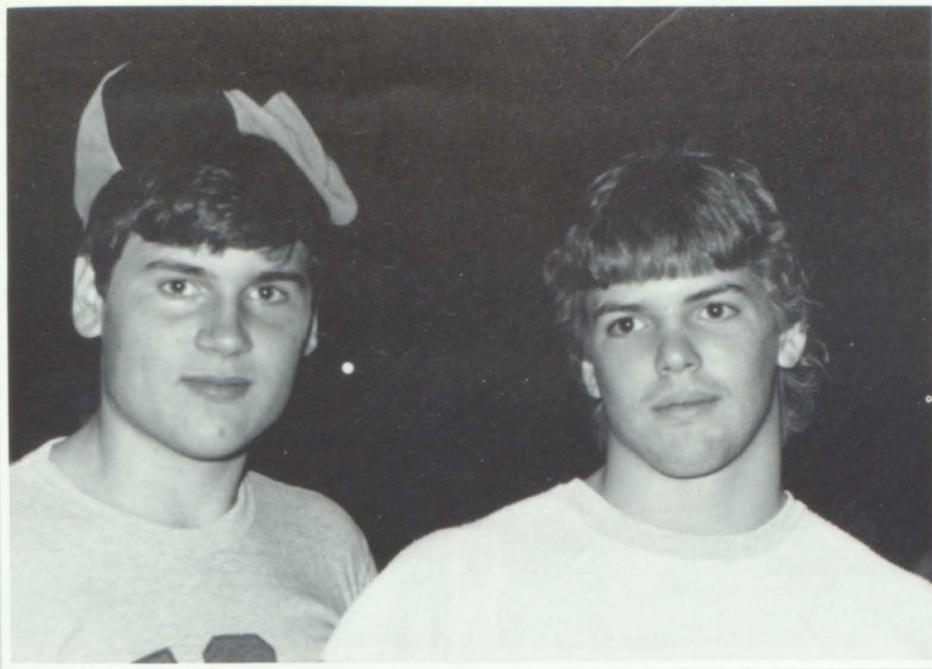

Student life at Latrobe was reflected in friends at the Senior Breakfast proposing toasts with orange juice, trips to McDonalds where just talking to friends was more important than a Big Mac and fries, and memories at the bonfire when singing and cheering with friends was an excellent time. Student life also meant dancing 'till dawn at the prom and having a great time with friends.

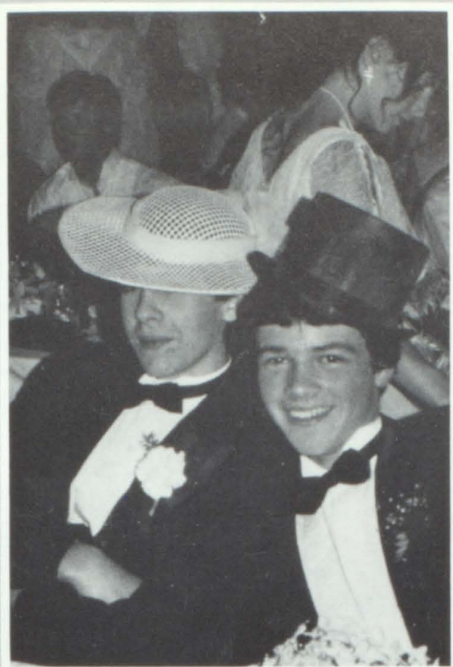

Student life at Greater Latrobe High School meant pep assemblies with male cheerleaders, Turkey Bowl with teachers we least expected to be athletic, an undefeated football team, and a basketball team greeted on Friday nights with tons of colorful streamers. Student life meant an excellent Homecoming Dance, a trip to Washington D.C., getting home just in time for Guiding Light or General Hospital, and listening to school cancellations in the winter and hoping school would be cancelled, for the week or at least the day. Student life at Latrobe meant good times with friends and unforgettable memories that will last long after graduation day.

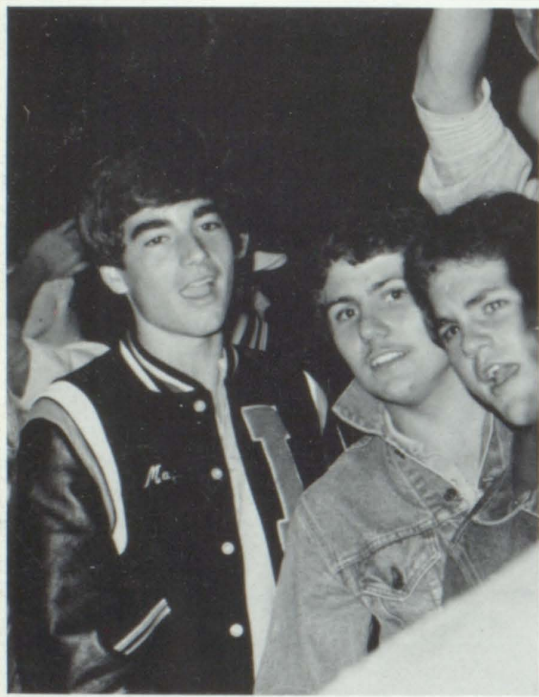

Out of the maze of classes, student life emerged as being just as important as the academics. Student life was accented as friends became more than just someone to sit by in history. Friends were an important part of school as was English and Algebra II. Friends reminded us of the weekend when Monday through Friday seemed like eternity and gave us many memories we will hold long after our books are turned in and we say goodbye to Latrobe High School.

UNDERCLASS

CLASS OF 1986

Being a junior is perhaps the easiest role to play in our school, because sophomores are the "babies" of the school adjusting to a lot of changes and seniors are the "bosses" applying their domination over the school. The juniors play the part of the mediator between the two extremes. The juniors are the safe middle between the confusion and the fear.

Unlike the sophomores who are busy learning the rules of a new school, the juniors have already gone through that transitional period and have moved on to the ranks of upperclassmen. For example, the juniors found their voices this year and have taken active roles in clubs, organizations, and sports. The juniors are more sure of themselves and their abilities because they have a year of experience with them.

In much the same way, our juniors are protected from the emotional changes the seniors are facing as the seniors move on their own separate paths. The "middle class" can have a "laid back" attitude towards their role in the school because they still have another year. The juniors can feel safe because the qualms touching a senior's life are still far ahead of them.

Being a student at Greater Latrobe Senior High School brings about a lot of changes in a student's life, especially if that student is a sophomore. Perhaps the toughest role in high school is that of the youngest underclassmen.

Taking part in extracurricular functions is perhaps the first step a sophomore takes when trying to "fit in". Everyone remembers trying to out cheer the seniors at the first pep assembly. The sophomores' enthusiasm shone through the shouts of "GO BACK, GO BACK!" Attendance at school dances, which required a date, was new to our underclassmen. Social events such as Homecoming and the Morp were enjoyed by all. Sending candy canes to favorite friends and secret admirers was another first for our sophomores. The carnation sale for Valentine's Day, was also successful and proved to be a lot of fun.

In addition to school social events, the sophomores found a wide variety of clubs, and sports in which they could be involved. Pep Club, Mat Maids, Usher's Club, Medical Explorers and Marching Band were just a few of the organizations available to the underclassmen. Sports teams were also quite successful this year. The sophomores found themselves sharing in these successes along with the rest of the school.

Although the seniors looked upon them as only underclassmen, the sophomores and juniors of '85 made themselves known. They gave the seniors a run for their money in the Jar Race at Christmastime and always made their class look good at assemblies and pep rallies. Being the minority was never easy for anyone, but the sophomores and juniors seemed to make it fun.

With high expectations of becoming seniors themselves and thoughts of the day "someone else" would take their place as the minority, they went from saying, "Could you tell me where F-201 is?" to "Hey, I'll be a senior in a few years!"

Taking the bad with the good, making their sophomore and junior years in high school both fun-filled and memorable, the underclassmen were an important part of GLHS.

As we move one step closer to the end of the 84-85 school year, the student body would like to thank the administration and faculty for the "forgotten" times that played important parts in our educational careers. Such times "spent" often get looked over by students but are not forgotten.

Taking responsibility for our own actions was the main lesson this year. When we got out of hand, either during school hours or after, we learned through our punishment how to behave. We came to realize, be it through force or of our own accord, that growing up also meant feeling a sense of pride for what we become. We learned one must be constantly preparing oneself for his/her future through responsible, self discipline actions.

In recognizing special moments in our education, we have to remember activities and sports in which we have been involved. We must remember that not only we, the students, put time into the organization but faculty members put time into club or sport as well. Realizing this, the student body expresses deep gratitude for the vast number of organizations that can be found in our school. A special thanks goes out to those who helped to make our clubs, activities and sports a great success through their unselfishness with their time and energy. Most importantly, the student body would like to thank the teachers of GLHS for offering an outstanding curriculum. The interesting course selections found at our school are here because of our faculty. We are all being better prepared for our future through this vast number of offered classes.

SPORTS

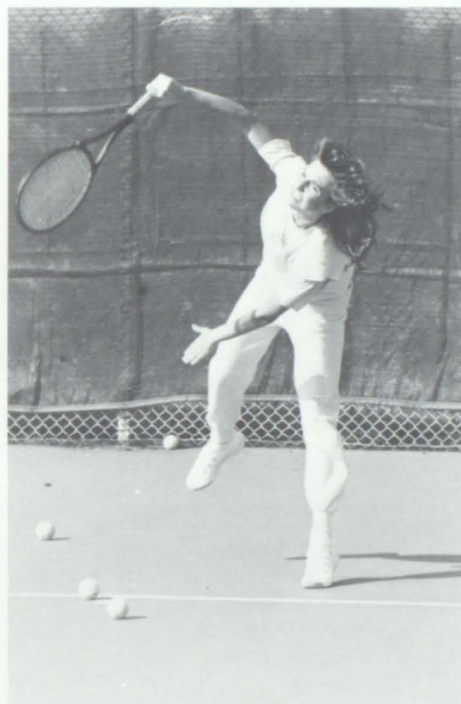

PRACTICE MAKES PERFECT

Behind every sport lies an endless number of practices which try a player's patience. For most fall sports, these practices begin during the summer. The agilities, the summer practices, the summer camps, and weight training start to pay off as the starting line-ups are made and the season opens. However, it's during these practices that a unity and friendship develop between team mates. Determined students working together, striving together to achieve the same goal, form strong bonds that create a sense of unity which was ever present in this year's teams. It is team spirit and morale that keep motivation running high when practice gets tough. This year in particular practice paid off in the standings as well as in reuniting the student body.

Waking up early and dedicating the final few weeks of their summer to a sport while the remainder of the student body was sleeping in and soaking up the final rays of the summer sun causes all athletes to make a commitment. The dedication of all the participants is outstanding especially those that weren't listed on the starting roster. Even though the frustrations during practice sometimes cause an athlete to think twice about the path that he chose, at the conclusion of the season the satisfaction of sticking it out makes the hard work pay off. After all, it was the giving of 100% at the practices and during competitions that made this the year of the Cat in more than one way.

T.M: Pretty as a picture. (A. Sorber)
T.Rt: Give me a break (C. Christman)
M.Lf: Hand of Sandy! (K. Smollick, C. Pollins, S. Stas, S. Fajt)
M: POW! (J. Palacki)
M.Rt: What a move. (Coach Hart, Coach LoCasio, E. Diehl)
Bottom: Pumping iron. (P. Driestadt)

10-0 Way To Go!

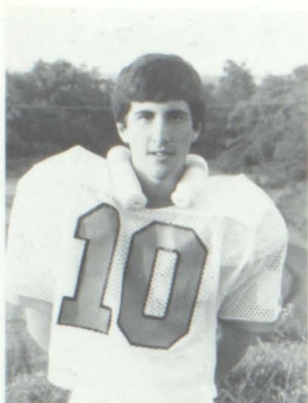

This year the Cats moved into the Keystone Conference and proved to be an unbeatable contender. The first 10-0 season in Latrobe history spread pride throughout the school as well as the community. This year the Cats worked as a team and in combining the abilities of all its' players, proved to be second to none.

The Southmoreland game turned Tom Cawoski's dream into reality as he danced across the goal line with no time remaining on the clock thanks to a block by Wally Revitsky.

Putting the offense led by Tom Steeley and Joe Mazero with the outstanding efforts of the defense created an unstoppable team. A 10-0 season was remarkable and beating arch rival Derry just made everything a little more special.

The Catstales continue, but the best part of the season was the respect the players gained. A crowded Memorial Stadium, special assemblies and even a parade were all new occurrences unfamiliar to Latrobe fans until this year's perfect season; however, it all had to end somewhere and to the dismay of Latrobe it did when the Cats faced the Aliquippa Quips in the first round of the WPIAL play offs.

The student body, faculty, administration and community would like to congratulate the Greater Latrobe Wildcats for a fine season of well played games.

THE "84" CATS, A YEAR TO REMEMBER

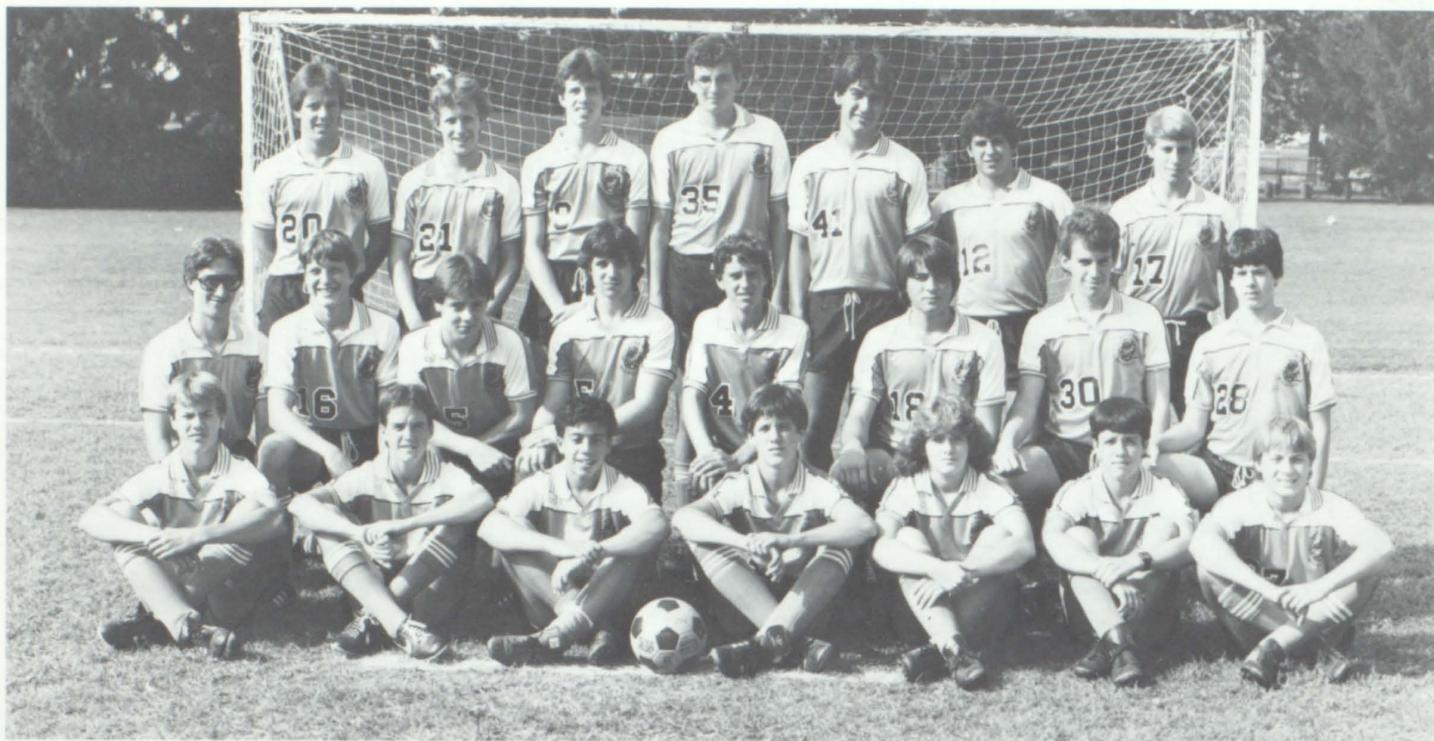

This was a football season to remember,
 It all started back in September.
 With summer practices in the past,
 Mazero, Owens and Chockla looked fast.
 The fans' enthusiasm, spirit and pride,
 was very contagious and hard to hide.
 The cheerleaders and mascots looked so good,
 After being Grand Champions we knew they would.
 Each game was more exciting than the week before.
 What did GLHS have to store?
 Whose throwing those long bombs?
 Someone said, "Must've been rifle arm Tom's"
 The Homecoming game and Cawoski's fourteen second run,
 Fans jumped the fence, proclaiming we're number 1.
 Smearing Mt. Pleasant and clinching a playoff spot,
 Everyone knew the CATS were hot.
 Beating Derry, not losing like years before,
 The Cats said, "We're not gonna take it anymore!"
 Senior night brought smiles, tears, and fun,
 Whether you play football, if you're a senior you're number one.
 With the juniors and sophomores as proud as can be
 Made this a special season to remember you see.

Following a disappointing first season (2-11-1), the Latrobe Wildcats soccer team started practice in August with hopes to improve and to regain the pride they had lost the previous year. Focusing on conditioning, Coach Scott Downs and Assistant Coach Dave Mink had the team run countless windsprints at the beginning, middle, and the end of each practice. Due to the teams lack of experience, the coaches planned to outrun opponents the entire game. Another improvement in the team was the attention given to the defense. The Cats possessed one of the finest defenses in the section, allowing but 1.5 goals per game. Only two teams scored more than two goals against the Cats in any single game. At the mid-point of the season the Latrobe soccer team found themselves tied for first place in the section. The offense was much more productive than last year, averaging 3 goals per game. High scorers were Mike Kinnard and Greg Pomper. In the fourth game of the season, Latrobe beat Hempfield for the first time in its short history, 2-1. The soccer teams first home night home was played against rival Southmoreland with the Cats coming out on top again, 2-1. Both Latrobe goals were scored by Mike Kinnard.

For the sixth game of the season, the Cats travelled to Norwin to battle for first place. At that time, both Norwin and Latrobe were 4-0-1 and tied for the lead. The Cats had many opportunities to score early in the game but did not hit the net. Then, in the second quarter, a Norwin striker surprised goalie Chris Whitehead and kicked a twenty yard shot that hit inside the upper left corner of the Latrobe goal. The Cats gave up one more goal in the third quarter and Norwin triumphed, 2-0. This game was pivotal in that it pushed Latrobe out of first place for the remainder of the season. Losing the final three games of the season to Franklin, Hempfield, and Norwin placed the second year Latrobe Wildcats in third place, much higher than was expected from the team.

Evidence of Latrobe's success on the soccer field is the fact that four players were selected to the All-Section teams. Junior striker Mike Kinnard and senior fullback Scott Arnold were chosen for the first team. Senior forward Scott Speedy and senior fullback Bret Pohland were placed on the second team. "Mike Kinnard always seemed to come up with clutch goals and Scott Arnold played with guts and emotion that sparked the entire team," says Coach Downs. Arnold was also selected to the East Zone All-Stars by the Post-Gazette. Scott Speedy was very aggressive and was designated defender. Scott was often assigned to guard opposing strikers one on one. Bret Pohland who has played soccer but two years, is one of the most consistent players on the team.

Although seven starters are graduating, the soccer team will return a great deal of talent. All three starting defenders are seniors, but with defensive Coach Dave Mink, the defense should remain solid.

Section Co-Champs

The lady netters captured their first section title under Coach Jim Rombach this season. Compiling a section record of 9-1, the team suffered its only set back when they travelled to Southmoreland. The girls were named section co-champ due to a new WPIAL rule which eliminated a play off in case of a tie for first place within a section.

Depth was the key word for this years team as they made clean sweeps even through exhibition in several of this year's matches. The girls were able to win most matches with a 5-0 score which exemplifies their ability through out the starting line up. The team's over all effort proved to be superior to that of their section competitors.

Bump, Set, Spike

The girls opened the season with three decisive victories over Penn Trafford, Yough and Derry, but then suffered a loss to Hempfield in the fourth regular season game. The team bounced back to capture a 3-2 decision over Central and went on to suffer two more set backs at the hands of Norwin and Connellsville.

Starting the second half of the season by recording shut outs against Penn Trafford, Yough and Derry showed that experience gained in the first half of the season was going to raise the Cats' record through out the remaining half.

Team Effort Produces Wins

The Girls' Volleyball team rallied vs. Connellsville to win the last game of the season 3-2 in an exciting climax to the season. The girls finished with a 9-5 record after winning four out of their last five matches. Coach Dalton said that their key to success was depth. Not only was Karen Skrgic a strong setter, but also the combination of Terrilea Stemmler, Roxanne Lucas, and Sandy Stas made for a strong spiking line. Coach Dalton was impressed by the team's willingness to try different ideas and also to stay in certain positions. This was shown through the impressive serving skills of Dana and Lori Harr. When not playing, they showed their support by cheering on their teammates from the bench. The combined efforts of the entire team added to produce a very successful season. Also, a special note should be to mention the many fans who supported this year's team.

Linksters Latch Third

The Wildcat golf team posted a 9-4 overall record this season and received third place honors in thier section. The Cats opened up with three scrimmage victories and then began section play. Defeating Jeannette and Greensburg Salem before losing to Hempfield. The Cats shut out arch rival Derry before suffering a loss to the premiere section team Greensburg Central Catholic.

Entering the second half of the season, the Cats realized they needed a strong finish to capture a play off position. However, the second half of the season proved to be a repeat performance of the first and the Cats ended up 6-4 in section play.

Highpionts of the Cat's season were the three tournaments. These tournaments were the Keystone Conference Championship, Section and Area Qualifiers. It was at the prestigious Dr. Wheeling Tournament at Sunnys-hanna Country Club where the Cats placed second for the second consecutive year.

Double C Races For Victory

Led by Ben Zeiders, Scott Christman, and Brian Butina, the Wildcat Cross-Country team tallied a 7-5 record. After losing the first two meets to Kiski Area (32-14) and Hempfield (43-18), the Cats rebounded with a win over Elizabeth Forward. They finished the '84-'85 season with two wins over Southmoreland and Greensburg Central.

Meanwhile, the Girls' team registered a 2-3 season. Led by Dawn Jones, the Girls team beat Elizabeth Forward and Laurel Highlands while losing to Hempfield, Franklin Regional, and Greensburg Salem.

The teams had a collective record of 9-8. Although the Cross-Country team was not expected to be a contender in the section, they beat some quality teams throughout the season. As with most Latrobe sports, the coaching played an important role in the season. Mr. Etling did a fine job with this year's Cross Country team in coaching to a winning season.

Pre-Season

The Cats opened up with two victories over Uniontown and Langely, but fell to Farrell in their third exhibition match-up. Rebounding into the winning track, the Cats overcame Penn Hills and headed into the Canton Timken Christmas tournament in Ohio. However, the Cats were eliminated after their first two match ups as they came up 2 and 1 points short respectively against Canton Timken and Central Akron High.

Tradition Continues

In keeping up with tradition, the 1984-85 Wildcat basketball team ended on a winning note. As in the past years, Latrobe has been a top contender in the tight section race. Although arch-rival Hempfield fell easily into the hands of the Mighty Wildcats, Norwin and Kiski gave Latrobe tougher competition accounting for their only losses.

With the combined skills of Seniors Picciano, Noonan, Stahl, Owens, Casey, N. Fenton, Biss, and Sophomore K. Fenton, the Cats proved to be true winners.

Cats Stun W.P.I.A.L.

The Latrobe Varsity Basketball Team won its first ever W.P.I.A.L. title by defeating Baldwin (25-1) 67-59 at the Pitt Field House. In the preliminary round, Latrobe defeated a tough Laurel Highlands team; then, they went on to bring down Upper St. Clair. On the way to the finals the Cats' also destroyed Montour and defeated Farrell. In the final, Latrobe took charge in the third quarter, outscoring undefeated Baldwin 20-5, and cruised to the championship. In the State tournament, Latrobe beat Meadville, but lost to Farrell, 63-61, on a last second shot. Throughout both tournaments, Neil Fenton lead the team, averaging 20 points per game. This year, Coach Zsolcsak did one of the finest coaching jobs the school has ever seen.

Girls Swish Season

Although there were no seniors on this year's girls basketball team, there was an abundance of young talent. Sophomore Jennifer Whithead lead in scoring, averaging 16 points a game while Amy Sorber lead in rebounding with 12 points per game. Through nine section games, the girls held a 5-4 record. However, the Junior Varsity team had a record of 9-0, leading the section with the season more than half over. Fate in January, Mr. Rumbach had to assume coaching responsibilities temporarily and coached the team to wins over Penn-Trafford and Greensburg Salem. The girls' remaining games include tough games against Norwin, Hempfield, and Greensburg Central Catholic. The team has high hopes for next season because all of the starting players are underclassmen.

This years Wildcat Hockey Team clinched the section title which automatically made the Cats eligible for the state tournament in Hershey, PA. The icers placed second in the Thanksgiving Tournament held at Kirk S. Nevin Arena suffering their single setback by a slim three goal margin. The final tournament the Cats are planning to attend is to be held at the end of March at Penn State.

Aside from an outstanding overall team performance, sophomores Andy Cesarski and Dave Tench earned a spot on the All Star Team along with senior Chris Farls. The previous three also were responsible for the majority of Latrobe's goals and therefore named leading scorers for the Cats. While the offense operated above satisfaction the defense lead by senior goalie Bob Helfferich, was superior to all other section challengers earning the Cats the top spot having least goals scored on them.

Rifle Scores A Direct Hit

Completing their fourteenth straight winning season, the Wildcat Rifle Team compiled an overall season record of 7-5. Under the direction of Coach Craig Bates, the Cats started off strong winning the first five of seven matches, but dropped the last few meets. The shooters won their first exhibition game of the season against Indiana with a score of 981-54X to 940-23X. The Cats continued to be victorious with wins over Plum and Hempfield. Top shooters for the season were Seniors Mark Androstic, Wade Porterfield, Kevin Svidron, Steve Thiebaud, and Scott Thomas.

For the first time the cheerleading squad is being categorized as a sport instead of an activity. This is due to the competitions the girls attend, letters received, and ability demonstrated.

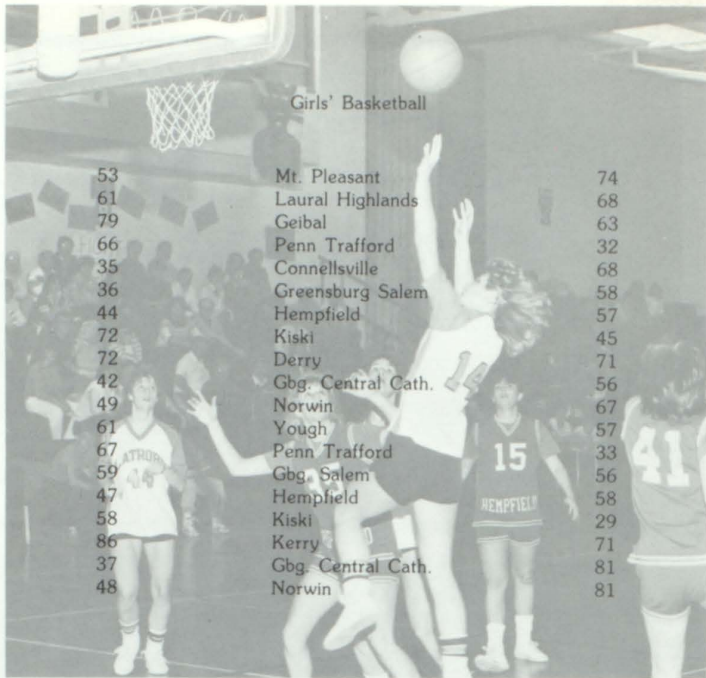

This year the girls' varsity and junior varsity squads excelled at camp by gathering dual spirit awards. Seniors Sue Ann Fajt, Chris Pollins, and Chris Kelley, and Sophomores Jen Biss and Brooke Kostley received individual spirit awards. As a whole the squad captured first place in the International Cheerleading Foundation summer camp chant competition. Overall, the aquad was ranked fifteenth in the nation after receiving first place honors in the state's chant, dance and overall cheer execution competition.

Section Sizzlers . . . Boys' Track

Tracksters

Under the head coaching of Mr. Robert Baluh, the boys' track team finished the the 84 season with an 8-4 record that tied the team for second in the section. However, the 15 returning lettermen have an optimistic outlook of bettering last years' standings.

At mid-season, Seniors Joe Mazero and Steve Chockla were predicted to take short distance honors while Junior Ben Zeiders was expected to lead the distance team. Seniors Fran Pagnotta and Dan Elder will help re-build the weight and field team after the loss of many previous members.

Head Coach Baluh along with field team Coach Repko and weight team Coach Karazsia looked forward to a winning season. Coach Baluh thought the team should have a good season because of the experience of the runners and the good team leaders.

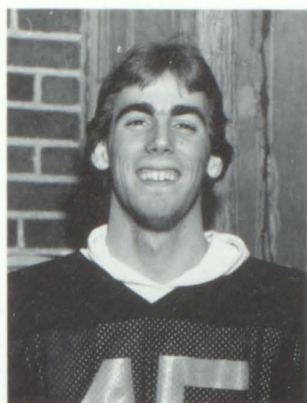

After winning the section last year Head Coach Don Lenz and assistant coach Anne Bleehash entered the season with an optimistic outlook. Striving for the section title again the team had their work cut out for them as the underclassmens potential shown through.

Leading the Cats were Senior Captains Roxanne Lucas, Laura Meyers, Tammy Jackovitz, Tanice Noel and Debbie Weightman. These were also the teams outstanding runners and throwers.

Cats Run To Win

The '85 baseball team, under the coaching of Mr. Charles Chamberlain, entered this year's season trying to defend the title of section champs which the Cats earned during the '84 season. The Cats returned with two of their fine pitchers from last year, Dan Picciano and Dick Holler. With many players returning from last year's team, the Cats expect to be strong contenders for the section title again.

Boys "ACE" Season

The 1984 Boys Tennis team played well making the most of their six returning players. With only two returning lettermen, Jon Nee and Ralph Kinhead, the team worked together to produce successful results. Since this season was one of rebuilding, the team's cooperation and efforts were a necessity. Their many hard hours of practice paid off! Jon Nee, one of the top single players in the section, was a top contender for qualifying for WPIAL. Their exhibition matches against Churchill, Kiski Area, and Connellsville proved to be good practice for their twelve regular season matches. Most importantly, the boys' spirits never diminished even against the toughest of opponents.

THE HIGHPOST STAFF

“From the start, I knew that flying was dangerous. My desire to fly outran my rational acceptance of this, but I was not foolhardy. I was prepared to plan. I was also prepared to take risks. To complicate the situation, experience had already taught me that neither intellect nor instinct could subjugate the other. ... It was ridiculous, I told myself, to be afraid of doing something in which little danger was involved only because the senses got excited.”

EPILOGUE

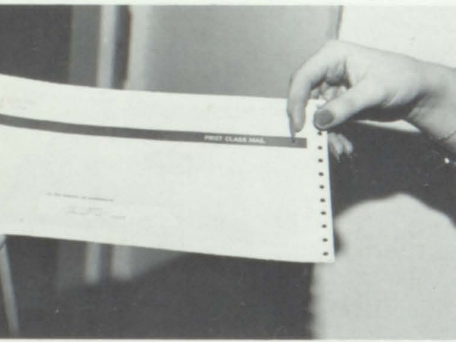

As the seniors look towards a career outside school or towards college, the juniors look forward to becoming the seniors of the school and the many benefits of being a senior while the sophomores look forward to no longer being labeled as the "new kids". No matter which way it is looked upon, the end of the school year means no English or History, hall passes, lectures, homework, and 6AM alarms. Just as the yearbook comes to a close, the school year does too, leaving behind not just empty lockers but many memories and friendships that will never die.

As L-112 became a second home to the Latrobean staff, 272 pages of pictures, artwork, and copy became the goal with the many friendships and fun times captured in the pictures and copy, the reward.

Much time, dedication, and work have been put into the yearbook allowing for the entire school year to be condensed in one book. The dedication of the people responsible for the photos, words, and pages made the initial thoughts and ideas behind the yearbook a reality.

We would like to recognize and extend our deepest thanks to those who gave their time and dedication to make the yearbook possible.

To Mrs. Janet Henderson, our advisor as well as our friend, for giving us encouragement and offering both her time and patience. And especially for answering all our questions even if it meant being called at home.

To the senior editors, Jill and Wendy, who captured our senior year and made it possible for us to always remember that very important time in our lives.

To the underclass editors, Gretchyn and Karen, who felt underclass deserved more than a group picture and gave justice to the sophomores and juniors.

To the faculty editors, Melissa and Joan, who established good relations with the administration and faculty and met the very first deadline on time and always offered their help to the others.

To the sports editors; Courtney, Scott, and Tracey, who made a great section even when they were short of pictures and who were always willing to work overtime and on Saturday mornings to get the job done.

To the activities editors, Chris and Stephanie, who dealt well with the largest and the wildest groups of students and always handled those "yearbook hoppers" who never belonged to any activities but were pictured the most.

To our yearbook typist, Johnna, who accepted the title of "typist" when no one else wanted to and always worked overtime to finish last minute typing.

To our copywriter, Chris, who always found unique words and ways to describe the students of GLHS in a manner no one else could.

To our layout editor, Syd, who knew how to handle anything and everything and kept the staff well-organized and functioning.

And a special thanks to her for taking all of our thoughts and ideas and transforming each one of them into a yearbook cover until we found the one that represented the year perfectly.

To Mr. Terry Deglau whose professional photography highlighted our yearbook and whose talent for finding that perfect candid added to the success of the yearbook.

To the staff at Deglaus' Studio especially Darlene and Mrs. Deglau for

receiving our many phone calls and answering all our questions.

To the advertising staff; Louisa, Marina, Melissa, and Barb who raised the money we needed to put the yearbook in production.

To the junior staff who listened to our every request and did the jobs no one else wanted to do.

To the High Post typists; Molly, Dawn, Colleen, and Anita whose extra typing helped in meeting many deadlines.

To the administration and faculty who put up with our many distractions and interruptions throughout the school year.

To the students of GLHS who supplied the spirit the yearbook needed and who were always willing to get out of class to get their pictures taken.

To the families of our staff members especially Mrs. Wilson and Mrs. Wassel who packaged and mailed the deadline materials at the last minute. And to the Deglau family for all the yearbook problems that were taken home with them.

To the personal friends of the staff members who always listened to our complaints between deadlines and patted us on the back when we really needed it.

Thank you all for your time, dedication, hard work, and patience.
