## THE CHALLENGE

**C**hallenges came from many directions — from families, friends, teachers, fellow students, sports, extracurricular activities, and many times from goals we had set for ourselves. Most of us were out of our houses by 6:45 a.m. every morning, in school by 7:10, and finished with classes by 2:37. Some of us stayed until 5 p.m. or 6 p.m. participating in after school activities. Some of us went to part-time jobs and then went home to do two or three hours of homework. Everywhere we turned, we met demands. We succeeded at reaching some goals and fell short on others, but always we tried. Looking around the school one could almost hear,

LET US, THEN, BE UP AND DOING,  
WITH A HEART FOR ANY FATE;  
STILL ACHIEVING, STILL PURSUING,  
LEARN TO LABOR AND TO WAIT.

Henry Wadsworth Longfellow

## ALMA MATER

O, Dear Latrobe High School to you  
We pledge to be loyal and true  
And while we're at work or at play  
We'll honor and love thee for aye.  
Dear old Latrobe High!  
Dear old Latrobe High!  
Thy sons and thy daughters  
From far and from near  
Will love thee forever  
Thy name will rever!e  
To the skies on high  
Dear old Latrobe High.  
Will sing loud thy praises  
Thy honor proclaim  
Dear old Latrobe High

With our first pep assembly for the Derry-Latrobe football game, school spirit was alive and kicking. Sophomore Shari Wilson commented, **"School spirit is alive. The pep assemblies really show it!"** Though the pep assemblies rocked the roof, we lost the Derry-Latrobe game 20 to 11. The student body and faculty never lost faith in our teams and always supported them.

## *right here waiting*

On Friday, October 6, the annual Homecoming game was a night when many dreams came true. Nine proud young ladies, dressed to perfection, were escorted onto the mud-soaked football field during half-time festivities of the La-trobe-Penn Trafford game at Memorial Stadium. The rainy night did not prevent the crowd from congregating around the fence as teary-eyed Gina Giacobbi was crowned the 1989 Homecoming Queen. Al-

though the Cats were defeated by the Warriors, strong school spirit traveled through the air in a form of excitement for the next night to come. A successful Homecoming dance drew a crowd of over 235 couples the following evening. Girls dressed in velvets and taffetas and suit-clad guys swayed to the music of Richard Marx's "Right Here Waiting."

Gina Giacobbi

*"Homecoming was always one of the special occasions of the year for me. Being nominated for the court my senior year made the occasion even more exciting. When I heard my name announced while standing on the field I could not believe it was me because being named Homecoming Queen is such a special honor. It is a feeling I will never forget."*

### "Back, back, back to zoo!"

Seniors shouted to the sophomore class. Seniors realized this was their final year. Seniors reached the very top of the stepladder and now must go out into the real world. Throughout the school year the senior class of 1990 met many important challenges and responsibilities they were forced to overcome. They had to prepare for their future. Many worried about

SAT scores and being accepted into their college of choice. Others had marriage and a family on their minds. Some hoped for jobs and a good paycheck.

Graduation was on everyone's mind. Fear, joy, relief were only a few emotions felt on graduation day. With caps and gowns on, the class of 1990 stepped out into the world.

What is GLHS's biggest challenge?

*"On the first day of school, I was going to my ninth period class-eighth period!"* remembered Junior Desi Eddins. While many students had some minor problems, others found senior high life different. *"I had no trouble adjusting to school. Just getting used to doing my homework and getting up early,"* explained Sophomore Gretchen Packe.

The class of 1991 were the mid-

dle men. They had the confidence of knowing school life, but lacked the status of their fellow senior class. But their time would come.

The sophomores, class 1992, came that 1st day and looked at the long halls, staring up at the numbers above each room, saying, *"This is S? I thought it was B."* By the end of the year both classes moved up and on . . .

# special people

Clusters, cliques, groups, mobs and more. In the frantic days of high school, friends bonded together in the hallways and classrooms. Friends were the ones who waited for you after class, drove you home after school, and let you cry on their shoulder. Friends were loyal, true, honest, and respected you as an equal. We always looked for these qualities in friends.

We knew they were only as human as we were, and we took the good with the bad. We shared lockers, books, homework, money, gossip, problems, food, family, and friends. We laughed, cried, screamed, fought, made up — often all in the same day. Probably no one was more important to our emotional health than our friends.

## life after 2:37

When the bell rang at 2:37 did you know where you were going? The athletes headed for the fields, courts, gym, or pool. Senior Terri Martino said, "***I had volleyball practice or a game.***" Students and teachers in clubs stayed after school for meetings. Some students went home and studied. Others went to work at common places such as Laurel 30 and Westmoreland Mall. Senior Jen

Shanefelter proudly commented, "***I work at the Chicken Palace of Greensburg, Kentucky Fried Chicken!***" Still other students "went home and slept," as Junior Brian Tumas told it. A few chosen became those little brown couch potatoes. No matter what we did, we all put forth great effort. We proved we could do anything we set out to do!

## A Psalm of Life

Tell me not, in mournful numbers,  
Life is but an empty dream!  
For the soul is dead that slumbers,  
And things are not what they seem.

Life is real! Life is earnest!  
And the grave is not its goal;  
Dust thou art, to dust returnest,  
Was not spoken of the soul.

Not enjoyment, and not sorrow,  
Is our destined end or way;  
But to act, that each tomorrow  
Find us farther than today.

Art is long, and Time is fleeting,  
And our hearts, though stout and brave,  
Still, like muffled drums, are beating  
Funeral marches to the grave.

In the world's broad field of battle,  
In the bivouac of Life,  
Be not like dumb, driven cattle!  
Be a hero in the strife!

Trust no Future, howe'er pleasant!  
Let the dead Past bury its dead!  
Act — act in the living Present!  
Heart within, and God o'erhead!

Lives of great men all remind us  
We can make our lives sublime,  
And, departing, leave behind us  
Footprints on the sands of time;

Footprints, that perhaps another,  
Sailing o'er life's solemn main,  
A forlorn and shipwrecked brother,  
Seeing, shall take heart again.

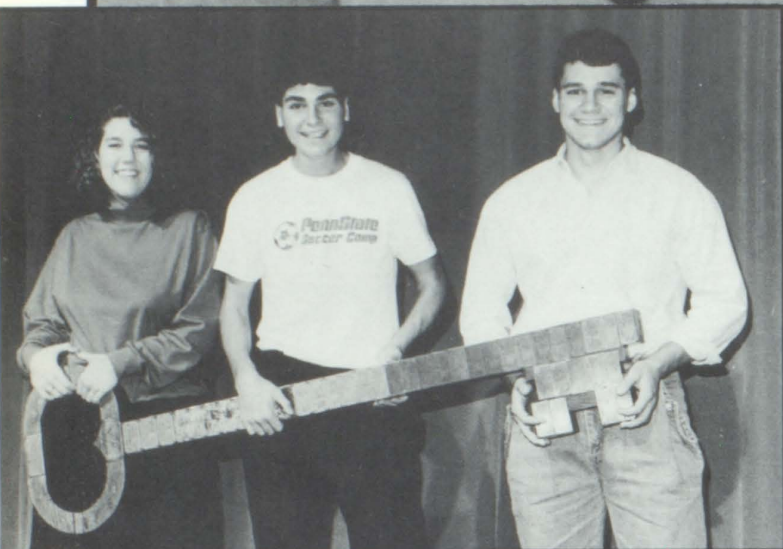

Let us, then, be up and doing,  
With a heart for any fate;  
Still achieving, still pursuing,  
Learn to labor and to wait.

Henry Wadsworth Longfellow

THE  
CHALLENGE

Challenges came from many directions — SAT's, parents, colleges, and from within ourselves. SAT's supposedly showed our potentials. Parents encouraged us to reach for the best. Colleges showed us the leagues we could make the adjustment to campus life. Most importantly we, ourselves, realized we could achieve anything with hard work and perseverance. In meeting each new challenge, we moved on in our lives.

In a world that is constantly changing, the one thing that remains constant is the Class of 1990. The class has many traditional values that it has preserved for others to see and experience after their passing of the class key and raising the class flag. This class has a future waiting that denotes success, dedication and service to themselves and their community.

The success of this class can be measured by its accomplishments. There are National Merit Finalists and commended students. Many scholarships have been awarded to those who have worked diligently and achieved success. There has been many academic, music, and athletic awards and honors bestowed on the members of the class. It has been a great experience observing the members of this class grow academically and mature mentally and physically becoming what we hope will be the future leaders of this community.

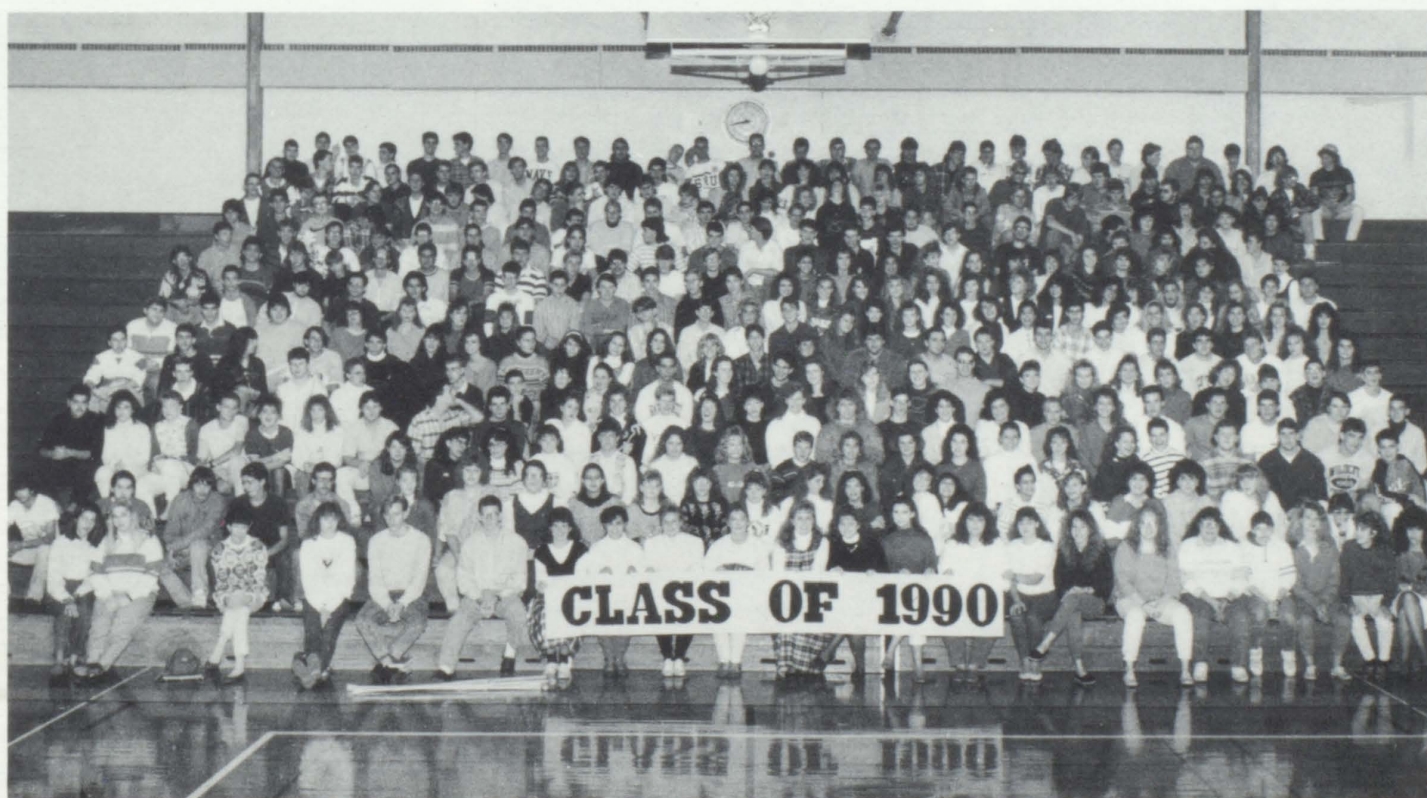

Please continue to make us proud of you and your accomplishments as you accept the responsibility of higher education, challenging careers and service to your fellow men and women. You are our future; defend it, improve it and cherish it so you can leave a better world for tomorrow.

# Seniors are on top of things

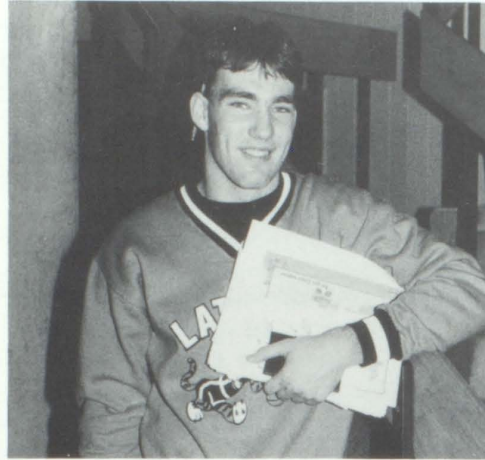

Many students in the Class of '90 exceeded the limit of being just average in a variety of fields.

There were always those recognized for their athletic ability, but there were others who excelled outside of sports.

These seniors had much to offer to the Class of '90, whether it be musical talent, artistic ability or academic success. Their willingness to give of their talents for the benefit of the school proved them to be great assets.

Special classes and extra-curricular activities gave these students a chance to express themselves. Their performances were jobs well done and deserved to be applauded.

They were definitely high above the rest and receive the honor of "Outstanding Seniors". They took the challenge and came out on top.

**Business — Mike Shirey**

"His selection as Outstanding Business Student is based on the number of completed business courses, class rank, and school-community involvement. Concentrating on both accounting and data processing, Mike plans to pursue a business administration major after graduation."

**Art — Brenda Kitchen**

"She has given unselfishly of her artistic talents to both school and community. In her senior year, Brenda became a "Published Artist" with First Day Cover Cachets. Her personal art reflects her sense of creativity, pride, and technical skill."

**Scholarship — Natalie Dunlap**

"Natalie exemplifies the concept of the "ideal" student." Industrious, mannered, and self-motivated — a person worthy of this recognition."

**Drama — Brian Bazala**

"Brian has not only done the six possible shows during his high school career, but has also performed in two outside theaters — Apple Hill Playhouse and Valley Players of Ligonier."

**Vocal — Sheila Confer**

"Sheila has been a loyal chorus member the last three years. She has participated in various choral festivals and in the high school musicals. Sheila was also chosen as runner-up in the drama category."

**Home Economics — Nina Planinsek**

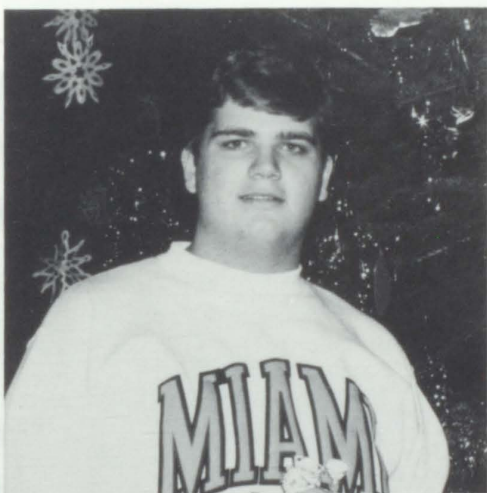

"Nina has done above average work in a variety of courses in Home Economics. She has been both reliable and cooperative and could be counted on to put forth extra effort."

**Journalism — Jean Vallorani**

"Jean worked in publications for three years and during that time I could trust her with absolutely any job. I have a great deal of respect and admiration for a young lady who did far more than was required of her and did it extremely well! I have never had a more mature, responsible student."

**Instrumental — Kelly Ann Shannon**

"Kelly is a very dedicated musician. She is a member of Symphonic Wind Ensemble, Marching Band, Stage Band, and Concert Choir. She plays the clarinet, piano, and synthesizer."

**Industrial Arts — Doug Huber**

"He has established himself as a hard worker, independent thinker, and craftsman in his three years of Industrial Arts training."

**Forensics — Jennifer Patrick**

"She has been a dependable, sincere member of four years earning close to 500 points and a double Ruby. One of a few students willing to give up her Saturday's to attend Forensic Tournaments."

**Vo-Tech — Merle Brown**

"Merle received this honor for his excellence at the Vocational Technical School."

# Remembering those

While every student had his or her own unique qualities, there were those most recognized for either their personality, looks, or spirit.

Nominating and final ballots were both distributed to all students so they could vote on categories such as most friendly, best looking, and most spirited.

The following students were selected by their classmates as favorites. They contributed to the memorability of the Class of '90.

The memorable traits of these students were valuable remembrances to their class. They will always be reminders of the past year.

# The Class Of 1990

Graduation left us looking back at the memories of our beginnings. We looked back at the Junior High and remembered the anticipation we felt to move on to our sophomore year. We moved on to the Senior High with new feelings and experiences. Such as meeting new teachers, finding our way around a new building, and finally preparing for life after high school. As we moved closer to the time of graduation, we anticipated the challenges of our senior year and going to college. We were willing and able to take the challenge, that will make up our fondest memories.

*The future is the time to follow stars, take new paths,  
make new decisions.  
It is the time to discover the joys of the world and learn  
of its wonders.  
It is the time to believe, the time to achieve.  
It is the time where we not only dream, but live out our  
dreams.  
It is time we spend growing, loving, living, learning.  
A time to reach out, to laugh, to touch, to cry.  
If we take time to look beyond the books and the hard  
work,  
We find a moment of silence to reflect upon ourselves  
and life.  
We find that time is most valuable and that's all our  
future consists of.  
May the future bring you joy, success, and the knowl-  
edge that you made the most of your time.*

# A Time To Remember

All 353 seniors in our graduating class shared some of the same experiences and challenges. We first became seniors on Moving Up Day, when we received the class key from the graduating class. We had finally reached our goal, to become SENIORS! Seniors held the top class position. Not only did that honor become ours, but the responsibility and challenges also came with it. We set the example for the juniors and sophomores to follow, had the burden of SAT's looming over us, wanting to be accepted to the college of our choice, and prepared for the future outside our high school lives by endless studying, learning to get along with teachers and classmates, filling out college applications, belonging to clubs, and having jobs. Although there were many responsibilities, we were also able to share the joys of Senior Day, Homecoming, and the Prom. All of these experiences and challenges gave us what we took home on graduation.

# I'll Remember You

Senioritis — what is it and do you have it? Senioritis was defined by the Latrobean Staff as inflammation of the senior. Symptoms were:

- people sleeping in classes
- too tired to get through 1st period
- doodling on notebooks
- handing in your homework in crayon
- endlessly staring into space

If you had any of these symptoms you should have seen your guidance counselor for more study halls. But after we graduate, the parties, dances, and football games are over, friends and friendships will be our most vivid memory. Some of us had shared friendships since 7th grade and even farther back or there were newly formed ones our senior year, but no matter what, they were a part of everything.

## Taking THE CHALLENGE

Challenges came from many directions — from friends, teachers, and the various sports and activities. By standing firm in our own beliefs, we proved our individuality. Teachers challenged us with excellent knowledge and inspired us to speak our own minds. Sports and activities molded us into well rounded students. As we faced these challenges one by one, we knew we were slowly rising to the top.

# Sophomores take their first challenges.

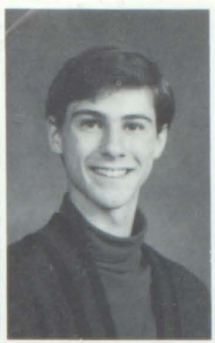

It was a year of many firsts for our sophomores. They were reduced from the "head honchos" of the Junior High to the "little fish" in the Senior High sea. They endured the snide comments of the upper-classmen, while they tried to deal with a new school, new teachers and new friends.

Aside from the negatives, it was a good year. Sophomores took part in their first pep assemblies, co-ed gym classes and most of them turned sixteen which also meant something else . . . learning to drive! These were all pluses to ease the rigors of the social climb through the Senior High.

THE  
CHALLENGE

Challenges came from many directions — from teachers, guidance counselors, principals, student teachers, and substitutes. Each threw his math, science, English, computers, and foreign languages, music, art, accounting, and other assorted knowledge at students, never knowing for sure which students were inspired to move on to new heights. For sure, though, many did soar above mediocrity, thanks to this staff.

# ... like dropping

We blamed them when our grades went down, when we could not write, and when we could not understand. We blamed them for lack of school spirit and for team losses. We blamed them when a club activity had no sponsor and we even blamed them for our low self-esteem.

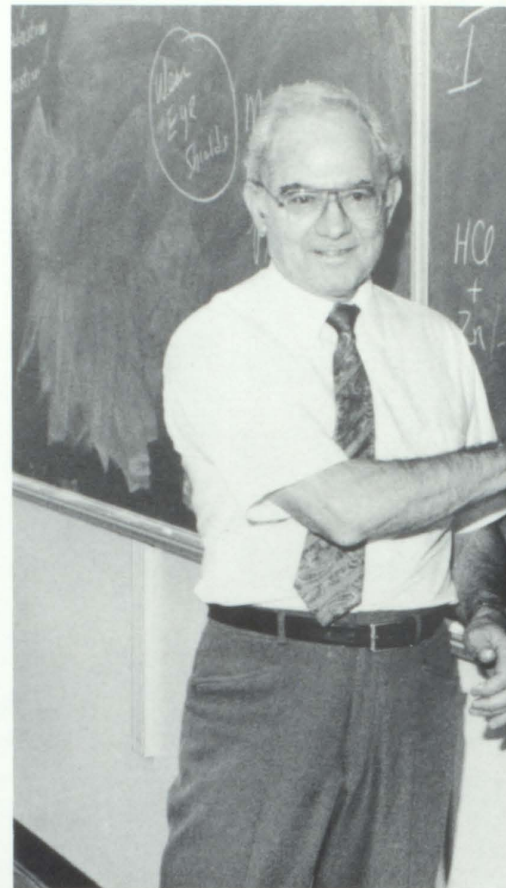

While we were blaming, we forgot that the average teacher has six classes a day. Most were teaching 150 students, ranging from the learning disabled to the gifted. They also had study halls, cafeteria duty, in-house, detention, student conferences, parent conferences, faculty meetings, and assorted other responsibilities.

Even as we criticized, we asked them for letters of recommendation, for additional help on projects and for advice on everything from which college to attend to how we should handle that special person. While we continued to blame and to take advantage of them, they assumed more roles in a seven and one half hour day than most of us will assume in a lifetime.

*Drop a pebble in the water:  
Just a splash, and it is gone;  
But there's half-a-hundred ripples  
circling on and on and on,  
Spreading, spreading from the center,  
flowing on out to the sea.  
And there is no way of telling  
where the end is going to be.*

7.

*Drop a pebble in the water:  
in a minute you forget,  
But there's little waves a-flowing,  
and there's ripples circling yet,  
And those little waves a-flowing  
to a great big wave have grown;  
You've disturbed a mighty river  
just by dropping in a stone.*

Writer James W. Foley must have had teachers in mind when he wrote his poem "Drop a Pebble in the Water."

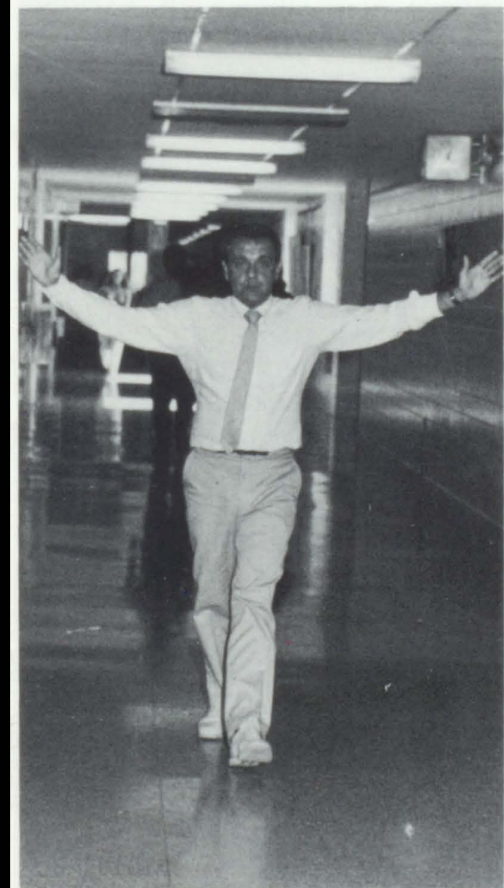

Despite their critics, teachers continued to drop their special pebbles, knowing that the impact of some would be realized immediately, while the impact of others would not be realized for a long time.

## Our Pride, Our Teachers

Each new school year brings some changes. One change this year was the obvious absence of four very familiar faculty members. Teachers William Franks, Earl Karasack, Marie Lattanzio, and Joseph Menarchek had retired.

All four met the challenge year after year. Mr. Franks taught various math courses in his 34 years, and claims algebra was his favorite.

Mr. Karasack was primarily an industrial arts teacher; however, in recent years he

served as coordinator of music, art, home economics and industrial arts.

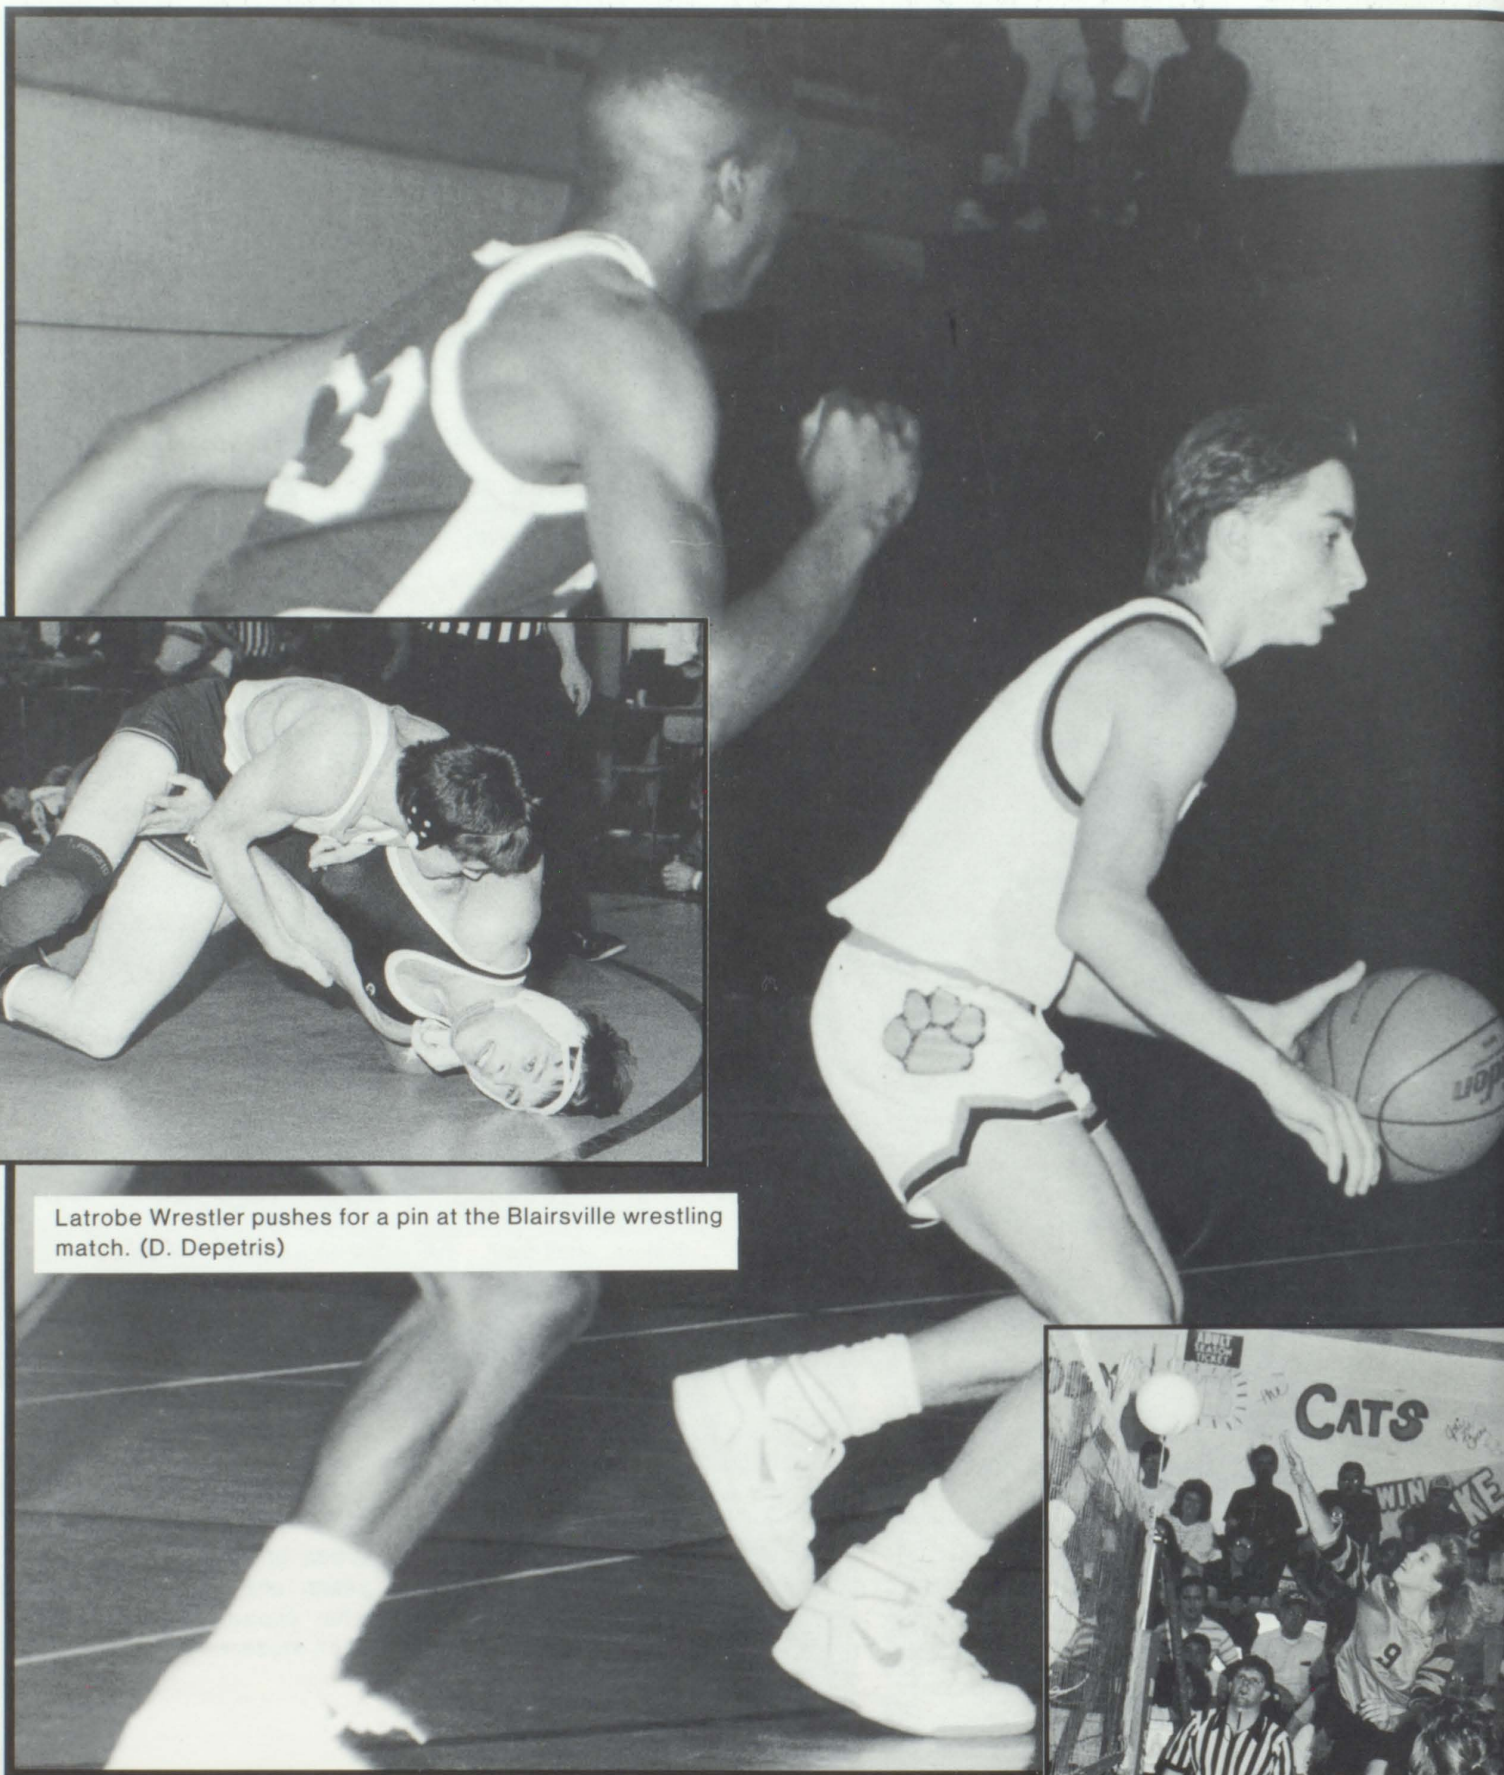

Mr. Menarchek was a member of the social studies department where he taught problems of democracy and U.S. History.

Mrs. Lattanzio taught English to both Jr. and Sr. High students.

Each one challenged hundreds of students over the years, and can never know what impact they made on each student.

# The Man in the Glass

When you get what you want in your struggle for  
self

And the world makes you king for a day,  
Just go to the mirror and look at yourself  
And see what man has to say.

For it isn't your father or mother or wife  
Whose judgement upon you must pass.  
The fellow whose verdict counts most in your life  
Is the one staring back from the glass.

You may be like Jack Horner and chisel a plum  
And think you're a wonderful guy.  
But the man in the glass says you're only a bum  
If you can't look him straight in the eye.

He's the fellow to please — never mind all the rest,  
For he's with you clear to the end.  
And you've passed your most dangerous, difficult  
test  
If the man in the glass is your friend.

You may fool the whole world down the pathway of  
years  
And get pats on the back as you pass.  
But your final reward will be heartache and tears  
If you've cheated the man in the glass.

The 1989-90 football team ended its year on an up beat, ending the season with a 4-4 record in the section and a 5-5 record overall.

Key wins of the season were against Laurel Highlands and Mt. Pleasant. Five players were recognized in the "Keystone Conference's Finest 45." These members were seniors George Trout, Bob Foringer, Randy Stas, John Zavatsky, and junior Dave Cox. Cox set a new school record for the most yards gained in a single season with 1,234 yards. While senior Dave Butina led the team with the most interceptions and Mike Shirey with the most passing yards.

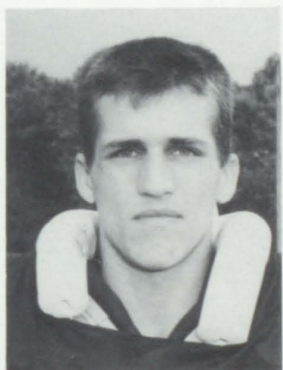

Next year the team will be young but is optimistic about the season. Coach Baldonieri stated, "We have experienced players at key spots, so we just have to develop the rest and we will be fine."

# Cats kick up a storm

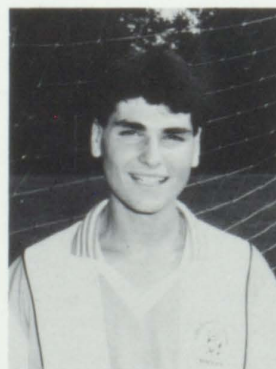

In 1989, the Wildcat Boys' Soccer team experienced its winningest season in the six year history of the program. The team finished the season with a 12-4 record against section opponents and a 13-5-1 mark overall. This record left them in third place, only two points out of first place and one point away from making it to the playoffs.

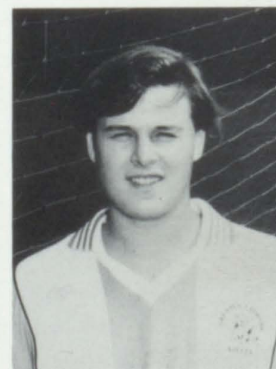

Coaching the team for his second straight year was Assad Al-Salih. Coach Assad stated that he felt that the team played better this season, despite losing 12 seniors from last year's team. He also feels confident that the Wildcat soccer team will go to the playoffs in the 1990 season.

The 1989 golf team was a group of winning players who came together as one to take the challenge. The season was one of the most successful the team has had. The Cats finished with a record of 12-3 with important wins over Hempfield 212-233, Norwin 202-205, and Penn Trafford 195-205. Seniors Ed Sobota and Jim McKenzie will be missed, while coach Baluh feels that Todd Pevarnik, Chad Antus, Chris McGinnis, Rob Domin and Jim Shoemaker will carry on the winning tradition with Garth Campbell and John Wilson ready to step in as well as Sophomores Neil Stephanites and Don Rolston there as well. All in all the 1989 campaign was a great success.

After last year's squad captured the section crown, and pulled off wins against Connellsville and Hempfield, Coach Wayne Etling's troops challenged for the section once again. The Cats ended up in third place with a 9-4 record. At the Knights of Columbus Invitational the Cats placed fourth. Senior Matt Myers led the way by placing third. Sophomore Sean Cary placed sixth. At the Northern Invitational Myers placed 8th and Cary 24th, leading the team to a 7th place finish out of 15 teams. At the WCCA meet held at Kiski Prep the boys finished third out of 11 teams. Myers placed third and Cary finished sixth. The team then qualified for the WPIAL Championship for only the third time. Myers and Cary placed fifth and ninth respectively. Mike Cary placed 41st, Dave Brant 61st, Jason Butina 69th, Chris Myers 76th, and Scott Duffy 78th. At the finals Cary placed 15th and Myers 26th to earn a trip to the WPIAL. At the State Finals Myers placed 48th and Cary 121st.

The girls cross country team turned in a record of 6-5, earning fourth place in the section. At the Knights of Columbus Invitational, the girls, as a team, tied for first with Franklin Regional. Bridget O'Rourke tied for first, while Rebe Heitzelman and Mary Ellen Lena finished seventh and tenth. Four girls ran in the Northern Invitational, O'Rourke placed 14, Heintzelman 53, Laurel Paxton 58, and Lena 65. With a runner-up spot O'Rourke again led the Cats at the WCCA meet, where the team finished seventh. Also placing in the WCCA meet were Tricia Sutton 30, Lena 35, Paxton 42, Jennifer Strobel 46, and Heintzelman 62. At the WPIAL Cross Country Qualifier O'Rourke finished fifth, Lena 55, Strobel 71, Sutton 79, and Paxton 95. O'Rourke qualified for the WPIAL where she came in 26. She has also broken the school and course records.

The Girls' Tennis team finished the section with an overall record of 13-4, with a section record of 8-2. The girls' ended up in second place securing a playoff spot behind Mt. Pleasant. The team went on to finish in the top eight of the WPIAL with the key wins against Burrell and Franklin Regional.

Although seven fine players were lost to graduation Rombach has several key players returning next year. The seniors were Jocie Hartman, Mandy Howard, Salma Khairzada, Laurel Pellis, Jen Wassel, including co-captains Megan Kozak, and Jen Wilson. The key returning players are Dana Adams, at first singles, Joani Aungier, at second singles, and Mary Denis, at third singles.

Rombach's pride in his team was obvious—"This team has advanced farthest in the WPIAL team playoffs out of any other teams I've coached."

The Lady spikers faced a big challenge in the beginning of the season, having to live up to the reputation of past teams with only three returning lettermen and a new head coach. But the team adjusted well without missing a step. The girls' volleyball team finished the season with an overall record of 9-5, finishing section play in second place with a record of 7-3, and retaining a playoff spot for the fourth year in a row. In the

preliminary round the Cats had little difficulty handling Gateway, downing them 3-0, but Richland was too much for the Cats to handle in the first round. Losing 3-0, they were eliminated from the playoffs. The Cats also participated in four tournaments this year. Renee McCracken was named to the all-tournament team as the Lady spikers brought home a second place trophy from the WCCC tourney. Other tournaments included North Allegheny, Moon, and Plum. Renee McCracken was named to the all-section team with Nina Planinsek receiving honorable mention.

Greater Latrobe adopted a new sport this year. Although this season was exhibition, the girls' soccer team faced a tougher challenge than any other sport. With no past experience among the team, Coaches Patricia Feeny and Eva Garbeglio took control of the 29 girls out for the team.

The girls' soccer team ended with a record of 0-7. Season highlights included the team's first two goals being scored against Hempfield by senior Sue Read and junior Mitzy Druchniak.

Coach Feeny commented, "The girls progressively got better; everyone participated and learned as the season went on. The girls were very enthusiastic." The team has had a good start and will be a threat in the future.

Coach Ray Zsolcsak once again led the Wildcats basketball team to victory, with a record of 12-4 overall and 7-1 in the section. Seniors Mike Cunningham, Sean Picciano, Joe Saunders, Mike Shirey, and Scott Thompson were the returning lettermen, who offered experience and leadership. Cunningham, Saunders, and Thompson topped the team in scoring, while Saunders and Shirey were the leading rebounders. Juniors Jim Shoemaker and Matt Keefe also played important roles in the team's successful performance. The team qualified for the WPIAL Playoffs for the twelfth straight season and was a top contender for the section crown.

Every sport's team must deal with the departure of the previous leaders, the graduated seniors, and pull together to begin again. This year the Girls swim team had to adjust to a new head coach. Without missing a step the girls bounced into a winning season, 4-1 in the section, and 10-4 overall.

The team was led by WPIAL qualifiers Junior Missy Heckman, and Senior Tina Betz. Betz qualified in the 100 Breast, while Heckman did in the 100 Back, 100 Free, and 200 IM. Other qualifiers were Sandy Ankney, Kelly Watkins, Heckman, and Betz in the 200 Medly relay.

# Lady cats rebound back

The girls' basketball team experienced a rebuilding year during the 1989-90 season.

First-year coach Julie Thurn welcomed a squad of only juniors and sophomores.

This season was expected to be a learning experience, and as the season progressed, so did the team. Over the course of the season the team experienced a steady improvement, seen not only in the scores of the games but also in the manner that they came together as a team. According to Coach Thurn, "The team can look to next season with a positive attitude, considering the experience gained this season."

## Don't Quit

When things go wrong, as they sometimes will,  
When the road you're trudging seems all uphill,  
When the funds are low and the debts are high,  
And you want to smile, but you have to sigh,  
When care is pressing you down a bit —  
Rest if you must, but don't you quit.

Life is queer with its twists and turns,  
As every one of us sometimes learns,  
And many a person turns about  
When they might have won had they stuck it out.  
Don't give up though the pace seems slow —  
You may succeed with another blow.

Often the struggler has given up  
When he might have captured the victor's cup;  
And he learned too late when the night came down,  
How close he was to the golden crown.

Success is failure turned inside out —  
So stick to the fight when you're hardest hit, —  
It's when things seem worst that you mustn't quit.

# Boys "love" tennis

Coach Jim Rombach expected a successful season this year. "We have a possibility of winning the section and going very far in the W.P.I.A.L. playoffs." Rombach expected

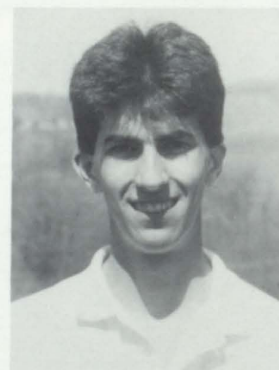

Lester Williams, Mark Bellissimo, Scott Barnhart, Jason Williams, Gabe Pellathy, and Don Paxton to play important parts in this year's success. Two spots are left open to be filled by those who competed in exhibition last year: Joe Dorko, Charlie Person, Tung Trang, Eddie Maurer, and Chris Lesko. Rombach also noted that he will have Justin Rosenthal, the most talented freshman he's ever had.

Following a 13-2 record, a second place finish in the section, and a trip to the WPIAL quarter finals, the 1989-1990 softball team looks forward to the upcoming season with high expectations. With the returning talent from last year's team, Coach Joe Kubecki hopes that this will be the year to capture the section crown. Seniors Jodi Garriss, Amy Caramella, Sue Read, Jen Wassel and Julie Wilkinson are expected to fill the key positions. Talented underclassmen such as Mary Denis, Kelly Manion, Lynn Herwick and Robin Hanes are expected to do a lot of playing time.

The 1989-90 Wildcat Cheerleading squad, advised by Anne Bleehash, started their season by placing first in the Grand Championship Competition held at WVU this past July. In addition to taking first place the squad received the ICF Fire cracker, a spirit award, and numerous individual awards. While the JV squad lead by captain Amiee Martelli and co-captain Cari Gray also placed first in the Grand Championship Competition, in addition to supporting athletes the cheerleaders participated in the Fourth of July parade and judging the Halloween Parade. Throughout the school year you can see the Wildcat cheerleaders and mascots cheering at matches and games.

**3** any, wild, and crazy! Were only a handful of words that portrayed the different personalities of Latrobe's students.

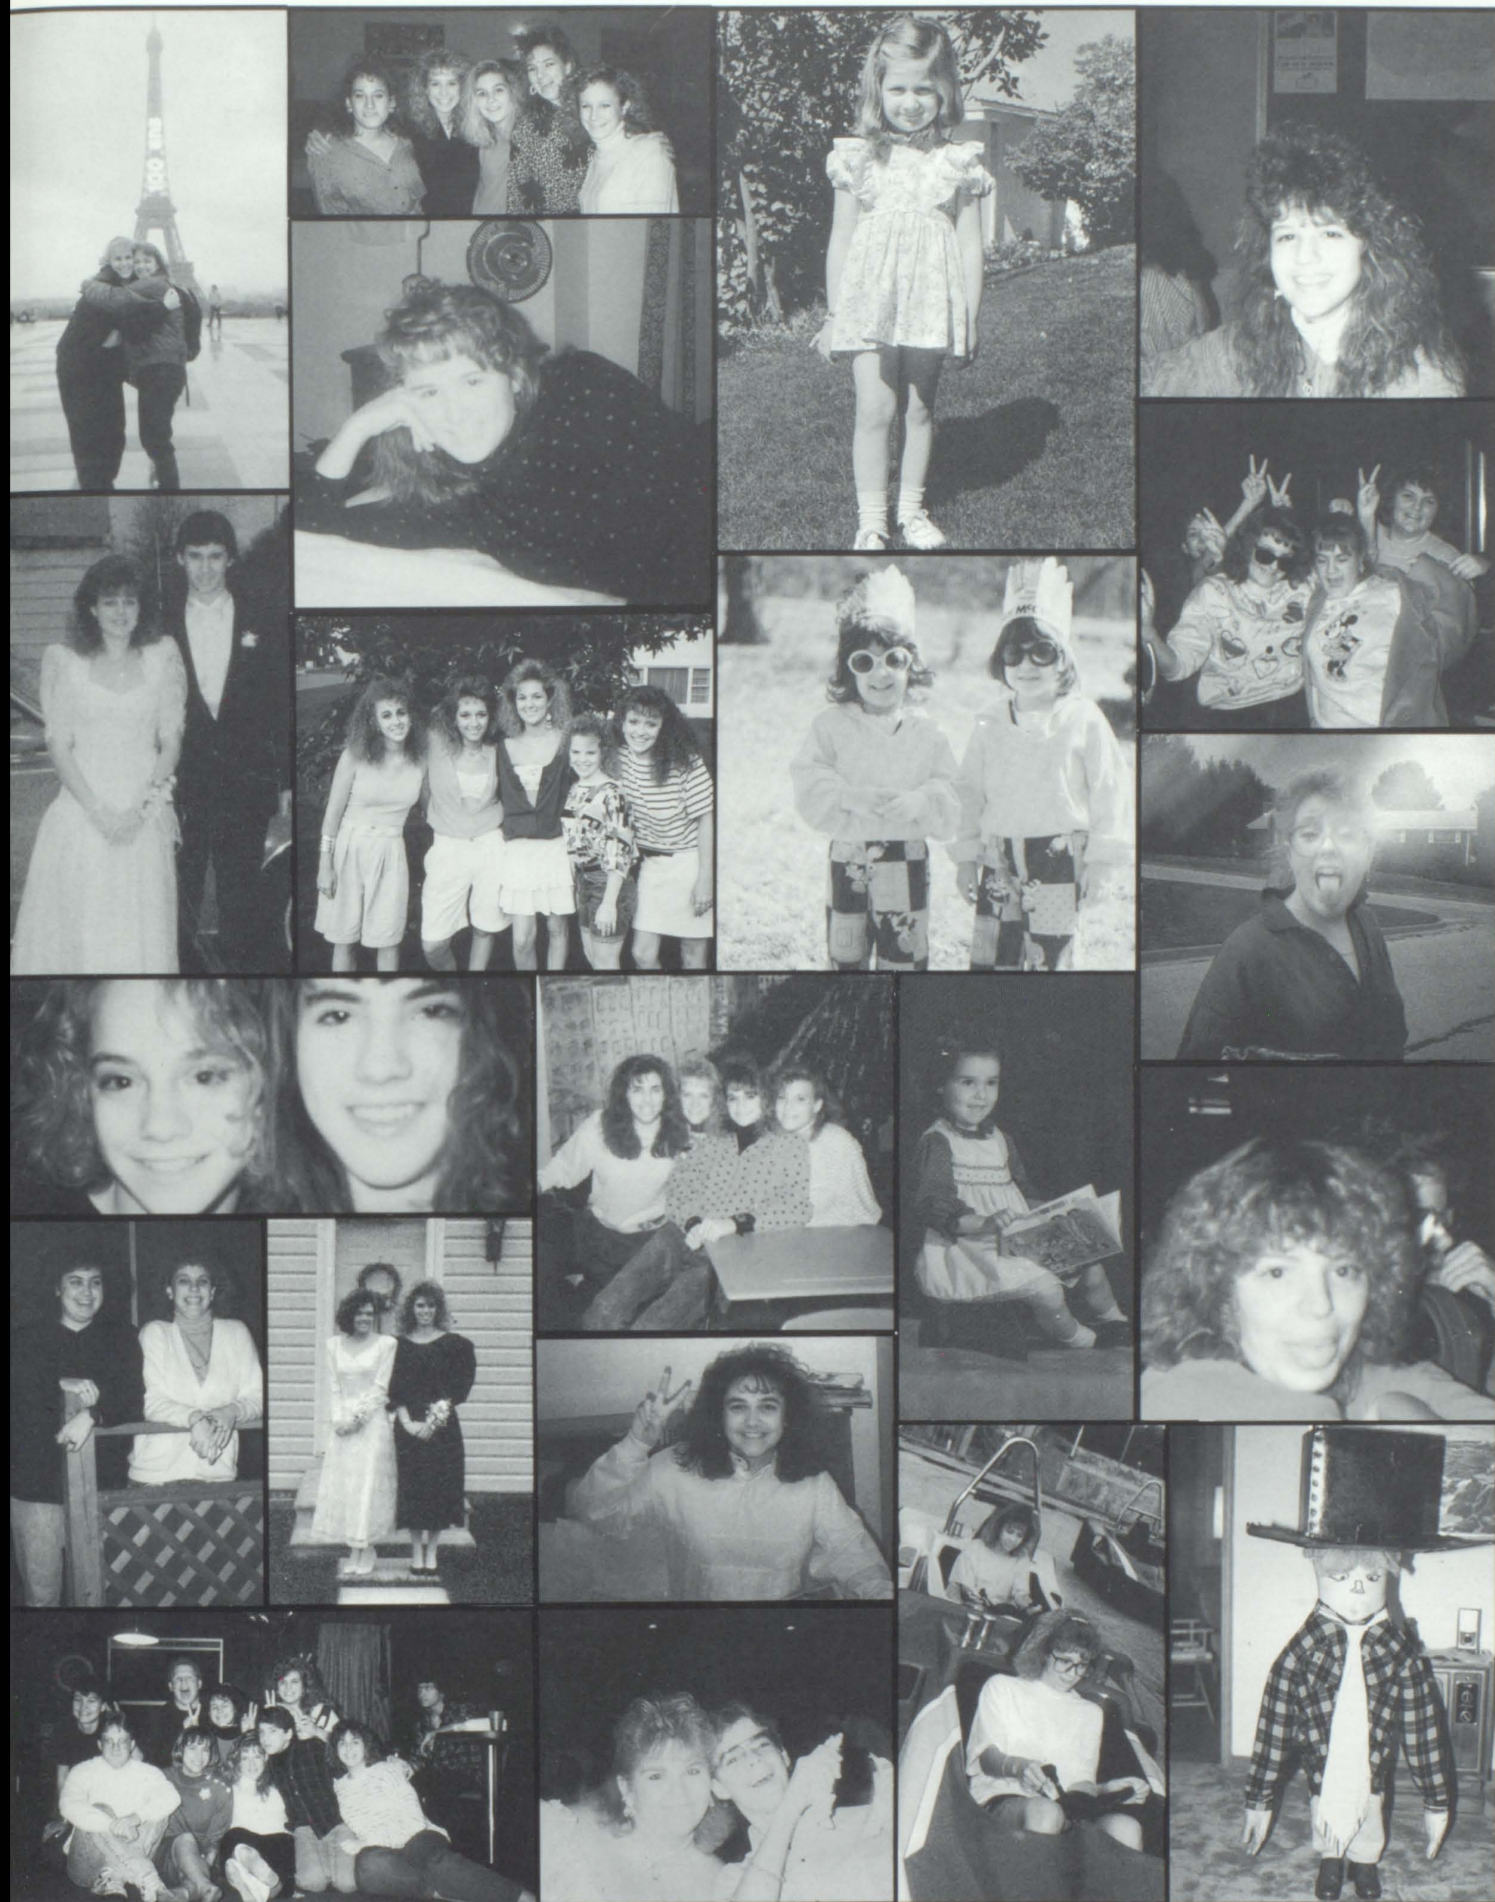

Both in school and out of school students had a real chance to express their most feelings. Feelings of caring and loving, sharing filled students. Through these feelings, they all realized how much they meant to each other.

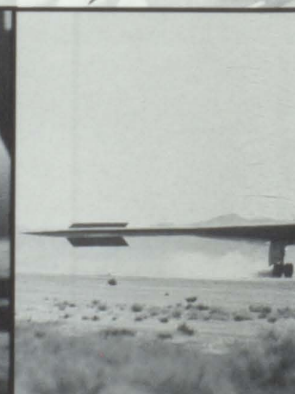

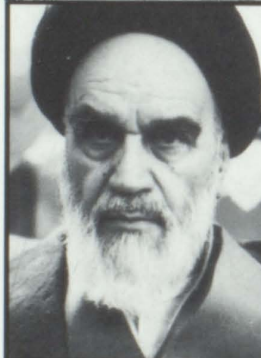

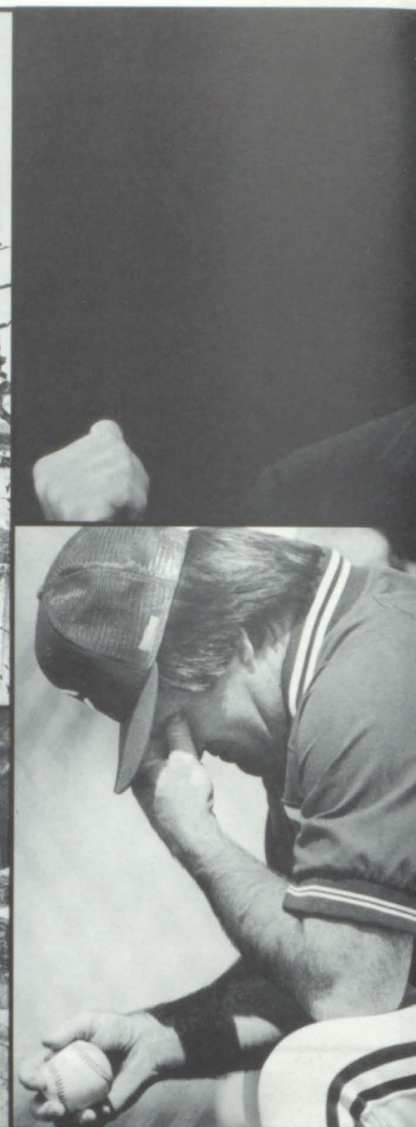

# A LOOK BACK AT 1989

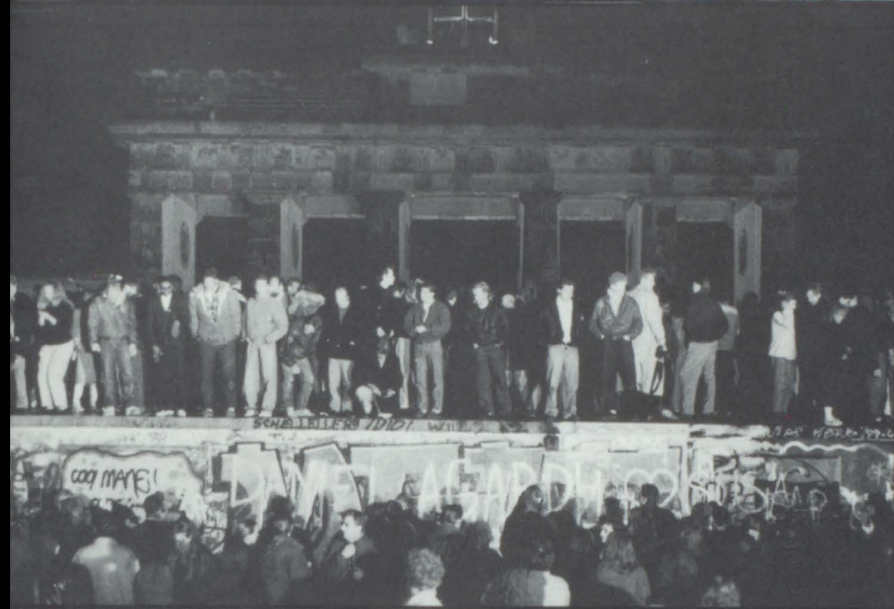

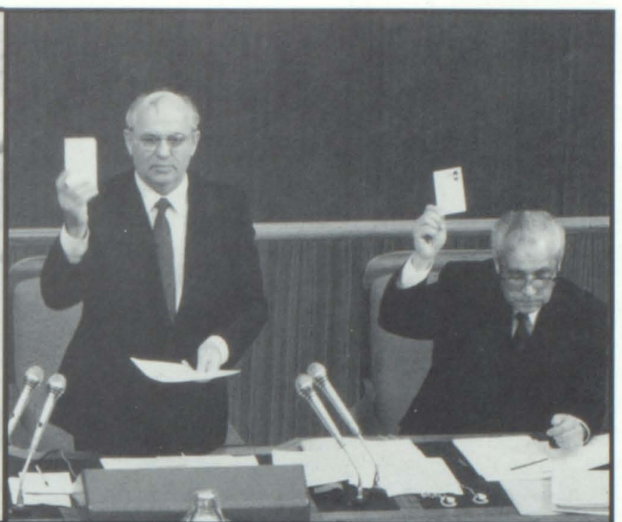

Revolution in Europe and Asia sparked a worldwide call for democracy. In Beijing, China, nearly one million protesters stormed Tienanmen Square, demanding an end to political and social corruption. The revolt climaxed on June 3 when Chinese troops opened fire and killed up to 3600 protesters. Following Chinese protests, East Germans called for the tearing down of the Berlin Wall that divided east from west since 1961. On November 9, thousands of East Germans entered the west to seek freedom. While Europeans celebrated their victory, Chinese upheld martial law over student protestors. Elsewhere, the death of Japanese Emperor Hirohito and Iranian leader Ayatollah Ruhollah Khomeini caused many changes throughout the world.

Nationally, the newly-elected administration of President George Bush strengthened relations with Soviet President Mikhail Gorbachev who instituted liberal reforms in the U.S.S.R. Disaster, however, also plagued the nation. On September 22, Hurricane Hugo's 135 m.p.h. winds snapped power lines and trees of the flooded coastal city of Charleston, South Carolina. Nearly one month later, an earthquake measuring 7.0 on the Richter Scale shook the Northern California area and shattered the lives of thousands that lost family and friends. Other unfortunate events included the U.S.S. Iowa explosion, the Alaska Exxon Oil Spill, and the Sioux City, Iowa plane crash.

In the entertainment world, movies, music, and sports each soared to all-new levels. Batman, starring Michael Keaton and Jack Nicholson, led all other movies in the box office. Casting personal problems aside, the Rolling Stones returned with a new album and tour which grossed 76 million dollars. The Who also reunited for their 25th Anniversary Tour and performances of their rock opera, Tommy, despite partial hearing loss of guitarist Pete Townsend. On April 26, entertainment mourned the death of Lucille Ball, star of I Love Lucy. In baseball, a court ruling permanently banned Cincinnati Reds Manager Pete Rose for gambling on sporting events. Rose will still be eligible for Hall of Fame nomination in 1992.

# Student leaders take charge

Candidates for class officers are nominated by a committee of homeroom representatives from each class. Classes then vote separately on nominees to select officers. Officers are responsible for organizing and funding traditional activities such as Senior Day, class flag, Prom, commencement, and any other events the officers of the class feel are appropriate.

Class officers frequently met at Pizza Hut, in the cafeteria before homeroom, the student store, or on weekends to discuss possibilities for upcoming events. An unexpected task the senior and junior class officers encountered was finding a place to have the Prom. Although the officers had to overcome many difficulties, they took the challenge and made the Prom a memorable evening.

Student Council candidates need to have a petition signed by 50 students from their class and six teachers. Qualifying candidates are placed on a ballot and representatives are elected from each grade by their classmates. Their main duty is to plan activities for the student body to represent the interests of students to faculty, administration, the school board and the community. Representatives also help deal with student concerns regarding the school. They try to create a wide variety of student involvement.

# Sports generate spirit

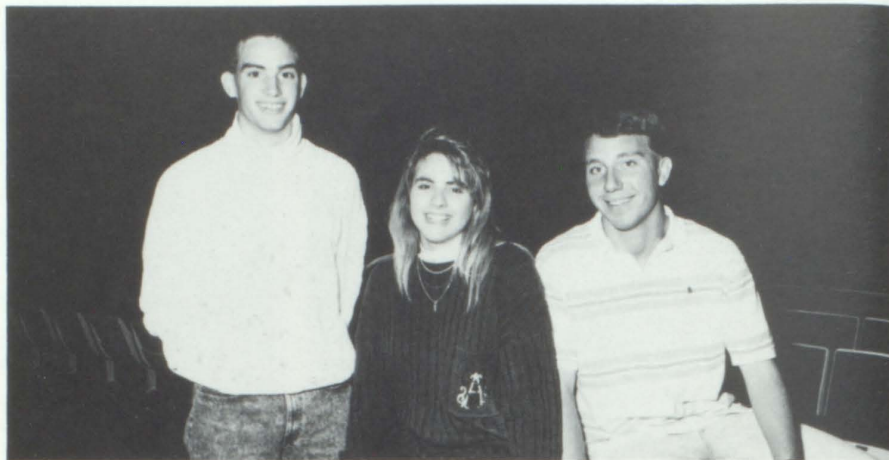

To be a member of the Letterman's Club a student must earn a letter in a varsity sport or in cheerleading. Students are awarded "stars" for outstanding performances in sports, selling football programs, and donating money for various athletic needs. A letterman may earn reimbursement for his or her jacket by doing various tasks, such as selling programs, helping in the concession stand, working at winter sports' events and spring track meets. Mat Maids help support wrestlers by making signs, helping out at matches by working in the concession stand, decorating lockers, and giving them the extra incentive they need to go out and win. They are a significant part of the wrestling program.

The Pep Club is responsible for making signs for the stadium, gym, and the halls of the school to support all athletic teams. They also make decorations for pep assemblies, hallways, Homecoming, and other activities to encourage support.

Current members of German Club show interest in the German language and its culture. They promote goodwill and fellowship while providing community service through various projects.

Members of German National Honor Society must have completed German III with a 4.0 average. Active membership requires students to be enrolled in a German class and maintain high standards of academic excellence.

To be a member of Spanish National Honor Society, students of Spanish III, IV, or AP must have maintained an A average in the first three quarters of the school year to be inducted in the spring. French National Honor Society is a strictly honorary club. Members must be in French III and have three consecutive A's.

# Every language is important

Junior Classical League is a very active organization made up of Classical Civilizations, Mythology and Latin students. JCL had many events planned for the 1990 school year. The State Convention was held at Juniata College and the National Convention was held at North Texas in Denton, Texas.

Students must maintain an A average in Latin III or Latin IV for the school year to be a member of the National Junior Classical League. Members are inducted annually into this group which recognizes students who excel in Latin.

Students who have a cumulative quality point average of 3.5 and have been screened by the faculty for Service, Character and Scholarship can be elected in the spring of their junior year to join National Honor Society. Members volunteer their time at many community events.

# Artists have different talents

The aim of the National Art Honor Society is to encourage and recognize excellence in art by students. The NAHS encourages participation in community and public relations efforts of the school. The club's members display scholarship, service, character and creative talent.

The Stage Crew is made up of students who have an interest in working with all aspects of stage production: lighting, sound, projectors, set construction, etc.

Scenery and Set Design members participate in the designing, building and painting of the sets seen in plays and musicals. Scenery and Sets are a vital part of any theater production.

# What number did die anyway

*Any Number Can Die* is a take-off on the mystery / horror movies of the 1920's. Many things are made fun of: the mysterious killer, the inept detectives, the accidental discoveries, the acting style of the period, the cliched isolated island, the odd servants, characters in disguise, the cutesie heroine, the brave hero, etc. Any old movie you can think of has any number of these characteristics. The combination of mystery and comedy is difficult to establish, and these high school students did a fine job with it. The students responsible for the technical aspects should also be commended. The murder mystery-comedy kept the audience on the edge of their seats and laughing the entire time. (Remember that title once again . . . )

# Volunteers lend a hand

Office aide duties include answering telephone calls, filing, running errands, sorting and distributing mail, copying materials for teachers and miscellaneous duties assigned by the office staff.

Athletic Office Aides are very important in that they relieve the secretary of answering incoming phone calls, relay messages, file information and check athletic forms.

The student library assistants work in the library on a regular schedule throughout the school term. They are responsible for handling the student pass system, the circulation of all library materials, and working in the magazine room each period. In addition, they assist the librarian and the library secretary with special duties such as book processing, checking in magazines and decorating bulletin boards. The student library assistants meet as a club often.

# Music makes the world go round . . .

The Marching Band consists of any student, Freshmen through Senior, who has experience playing a musical instrument, with the exception of the colorguard (majorettes, silks and rifles) who must try out.

All members must attend band camp for two weeks at the end of August. During this period the Marching Band begins preparing the several programs they will perform through the year. The band presents these programs at football games, competitions and all Latrobe parades. This year's Marching Band's competition program included the selections *Battle Hymn Chorale* and *Wind Beneath My Wings*.

# ... and round

Any instrumentalist who wishes to play in an ensemble but cannot belong to the Marching Band can join the Concert Band. The Concert Band combines forces with the Symphonic Wind Ensemble for concerts.

Members of the Pep Band are volunteers who wish to help out at Pep assemblies by playing fight songs and other spirit boosting tunes. Their music makes an important contribution to school spirit. All instrumentalists in the Marching Band belong to the Symphonic Band. The Symphonic Band meets everyday to work on Marching Band music as well as selections for their various concerts throughout the year.

All students who wish to belong to the Stage Band must play saxophone, trumpet, trombone, piano, guitar or drums. Students try out and must show a desire to learn more about jazz and perform in a specific level of improvisation.

The Winterguard is similar to the Marching Band's colorguard and consists of silks and rifles. The Winterguard rehearses in the gym and competes once a week.

# Students who speak their minds

The Forensics Club is open to any student who wants to develop their speaking skills outside the classroom. Students compete in any one of 17 different speech events in the National Forensics League or the PA High School Speech League.

Student involvement is the main goal. Anyone who has ever seen the game show Jeopardy knows what it's like to be a member of the Academic Quiz League. Students try out and are chosen based on their knowledge in various areas.

The team then competes against other schools. Members of Speech I classes are required to do the morning broadcasts for three consecutive days, once each quarter. Volunteers from the class are accepted for any days not so covered. In addition, an experienced volunteer announcer from past classes serves as director for a one week period.

# Students discover the world

Medical Explorers is a club for students who are interested in learning more about careers in the health-related field. This club meets monthly and is sponsored by the Latrobe Area Hospital. Each month a speaker gives a presentation about his/her profession and answers any questions the members may have. Students volunteer to help at blood drives and in various organizations at the hospital.

The purpose of CODE is to make students aware of the negative effects drugs and alcohol can have on them both physically and mentally. Members make presentations at other schools to help other students go against drugs and alcohol and "Just Say No." They also hold meetings with other schools to discuss how their message can be heard by more.

The AFS (American Field Service) encourages the exchange of students from other countries to expose them to the culture and lifestyle of the United States. The AFS members are also exposed to the cultures and lifestyles of countries around the world through hosting an exchange student or going abroad. It is an international organization present at many schools.

Law Explorers is a club for any student who wants to learn about careers in the legal field. During their monthly meetings they may learn about judicial process in Westmoreland County, travel to various places such as the Westmoreland County Juvenile Detention Center, or hear presentations from guest speakers. The members also have an annual mock trial competition.

THE  
CHALLENGE

**C**hallenges came from many directions — from within the school and the community.

The school challenged the advertising staff in yearbook obtaining sales of 925 out of 1020 students. Another challenge was from the community. Ad sales

began in early June of 1989 and were never stopped. Many of our loyal businesses have faithfully contributed for years, and the new contributors we hope to see again.

# **Begin your future at WCCC**

At Westmoreland County Community College you can prepare for your first career or start earning credits toward a bachelor's degree.

In two years or less you can earn an associate degree, a diploma or certificate in one of 35 different areas - liberal arts, computer science, engineering technology, allied health and business, to name a few.

Best of all, you can get a quality education at an affordable cost. Our tuition for Westmoreland County residents is only \$39 per credit -- one of the lowest in the state.

And, WCCC is close to home. Day and evening classes are conducted at our new Laurel Education Center, One Lloyd Avenue, Latrobe and the main campus in Youngwood.

**So, take the first step toward your future and call our  
Admissions Office for more information - 925-4062.**

*arewell to you and the youth I have  
spent with you.*

*It was but yesterday we met in a dream.*

*You have sung to me in my aloneness,  
and I of your longings have built a tower  
in the sky.*

*But now our sleep has fled and our dream  
is over, and it is no longer dawn.*

*The noontide is upon us and our half  
waking has turned to fuller day, and we  
must part.*

*If in the twilight of memory we should

Haulers Of The World's  
Most Precious Cargo:  
"Your Children"

We wish to thank the following people for their devoted efforts and cooperation in the production of this yearbook.

Mrs. Henderson — for her countless hours both in and out of school, for her advice when we didn't know what to do and of course, her many "famous speeches."

Julie — for her expertise in layouts and her contagious laugh which kept us sane.

Michele — for her creative ideas in copy and determination to push us to our limits.

Kim and Erin — for their organization and great teamwork to make a memorable Senior Section.

Mara and Lisa — for a job well done on the underclass section.

Denise — for single handedly tackling the faculty section.

Scott and Mandy — for working steadily through the book's largest section.

Jean, Jen, Shelia, and Lisa — for raising the funds to make publications possible.

Juniors — for helping us at any time. Good luck next year!

Larry — for giving us first-rate photos.

Sharon — for those little favors when we were working late on our deadlines.

C.T. Miller — for overseeing everything and coming up with innovative ideas for our book.

Jon Lundell — for working on the artistic side of the book. It seems like only a moment ago that we met to work on the cover.

Erik Christiansen and Julie Gaudino — for extra help in the intro section when we really needed it.

Faculty — for cooperating with the staff during candid shots and being understanding towards us.

Thanks for everything.

Salma and Brian

# Taking THE CHALLENGE

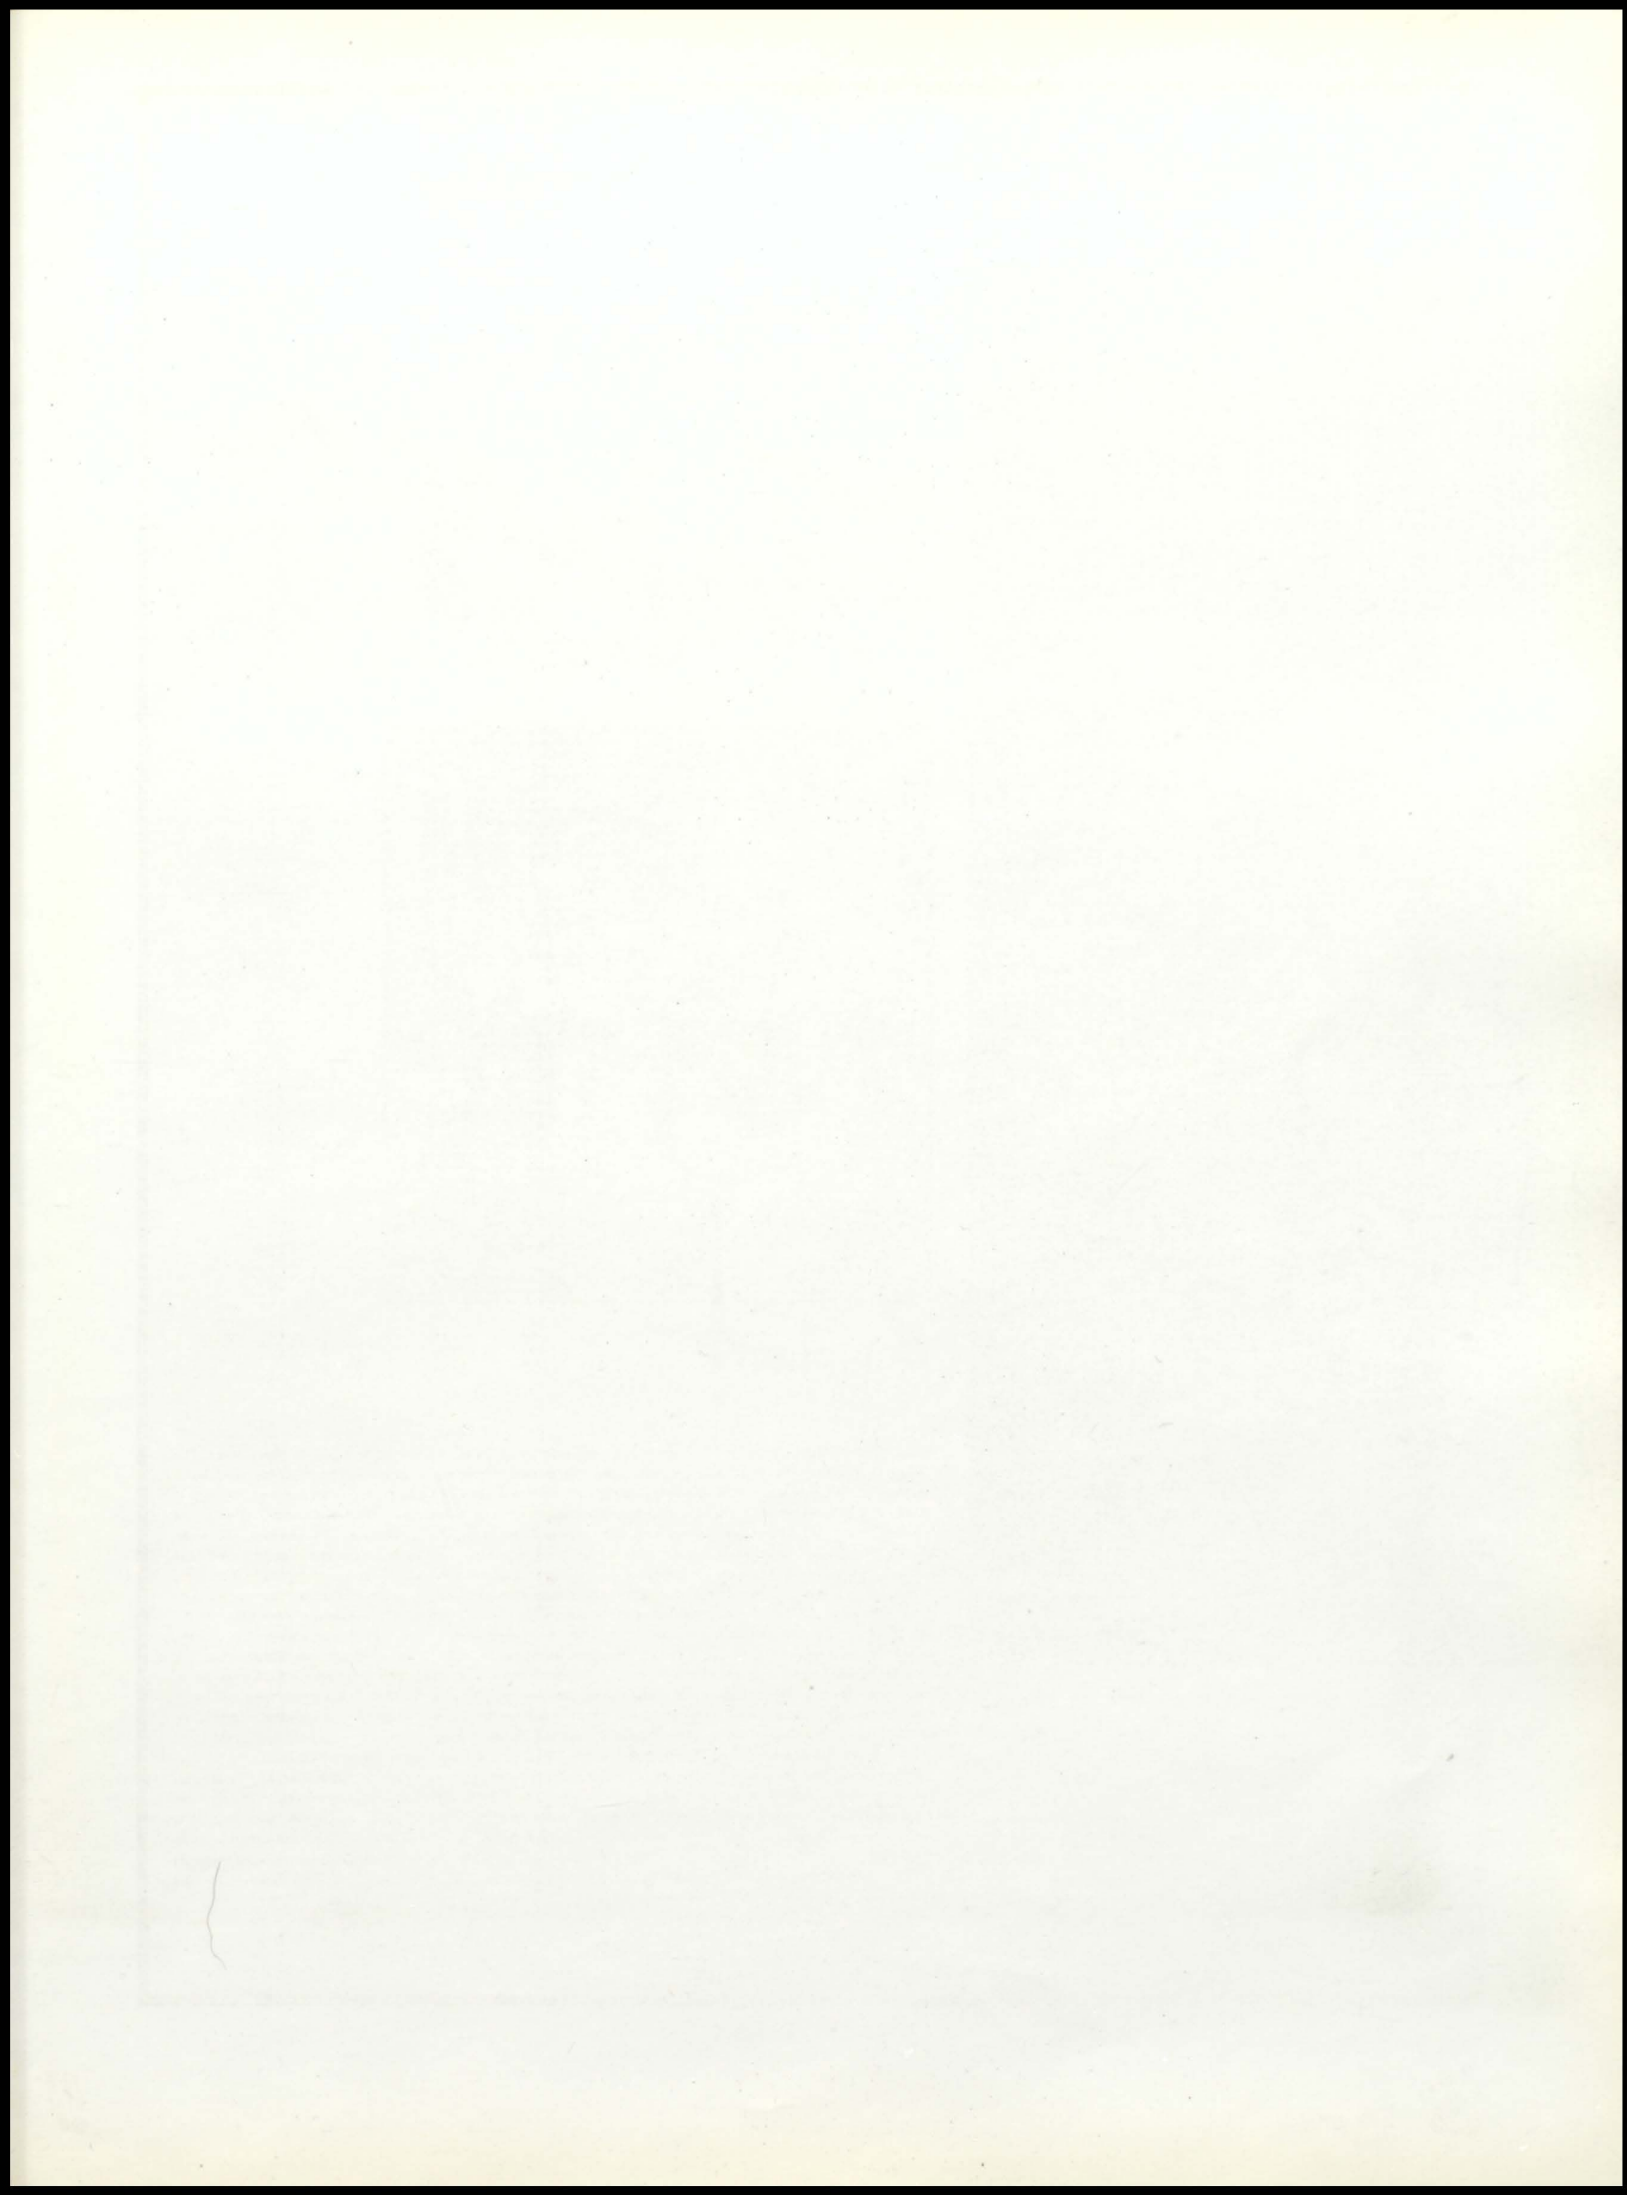

## Colophon

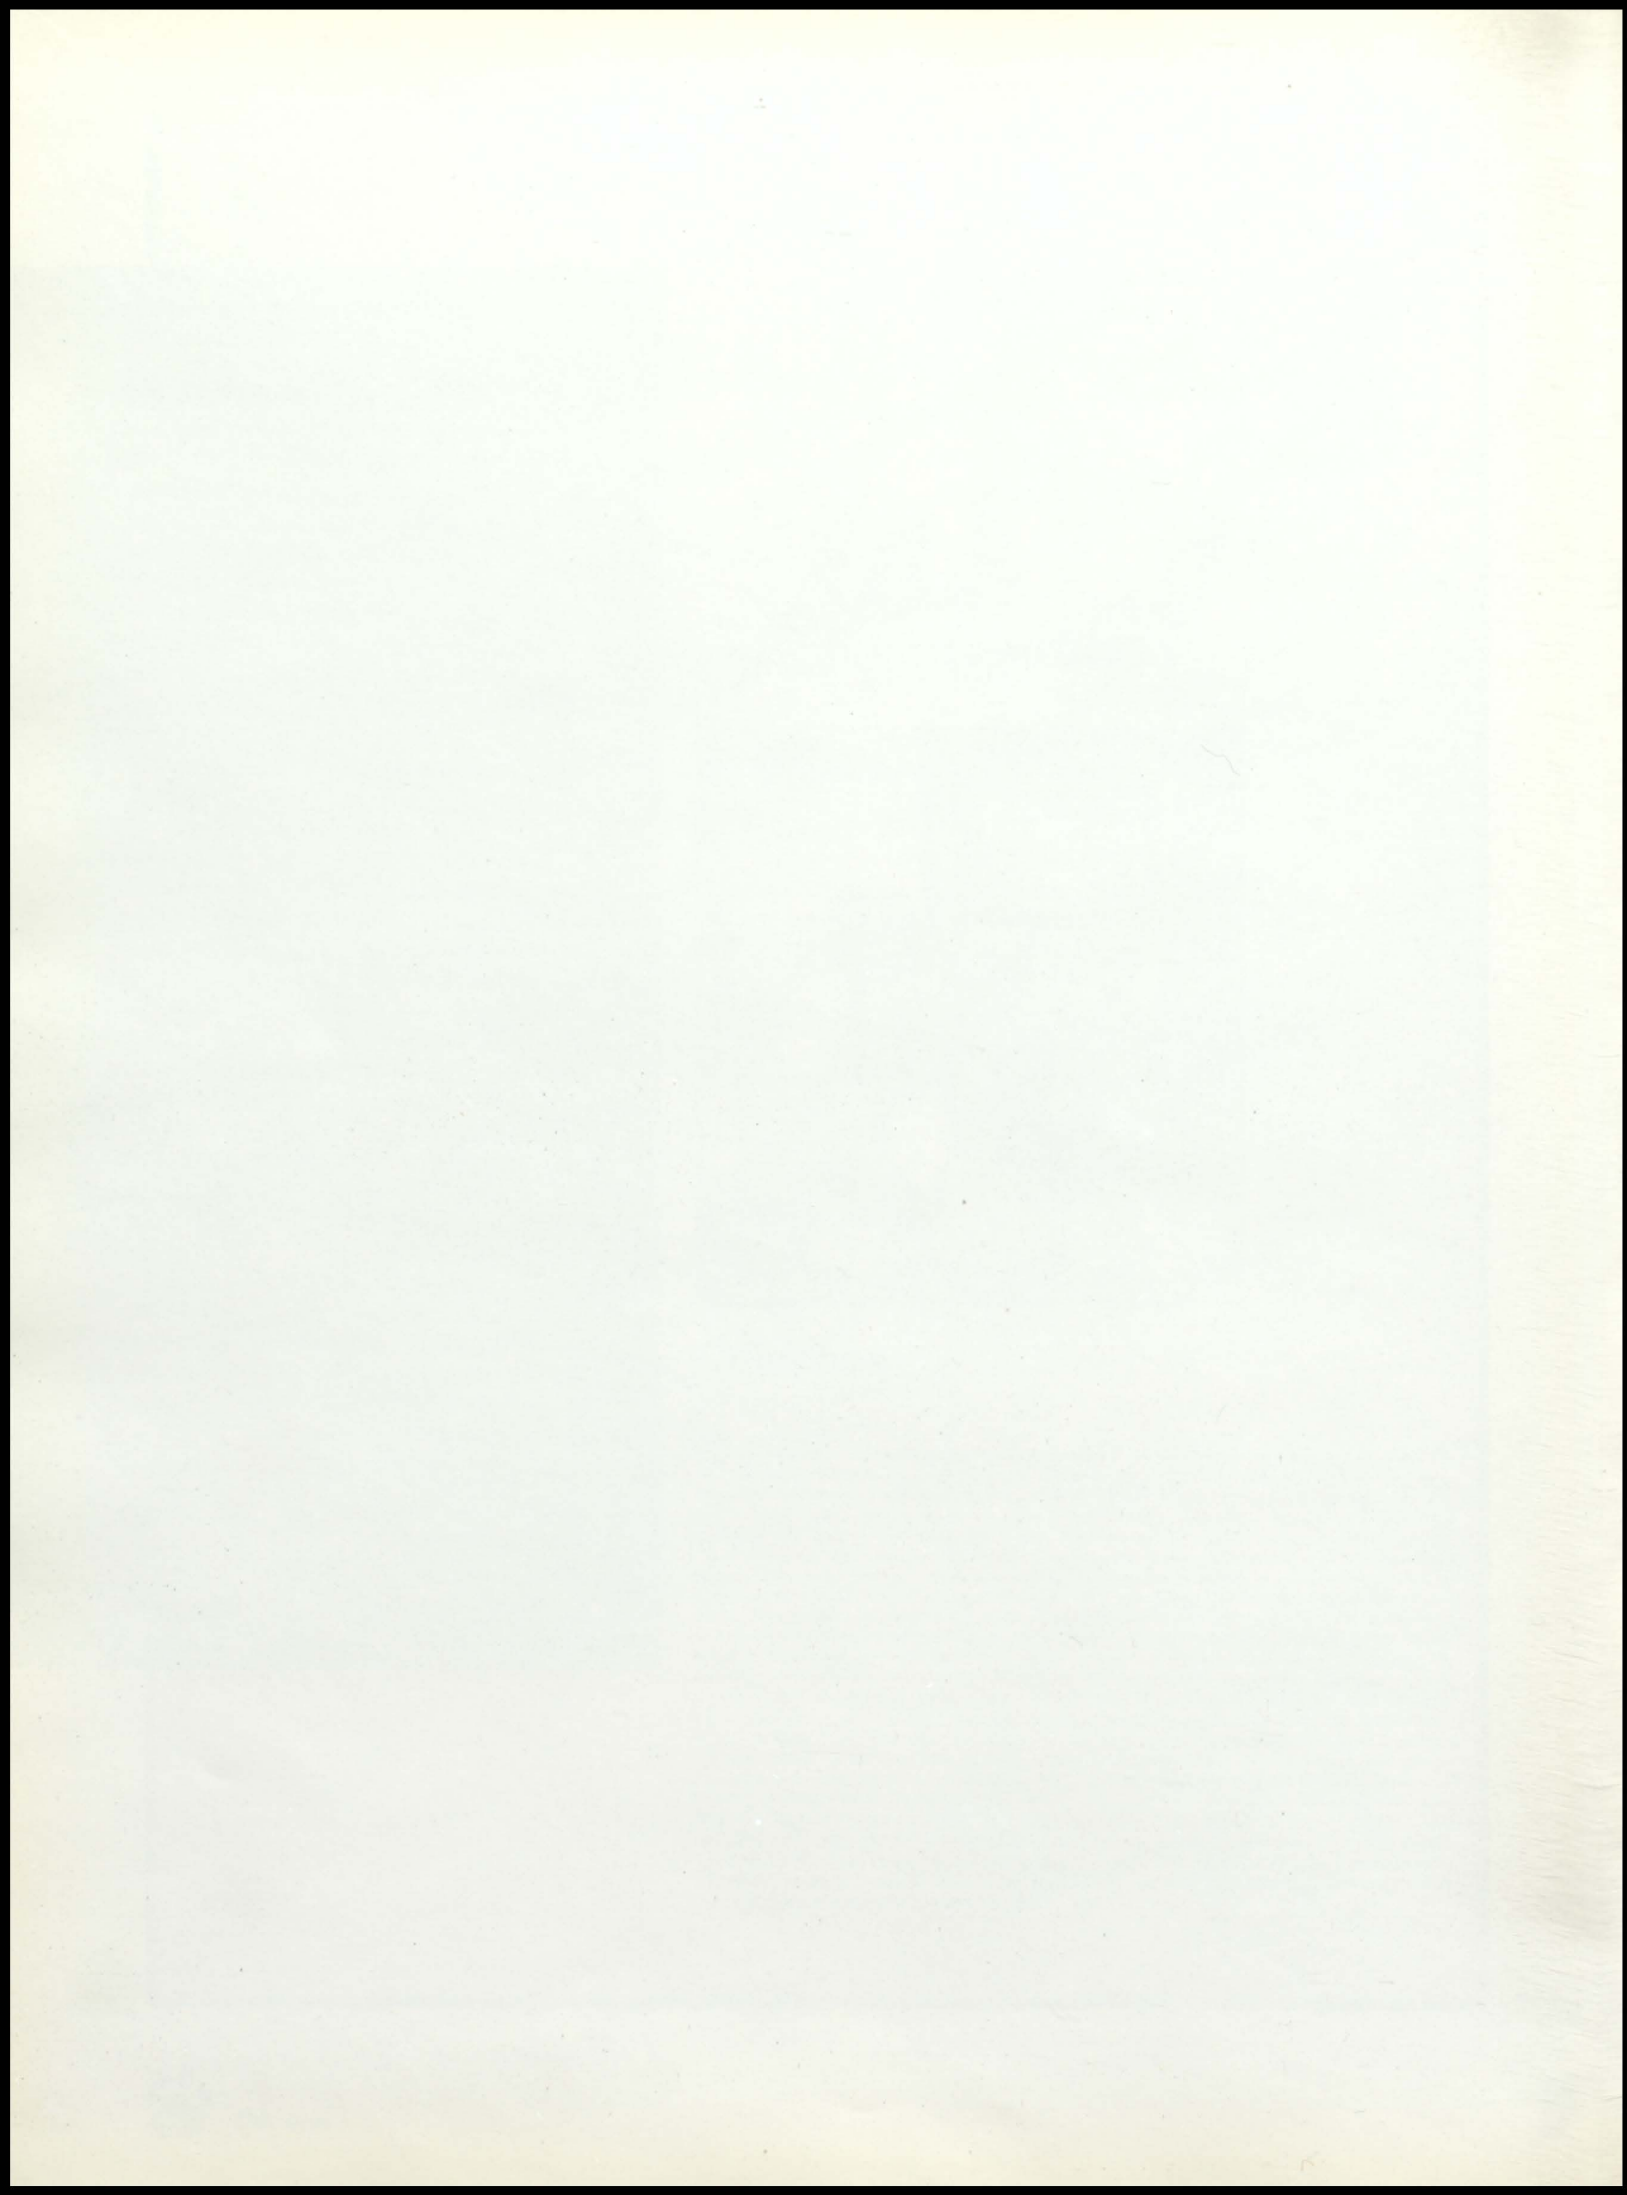

Okay, you must be really bored if you are reading the Colophon. We must first include a plug for Herff Jones. The 1990 Latrobean, of Greater Latrobe High School, was printed in offset Lithography by Herff Jones Yearbooks, Gettysburg, Pennsylvania 17325. We collected the \$24 fee for this work of art and managed to sell a whopping 925 copies of pure reading pleasure. We next began to design our cover, endsheets, paper, ink, etc. . . . (all of the technical "stuff" which we knew nothing about when we began the book). Jon Lundell, our customer service advisor, came to our rescue and worked our ideas into the book's cover (special thanks to Jon and everyone for making the book so professional). The cover is made from Ultramarine Blue material with foil in lieu of applied color. Blind embossing, a term more for seeing-eye dogs than yearbooks, was replaced by custom embossing. Signature 1 used 100 pound IKONOLUX (this doesn't mean each page weighs that much!), and 100 pound Bordeaux loss paper on the rest. There were action-packed photos, clever copy, and whatever it took to fill our 260 pages (actually 264 with the 4 blanks at the end, but who's counting?). We used Helvetica type for 8 and 10 point captions and 12 point copy. We also used Helvetica Medium and Brush type for 30, 48, and 72 point headlines. The endsheets, which is the clever term for the thick sheets on each end, were school designed on 65 pound White Stock in two colors. When we actually started the book, two people kept us from going insane: Mrs. Janet Henderson, our publications advisor, and C. T. (Cropping Tool) Miller, our local HJ representative. Thanks for everything! We sent the cover to the Herff Jones Cover Plant in Montgomery, Alabama 36108, where it was mounted on 160 point binder's board, smyth sewn in 16 page signatures, trimmed to 9 X 12, and rounded and backed with decorative head and footbands. We used jet black ink on everything and process four-color on the first 2 flats. Well, that's it. You finally see some of the action happening behind Latrobean's closed doors. To our fellow seniors, we'll never forget you and hope this book captured our final year at GLHS. This brings us to the end. We would once again like to thank the staff for TAKING THE CHALLENGE. We did it! No portion of this book may be reproduced in any form without the written consent of THE 1990 LATROBEAN STAFF. For more information, contact the LATROBEAN Yearbook Office, Greater Latrobe High School, Box 452, Latrobe, Pennsylvania 15650.

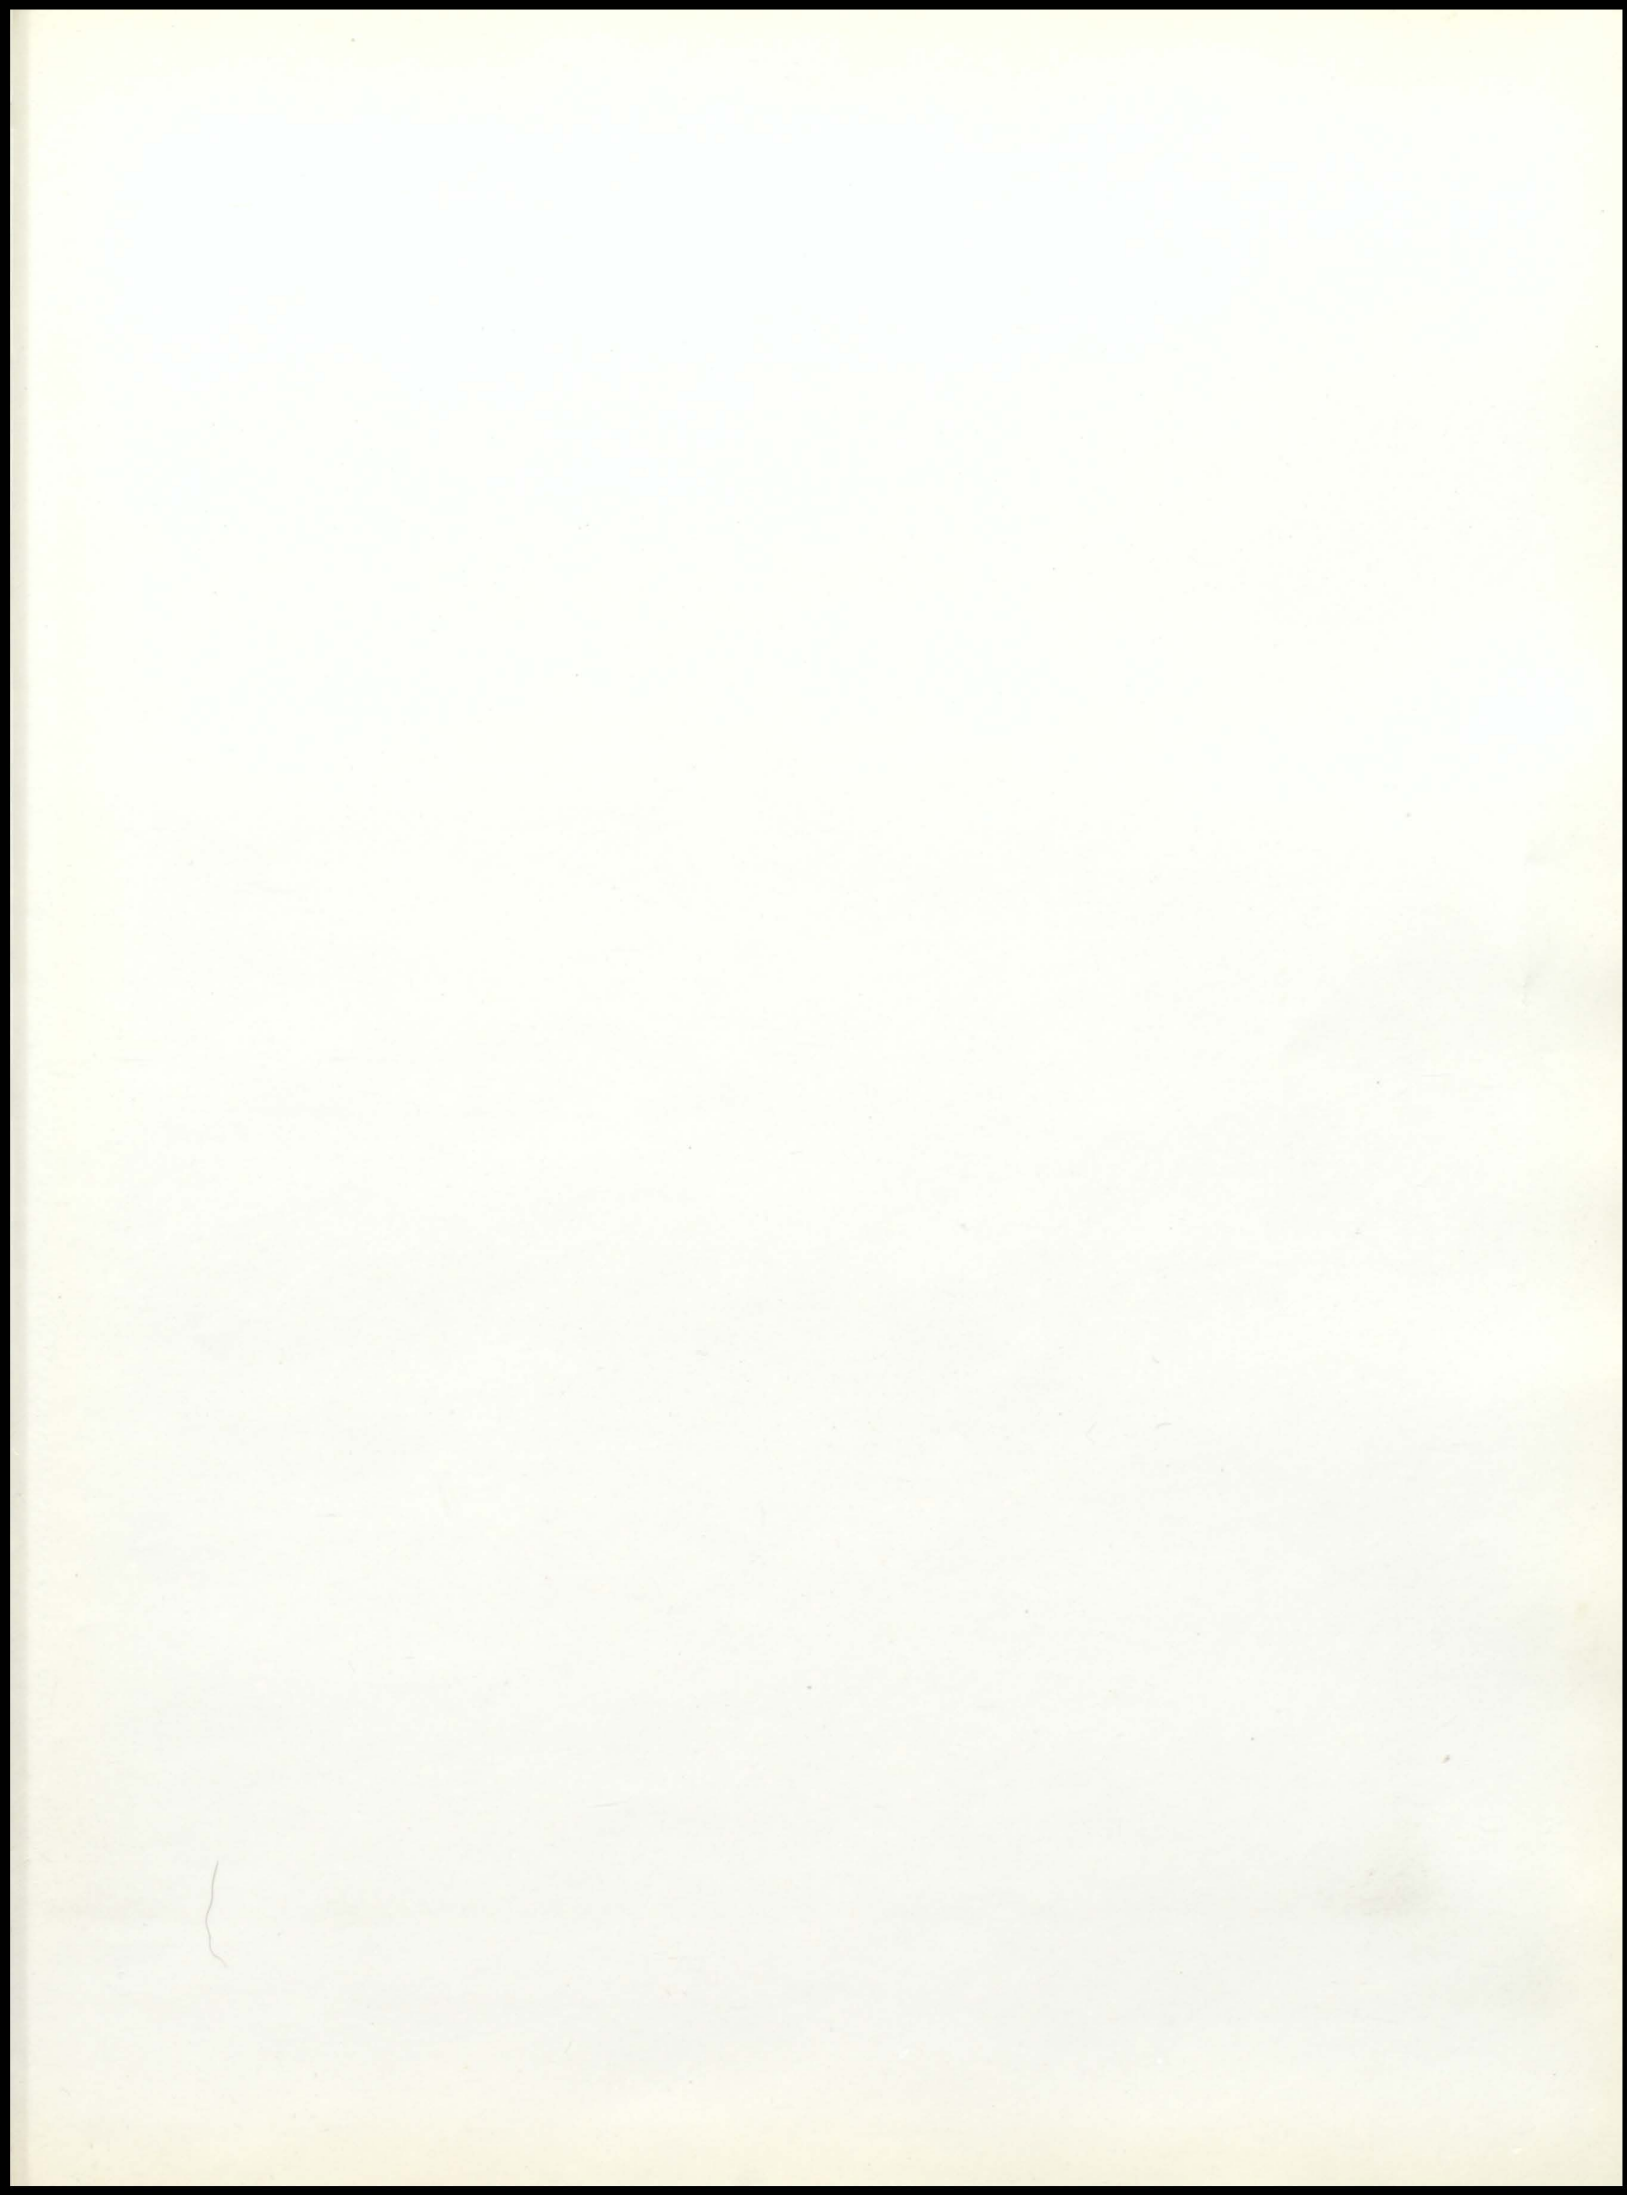

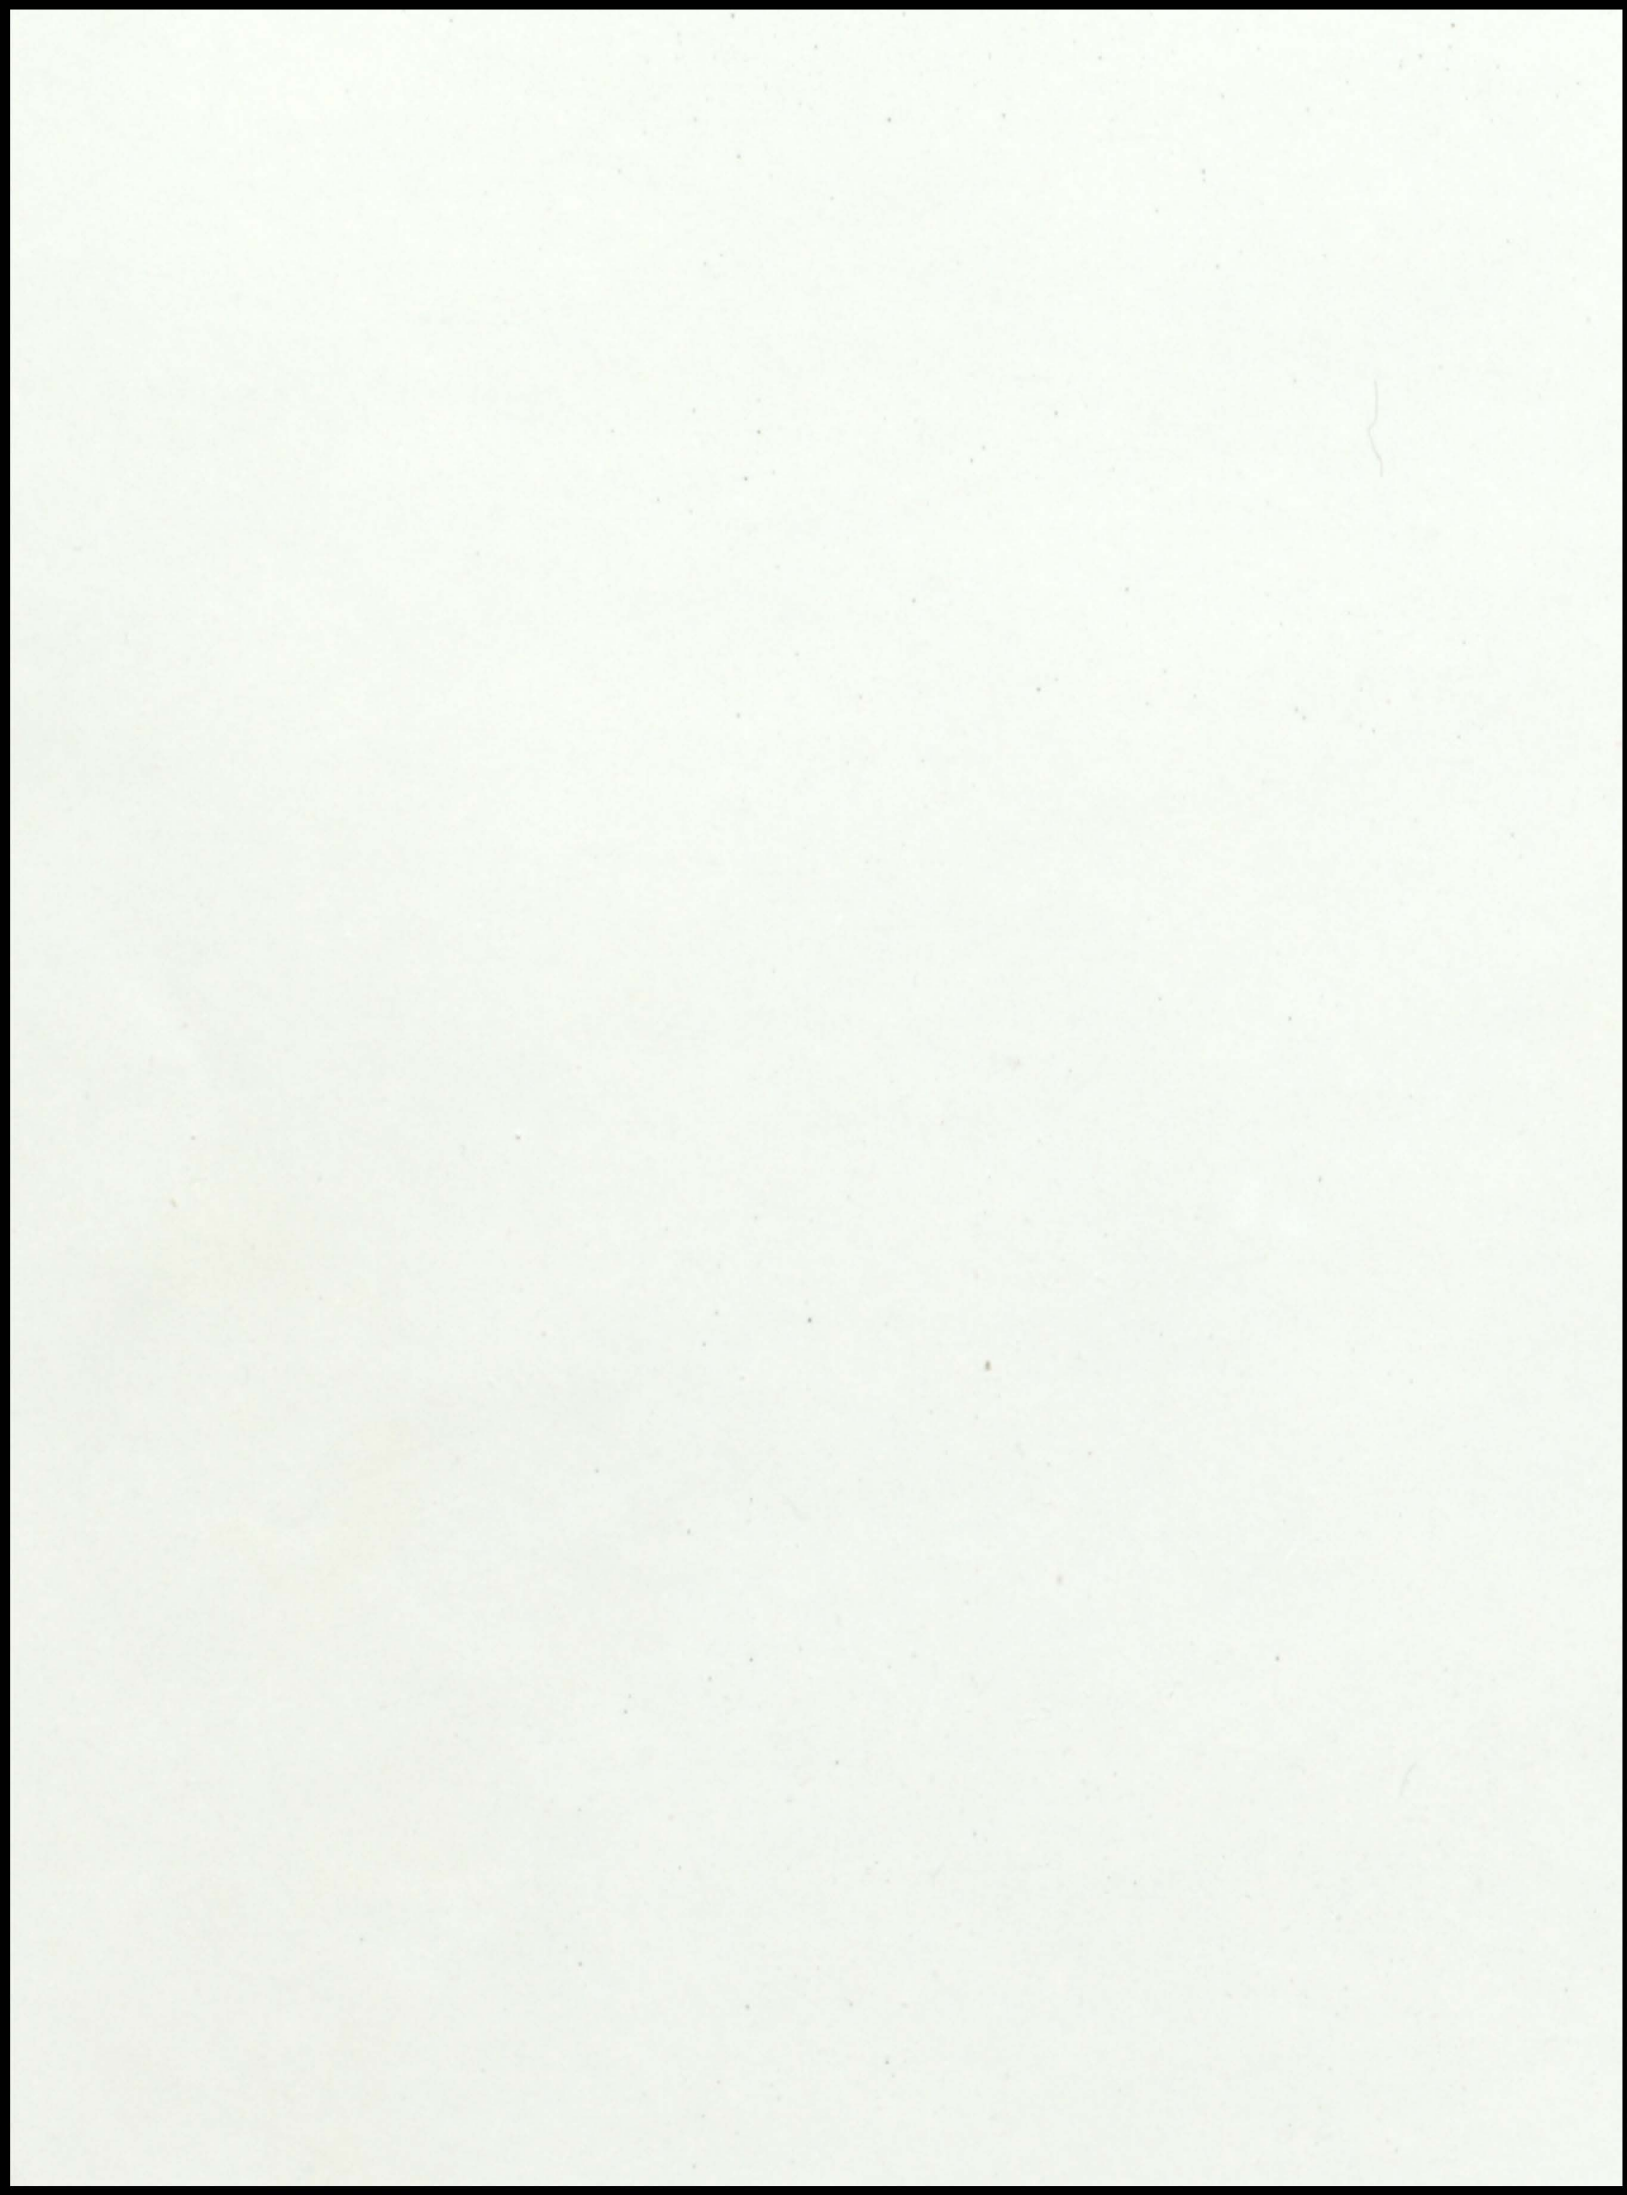

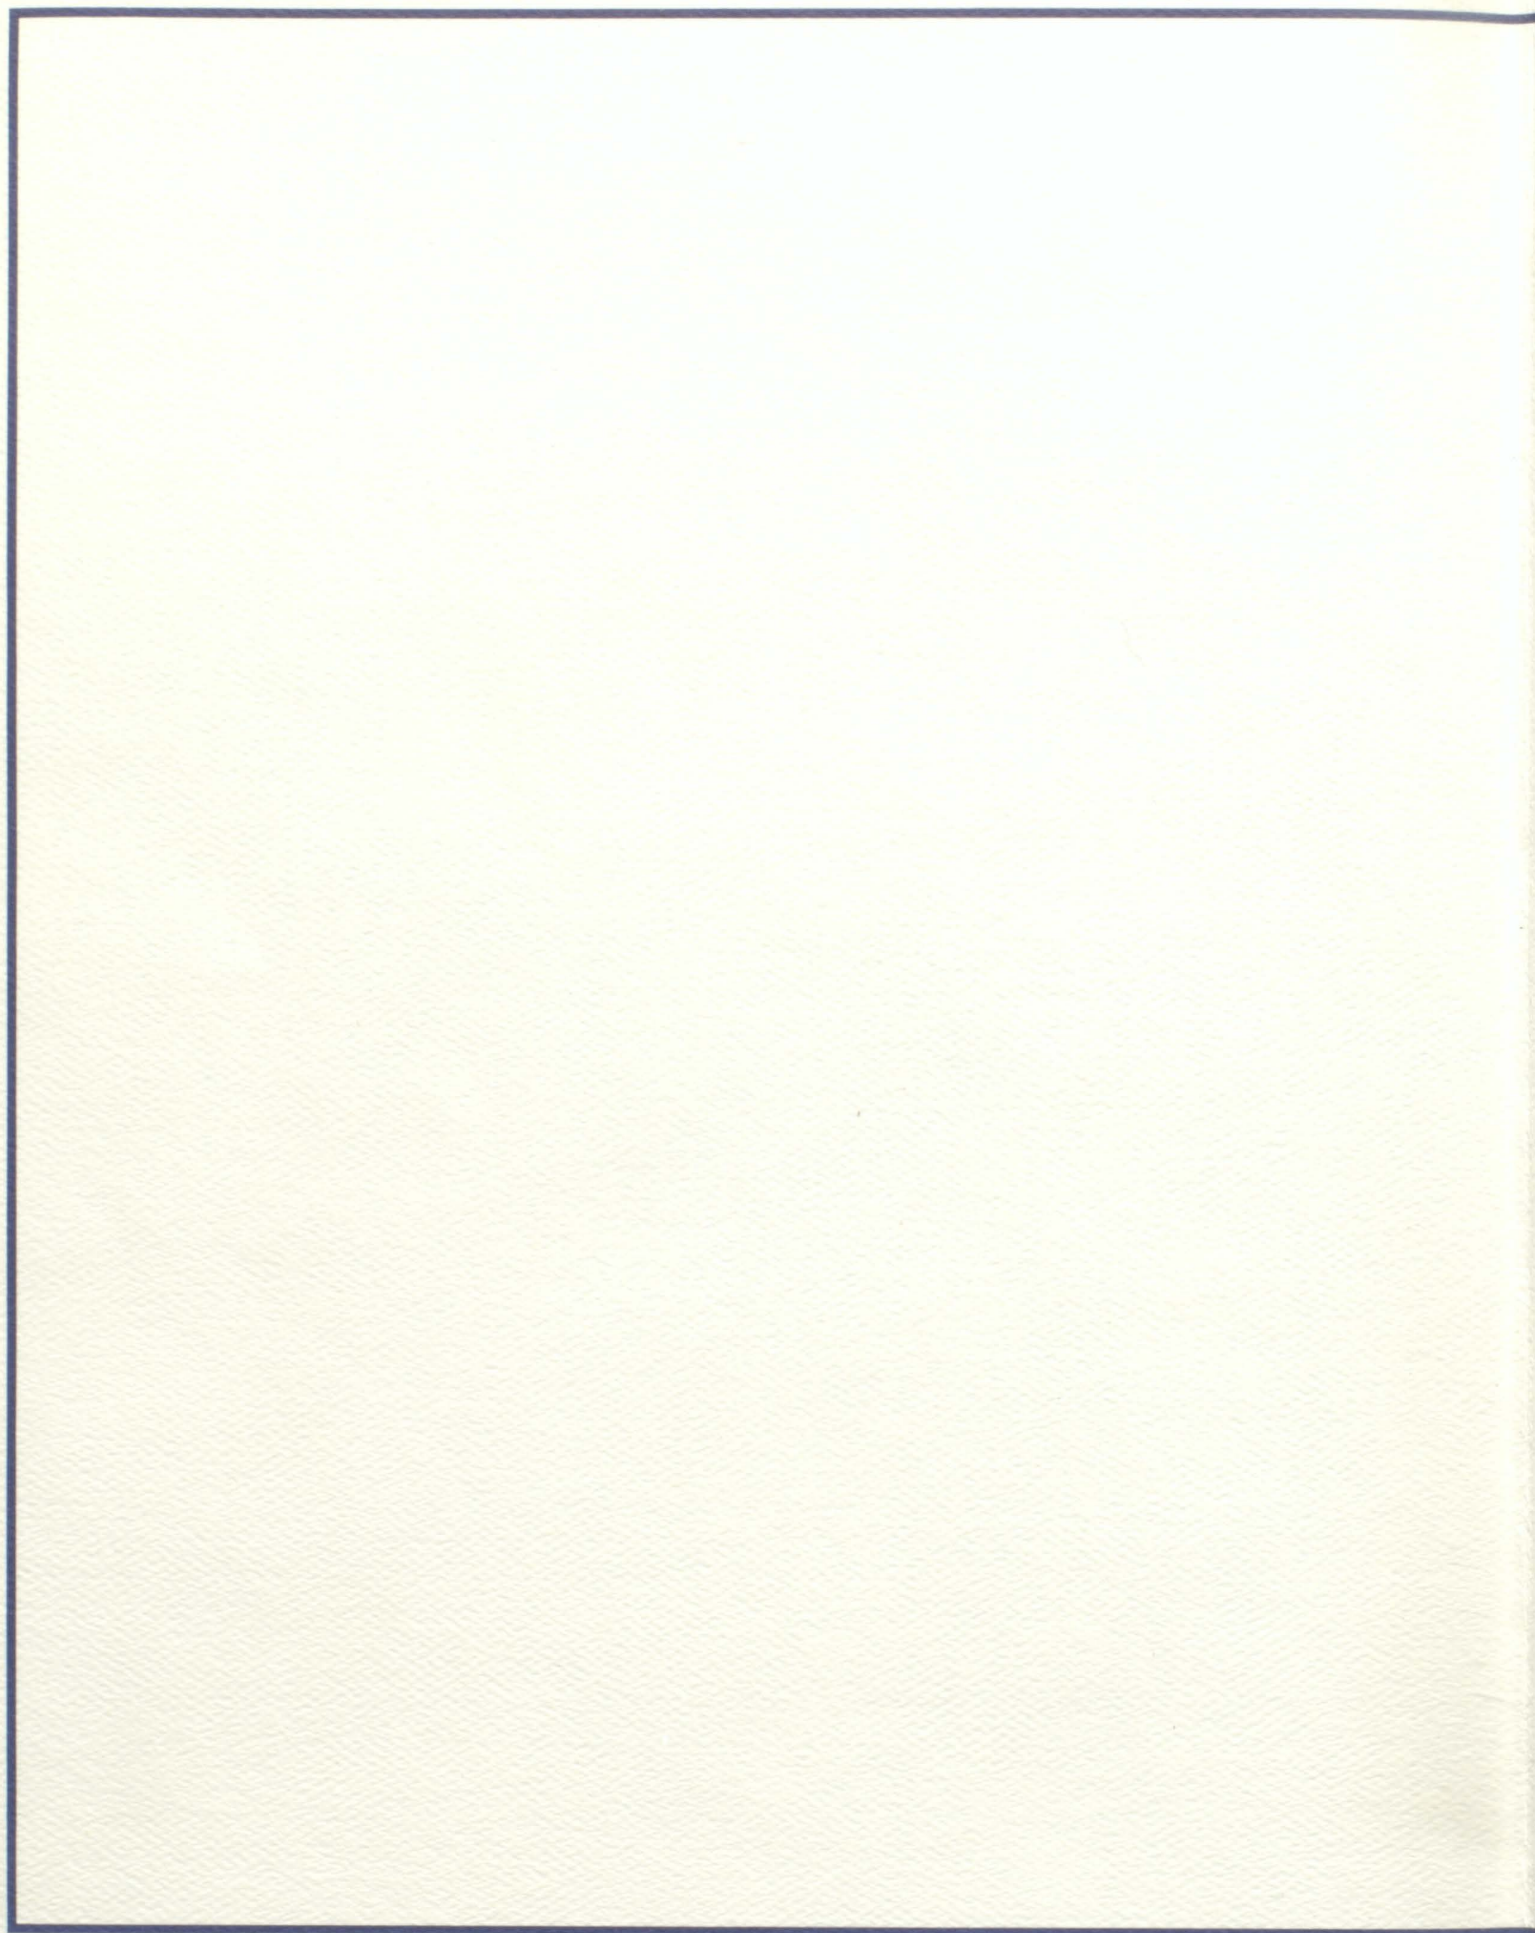

A series of seven thin, vertical, parallel lines in a light blue color, extending from the top edge of the page down to the middle of the title area.
